Submitter's Handbook

Office of the City Engineer
Design and Construction Procurement

Introduction

The City of Phoenix uses the SAP Supplier Relationship Management (SRM) for eProcurement. RFX (Solicitation) is part of the eProcurement system.

Consultants and Contractors (Submitters) are invited to participate in the response of an RFX via the City of Phoenix Supplier Portal. Submitters must register with the City of Phoenix with appropriate Product Categories to be invited via email for the applicable solicitations. Submitters are to register via <https://www.phoenix.gov/finance/vendorsreg>. **Submitters are responsible for maintaining the Product Category(s) that they would like to participate in for submittal response.** Submitters will only be invited to participate per the Product Category(s) they have chosen to participate through the City of Phoenix Supplier Portal. City of Phoenix Contracts Specialist includes the Product Category(s) pertaining to the RFX and a Supplier List is used to invite Submitters registered under the associated Product Categories.

Once received, Submitters are to respond to the invitation before the Submission Date/Time elapses. Responses from Submitters are to be entered in the Supplier Portal for the City of Phoenix Contracts Specialist to review in the SAP eProcurement Portal. Submitters are responsible for the completeness and accuracy of their RFX Response submission.

It is imperative that Submitters log-in to the City of Phoenix Supplier Portal regularly to view their Invitations for RFX Response, check the status of their RFX Response(s) and to take appropriate timely actions relating to the RFX.

Accessing the City of Phoenix Supplier Portal

Submitters will receive the Invitation for RFX Response via the City of Phoenix Supplier Portal. Submitters will log-in to the City of Phoenix Supplier Portal at URL - <https://eprocurement.phoenix.gov/irj/portal>

The screenshot shows the login interface for the procurePHX portal. In the top left corner, there is a logo consisting of a purple shopping bag icon with a white swirl inside, followed by the text "procurePHX" in a bold, sans-serif font. Below the logo, there are two input fields: "User *" and "Password *". To the right of the "Password *" field is a "Log On" button. Below the input fields, there is a link that reads "Logon Problems? [Get Support](#)".

Submitters may use any Internet browser to log-in to the Supplier Portal, however, Google Chrome are recommended. Internet Explorer is no longer a supported browser when using the SAP procurePHX Portal.

After successfully logging in to the City of Phoenix Supplier Portal, the following screen appears.

To access RFx information, click the **RFx and Auctions** tab on the ribbon. Submitters will see an Overview of all RFx(s) that they are invited to Respond to.

The screenshot shows the SAP interface for the City of Phoenix Supplier Portal. At the top, there is a search bar and navigation links for 'New Session', 'Ajax Standards Mode', and 'Log off'. Below this is a ribbon with three tabs: 'RFx and Auctions' (highlighted with a red box), 'Administration', and 'Messages'. Underneath the ribbon are buttons for 'Home', 'Create Users', 'Own Data', and 'Company Data'. The main content area is titled 'Welcome Vendor Administrator' and contains the following text:

Thank you for your interest in becoming a vendor in the City of Phoenix Portal.
As a Vendor Administrator for your company you have the authority to:

- Maintain Own Data
- Create Additional Users
- Maintain your Company and User data
- Maintain your Product Category selections
- Access Vendor Help Portal

It is your responsibility to keep all information current. If your e-mail address is not correct, your firm shall be deleted from our vendor file when we perform a maintenance check of the system. Being a registered vendor does NOT guarantee the receipt of electronic notification for all applicable solicitations. Vendors must routinely check our City of Phoenix Bids site for a listing of current business opportunities. The Vendor Administrator Division will not be responsible if a vendor does not receive an electronic notification for any particular reason.

If you have any questions, please visit our City of Phoenix Portal site at:
<https://www.phoenix.gov/financesite/Pages/EProc-help.aspx>

