All forms provided in Submittal Section must be completed and submitted with the Offer. The signed and completed Conflict of Interest and Transparency form must be included or your Offer may be deemed non-responsive.

It is permissible to copy Submittal forms if necessary. Erasures, interlineations, or other modifications of the Offer must be initialed in original ink by the authorized person signing the Offer. No offer will be altered, amended or withdrawn after the specified Offer due date and time. The City is not responsible for Offeror's errors or omissions.

All time periods stated as a number of days will be calendar days.

It is the responsibility of all Offerors to examine the entire solicitation and seek clarification of any requirement that may not be clear and to check all responses for accuracy before submitting an Offer. Negligence in preparing an Offer confers no right of withdrawal after due date and time. Offerors are strongly encouraged to:

- A. Consider applicable laws and/or economic conditions that may affect cost, progress, performance, or furnishing of the products or services.
- B. Study and carefully correlate Offeror's knowledge and observations with the solicitation and other related data.
- C. Promptly notify the City of all conflicts, errors, ambiguities, or discrepancies that Offeror has discovered in or between the solicitation and other related documents.

Offers offering less than any minimum specifications or criteria specified are not responsive and should not be submitted.

1.8. Exception

If an Offeror has exceptions based on the scope then Offeror must include a list of exceptions to the requirements of the solicitation and attachment documents, if any, stated on a separate page labeled "Exceptions Statement." Offeror must identify the reason for the requested change, provide alternate language and provide an explanation.

It is the intent of the City to award a contract on a fair, competitive basis. For this reason, the City may view any "Exception" in response to any material conditions or requirement of the solicitation, as an attempt by the Offeror to vary the terms of the solicitation which, in fact, may result in giving the Offeror an unfair advantage. For this reason, the City will, at its option, not allow exceptions to any material requirement if, in the opinion of the City, the exceptions alter the overall intent of the solicitation, unless the exception would be of material benefit to the City. Additionally, the City may, at its option, deem any submittal non-responsive based on exceptions by the Offeror.

1.9. Inquiries

All questions that arise relating to this solicitation should be submitted in writing by email to the Procurement Officer and must be received by the due date indicated in the Schedule of Events. The City will not consider questions received after the deadline.

The Procurement Officer will answer written inquiries in an addendum and publish any addenda on the Procurement Website.

As long as the solicitation is not discussed, Offerors may continue to conduct business with the City and discuss business that is unrelated to the solicitation with the City staff. Offerors may not discuss the solicitation with any City employees or evaluation panel members.
- B. Offerors may discuss their proposal or the solicitation with the Mayor or one or more members of the Phoenix City Council, provided such meetings are scheduled through the Procurement Officer, and are posted as open meetings with the City Clerk at least 24 hours prior to the scheduled meetings. The City Clerk will be responsible for posting the meetings. The posted notice shall identify the participants and the subject matter, as well as invite the public to participate.
- C. With respect to the selection of the successful Offerors, the City Manager and/or City Manager's Office will continue the past practice of exerting no undue influence on the process. - D. This policy is intended to create a level playing field for all Offerors, assure that contracts are awarded in public, and protect the integrity of the selection process. **OFFERORS THAT VIOLATE THIS POLICY SHALL BE DISQUALIFIED.** After official Notice is

received by the City for disqualification, the Offeror may follow the Protest process, unless the Solicitation is cancelled without notice of intent to re-issue.

- E. "To discuss" means any contact by the Offeror, regardless of whether the City responds to the contact. Offerors that violate this policy will be disqualified until the resulting contract(s) are awarded, or all Offers or responses are rejected and the solicitation is cancelled without any announcement by the Procurement Officer of the City's intent to reissue the same or a similar solicitation. The City interprets the policy as continuing through a cancellation of a solicitation until Council award of the contract, as long as the City cancels with a statement that the City will rebid the solicitation.

