SECTION III - SCOPE OF WORK

CITY OF PHOENIX PARKS AND RECREATION DEPARTMENT

Purchased by the Parks Department in 1999, Camp Colley is a 30-acre outdoor adventure camp nestled in pine forest on the Mogollon Rim about 148 miles north of Phoenix's city center. At an elevation of 6,700 feet, the camp provides a welcome summer escape from searing Valley temperatures. Through the years, Camp Colley has provided wonderful outdoor experiences for thousands of children by teaching respect for the environment and highlighting the miracles of nature.

The Parks Department goal is to provide camping opportunities for underserved populations. Participants of previous camping opportunities have included youth from the City of Phoenix Parks and Recreation community centers and the Neighborhood Services Department housing residents.

Camp Colley was founded on the belief that every child should have a chance to experience nature in its purest form. For this reason, the camp is entirely off the grid and self-sustaining. Power is provided by solar power and a backup propane generator. Water is pumped from an onsite well, with an aquifer that organically filters wastewater and returns it back to the environment. Wi-Fi will be maintained by the City of Phoenix.

This camp complex includes the following (Camp Colley Map attached as Exhibit A):

- Dining Hall
- Bath House
- Barn
- Remote Camp Site
- Bunk House (12 beds)

CITY OF PHOENIX PARKS AND RECREATION DEPARTMENT

v. The selected Proposer must have the capacity to oversee a residential camp possibly throughout the year as weather conditions allow.

D. ADVANTAGEOUS PROGRAMMING OPPORTUNITY PLAN

Named after former Phoenix Parks and Recreation Director James A. Colley, the camp's mission is aligned with Mr. Colley's vision to provide structured, supervised outdoor nature education and experiences to underserved urban youth. Preserving and sharing the facility's extraordinary beauty and protecting its most valued cultural resources and creating opportunities for high-quality outdoor recreation will be the top priority of the City and the selected proposer.

Previously, the camp existed within a partnership between the City who acquired the land in 2001 and the Camp Colley Foundation, whose mission was to raise funds for capital and programming needs however, off-season programming was not planned or pursued. However, through this RFP, the Parks and Recreation Department desires to obtain an operator to run Camp Colley for summer youth camps and to potentially offer other off-season programming as planned and recommended by the selected proposer.

The selected proposer has the opportunity to enhance revenue by offering outdoor opportunities and events at the facility to other interested groups outside of planned youth summer camp activities as weather permits during "shoulder" seasons. These activities can include, but are not limited to:

- Group events (Corporate Retreats, Meetings, Team building, Family Reunions)
- Emergency Preparedness and Survival Training
- "Leave No Trace" Workshops
- Hunting Guide or Outfitter Instruction/Basecamp
- Equestrian Activities
- Birding/Wildlife Viewing Events
- Landscape Painting/Photography Camps
- Mental and physical health and wellness

*Some or all activity may require City of Phoenix and/or Coconino County approval prior.

These sources of potential revenue will help sustain the scholarship fund identified in item <u>C.</u> <u>Operation Requirements (h.)</u> above.

The City reserves the right to make such additional investigations as it deems necessary to establish the competence and financial stability of any Proposer submitting a proposal.
