RFQu responses should be concise, well-organized per the requested information, clearly written including resumes. The review process places considerable emphasis on the responsiveness of the RFQu response to the requirements outlined above. RFQu responses that are not written specifically in response to this request cannot receive serious consideration.

All RFQu responses will be evaluated based on the criteria listed above in the Qualifications Section of this RFQu.

The firms under consideration for this RFQu, will be evaluated by an evaluation committee. 2.19. Solicitation Transparency Policy

Commencing on the date and time a solicitation is published, potential or actual Offerors or respondents (including their representatives) shall only discuss matters associated with the solicitation with the Mayor, any members of City Council, the City Manager, any Deputy City Manager, or any department director directly associated with the solicitation (including in each case their assigned staff, except for the designated Procurement Officer) at a public meeting, posted under Arizona Statutes, until the resulting contract(s) are awarded to all offers or responses are rejected and the solicitation is cancelled without any announcement by the Procurement Officer of the City's intent to reissue the same or similar solicitation.

As long as the solicitation is not discussed, Offerors may continue to conduct business with the City and discuss business that is unrelated to the solicitation with the City staff. Offerors may not discuss the solicitation with any City employees or evaluation panel members.

Offerors may discuss their proposal or the solicitation with the Mayor or one or more members of the Phoenix City Council, provided such meetings are scheduled through the Procurement Officer, and are posted as open meetings with the City Clerk at least 24 hours prior to the scheduled meetings. The City Clerk will be responsible for posting the meetings. The posted

notice shall identify the participants and the subject matter, as well as invite the public to participate.

With respect to the selection of the successful Offerors, the City Manager and/or City Manager's Office will continue the past practice of exerting no undue influence on the process. In all solicitations of bids and proposals, any direction on the selection from the City Manager and/or City Manager's Office and Department Head (or representative) to the proposal review panel or selecting authority must be provided in writing to all prospective Offerors.

This policy is intended to create a level playing field for all Offerors, assure that contracts are awarded in public, and protect the integrity of the selection process. OFFERORS THAT VIOLATE THIS POLICY SHALL BE DISQUALIFIED. After official Notice is received by the City for disqualification, the Offeror may follow the Protest process, unless the Solicitation is cancelled without notice of intent to re-issue.

"To discuss" means any contact by the Offeror, regardless of whether the City responds to the contact. Offerors that violate this policy will be disqualified until the resulting contract(s) are awarded, or all offers or responses are rejected and the solicitation is cancelled without any announcement by the Procurement Officer of the City's intent to reissue the same or a similar solicitation. The City interprets the policy as continuing through a cancellation of a solicitation until Council award of the contract, as long as the City cancels with a statement that the City will rebid the solicitation.

2.20. Protest Process

Offeror may protest the contents of a solicitation no later than seven days before the solicitation deadline when the protest is based on an apparent alleged mistake, impropriety or defect in the solicitation. Protests filed regarding the solicitation may be addressed by an amendment to the solicitation or denied by the City. If denied, the opening and award will proceed unless the City determines that it is in the City's best interests to set new deadlines, amend the solicitation, cancel or re-bid.

Therefore, unless otherwise notified by a formal amendment, the Protester must adhere to all solicitation dates and deadlines, including timely filing of an offer, regardless of filing a protest.

Offeror may protest an adverse determination issued by the City regarding responsibility and responsiveness, within seven days of the date the Offeror was notified of the adverse determination.

Offeror may protest an award recommendation if the Offeror can establish that it had a substantial chance of being awarded the contract and will be harmed by the recommended award. The City will post recommendations on the City's website to award the contract(s) to an Offeror(s). Offeror must submit award protests within seven days after the posting of the award recommendation, with exceptions only for good cause shown, within the City's full and final discretion.

All protests will be in writing, filed with the Procurement Officer identified in the solicitation and include the following:

- Identification of the solicitation number;

- The name, address and telephone number of the protester;
- A detailed statement describing the legal and factual grounds for the protest, including copies of relevant documents;
- The form of relief requested; and
- The signature of the protester or its authorized representative.

The Procurement Officer will render a written decision within a reasonable period after the protest is filed. The City will not request City Council authorization to award the contract until the protest process is complete. All protests and appeals must be submitted in accordance with the City's Procurement Code, (Phoenix City Code, Ch. 43) and any protests or appeals not submitted within the time requirements will not be considered. Protests must be filed with the Procurement Officer.