1.20. Protest Process

- A. Offeror may protest the contents of a solicitation no later than seven days before the solicitation deadline when the protest is based on an apparent alleged mistake, impropriety or defect in the solicitation. Protests filed regarding the solicitation may be addressed by an amendment to the solicitation or denied by the City. If denied, the opening and award will proceed unless the City determines that it is in the City's best interests to set new deadlines, amend the solicitation, cancel or re-bid.
- B. Therefore, unless otherwise notified by a formal amendment, the Protester must adhere to all solicitation dates and deadlines, including timely filing of an Offer, regardless of filing a protest.
- C. Offeror may protest an adverse determination issued by the City regarding responsibility and responsiveness, within seven days of the date the Offeror was notified of the adverse determination.
- D. Offeror may protest an award recommendation if the Offeror can establish that it had a substantial chance of being awarded the contract and will be harmed by the recommended award. The City will post recommendations on the City's website to award the contract(s) to an Offeror(s). Offeror must submit award protests within seven days after the posting of the award recommendation, with exceptions only for good cause shown, within the City's full and final discretion.

Protests must be filed with the Procurement Officer.

1.21. Public Record

If an Offeror believes that a specific section of its Offer response is confidential, the Offeror will isolate the pages marked confidential in a specific and clearly labeled section of its Offer response. An Offeror may request specific information contained within its Offer is treated by the Procurement Officer as confidential provided the Offeror clearly labels the information "confidential." To the extent necessary for the evaluation process, information marked as "confidential" will not be treated as confidential. Once the procurement file becomes available for public inspection, the Procurement Officer will not make any information identified by the Offerors as "confidential" available to the public unless necessary to support the evaluation process or if specifically requested in accordance with applicable public records law. When a public records request for such information is received, the Procurement Officer will notify the Offeror in writing of any request to view any portion of its Offer marked "confidential." The Offeror will have the time set forth in the notice to obtain a court order enjoining such disclosure. If the Offeror does not provide the Procurement Officer with a court order enjoining release of the information during the designated time, the Procurement Officer will make the information requested available for inspection.

1.22. Late Offers

Late Offers must be rejected, except for good cause. If a late Offer is submitted, the Department will document the date and time of the submittal of the late Offer, keep the Offer and notify the Offeror that its Offer was disqualified for being a late Offer.

1.23. Right to Disqualify

The City reserves the right to disqualify any Offeror who fails to provide information or data requested or who provides materially inaccurate or misleading information or data. The City further reserves the right to disqualify any Offeror on the basis of any real or apparent conflict of interest that is disclosed by the Offer submitted or any other data or information available to the City. This disqualification is at the sole discretion of the City. By submission of a solicitation response, the Offeror waives any right to object now or at any future time, before any agency or body including, but not limited to, the City Council of the City or any court as to the exercise by the City of such right to disqualify or as to any disqualification by reason of real or apparent conflict of interest determined by the City. The City reserves the right to replace the disqualified Offeror.

1.24. Contract Award

The City reserves the right to award a contract by individual line items, by group, all or none, or any other combination most advantageous to the City. The City reserves the right to multiple award contracts.

1.25. Equal Low Offer

Contract award will be made by putting the names of the tied vendors in a cup for a blind drawing limited to those bidders with tied Offers. If time permits, the Offerors involved will be given an opportunity to attend the drawing. The drawing will be witnessed by at least three persons, and the contract file will contain the names and addresses of the witnesses.

1.26. Evaluation of Competitive Sealed Offers

The City will use its discretion in applying the following processes to this solicitation. Any ties in scoring will be resolved with a best and final price request and the lowest price will prevail.

1.27. Determining Responsiveness and Responsibility

Offers will be reviewed for documentation of any required minimum qualifications, and completeness and compliance with the solicitation requirements. The City reserves sole discretion to determine responsiveness and responsibility.

Responsiveness: Nonresponsive Offers will not be considered in the evaluation process. The solicitation states criteria that determine responsiveness, and the solicitation includes terms and conditions that if included or excluded from Offers will render an Offer nonresponsive.

Responsibility: To obtain true economy, the City must conduct solicitations to minimize the possibility of a subsequent default by the Offeror, late deliveries, or other unsatisfactory performance that may result in additional administrative costs. It is important that the Offeror be a responsible Offeror. Responsibility includes the Offeror's integrity, skill, capacity, experience, and facilities for conducting the work to be performed.

