Submitter's Handbook

Office of the City Engineer  
Design and Construction Procurement

## Introduction

The City of Phoenix uses the SAP Supplier Relationship Management (SRM) for eProcurement. RFX (Solicitation) is part of the eProcurement system.

Consultants and Contractors (Submitters) are invited to participate in the response of an RFX via the City of Phoenix Supplier Portal. Submitters must register with the City of Phoenix with appropriate Product Categories to be invited via email for the applicable solicitations. Submitters are to register via <https://www.phoenix.gov/finance/vendorsreg>. **Submitters are responsible for maintaining the Product Category(s) that they would like to participate in for submittal response.** Submitters will only be invited to participate per the Product Category(s) they have chosen to participate through the City of Phoenix Supplier Portal. City of Phoenix Contracts Specialist includes the Product Category(s) pertaining to the RFX and a Supplier List is used to invite Submitters registered under the associated Product Categories.

Once received, Submitters are to respond to the invitation before the Submission Date/Time elapses. Responses from Submitters are to be entered in the Supplier Portal for the City of Phoenix Contracts Specialist to review in the SAP eProcurement Portal. Submitters are responsible for the completeness and accuracy of their RFX Response submission.

It is imperative that Submitters log-in to the City of Phoenix Supplier Portal regularly to view their Invitations for RFX Response, check the status of their RFX Response(s) and to take appropriate timely actions relating to the RFX.

## Accessing the City of Phoenix Supplier Portal

Submitters will receive the Invitation for RFX Response via the City of Phoenix Supplier Portal. Submitters will log-in to the City of Phoenix Supplier Portal at URL - <https://eprocurement.phoenix.gov/irj/portal>

The screenshot shows the login interface for the procurePHX portal. In the top left corner, there is a logo consisting of a purple shopping bag icon with a white swirl inside, followed by the text "procurePHX" in a bold, sans-serif font. Below the logo, there are two input fields: "User \*" and "Password \*". To the right of the "Password \*" field is a "Log On" button. Below the input fields, there is a link that reads "Logon Problems? [Get Support](#)".

Submitters may use any Internet browser to log-in to the Supplier Portal, however, Google Chrome are recommended. Internet Explorer is no longer a supported browser when using the SAP procurePHX Portal.

After successfully logging in to the City of Phoenix Supplier Portal, the following screen appears.

To access RFx information, click the **RFx and Auctions** tab on the ribbon. Submitters will see an Overview of all RFx(s) that they are invited to Respond to.

The screenshot shows the SAP interface for the City of Phoenix Supplier Portal. At the top, there is a search bar and navigation links for 'New Session', 'Ajax Standards Mode', and 'Log off'. Below this is a ribbon with three tabs: 'RFx and Auctions' (highlighted with a red box), 'Administration', and 'Messages'. Under the 'RFx and Auctions' tab, there are sub-links for 'Home', 'Create Users', 'Own Data', and 'Company Data'. The main content area is titled 'Welcome Vendor Administrator' and contains the following text:

Thank you for your interest in becoming a vendor in the City of Phoenix Portal.  
As a Vendor Administrator for your company you have the authority to:

- Maintain Own Data
- Create Additional Users
- Maintain your Company and User data
- Maintain your Product Category selections
- Access Vendor Help Portal

**It is your responsibility to keep all information current.** If your e-mail address is not correct, your firm shall be deleted from our vendor file when we perform a maintenance check of the system. Being a registered vendor does NOT guarantee the receipt of electronic notification for all applicable solicitations. Vendors must routinely check our City of Phoenix Bids site for a listing of current business opportunities. The Vendor Administrator Division will not be responsible if a vendor does not receive an electronic notification for any particular reason.

If you have any questions, please visit our City of Phoenix Portal site at:  
<https://www.phoenix.gov/financesite/Pages/EProc-help.aspx>

If you would like additional assistance, please send an email to [vendor.support@phoenix.gov](mailto:vendor.support@phoenix.gov) or call (602)262-1819.

Thank you for registering!

If logging in for the first time, the RFX Overview will allow Submitters to see all active RFX Events (Numbers), Descriptions, Types, and Status as well as the Start and End Dates / Times.