2.21. Public Record

All Offers submitted in response to this solicitation will become the property of the City and become a matter of public record available for review pursuant to Arizona State law. If an Offeror believes that a specific section of its Offer response is confidential, the Offeror will isolate the pages marked confidential in a specific and clearly labeled section of its Offer response. An Offeror may request specific information contained within its Offer is treated by the Procurement Officer as confidential provided the Offeror clearly labels the information "confidential." To the extent necessary for the evaluation process, information marked as "confidential" will not be treated as confidential. Once the procurement file becomes available for public inspection, the Procurement Officer will not make any information identified by the Offerors as "confidential" available to the public unless necessary to support the evaluation process or if specifically requested in accordance with applicable public records law. When a public records request for such information is received, the Procurement Officer will notify the Offeror in writing of any request to view any portion of its Offer marked "confidential." The Offeror will have the time set forth in the notice to obtain a court order enjoining such disclosure. If the Offeror does not provide the Procurement Officer with a court order enjoining release of the information during the designated time, the Procurement Officer will make the information requested available for inspection.

2.22. Late Offers

Late Offers must be rejected, except for good cause. If a late Offer is submitted, the Department will document the date and time of the submittal of the late Offer, keep the Offer and notify the Offeror that its Offer was disqualified for being a late Offer.

2.23. Right to Disqualify

The City reserves the right to disqualify any Offeror who fails to provide information or data requested or who provides materially inaccurate or misleading information or data. The City further reserves the right to disqualify any Offeror on the basis of any real or apparent conflict of interest that is disclosed by the Offer submitted or any other data or information available to the City. This disqualification is at the sole discretion of the City. By submission of a solicitation response, the Offeror waives any right to object now or at any future time, before any agency or body including, but not limited to, the City Council of the City or any court as to the exercise by

the City of such right to disqualify or as to any disqualification by reason of real or apparent conflict of interest determined by the City. The City reserves the right to replace the disqualified Offeror.

2.24. Contract Award

The City reserves the right to award a contract by individual line items, by group, all or none, or any other combination most advantageous to the City. The City reserves the right to multiple award.

2.25. Determining Responsiveness and Responsibility

Offers will be reviewed for documentation of any required minimum qualifications, and completeness and compliance with the solicitation requirements. The City reserves sole discretion to determine responsiveness and responsibility.

Responsiveness: Nonresponsive Offers will not be considered in the evaluation process. The solicitation states criteria that determine responsiveness, and the solicitation includes terms and conditions that if included or excluded from Offers will render an Offer nonresponsive.

Responsibility: To obtain true economy, the City must conduct solicitations to minimize the possibility of a subsequent default by the Offeror, late deliveries, or other unsatisfactory performance that may result in additional administrative costs. It is important that the Offeror be a responsible Offeror. Responsibility includes the Offeror's integrity, skill, capacity, experience, and facilities for conducting the work to be performed.

2.26. Evaluation of Competitive Sealed Offers

The City will use its discretion in applying the following processes to this solicitation. Any ties in scoring will be resolved with a best and final price request and the lowest price will prevail.

2.27. Detailed Evaluation of Offers and Determination of Competitive Range

During deliberations, the Evaluation Panel will reach a consensus score for each evaluation criterion except price. The Procurement Officer will score the price, which will be added to the overall consensus score. The overall consensus scores will determine the Offerors' rankings and which Offers are within the Competitive Range, when appropriate.

2.28. Offers Not Within the Competitive Range

The City may notify Offerors of Offers that the City determined are not in the Competitive Range.

2.29. Discussions with Offerors in the Competitive Range

The City will notify each Offeror whose Offer is in the Competitive Range or made the 'short list' and provide in writing any questions or requests for clarification to the Offeror. Each Offeror so notified may be interviewed by the City and asked to discuss answers to written or oral questions or provide clarifications to any facet of its Offer. The Offerors in the competitive range may be required to provide a demonstration of their product.

Demonstrations - Offerors in the competitive range may be invited to construct a hands-on sample or presentation of their solution at the City of Phoenix. In addition, each finalist may prepare and deliver a presentation of their proposed solution based on the script developed by the evaluation panel. The City may also require a hands-on lab demonstration designed specifically for the evaluation panel. The results of the surveys will be tabulated and delivered to the evaluation team for the final review and solution selection session(s).