1.28. Detailed Evaluation of Offers and Determination of Competitive Range

During deliberations, the Evaluation Panel will reach a consensus score for each evaluation criterion except price. The Procurement Officer will score the price, which will be added to the overall consensus score. The overall consensus scores will determine the Offerors' rankings and which Offers are within the Competitive Range, when appropriate.

1.29. Offers Not Within the Competitive Range

The City may notify Offerors of Offers that the City determined are not in the Competitive Range.

1.30. Discussions with Offerors in the Competitive Range

The City will notify each Offeror whose Offer is in the Competitive Range or made the 'short list' and provide in writing any questions or requests for clarification to the Offeror. Each Offeror so notified may be interviewed by the City and asked to discuss answers to written or oral questions

or provide clarifications to any facet of its Offer. The Offerors in the competitive range may be required to provide a demonstration of their product.

Demonstrations - Offerors in the competitive range may be invited to construct a hands-on sample or presentation of their solution at the City of Phoenix. In addition, each finalist may prepare and deliver a presentation of their proposed solution based on the script developed by the evaluation panel. The City may also require a hands-on lab demonstration designed specifically for the evaluation panel. The results of the surveys will be tabulated and delivered to the evaluation team for the final review and solution selection session(s).

If an Offer in the Competitive Range contains conditions, exceptions, reservations or understandings to or about any Contract or Solicitation Scope requirement, the City may discuss or negotiate the conditions, exceptions, reservations or understandings during these meetings. But the City in its sole discretion may reject any and all conditions, exceptions, reservations and understandings, and the City may instruct any Offeror to remove the conditions, exceptions, reservations or understandings. If the Offeror fails to do so, the City may determine the Offer is nonresponsive, and the City may revoke its determination that the Offer is in the Competitive Range.

To the fullest extent permitted by law, the City will not provide any information, financial or otherwise, to any Offeror about other Offers received in response to this solicitation. During discussions with Offerors in the Competitive Range, the City will not give Offerors specific prices or specific financial requirements that Offerors must meet to qualify for further consideration. The City may state that proposed prices are too high with respect to the marketplace or otherwise unacceptable. Offerors will not be told of their relative rankings before Contract award.

1.31. Best and Final Offers (BAFO)

A BAFO is an option available for negotiations. Each Offeror in the Competitive Range, which is determined in the City's sole discretion, may be afforded the opportunity to amend its Offer and make one BAFO.

If an Offeror's BAFO modifies its initial Offer, the modifications must be identified in the BAFO. The City will evaluate BAFOs based on the same requirements and criteria applicable to initial Offers. The City will adjust appropriately the initial scores for criteria that have been affected by Offer modifications made by a BAFO. Based on the criteria defined in the solicitation as weighted, the City will then perform final scoring and prepare final rankings.

The Evaluation Panel will recommend the Offer that is the best value and most advantageous to the City based on the evaluation criteria.

The City reserves the right to make an award to an Offeror whose Offer is the highest rated, best value, and most advantageous to the City based on the evaluation criteria, without conducting written or oral discussions with any Offeror, without negotiations, and without soliciting BAFOs.

1.32. Fixed Offer Price Period

All Offers shall be firm and fixed for a period of 270 calendar days from the solicitation opening date.

1.33. Obtaining a Copy of the Solicitation and Addenda

Interested Offerors may download the complete solicitation and addenda from <https://solicitations.phoenix.gov/>. Any interested Offerors without internet access may obtain this solicitation by calling the Procurement Officer or picking up a copy during regular business hours at the City of Phoenix, Finance Department, Central Procurement Division, 251 W Washington Street, 8th Floor, Phoenix, AZ. 1.34. Business in Arizona

The City will not enter contracts with Offerors (or any company(ies)) not granted authority to transact business, or not in good standing, in the state of Arizona by the Arizona Corporation Commission, unless the Offeror asserts a statutory exception prior to entering a contract with the City.