Submitters should click the  button to ensure that current / updated RFX data is loaded.

Submitters can also filter this list by clicking the  button. Submitters can choose to display a specific RFX by searching for it.

The screenshot shows the SAP RFX Overview interface. At the top, there is a search bar and navigation links like 'New Session', 'Ajax Standards Mode', and 'Log off'. Below this, there are navigation tabs for 'RFX and Auctions', 'Administration', and 'Messages'. The main content area is titled 'Overview' and contains a table of active queries. A red box highlights the 'Refresh' button in the table's toolbar. An orange arrow points to the 'Show Quick Criteria Maintenance' button. The table lists various RFX events with columns for Event Number, Event Description, Event Type, Event Status, Start Date, End Date, Response Number, Response Status, Event Version, Response Version, Q&A, Start Time, and End time.

## Displaying an RFX Event

To Display an RFX Event, Submitters should click the gray box next to the Item and then click the  button to display details of Solicitation. If you do not see a new window pop up, it mostly likely is a **POP UP BLOCKER** that will need to be removed in order to continue.

The screenshot shows the SAP RFX and Auctions interface. At the top, there is a search bar and navigation links like 'New Session', 'Ajax Standards Mode', and 'Log off'. Below the navigation, there are tabs for 'RFX and Auctions', 'Administration', and 'Messages'. The main content area is titled 'Active Queries' and shows a list of eRFxs and eAuctions. The 'eRFxs - All' section is expanded, showing a table of RFX events. The table has columns for Event Number, Event Description, Event Type, Event Status, Start Date, End Date, Response Number, Response Status, Event Version, Response Version, Q&A, Start Time, and End time. The first row is highlighted in yellow, and a red box highlights the 'Display Event' button next to it.

At the bottom right of the interface, it says 'Last Refresh 07/11/2018 13:28:14 MSTNO Refresh'.

The RFX Event will open in a new window.

Review information on the RFX Information Tab.

- Start Date / Time: This is the Start Date / Time to submit an RFX Response. Submitters cannot Create a Response prior to this Date / Time.
- Submission Deadline Date / Time: Last Date / Time for submitting an RFX Response.
- Opening Date / Time: Date/Time on which RFX Responses are open for Contracts Specialist review.

The screenshot shows the 'Display RFX' interface. At the top, there are navigation buttons: Print Preview, Close, Participate, Do Not Participate, Tentative, Create Response, Questions and Answers (0), Export, System Information, and Create Memory Snapshot. Below this, key RFX details are listed: RFX Number 6000000583, Smart Number PHX-19-R-ZCIP-63-000004-001, RFX Status Published, RFX Start Date 07/11/2018 13:30:00 MSTNO, Submission Deadline 07/11/2018 14:00:00 MSTNO, Remaining Time 0 Days 00:14:47, RFX Owner Training Buyer12, and RFX Version Number 2. The 'RFX Information' tab is active, showing parameters like Time Zone (MSTNO), Start Date (07/11/2018 13:30:00), Submission Deadline (07/11/2018 14:00:00), Opening Date (07/11/2018 14:00:00), Currency (USD), and Title (SOILS AND MATERIALS TESTING ON-CALL SERVICES CALENDAR YEARS 2019 - 2020). A 'Partners and Delivery Information' section is expanded, showing a table with columns for Function, Number, Name, and Phone Number. The table contains one entry: Requester, with Name Training Buyer12.

Submitters must choose to 'Participate' in order to receive RFX Event level emails associated with the RFQ, Notifications, Attendance Sheets, etc. There are no RFX level emails that are generated, i.e. a confirmation email once you submit your SOQ via the ProcurePHX system.

A close-up of three buttons: 'Participate', 'Do Not Participate', and 'Tentative'. Each button is yellow with a black border and contains its respective text in black.

Some Submitters may see a 'Register' button instead of Participate, Do Not Participate, or Tentative. Once you click the 'Register' button, those three additional options should appear, which will then allow you to click 'Participate'.

To Participate, Submitters should click the **Participate** button. Clicking this button also adds Submitters to the RFX Event email notification list.