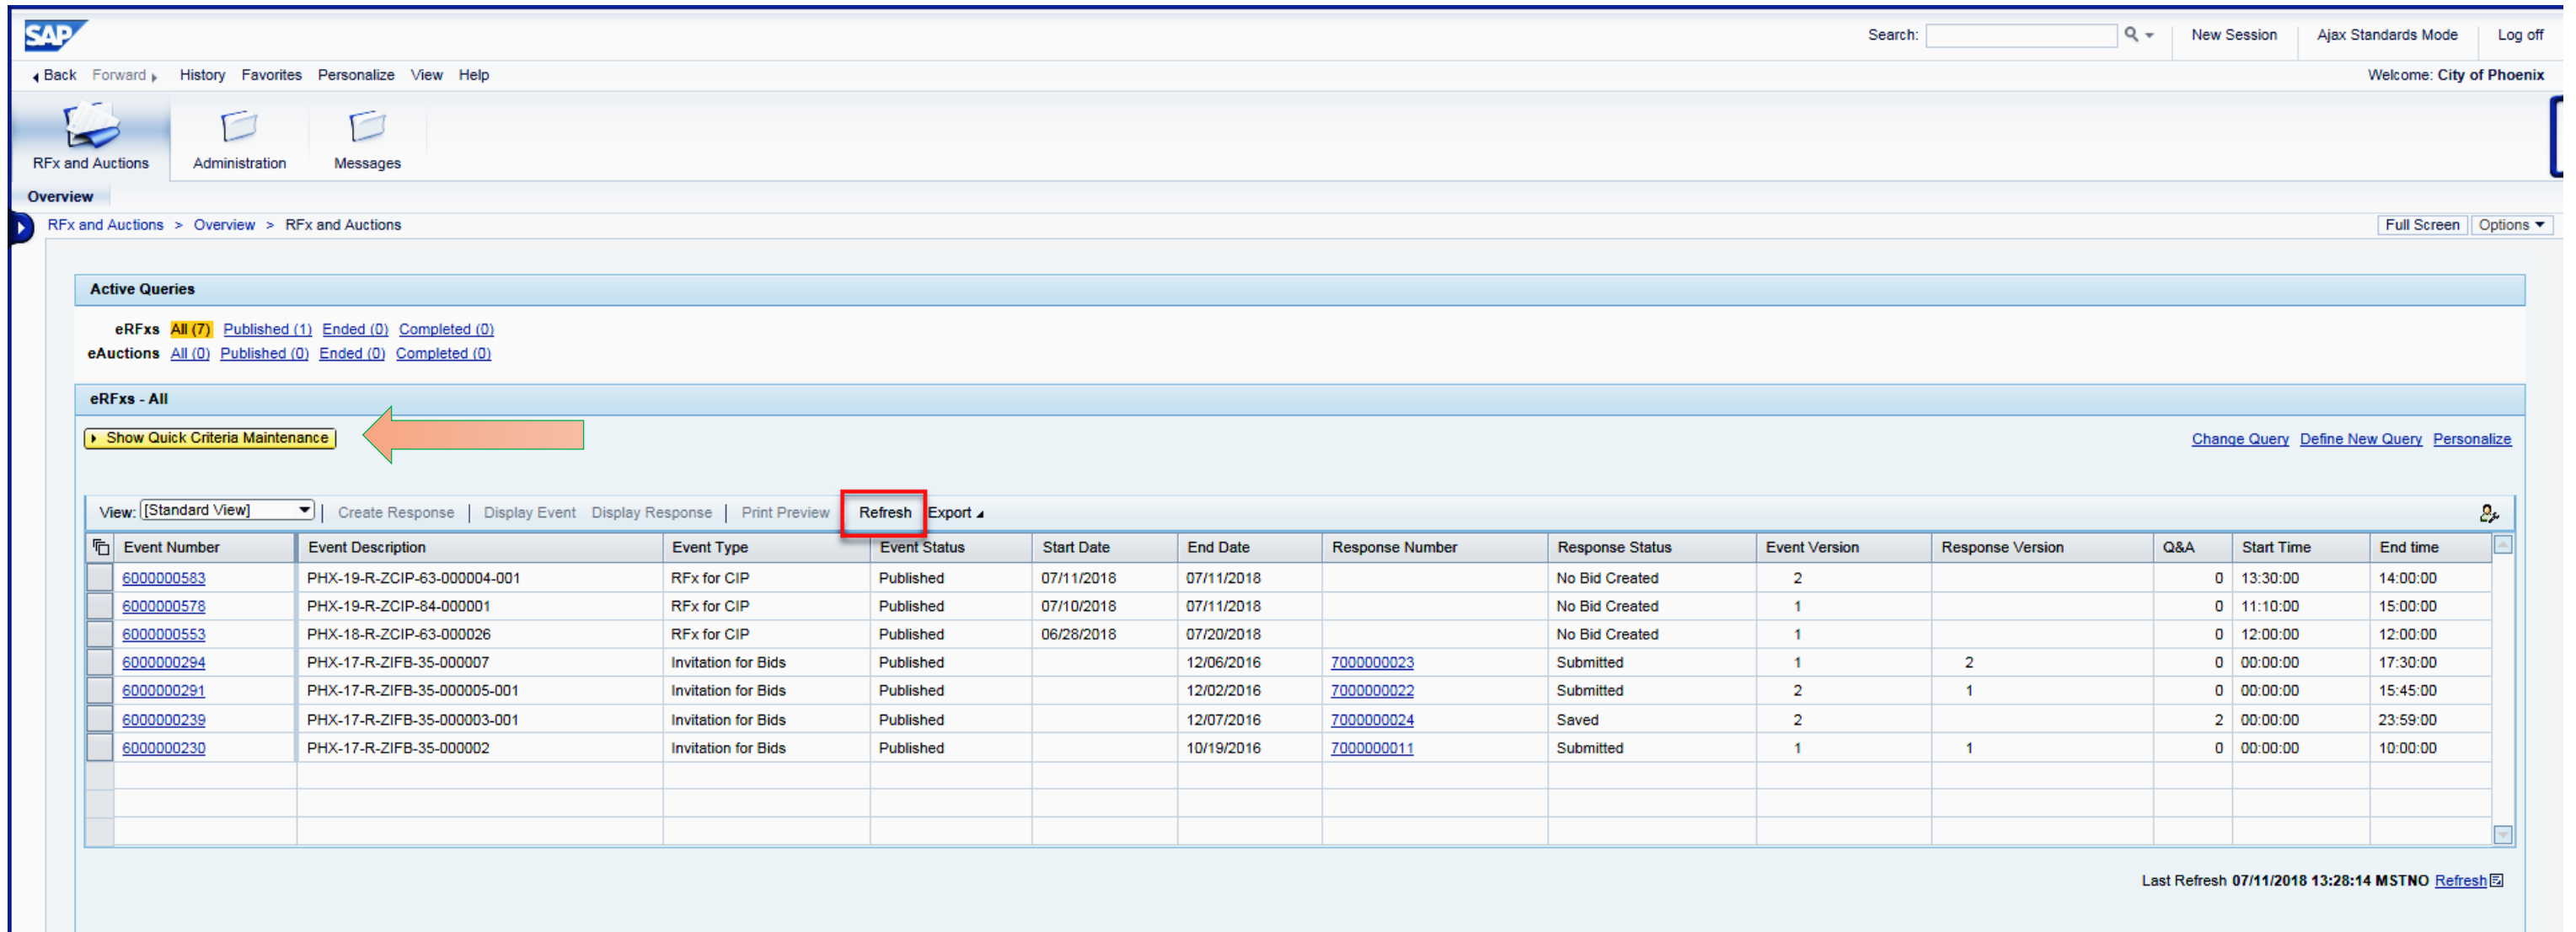

If you would like additional assistance, please send an email to vendor.support@phoenix.gov or call (602)262-1819.