Changes to the Services may be made and the compensation to be paid to Contractor may be adjusted by mutual agreement, but in no event may the compensation exceed the amount authorized without further written authorization. It is specifically understood and agreed that no claim for extra work done or materials furnished by Contractor will be allowed except as provided herein, nor will Contractor do any work or furnish any materials not covered by this Agreement unless first authorized in writing. Any work or materials furnished by Contractor without prior written authorization will be at Contractor's risk, cost and expense, and Contractor agrees to submit no claim for compensation or reimbursement for additional work done or materials furnished without prior written authorization.

Consultant shall not subcontract with any third party for any component of the Services without the prior written consent of the City. Any attempt to assign or subcontract without the City's prior written consent shall be void. An essential consideration provided to the City by Consultant to induce the City to enter into the Agreement is Consultant's representation that the individual(s) performing services shall include Consultant's principals as selected through the Qualified Vendor solicitation process. Therefore, should such named individual(s) sever their relationship with Consultant, or otherwise be unavailable to carry out Consultant's duties under this Agreement for a period of time deemed to be excessive by the City in its sole and absolute discretion, then the City may, without notice, immediately terminate this Agreement for cause.
- C. **Non-Exclusive Contract:** Any contract resulting from this solicitation will be awarded with the understanding and agreement that it is for the sole convenience of the City. The City reserves the right to obtain like goods or services from another source when necessary.

2.4.10. *Risk of Loss and Liability*

- B. **Acceptance:** All material or service is subject to final inspection and acceptance by the City. Material or service failing to conform to the specifications of this contract will be held at Contractor's risk and may be returned to the Contractor. The term "force majeure" means an occurrence that is beyond the control of the party affected and occurs without its fault or negligence. Force majeure will not include late performance by a subcontractor unless

the delay arises out of a force majeure occurrence in accordance with this force majeure term and condition. If either party is delayed at any time in the progress of the work by force majeure, the delayed party will notify the other party in writing of such delay, as soon as is practical, of the commencement thereof and will specify the causes of such delay in such notice. Such notice will be hand-delivered or mailed certified-return receipt and will make a specific reference to this provision, thereby invoking its provisions. The delayed party will cause such delay to cease as soon as practicable and will notify the other party in writing when it has done so. The time of completion will be extended by contract modification for a period of time equal to the time that results or effects of such delay prevent the delayed party from performing in accordance with this contract.

- D. **Loss of Materials:** The City does not assume any responsibility, at any time, for the protection of or for loss of materials, from the time that the contract operations have commenced until the final acceptance of the work by the City.

The City's authorized representative will decide all questions which may arise as to the quality and acceptability of any work performed under the contract. If, in the opinion of the City's authorized representative, performance becomes unsatisfactory, the City will notify the Contractor. The Contractor will have 30 days from that time to correct any specific instances of unsatisfactory performance, unless a different amount of time is specified in the agreement. In the event the unsatisfactory performance is not corrected within the time specified, the City will have the immediate right to complete the work to its satisfaction and will deduct the cost to cover from any balances due or to become due the Contractor. Repeated incidences of unsatisfactory performance may result in cancellation of the agreement for default.
- F. **Damage to City Property:** Contractor will perform all work so that no damage to the building or grounds results. Contractor will repair any damage caused to the satisfaction of the City at no cost to the City. Contractor will take care to avoid damage to adjacent finished materials that are to remain. If finished materials are damaged, Contractor will repair and finish to match existing material as approved by the City at Contractor's expense.

2.4.11. *City's Contractual Rights*

Whenever one party to this contract in good faith has reason to question the other party's intent to perform, the former party may demand that the other party give a written assurance of this intent to perform. In the event that a demand is made and no written assurance is given within five days, the demanding party may treat this failure as an anticipatory repudiation of this contract.

- A. **Non-Exclusive Remedies:** The rights and remedies of the City under this Contract are non-exclusive.

