NOTIFICATION LETTER #1

August 16, 2023

This notification letter shall become a part of the Request for Qualifications for the above referenced project.

Request for Qualifications is revised as follows:

1. Section II – Scope of Work; paragraph 3 and 4, remove in its entirety and replace with:

Expansion will not extend beyond the existing structure of the 2nd floor. Floor plans and drawings from prior expansions will be made available for reference after selection of consultant.

The consultant is expected to complete final construction plans, specifications, and construction estimates; provide data collection information, surveying, materials reports, permits, various utility adjustments; and prepare the required documents (progress submittals) for Environmental Clearance. Services also include post design bid assistance through award of construction.

QUESTIONS:

- Q1. The PowerPoint presentation has SOQs due on September 8, 2023, but the RFQ has them due on August 25, 2023, which one is accurate?
A1. The RFQ has the correct submittal due date of August 25, 2023.

All other terms and conditions remain unchanged.