The screenshot shows the 'Display RFX' interface. At the top, there is a navigation bar with buttons: Print Preview, Close, **Participate** (highlighted with a red box), Do Not Participate, Tentative, Create Response, Questions and Answers (0), Export, System Information, and Create Memory Snapshot. Below the navigation bar, the RFX details are displayed: RFX Number 6000000583, Smart Number PHX-19-R-ZCIP-63-000004-001, RFX Status Published, RFX Start Date 07/11/2018 13:30:00 MSTNO, Submission Deadline 07/11/2018 14:00:00 MSTNO, Remaining Time 0 Days 00:14:47, RFX Owner Training Buyer12, and RFX Version Number 2. The RFX Version Type is Active Version. Below the details, there are tabs for RFX Information, Items, and Notes and Attachments. Under RFX Information, there are sub-tabs for RFX Parameters, Questions, Notes and Attachments, and Table Extensions. The RFX Parameters section shows: Time Zone: MSTNO, \* Start Date: 07/11/2018 13:30:00, \* Submission Deadline: 07/11/2018 14:00:00, Opening Date: 07/11/2018 14:00:00, Currency: USD, and \* Title: SOILS AND MATERIALS TESTING ON-CALL SERVICES CALENDAR YEARS 2019 - 2020. There is also a \* Department No.: 63. Below the parameters, there is a section for Partners and Delivery Information with buttons: Details, Add, Send E-Mail, Call, and Clear. A table below shows the Requester information:

Function	Number	Name	Phone Number
Requester		Training Buyer12	

## Creating an RFX Response

Once the Start Date / Time has passed, Submitters can click the **Create Response** button.

The screenshot shows the 'Display RFX' interface after the start date has passed. The navigation bar now includes a **Create Response** button (highlighted with a red box) instead of the 'Participate' button. The RFX details and parameters are the same as in the previous screenshot. A message at the top left states: "You have been registered. You will be informed of RFX changes". The Partners and Delivery Information section and the Requester table are also the same.

The Submitter's RFX Response will open in a new window.

The screenshot shows the 'Create RFX Response' application window. At the top, there is a navigation bar with 'Options' and a help icon. Below that is a menu bar with 'Submit', 'Read Only', 'Print Preview', 'Check', 'Close', 'Save', 'Export', 'Import', 'Questions and Answers (0)', 'System Information', and 'Create Memory Snapshot'. The main header displays key information: RFX Response Number 700000157, RFX Number 600000583, Status In Process, Submission Deadline 07/11/2018 14:00:00 MSTNO, Opening Date 07/11/2018 14:00:00 MSTNO, Remaining Time 0 Days 00:14:18, RFX Owner Training Buyer12, and Total Value 0.00 USD. Below the header are tabs for 'RFX Information', 'Items', 'Notes and Attachments', 'Summary', and 'Tracking'. Under 'RFX Information', there are sub-tabs for 'Basic Data', 'Questions', 'Notes and Attachments', and 'Conditions'. The 'Basic Data' sub-tab is active, showing 'Event Parameters' (Currency: American Dollar) and 'Status and Statistics' (Created On: 07/11/2018 13:45:44 MSTNO, Created By: Ms. Yesenia Mejia, Last Processed On: 07/11/2018 13:45:44 MSTNO, Last Processed By: Ms. Yesenia Mejia). At the bottom, there is a section for 'Partners and Delivery Information' with a table that is currently empty, displaying a message: 'The table does not contain any data'.

On the first tab, **RFX Information**, Submitters can again review the RFX Event's **Basic Data**.

Submitters should click into the **Notes and Attachments** area to review any Notes and Attachments provided by the Buyer.

This screenshot is identical to the one above, showing the 'Create RFX Response' application window. The only difference is that the 'Notes and Attachments' sub-tab under the 'RFX Information' tab is highlighted with a red box, indicating the next step in the process.

Submitters should review each Note Category to ensure they are following RFX Response requirements. Submitters can open the Note Categories by clicking on the hyperlinked text next to each.

Submitters should add a Description and then click OK.