- B. **Default in One Installment to Constitute Breach:** Each installment or lot of the agreement is dependent on every other installment or lot and a delivery of non-conforming goods or a default of any nature under one installment or lot will impair the value of the whole agreement and constitutes a total breach of the agreement as a whole.
- C. **On Time Delivery:** Because the City is providing services which involve health, safety and welfare of the general public, delivery time is of the essence. Delivery must be made in accordance with the delivery schedule promised by the Contractor.
- D. **Default:** In case of default by the Contractor, the City may, by written notice, cancel this contract and repurchase from another source and may recover the excess costs by (1) deduction from an unpaid balance due; (2) collection against the Solicitation and/or Performance Bond, or (3) a combination of the aforementioned remedies or other remedies as provided by law.

For breach or violation of this warranty, the City will have the right to annul the contract without liability or in its discretion to deduct from the contract price a consideration, or otherwise recover the full amount of such commission, brokerage or contingent fee.
- F. **Cost Justification:** In the event only one response is received, the City may require that the Contractor submit a cost proposal in sufficient detail for the City to perform a cost/price analysis to determine if the Offer price is fair and reasonable.
- G. **Work Product, Equipment, and Materials:** All work product, equipment, or materials created or purchased under this contract belongs to the City and must be delivered to the City at City's request upon termination of this contract. Contractor agrees to assign to City all rights and interests Contractor may have in materials prepared under this contract that are "works for hire" within the meaning of the copyright laws of the United States, including any right to derivative use of the material.

1. This contract may be terminated at any time by mutual written consent, or by the City, with or without cause, upon giving thirty-day written notice to Contractor. The City at its convenience, by written notice, may terminate this contract, in whole or in part. If this contract is terminated, the City will be liable only for payment under the payment provisions of this contract for services rendered and accepted material received by the City before the effective date of termination. Title to all materials, work-in-process and completed but undeliverable goods, will pass to the City after costs are claimed and allowed. The Seller will submit detailed cost claims in an acceptable manner and will permit the City to examine such books and records as may be necessary in order to verify the reasonableness of any claims.
2. Immediately upon receiving a written notice to terminate or suspend Services, Contractor will:

- C. **Final Payment:** The City shall make final payment for all Services performed and accepted within sixty (60) days after Consultant has delivered to the City any final progress reports, documentation, materials and evidence of costs and disbursement as required under this Agreement.
- D. **Temporary Suspension.** The City may, by written notice, direct Consultant to suspend performance on all or any part of the Services for such period of time as may be determined by the City to be necessary or desirable for its convenience. If such suspension causes additional expense to Consultant in performance, and such additional expense is not due to fault or negligence of Consultant, the payment will be adjusted on the basis of actual costs resulting directly from the suspension, and the period for performance of the Services will be extended by mutual agreement. Any claim by Consultant for a price adjustment must be supported by appropriate documentation asserted promptly after Consultant has been notified to suspend performance.
- E. **Contract Cancellation:** All parties acknowledge that this contract is subject to cancellation by the City of Phoenix pursuant to the provision of Section 38-511, Arizona Revised Statutes.

Agreement shall not be used in any advertising or other promotional context by Contractor without the prior written consent of the City.

2.4.22. *Strict Performance*

Failure of either party to insist upon the strict performance of any item or condition of the contract or to exercise or delay the exercise of any right or remedy provided in the contract, or by law, or the acceptance of materials or services, obligations imposed by this contract, or by law, will not be deemed a waiver of any right of either party to insist upon the strict performance of the contract.

The City reserves the right at any time to make changes in any one or more of the following: (a) specifications; (b) methods of shipment or packing; (c) place of delivery; (d) time of delivery; and/or (e) quantities. If the change causes an increase or decrease in the cost of or the time required for performance, an equitable adjustment may be made in the price or delivery schedule, or both. Any claim for adjustment will be deemed waived unless asserted in writing within sixty days from the receipt of the change. Price increases or extensions of delivery time will not be binding on the City unless evidenced in writing and approved by the Chief Procurement Officer prior to the institution of the change.