Thank you for registering!

If logging in for the first time, the RFX Overview will allow Submitters to see all active RFX Events (Numbers), Descriptions, Types, and Status as well as the Start and End Dates / Times.

Submitters should click the  button to ensure that current / updated RFX data is loaded.

Submitters can also filter this list by clicking the  button. Submitters can choose to display a specific RFX by searching for it.

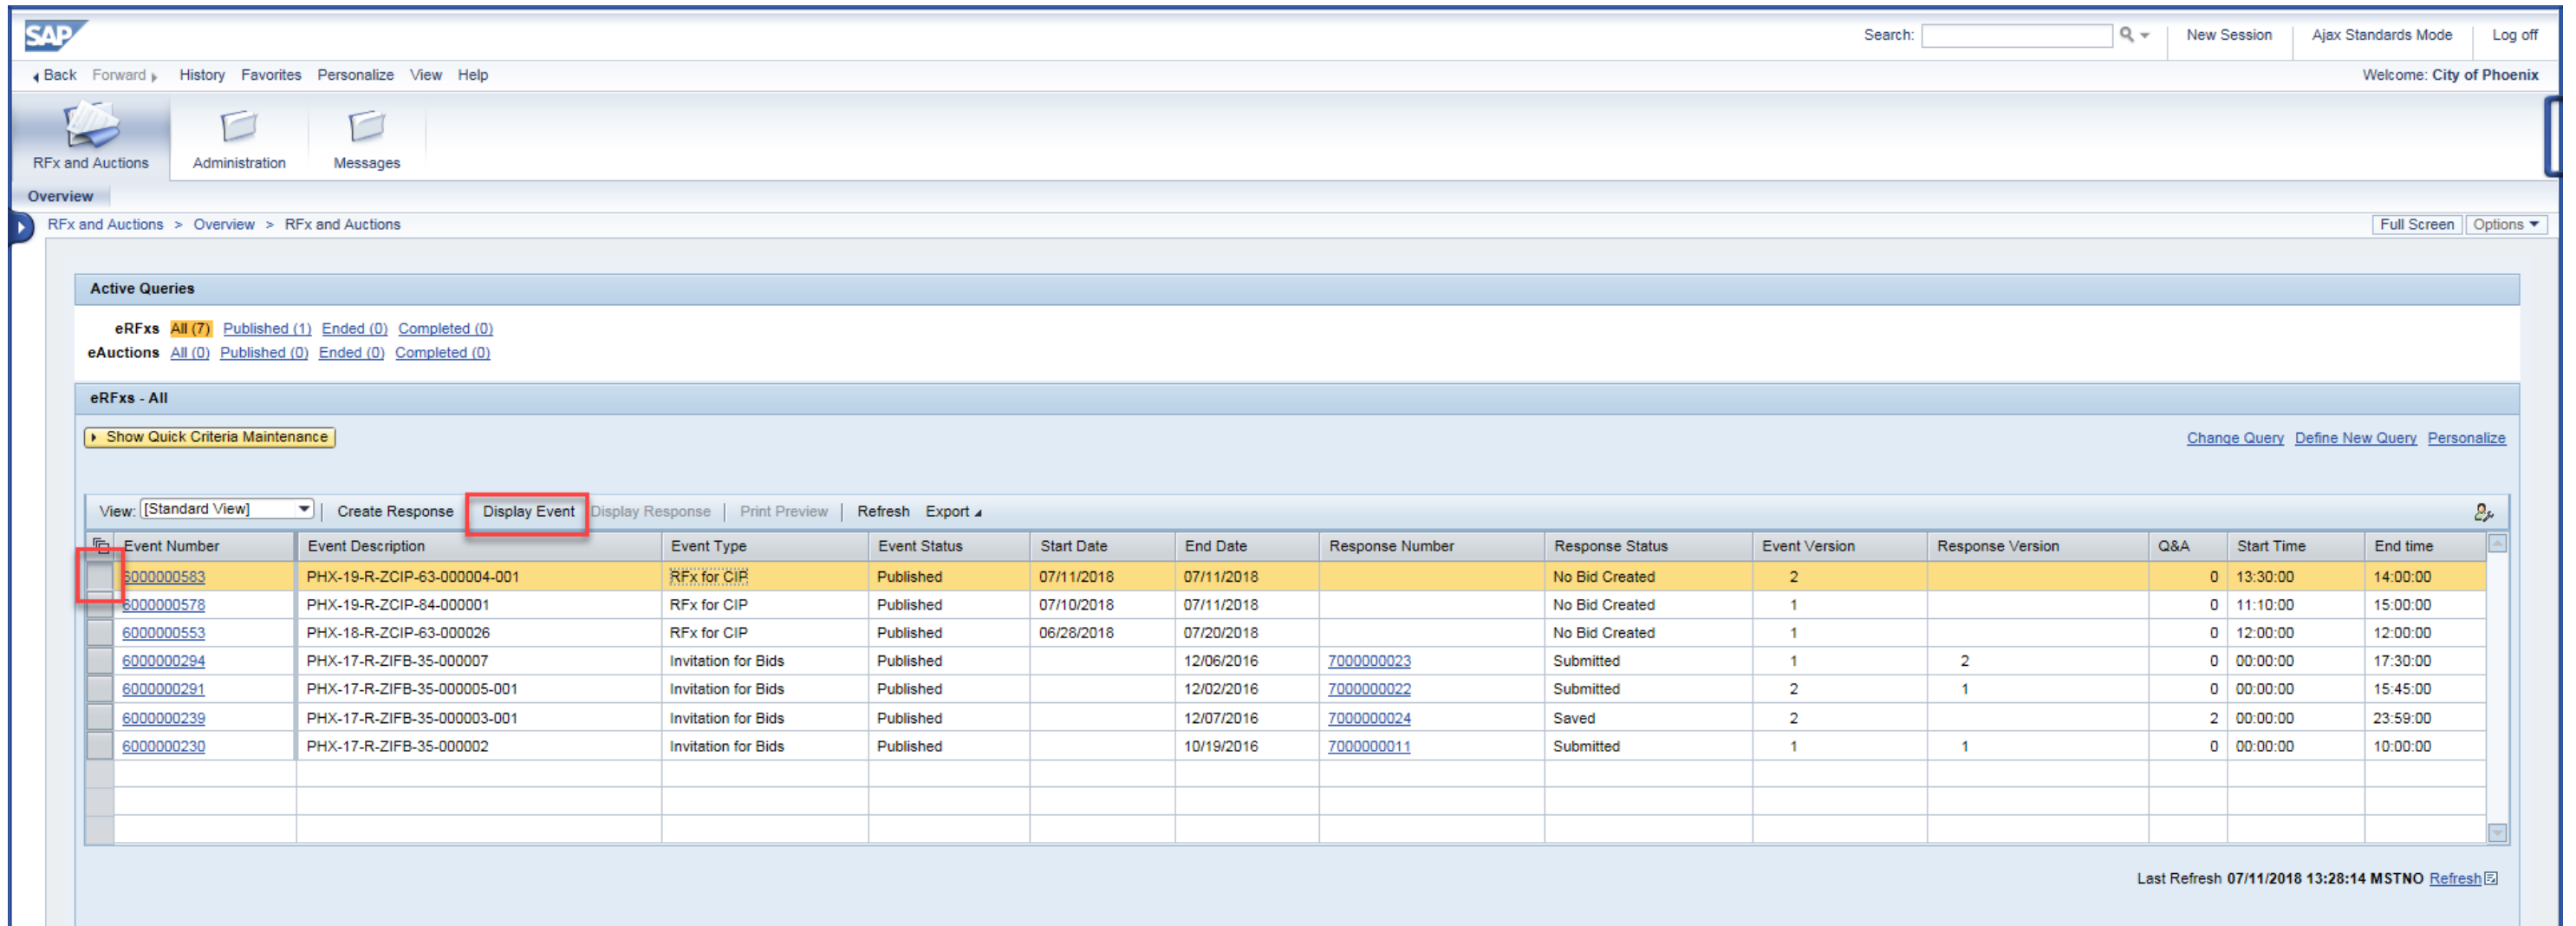

The screenshot shows the SAP RFX Overview interface. At the top, there is a search bar and navigation links like 'New Session', 'Ajax Standards Mode', and 'Log off'. Below this, there are navigation tabs for 'RFX and Auctions', 'Administration', and 'Messages'. The main content area is titled 'Overview' and contains a table of active queries. The table has columns for Event Number, Event Description, Event Type, Event Status, Start Date, End Date, Response Number, Response Status, Event Version, Response Version, Q&A, Start Time, and End time. A red box highlights the 'Refresh' button in the table's toolbar. An orange arrow points to the 'Show Quick Criteria Maintenance' button. The bottom right corner of the interface shows the last refresh time: 'Last Refresh 07/11/2018 13:28:14 MSTNO Refresh'.

Displaying an RFX Event

To Display an RFX Event, Submitters should click the gray box next to the Item and then click the  button to display details of Solicitation. If you do not see a new window pop up, it mostly likely is a **POP UP BLOCKER** that will need to be removed in order to continue.

The screenshot displays the SAP RFX and Auctions interface. At the top, there is a search bar and navigation links like 'New Session', 'Ajax Standards Mode', and 'Log off'. Below the navigation, there are tabs for 'RFX and Auctions', 'Administration', and 'Messages'. The main content area shows 'Active Queries' with filters for 'eRFxs' and 'eAuctions'. A table titled 'eRFxs - All' lists various events. The first row is highlighted in yellow, and a red box highlights the 'Display Event' button above it. The table columns include Event Number, Event Description, Event Type, Event Status, Start Date, End Date, Response Number, Response Status, Event Version, Response Version, Q&A, Start Time, and End time.

The RFX Event will open in a new window.

Review information on the RFX Information Tab.

- Start Date / Time: This is the Start Date / Time to submit an RFX Response. Submitters cannot Create a Response prior to this Date / Time.
- Submission Deadline Date / Time: Last Date / Time for submitting an RFX Response.
- Opening Date / Time: Date/Time on which RFX Responses are open for Contracts Specialist review.