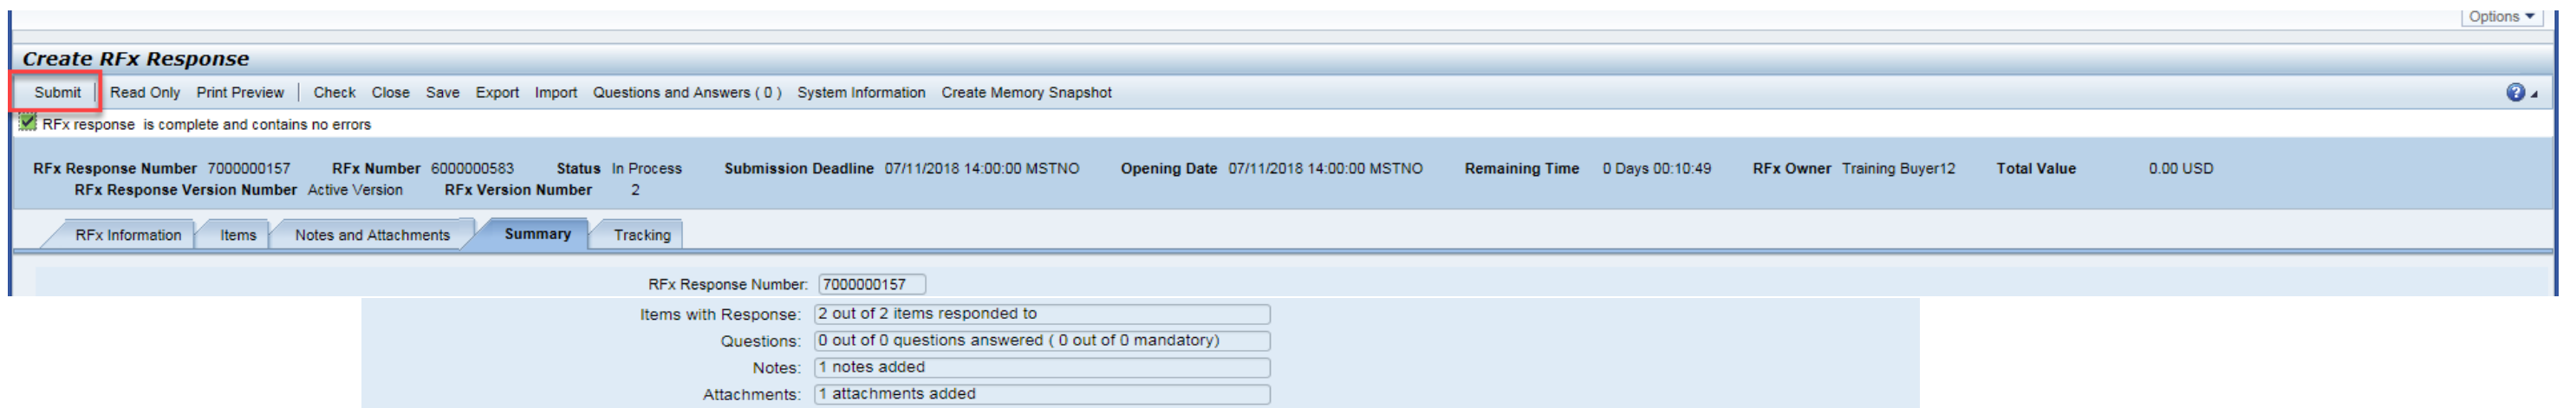

The  tab provides Submitters with a high-level overview of their RFX Response.

Before clicking the  button, Submitters should click the  button to ensure that all system errors are gone.

If all errors are gone, Submitters can Submit their RFX Response by clicking the  button.

Submitters will see a confirmation message that your response was submitted. No email notification will be sent. Confirm you have the required number of attachments listed, as outlined in the RFQ.