2.4.24. *Claims or Demands Against the City*

- A. Contractor acknowledges and accepts the provisions of Chapter 18, Section 14 of the Charter of the City of Phoenix, pertaining to claims or demands against the City, including provisions therein for set-off of indebtedness to the City against demands on the City, and Contractor agrees to adhere to the prescribed procedure for presentation of claims and demands. Nothing in Chapter 18, Section 14 of the Charter of the City of Phoenix alters, amends or modifies the supplemental and complementary requirements of the State of Arizona Notice of Claim statutes, Arizona Revised Statutes §§ 12-821 and 12-821.01, pertaining to claims or demands against the City. If for any reason it is determined that the City Charter and state law conflict, then state law will control.
- B. Moreover, nothing in this Agreement will constitute a dispute resolution process, an administrative claims process, or contractual term as used in Arizona Revised Statutes § 12-821.01(C), sufficient to affect the date on which the cause of action accrues within Arizona Revised Statutes § 12-821.01(A) and (B).

2.4.25. *No Third-Party Beneficiaries*

The parties expressly agree that this Agreement is not intended by any of its provisions to create any right of the public or any member thereof as a third-party beneficiary nor to authorize anyone not a party to this Agreement to maintain a suit for personal injuries or property damage pursuant to the terms or provisions of this Agreement.

2.5.8. Suspensions of Work

The City reserves the right to suspend work wholly or in part if deemed necessary for the best interest of the City. This suspension will be without compensation to the Contractor, other than to adjust the contract completion/delivery requirements.

Contractor or its subcontractors will not contact third parties to provide any information in connection to the Services provided under this Agreement without the prior written consent of the City. Should Contractor or its subcontractors be contacted by any person requesting information or requiring testimony relative to the Services provided under this Agreement or any other prior or existing Agreement with the City, Contractor or its subcontractors will promptly inform the City giving the particulars of the information sought and will not disclose such information or give such testimony without the written consent of the City or court order. The obligations of Contractor and its subcontractors under this Section will survive the termination of this Agreement.
- B. Contractor agrees that the requirements of this Section will be incorporated into all subcontractor agreements entered into by the Contractor. It is further agreed that a violation of this Section will be deemed to cause irreparable harm that justifies injunctive relief in court. A violation of this Section may result in immediate termination of this Agreement without notice.

2.5.17. *SBE / DBE Utilization*

The City extends to each individual, firm, vendor, supplier, contractor and subcontractor an equal economic opportunity to compete for City business and strongly encourages voluntary utilization of small and/or disadvantaged businesses to reflect both the industry and community ethnic composition. The use of such businesses is encouraged whenever practical.

2.5.18. *Fiscal Year Clause*

The City’s fiscal year begins July 1st and ends June 30th each calendar year. The City may make payment for services rendered or costs encumbered only during a fiscal year and for a period of 60 days immediately following the close of the fiscal year, under the provisions of Arizona Revised Statutes §42-17108. Therefore, Contractor must submit billings for services performed or costs incurred prior to the close of a fiscal year within ample time to allow payment within this 60-day period.

2.5.19. *Final Payment*

- A. **PAYMENT:** The City will make final payment for all Services performed and accepted within 60 days after Contractor has delivered to the City any final progress reports, documentation, materials and evidence of costs and disbursement as required under this

Agreement. Any use by the City of preliminary reports, raw data or other incomplete material returned by Contractor will be at the City's sole risk for such use.

- B. **TEMPORARY SUSPENSION:** The City may, by written notice, direct Contractor to suspend performance on all or any part of the Services for such period of time as may be determined by the City to be necessary or desirable for its convenience. If such suspension causes additional expense to Contractor in performance, and not due to fault or negligence of Contractor, the payment will be adjusted on the basis of actual costs resulting directly from the suspension, and the period for performance of the Services will be extended by mutual agreement. Any claim by Contractor for a price adjustment must be supported by appropriate documentation asserted promptly after Contractor has been notified to suspend performance.

2.5.20. *Professional Competency*

- B. **LEVEL OF CARE AND SKILL:** Services provided by Contractor will be performed in a manner consistent with that level of care and skill ordinarily exercised by members of Contractor's profession currently practicing in the same industry under similar conditions. Acceptance or approval by the City of Contractor's work will in no way relieve Contractor of liability to the City for damages suffered or incurred arising from the failure of Contractor to adhere to the aforesaid standard of professional competence.