The screenshot displays the 'Display RFX' interface. At the top, there are navigation buttons: Print Preview, Close, Participate, Do Not Participate, Tentative, Create Response, Questions and Answers (0), Export, System Information, and Create Memory Snapshot. Below this, key RFX details are listed: RFX Number 6000000583, Smart Number PHX-19-R-ZCIP-63-000004-001, RFX Status Published, RFX Start Date 07/11/2018 13:30:00 MSTNO, Submission Deadline 07/11/2018 14:00:00 MSTNO, Remaining Time 0 Days 00:14:47, RFX Owner Training Buyer12, and RFX Version Number 2. The 'RFX Information' tab is active, showing parameters like Time Zone (MSTNO), Start Date (07/11/2018 13:30:00), Submission Deadline (07/11/2018 14:00:00), Opening Date (07/11/2018 14:00:00), Currency (USD), and Title (SOILS AND MATERIALS TESTING ON-CALL SERVICES CALENDAR YEARS 2019 - 2020). A 'Partners and Delivery Information' section is expanded, showing a table with columns for Function, Number, Name, and Phone Number. The table contains one entry: Requester, with Name Training Buyer12.

Submitters must choose to 'Participate' in order to receive RFX Event level emails associated with the RFQ, Notifications, Attendance Sheets, etc. There are no RFX level emails that are generated, i.e. a confirmation email once you submit your SOQ via the ProcurePHX system.

A close-up view of three buttons: 'Participate', 'Do Not Participate', and 'Tentative'. Each button is rectangular with a light blue background and a thin border.

Some Submitters may see a 'Register' button instead of Participate, Do Not Participate, or Tentative. Once you click the 'Register' button, those three additional options should appear, which will then allow you to click 'Participate'.

To Participate, Submitters should click the **Participate** button. Clicking this button also adds Submitters to the RFX Event email notification list.

The screenshot shows the 'Display RFX' interface. At the top, there is a navigation bar with buttons: Print Preview, Close, **Participate** (highlighted with a red box), Do Not Participate, Tentative, Create Response, Questions and Answers (0), Export, System Information, and Create Memory Snapshot. Below this, the RFX details are displayed: RFX Number 6000000583, Smart Number PHX-19-R-ZCIP-63-000004-001, RFX Status Published, RFX Start Date 07/11/2018 13:30:00 MSTNO, Submission Deadline 07/11/2018 14:00:00 MSTNO, Remaining Time 0 Days 00:14:47, RFX Owner Training Buyer12, and RFX Version Number 2. The RFX Version Type is Active Version. The main content area has tabs for RFX Information, Items, and Notes and Attachments. Under RFX Information, there are sub-tabs for RFX Parameters, Questions, Notes and Attachments, and Table Extensions. The RFX Parameters section shows: Time Zone: MSTNO, * Start Date: 07/11/2018 13:30:00, * Submission Deadline: 07/11/2018 14:00:00, Opening Date: 07/11/2018 14:00:00, Currency: USD, * Department No.: 63, and * Title: SOILS AND MATERIALS TESTING ON-CALL SERVICES CALENDAR YEARS 2019 - 2020. Below this is the 'Partners and Delivery Information' section with buttons for Details, Add, Send E-Mail, Call, and Clear. A table lists the Requester: Training Buyer12.

Creating an RFX Response

Once the Start Date / Time has passed, Submitters can click the **Create Response** button.

The screenshot shows the 'Display RFX' interface after the start date has passed. The navigation bar now includes a **Create Response** button (highlighted with a red box) instead of the 'Participate' button. The RFX details and RFX Parameters section are identical to the previous screenshot. The 'Partners and Delivery Information' section also remains the same, showing the Requester as Training Buyer12.

The Submitter's RFX Response will open in a new window.

The screenshot shows the 'Create RFX Response' application window. At the top, there is a navigation bar with 'Options' and a help icon. Below that is a menu bar with 'Submit', 'Read Only', 'Print Preview', 'Check', 'Close', 'Save', 'Export', 'Import', 'Questions and Answers (0)', 'System Information', and 'Create Memory Snapshot'. A status bar displays key information: RFX Response Number 700000157, RFX Number 600000583, Status In Process, Submission Deadline 07/11/2018 14:00:00 MSTNO, Opening Date 07/11/2018 14:00:00 MSTNO, Remaining Time 0 Days 00:14:18, RFX Owner Training Buyer12, and Total Value 0.00 USD. Below the status bar are tabs for 'RFX Information', 'Items', 'Notes and Attachments', 'Summary', and 'Tracking'. Under 'RFX Information', there are sub-tabs for 'Basic Data', 'Questions', 'Notes and Attachments', and 'Conditions'. The 'Basic Data' sub-tab is active, showing 'Event Parameters' (Currency: American Dollar) and 'Status and Statistics' (Created On: 07/11/2018 13:45:44 MSTNO, Created By: Ms. Yesenia Mejia, Last Processed On: 07/11/2018 13:45:44 MSTNO, Last Processed By: Ms. Yesenia Mejia). At the bottom, there is a section for 'Partners and Delivery Information' with a table that is currently empty, displaying a message: 'The table does not contain any data'.

On the first tab, **RFX Information**, Submitters can again review the RFX Event's **Basic Data**.

Submitters should click into the **Notes and Attachments** area to review any Notes and Attachments provided by the Buyer.

