Question	Answer
1. Can you bid on certain items only?	Yes, vendors can bid on the items they carry. We are aware that not all vendors will carry all items.
2. Referencing the above solicitation, can you supply a price for some items only?	Yes, you may supply a price for the items you carry.
3. What is the total quantity needed for category 14 - medical-grade gloves?	The number we need varies depending on our events and usage.
4. Is there a minimum thickness for the gloves?	No, there is not a required thickness for the gloves.
5. Do you have an estimated annual usage?	Annual usage will vary depending on the number of events and usage we have.
6. We manufacture size SM – X-large. If we were to submit pricing on only those sizes, would it be disqualifying, and if so, would the City of Phoenix accept a different brand for size X-Small?	You will not be disqualified if you do not have all the items we are looking for.
7. We would only be responsive to Item No. 14 so if that alone would render our bid as “non-responsive” please let me know.	We are creating a Qualified Vendors List, which means that if you carry at least one of the items and are in compliance with the requirements of the solicitation, you will not be deemed nonresponsive.
8. Can you please provide the bid tabulation from the previous bid indicating the award pricing per item and winning vendor?	One bid was received from the previous solicitation. This is not an RFQ or lowest bid award. We are creating a Qualified Vendors List of vendors that carry the requested items. The previous awardee is MSR West, Inc. Their price list is confidential.