2.5.21. *Specific Performance*

Contractor agrees that in the event of a breach by Contractor of any material provision of this Agreement, the City will, upon proper action instituted by it, be entitled to a decree of specific performance thereof according to the terms of this Agreement. In the event the City will elect to treat any such breach on the part of Contractor as a discharge of the Agreement, the City may nevertheless maintain an action to recover damages arising out of such breach. This paragraph is not intended as a limitation of such other remedies as may be available to the City under law or equity.

2.5.22. *Documentation*

- A. **DISSEMINATION AND RETENTION:** There will be no dissemination or publication of any information gathered, or documents prepared in the course of the performance of the Services without the prior written consent of the City. Should the City, upon advice of counsel, deem it necessary, due to existing or anticipated litigation, to assert a legal privilege of protection and non-disclosure with regard to the subject matter of this Agreement, then, and in that event, upon written demand, Contractor will relinquish to the possession and control of the City its entire file related to this Agreement and only those

portions of said file deemed by the City to be not privileged will be returned to Contractor pending the resolution of the existing or anticipated litigation.

- B. **FORMAT AND QUALITY:** All documents prepared by Contractor will be prepared in a format and at a quality approved by the City.
- C. **DOCUMENT REVIEW:** Contractor will review all documents provided by the City related to the performance of the Services and will promptly notify the City of any defects or deficiencies discovered in such review.

2.5.23. *Public Records*

- A. Notwithstanding any provisions of this Agreement regarding confidentiality, secrets, or protected rights, the Contractor acknowledges that all documents provided to the City may be subject to disclosure by laws related to open public records. Consequently, the Contractor understands that disclosure of some or all of the items subject to this Agreement may be required by law.
- B. In the event City receives a request for disclosure that is reasonably calculated to incorporate information that might be considered confidential by Contractor, the City agrees to provide the Contractor with notice of that request, which shall be deemed given when deposited by the City with the USPS for regular delivery to the address of the Contractor specified in their proposal. Within ten days of City notice by the City, the Contractor will inform the City in writing of any objection by the Contractor to the disclosure of the requested information. Failure by the Contractor to object timely shall be deemed to waive any objection and any remedy against the City for disclosure.
- C. In the event the Contractor objects to disclosure within the time specified, the Contractor agrees to handle all aspects related to request, including properly communicating with the requestor and timely responding with information the disclosure of which the Contractor does not object thereto. Furthermore, the Contractor agrees to indemnify and hold harmless the City from any claims, actions, lawsuits, or any other controversy or remedy, in whatever form, that arises from the failure to comply with the request for information and the laws pertaining to public records, including defending the City in any legal action and payment of any penalties or judgments. This provision shall survive the termination of this Agreement.

2.5.24. *Demonstration*

The City may, in its discretion, require a demonstration of the products or services offered as part of the evaluation process. The demonstration shall be provided by the Contractor at no cost to the City for the period deemed sufficient to properly evaluate the product or service. The exact

time, conditions, and terms of the evaluation shall be established at the time a demonstration is requested.

2.5.25. *Liquidated Damages*

If the Contractor fails to deliver the supplies or perform the services within the time specified in its contract, or any extension thereof, the actual damages to the City for the delay will be difficult or impossible to determine. Therefore, in lieu of actual damages, the Contractor shall pay to the City as fixed, agreed and liquidated damages for each calendar day of the delay, the amount of N/A. The City may terminate this contract in whole or in part as provided in the "Default" provision. In that event, the Contractor shall be liable for such liquidated damages accruing until the City may reasonably obtain delivery or performance of similar supplies and services. The Contractor shall not be charged with liquidated damages when the delay arises out of causes beyond its control and without fault or negligence, as determined by the City. The Chief Procurement Officer will be the sole judge in determining the liquidated damages.

2.5.26. *Procurement Reports*

Contractor shall submit NO VALUE reports in an electronic format acceptable to the City during the term of this contract commencing one month after the effective date. These reports are due by the NO VALUE day of the month following the reporting period. Total purchases for each department must be shown on a separate line. Report should be rounded to the nearest dollar. Contractor will provide sample forms for approval by the City.