This screenshot is identical to the one above, showing the 'Create RFX Response' application window. The only difference is that the 'Notes and Attachments' sub-tab under the 'RFX Information' tab is highlighted with a red border, indicating it is the next step in the process.

Submitters should review each Note Category to ensure they are following RFX Response requirements. Submitters can open the Note Categories by clicking on the hyperlinked text next to each.

The  tab provides Submitters with a high-level overview of their RFX Response.

Before clicking the  button, Submitters should click the  button to ensure that all system errors are gone.

If all errors are gone, Submitters can Submit their RFX Response by clicking the  button.

Submitters will see a confirmation message that your response was submitted. No email notification will be sent. Confirm you have the required number of attachments listed, as outlined in the RFQ.

The screenshot shows the 'Display RFX Response' interface. At the top, there is a navigation bar with buttons: Edit, Print Preview, Close, Withdraw, Export, Questions and Answers (0), System Information, and Create Memory Snapshot. Below this, a message states 'RFX response 7000000157 submitted'. A table provides details: RFX Response Number 7000000157, RFX Number 6000000583, Status In Process, Submission Deadline 07/11/2018 14:00:00 MSTNO, Opening Date 07/11/2018 14:00:00 MSTNO, Remaining Time 0 Days 00:10:49, RFX Owner Training Buyer12, and Total Value 0.00 USD. A summary section shows: RFX Response Number: 7000000157, Items with Response: 2 out of 2 items responded to, Questions: 0 out of 0 questions answered (0 out of 0 mandatory), Notes: 1 notes added, and Attachments: 1 attachments added. A green arrow points to the Refresh button (a circular arrow icon) in the navigation bar.

Submitters can refresh the RFX Event by clicking the  button.