If an Offer in the Competitive Range contains conditions, exceptions, reservations or understandings to or about any Contract or Solicitation Scope requirement, the City may discuss or negotiate the conditions, exceptions, reservations or understandings during these meetings. But the City in its sole discretion may reject any and all conditions, exceptions, reservations and understandings, and the City may instruct any Offeror to remove the conditions, exceptions, reservations or understandings. If the Offeror fails to do so, the City may determine the Offer is nonresponsive, and the City may revoke its determination that the Offer is in the Competitive Range.

To the fullest extent permitted by law, the City will not provide any information, financial or otherwise, to any Offeror about other Offers received in response to this solicitation. During discussions with Offerors in the Competitive Range, the City will not give Offerors specific prices or specific financial requirements that Offerors must meet to qualify for further consideration. The City may state that proposed prices are too high with respect to the marketplace or otherwise unacceptable. Offerors will not be told of their relative rankings before Contract award.

2.30. Best and Final Offers (BAFO)

A BAFO is an option available for negotiations. Each Offeror in the Competitive Range, which is determined in the City's sole discretion, may be afforded the opportunity to amend its Offer and make one BAFO.

If an Offeror's BAFO modifies its initial Offer, the modifications must be identified in the BAFO. The City will evaluate BAFOs based on the same requirements and criteria applicable to initial Offers. The City will adjust appropriately the initial scores for criteria that have been affected by offer modifications made by a BAFO. Based on the criteria defined in the solicitation as weighted, the City will then perform final scoring and prepare final rankings.

The Evaluation Panel will recommend the Offer that is the best value and most advantageous to the City based on the evaluation criteria.

The City reserves the right to make an award to an Offeror whose Offer is the highest rated, best value, and most advantageous to the City based on the evaluation criteria, without conducting written or oral discussions with any Offeror, without negotiations, and without soliciting BAFOs.

5.16. State and Local Transaction Privilege Taxes

In accordance with applicable state and local law, transaction privilege taxes may be applicable to this transaction. The state and local transaction privilege (sales) tax burden and legal liability to remit taxes are on the Contractor that is conducting business in Arizona and the City of Phoenix. Any failure by the Contractor to collect applicable taxes from the City will not relieve the Contractor from its obligation to remit taxes. It is the responsibility of the prospective bidder to determine any applicable taxes. The City will look at the price or offer submitted and will not deduct, add or alter pricing based on speculation or application of any taxes, nor will the City provide advice or guidance. If you have questions regarding your tax liability, please seek advice from a tax professional prior to submitting your Offer. You may also find information at <https://www.phoenix.gov/finance/plt> or <https://www.azdor.gov/Business>. Once your Offer is submitted, the Offer is valid for the time specified in this Solicitation, regardless of mistake or omission of tax liability. If the City finds over payment of a project due to tax consideration that was not due, the Contractor will be liable to the City for that amount, and by contracting with the City, the Contractor agrees to remit any overpayments back to the City for miscalculations on taxes included in an offer price.

5.17. Tax Indemnification

Any claim for adjustment will be deemed waived unless asserted in writing within sixty days from the receipt of the change. Price increases or extensions of delivery time will not be binding on the City unless evidenced in writing and approved by the Chief Procurement Officer prior to the institution of the change.

If for any reason it is determined that the City Charter and state law conflict, then state law will control.
- B. Moreover, nothing in this Agreement will constitute a dispute resolution process, an administrative claims process, or contractual term as used in Arizona Revised Statutes § 12-821.01(C), sufficient to affect the date on which the cause of action accrues within Arizona Revised Statutes § 12-821.01(A) and (B).

5.25. No Third-Party Beneficiaries

The parties expressly agree that this Agreement is not intended by any of its provisions to create any right of the public or any member thereof as a third-party beneficiary nor to authorize anyone not a party to this Agreement to maintain a suit for personal injuries or property damage pursuant to the terms or provisions of this Agreement.

The obligations of Contractor and its subcontractors under this Section will survive the termination of this Agreement.
- B. Contractor agrees that the requirements of this Section will be incorporated into all subcontractor agreements entered into by the Contractor. It is further agreed that a violation of this Section will be deemed to cause irreparable harm that justifies injunctive relief in court. A violation of this Section may result in immediate termination of this Agreement without notice.

6.3. SBE / DBE Utilization

The City extends to each individual, firm, vendor, supplier, contractor and subcontractor an equal economic opportunity to compete for City business and strongly encourages voluntary utilization of small and/or disadvantaged businesses to reflect both the industry and community ethnic composition. The use of such businesses is encouraged whenever practical.