The screenshot shows the 'Display RFX Response' interface. At the top, there is a navigation bar with buttons: Edit, Print Preview, Close, Withdraw, Export, Questions and Answers (0), System Information, and Create Memory Snapshot. A red box highlights the 'Close' button and a message that says 'RFX response 7000000157 submitted'. Below this is a summary table with the following data:

RFX Response Number	RFX Number	Status	Submission Deadline	Opening Date	Remaining Time	RFX Owner	Total Value
7000000157	6000000583	In Process	07/11/2018 14:00:00 MSTNO	07/11/2018 14:00:00 MSTNO	0 Days 00:10:49	Training Buyer12	0.00 USD

Below the table are tabs for RFX Information, Items, Notes and Attachments, Summary, and Tracking. The Summary tab is active, showing the following statistics:

- RFX Response Number: 7000000157
- Items with Response: 2 out of 2 items responded to
- Questions: 0 out of 0 questions answered (0 out of 0 mandatory)
- Notes: 1 notes added
- Attachments: 1 attachments added

A green arrow points from the left towards the 'Refresh' button (a circular arrow icon) located in the navigation bar.

Submitters can refresh the RFX Event by clicking the  button.

The screenshot shows the 'Display RFX' interface. The navigation bar includes buttons: Print Preview, Refresh (circular arrow icon), Close, Do Not Participate, Tentative, Create Response, Questions and Answers (0), Export, System Information, and Create Memory Snapshot. The Refresh button is highlighted with a red box. The main content area displays the following information:

RFX Number	Smart Number	RFX Status	RFX Start Date	Submission Deadline	Remaining Time	RFX Owner	RFX Version Number
6000000583	PHX-19-R-ZCIP-63-000004-001	Published	07/11/2018 13:30:00 MSTNO	07/11/2018 14:00:00 MSTNO	0 Days 00:14:32	Training Buyer12	2

Once refreshed, the Submitter will see the RFX Response number listed. Submitters can then click the  button. Return to the RFX Overview (Event) Page.

The screenshot shows the 'Display RFX' interface after a refresh. The navigation bar includes buttons: Print Preview, Refresh, Close, Do Not Participate, Tentative, Questions and Answers (0), Export, System Information, and Create Memory Snapshot. The Close button is highlighted with a red box. The main content area displays the following information:

RFX Number	Smart Number	RFX Status	RFX Start Date	Submission Deadline	Remaining Time	RFX Owner	RFX Version Number
6000000583	PHX-19-R-ZCIP-63-000004-001	Published	07/11/2018 13:30:00 MSTNO	07/11/2018 14:00:00 MSTNO	0 Days 00:10:09	Training Buyer12	2

Below the table, the 'RFX Response' field is highlighted with a red box and contains the value '7000000157'. The 'RFX Information' tab is active, showing sub-tabs for RFX Parameters, Questions, Notes and Attachments, and Table Extensions.

The RFX Overview (Event) Page will update with the Submitter's RFX Response number, and Submitter's Response Status. After Submitting an RFX Response, you should return to this page to confirm your Response Status has changed to SUBMITTED. A Response Status of IN PROCESS or SAVED will not count your Submittal as received in the system. Make sure to always click the Refresh Button, and view your Response Status.

When Submitters are finished, Submitters should click the  button.

The screenshot shows the SAP RFX Overview page for the City of Phoenix. The page includes a navigation bar with 'Log off' and 'New Session' buttons. Below the navigation bar, there are tabs for 'RFX and Auctions', 'Administration', and 'Messages'. The main content area displays 'Active Queries' and 'eRFxs - All'. A table lists various RFX events and their corresponding responses. The first row of the table is highlighted in yellow and has a red border around it. The table columns include Event Number, Event Description, Event Type, Event Status, Start Date, End Date, Response Number, Response Status, Event Version, Response Version, Q&A, Start Time, and End time. At the bottom right of the table area, there is a 'Refresh' button and a timestamp 'Last Refresh 07/11/2018 13:28:14 MSTNO'.

If you are returning to your RFX Event after logging off, make sure to click the Refresh Button to see the most updated information. You can easily access your RFX Response, by locating the Response Number associated with the RFX Event you want to edit. Click on your RFX Response Number (hyperlink), and a new window will pop-up which will allow you to make changes to your RFX Response directly. Remember, you can't make changes to any attachments within the system. You can only add or delete attachments. Document editing should be done on your PC.

RFx Response numbers will not appear unless you've accessed the RFx Event and saved any actions within the system.

A Response Status of **'In Process'**, or **'Saved'** indicates a need to complete a step(s) before the system will update your RFx Response to Submitted.

Your Response Status should display as **'Submitted'** by the Submittal Deadline.