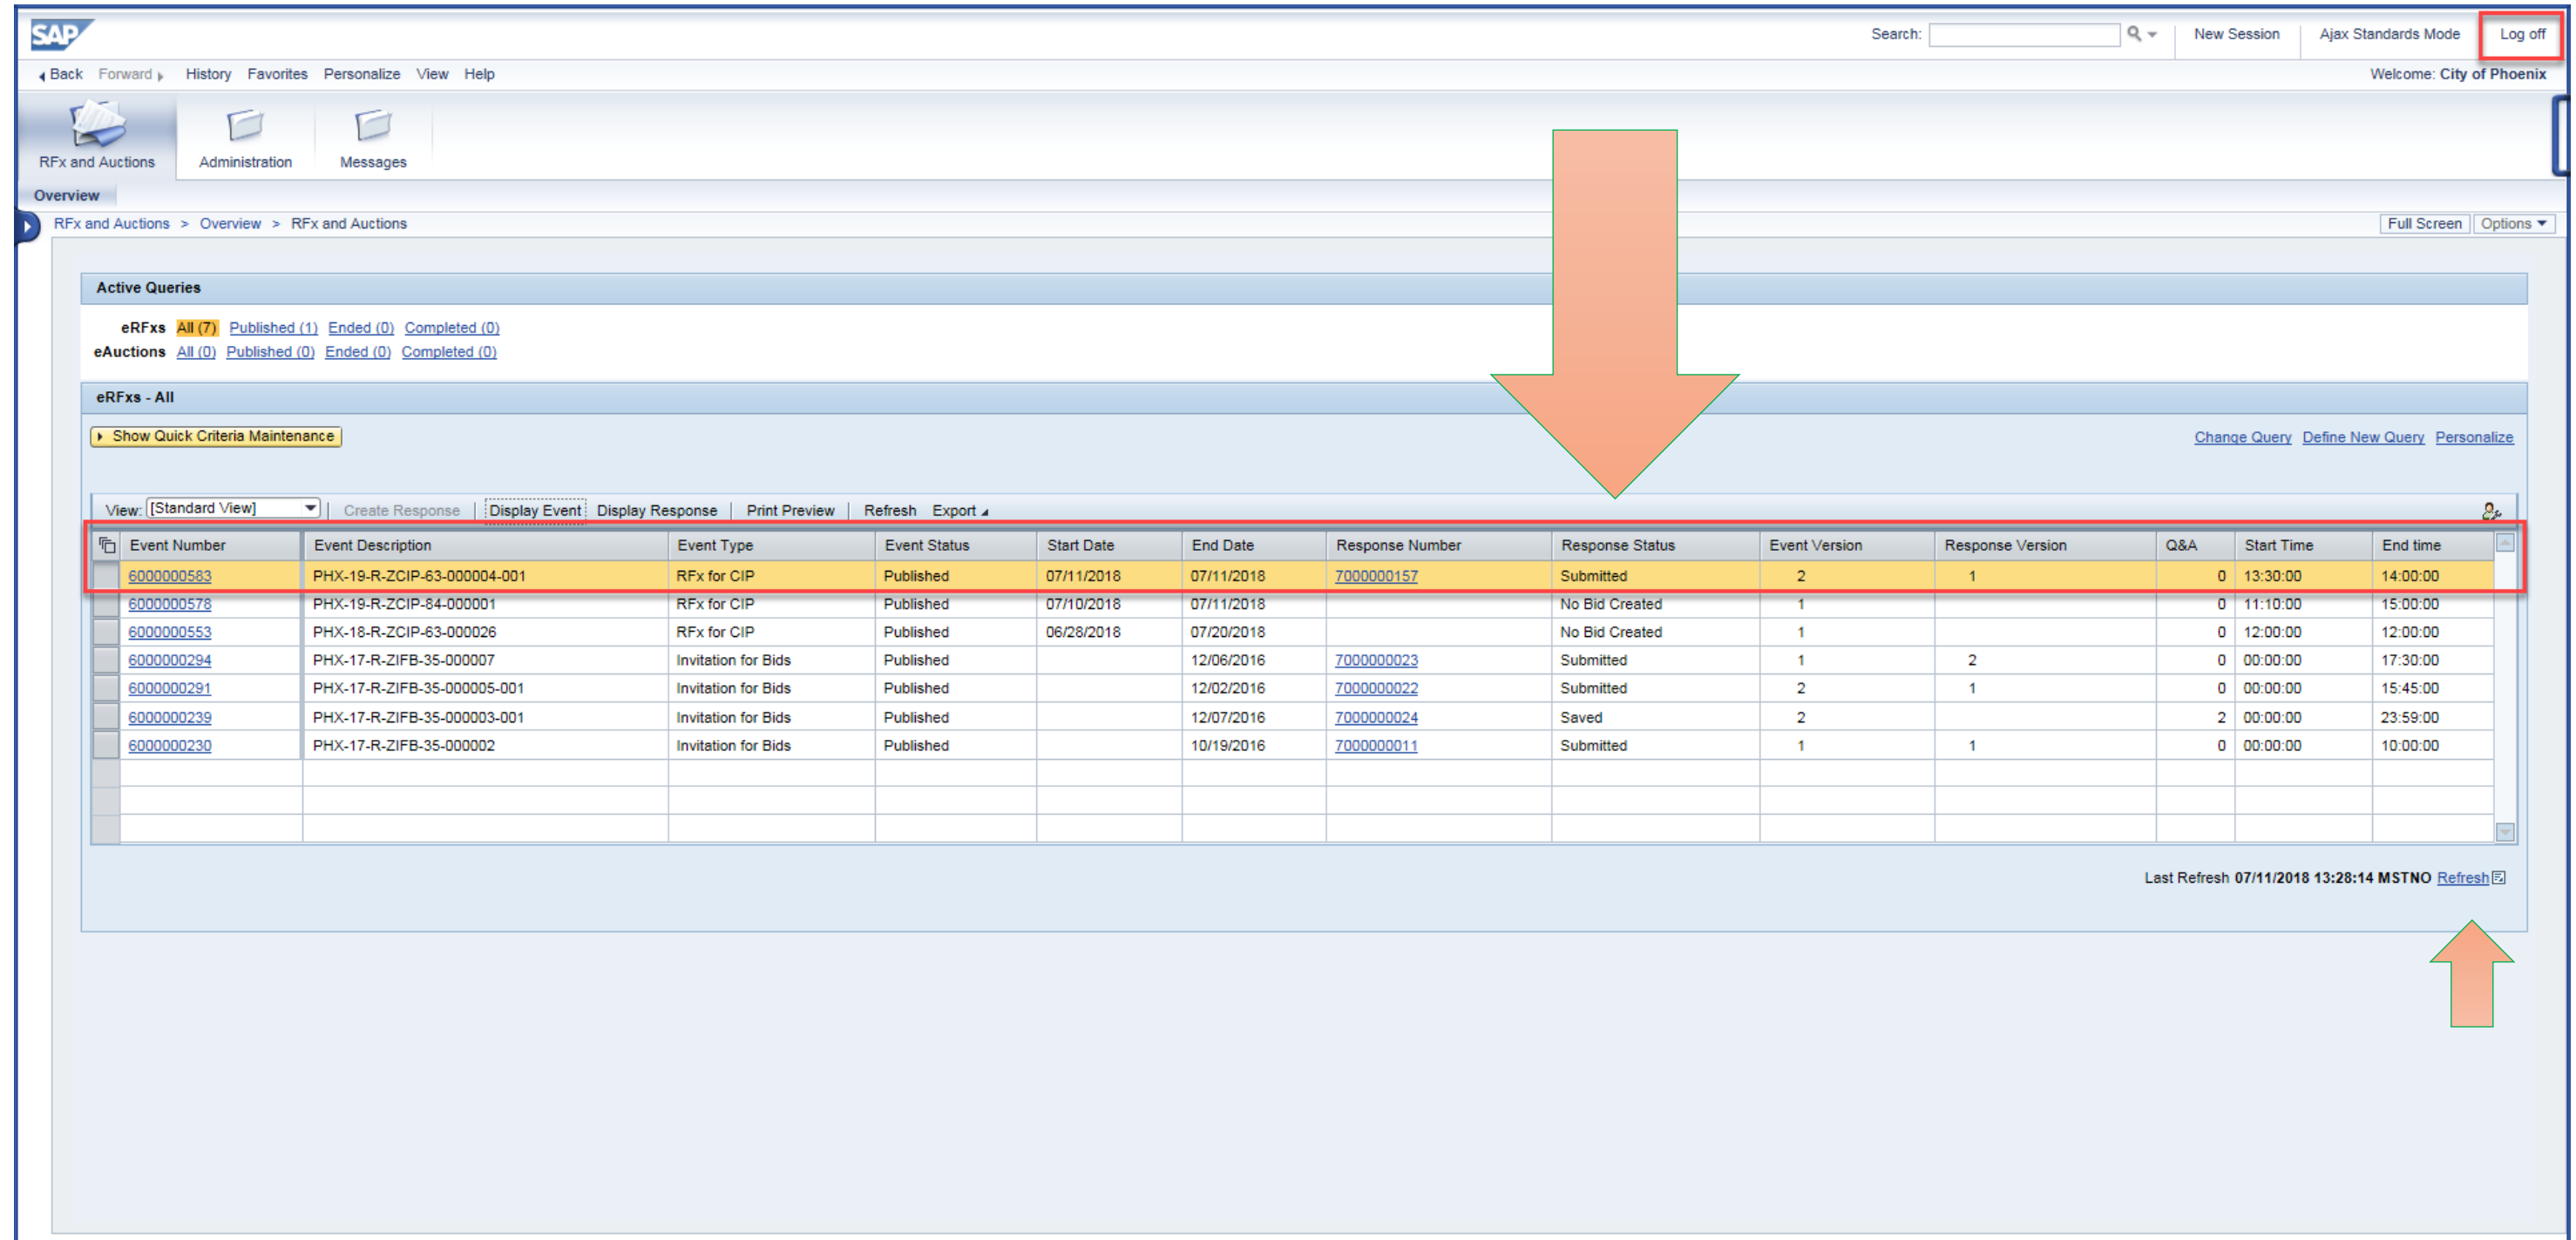

The screenshot shows the 'Display RFX' interface. The navigation bar includes buttons: Print Preview, Refresh (circular arrow icon), Close, Do Not Participate, Tentative, Create Response, Questions and Answers (0), Export, System Information, and Create Memory Snapshot. The main content area displays: RFX Number 6000000583, Smart Number PHX-19-R-ZCIP-63-000004-001, RFX Status Published, RFX Start Date 07/11/2018 13:30:00 MSTNO, Submission Deadline 07/11/2018 14:00:00 MSTNO, Remaining Time 0 Days 00:14:32, RFX Owner Training Buyer12, and RFX Version Number 2. The Refresh button is highlighted with a red box.

Once refreshed, the Submitter will see the RFX Response number listed. Submitters can then click the  button. Return to the RFX Overview (Event) Page.

The screenshot shows the 'Display RFX' interface after a refresh. The navigation bar includes buttons: Print Preview, Refresh (circular arrow icon), Close, Do Not Participate, Tentative, Questions and Answers (0), Export, System Information, and Create Memory Snapshot. The main content area displays: RFX Number 6000000583, Smart Number PHX-19-R-ZCIP-63-000004-001, RFX Status Published, RFX Start Date 07/11/2018 13:30:00 MSTNO, Submission Deadline 07/11/2018 14:00:00 MSTNO, Remaining Time 0 Days 00:10:09, RFX Owner Training Buyer12, and RFX Version Number 2. A red box highlights the 'RFX Response 7000000157' field. The Close button in the navigation bar is also highlighted with a red box.

The RFX Overview (Event) Page will update with the Submitter's RFX Response number, and Submitter's Response Status. After Submitting an RFX Response, you should return to this page to confirm your Response Status has changed to SUBMITTED. A Response Status of IN PROCESS or SAVED will not count your Submittal as received in the system. Make sure to always click the Refresh Button, and view your Response Status.

When Submitters are finished, Submitters should click the  button.