6.4. Fiscal Year Clause

The City's fiscal year begins July 1st and ends June 30th each calendar year. The City may make payment for services rendered or costs encumbered only during a fiscal year and for a period of 60 days immediately following the close of the fiscal year, under the provisions of Arizona Revised Statutes §42-17108. Therefore, Contractor must submit billings for services performed or costs incurred prior to the close of a fiscal year within ample time to allow payment within this 60-day period.

6.5. Final Payment

- A. **PAYMENT:** The City will make final payment for all Services performed and accepted within 60 days after Contractor has delivered to the City any final progress reports, documentation, materials and evidence of costs and disbursement as required under this Agreement. Any use by the City of preliminary reports, raw data or other incomplete material returned by Contractor will be at the City's sole risk for such use.

- B. **TEMPORARY SUSPENSION:** The City may, by written notice, direct Contractor to suspend performance on all or any part of the Services for such period of time as may be determined by the City to be necessary or desirable for its convenience. If such suspension causes additional expense to Contractor in performance, and not due to fault or negligence of Contractor, the payment will be adjusted on the basis of actual costs resulting directly from the suspension, and the period for performance of the Services will be extended by mutual agreement. Any claim by Contractor for a price adjustment must be supported by appropriate documentation asserted promptly after Contractor has been notified to suspend performance.

- B. **LEVEL OF CARE AND SKILL:** Services provided by Contractor will be performed in a manner consistent with that level of care and skill ordinarily exercised by members of Contractor's profession currently practicing in the same industry under similar conditions. Acceptance or approval by the City of Contractor's work will in no way relieve Contractor of liability to the City for damages suffered or incurred arising from the failure of Contractor to adhere to the aforesaid standard of professional competence.

6.7. Specific Performance

Contractor agrees that in the event of a breach by Contractor of any material provision of this Agreement, the City will, upon proper action instituted by it, be entitled to a decree of specific performance thereof according to the terms of this Agreement. In the event the City will elect to treat any such breach on the part of Contractor as a discharge of the Agreement, the City may nevertheless maintain an action to recover damages arising out of such breach. This paragraph is not intended as a limitation of such other remedies as may be available to the City under law or equity.

6.8. Documentation

- A. **DISSEMINATION AND RETENTION:** There will be no dissemination or publication of any information gathered, or documents prepared in the course of the performance of the Services without the prior written consent of the City. Should the City, upon advice of counsel, deem it necessary, due to existing or anticipated litigation, to assert a legal privilege of protection and non-disclosure with regard to the subject matter of this Agreement, then, and in that event, upon written demand, Contractor will relinquish to the possession and control of the City its entire file related to this Agreement and only those portions of said file deemed by the City to be not privileged will be returned to Contractor pending the resolution of the existing or anticipated litigation.

6.9. Public Records

- A. Notwithstanding any provisions of this Agreement regarding confidentiality, secrets, or protected rights, the Contractor acknowledges that all documents provided to the City may be subject to disclosure by laws related to open public records. Consequently, the Contractor understands that disclosure of some or all of the items subject to this Agreement may be required by law.
- B. In the event City receives a request for disclosure that is reasonably calculated to incorporate information that might be considered confidential by Contractor, the City agrees to provide the Contractor with notice of that request, which shall be deemed given when deposited by the City with the USPS for regular delivery to the address of the Contractor specified in their proposal. Within ten days of City notice by the City, the Contractor will inform the City in writing of any objection by the Contractor to the disclosure of the requested information. Failure by the Contractor to object timely shall be deemed to waive any objection and any remedy against the City for disclosure.
- C. In the event the Contractor objects to disclosure within the time specified, the Contractor agrees to handle all aspects related to request, including properly communicating with the requestor and timely responding with information the disclosure of which the Contractor does not object thereto. Furthermore, the Contractor agrees to indemnify and hold harmless the City from any claims, actions, lawsuits, or any other controversy or remedy, in whatever form, that arises from the failure to comply with the request for information and the laws pertaining to public records, including defending the City in any legal action and payment of any penalties or judgments. This provision shall survive the termination of this Agreement.

The Contractor will pay any cost to repair damage caused by Contractor to the telephone equipment over and above normal wear and tear. Toll calls are not permitted by Contractor employees.

A list of emergency telephone numbers shall be maintained at the work locations by the Contractor and will include the Police and Fire Departments.

Contractor will include Contract Worker background screening in all contracts and subcontracts for services furnished under this agreement.

6.19. Materiality of Background Screening Requirements; Indemnity

The background screening requirements are the minimum requirements for the Agreement.
