Design must comply with 2018 Phoenix Building Construction Code, (<https://www.phoenix.gov/pdd/devcode/buildingcode>), 2010 ADA Standards for Accessible Design, Ordinances, and Policies (<https://www.ada.gov/law-and-regs/design-standards/2010-stds/>).

SECTION II – SCOPE OF WORK

The consultant is expected to complete the design, encompassing all aspects of lot enhancements required to house a future bookmobile. Enhancements are to include asphalt pad for bookmobile, asphalt parking lot, utilities, light fixtures, bathrooms, security cameras, and a garage to house the bookmobile.

The consultant is expected to provide final construction plans, specifications, and engineering estimates; provide data collection information, surveying, materials reports, various utility adjustments; and prepare the required documents for Environmental Clearance. Ineligible Subcontractors. Contractors shall not use funds received pursuant to this contract to directly or indirectly employ, award, award contracts to, or otherwise engage the services of, or fund any contractor or subrecipient during the period of debarment, suspension, or placement on ineligibility status under the provisions of 24 CFR Part 24.

- B. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the Contractor shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying", in accordance with its instructions.

Archaeological Remains. Should archaeological remains be encountered during ground disturbing activities, work will cease in the area of discovery. The City's Administrative Services Deputy Director or Representative shall be notified immediately. Work in the area of discovery will not resume until the significance of the discovery has been assessed and the environmental clearance updated.

Procurement of Recovered Materials. In accordance with Section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act, the Contractor will procure items designated in guidelines of the Environmental Protection Agency (EPA) at 40 CFR Part 247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition. The Contractor will procure items designated in the EPA guidelines that contain the highest percentage of recovered materials practicable unless the Contractor determines that such items: (1) are not reasonably available in a reasonable time period; (2) fail to meet reasonable performance standards, which will be determined on the basis of the guidelines of the National Institute of Standards and Technology, if applicable to the item, or (3) are only available at an unreasonable price.

Paragraph (a) of this clause will apply to items purchased under this contract where: (1) the Contractor purchases in excess of \$10,000 of the item under this contract; or (2) during the preceding Federal fiscal year, the Contractor: (i) purchased any amount of the items for use under a contract that was funded with Federal appropriations and was with a Federal agency or a State agency or agency of a political subdivision of a State; and (ii) purchased a total of in excess of \$10,000 of the item both under and outside that contract.

Contractor Employee Whistleblower Rights and Requirement to Inform Employees of Whistleblower Rights (APR 2014): This contract and employees working on this contract will be subject to the whistleblower rights and remedies in the pilot program on Contractor employee whistleblower protections established at 41 U.S.C. 4712 by section 828 of the National Defense Authorization Act for Fiscal Year 2013 (Pub. L. 112-239) and FAR 3.908.

- A. The Contractor will inform its employees in writing, in the predominant language of the workforce, of employee whistleblower rights and protections under 41 U.S.C. 4712, as described in section 3.908 of the Federal Acquisition Regulation.
- B. The Contractor will insert the substance of this clause, including this paragraph (c), in all subcontracts over the simplified acquisition threshold.

The Contractor agrees that the requirements of this Section will be incorporated into all subcontractor agreements entered into by the Contractor. It is further agreed that a violation of this Section will be deemed to cause irreparable harm that justifies injunctive relief in court. A violation of this Section may result in immediate termination of this Contract without notice. The obligations of Contractor under this Section will survive the termination of this Contract.

Assignment. The Contractor will not assign or transfer any interest in this Contract without the prior written consent of the CITY.

Preference for Domestic Procurement.