The screenshot shows the SAP RFX Overview page for the City of Phoenix. The page includes a navigation bar with 'Log off' and 'New Session' buttons. Below the navigation bar, there are tabs for 'RFX and Auctions', 'Administration', and 'Messages'. The main content area displays 'Active Queries' and 'eRFxs - All'. A table of RFX events is shown, with columns for Event Number, Event Description, Event Type, Event Status, Start Date, End Date, Response Number, Response Status, Event Version, Response Version, Q&A, Start Time, and End time. The first row is highlighted in yellow and has a red border around it. The table data is as follows:

Event Number	Event Description	Event Type	Event Status	Start Date	End Date	Response Number	Response Status	Event Version	Response Version	Q&A	Start Time	End time

At the bottom right of the table area, there is a 'Refresh' button with a refresh icon. The text 'Last Refresh 07/11/2018 13:28:14 MSTNO' is displayed next to it.

If you are returning to your RFX Event after logging off, make sure to click the Refresh Button to see the most updated information. You can easily access your RFX Response, by locating the Response Number associated with the RFX Event you want to edit. Click on your RFX Response Number (hyperlink), and a new window will pop-up which will allow you to make changes to your RFX Response directly. Remember, you can't make changes to any attachments within the system. You can only add or delete attachments. Document editing should be done on your PC.

The screenshot displays the SAP RFX and Auctions interface. At the top, there is a search bar and navigation links like 'New Session', 'Ajax Standards Mode', and 'Log off'. Below this, a breadcrumb trail shows 'RFX and Auctions > Overview > RFX and Auctions'. The main content area is titled 'eRFxs - All' and contains a table of active queries. A large orange arrow points to the 'Refresh' button in the table's toolbar. The table lists various RFX events with columns for Event Number, Event Description, Event Type, Event Status, Start Date, End Date, Response Number, Response Status, Event Version, Response Version, Q&A, Start Time, and End time.

At the bottom right of the interface, it shows 'Last Refresh 07/11/2018 13:28:14 MSTNO Refresh'.

RfX Response numbers will not appear unless you've accessed the RfX Event and saved any actions within the system.

A Response Status of **'In Process'**, or **'Saved'** indicates a need to complete a step(s) before the system will update your RfX Response to Submitted. **Your Response Status should display as 'Submitted' by the Submittal Deadline.**