2.5.27. *Background Screening*

Contractor agrees that all Contractor and subcontractors' workers (collectively "Contract Worker(s)") pursuant to this Agreement will be subject to background and security checks and screening (collectively "Background Screening") at Contractor's sole cost and expense, unless otherwise provided for in the scope of work. Contractor's background screening will comply with all applicable laws, rules and regulations. Contractor further agrees that the background screening is necessary to preserve and protect the public health, safety and welfare. The City requires a completed Contract Worker Badge/Key/Intrusion Detection Responsibilities Agreement for each Contract Worker who requires a badge or key.

2.5.28. *Background Screening Risk Level*

The City has established two levels of risk: Standard and Maximum risk. If the scope of work changes, the City may amend the level of risk, which could require the Contractor to incur additional contract costs to obtain background screens or badges.

2.5.29. *Terms of This Section Applicable to all Contractor's Contracts and Subcontracts*

Contractor will include Contract Worker background screening in all contracts and subcontracts for services furnished under this agreement.

2.5.30. *Materiality of Background Screening Requirements; Indemnity*

The background screening requirements are material to City's entry into this agreement and any breach of these provisions will be deemed a material breach of this contract. In addition to the indemnity provisions set forth in this agreement, Contractor will defend, indemnify and hold harmless the City for all claims arising out of this background screening section including, but not limited to, the disqualifications of a Contract Worker by Contractor. The background screening requirements are the minimum requirements for the Agreement. The City in no way warrants that these minimum requirements are sufficient to protect Contractor from any liabilities that may arise out of the Contractor's services under this Agreement or Contractor's failure to comply with this section. Therefore, Contractor and its Contract Workers will take any reasonable, prudent and necessary measures to preserve and protect public health, safety and welfare when providing services under this Agreement.

2.5.31. *Continuing Duty; Audit*

Contractor's obligations and requirements will continue throughout the entire term of this Agreement. Contractor will maintain all records and documents related to all background screenings and the City reserves the right to audit Contractor's records.

If Contractor is required to access any City facilities without an escort, City badging is required. Contractor's default under this section will include, but is not limited to, the following:

- Contract Worker commences services under this agreement without the proper badge, key or background screening;
- Contract Worker or Contractor submits false information or negligently submits wrong information to the City to obtain a badge, key or applicable background screening; or

- Contractor fails to collect and timely return Contract Worker's badge or key upon termination of Contract Worker's employment, reassignment of Contract Worker to another City facility or upon the expiration, cancellation or termination of this Agreement.
- Contractor acknowledges and agrees that the access control, badge and key requirements in this section are necessary to preserve and protect the public health, safety and welfare. Accordingly, Contractor agrees to properly cure any default under this section within three business days (excluding weekends and City holidays) from the date notice of default is sent by the City. The parties agree that Contractor's failure to properly cure any default under this section will constitute a breach of this section. In addition to any other remedy available to the City at law or in equity, the Contractor will be liable for and pay to the City the sum of \$1,000.00 for each breach by Contractor in this section. The parties further agree that the sum fixed above is reasonable and approximates the actual or anticipated loss to the City at the time and making of this agreement if Contractor breaches this section. Further, the parties expressly acknowledge and agree to the fixed sum set forth above because of the difficulty of proving the City's actual damages if Contractor breaches this section. The parties further agree that three breaches by Contractor in this section arising out of any default within a consecutive period of three months or three breaches by Contractor in this section arising out of the same default within a period of 12 consecutive months will constitute a material breach of this agreement by Contractor and the City expressly reserves all of its rights, remedies and interests under this agreement, at law and in equity including, but not limited to, termination of this agreement.

2.5.34. *Employee Identification and Access*

Contract Workers are forbidden access to designated restricted areas. Access to each building will be as directed by the authorized Phoenix authorized representative. 2.5.36. *Stolen or Lost Badges or Keys*

2.5.37. *Return of Badge or Key*

All badges and keys are the property of the City and must be returned to the City at the badging office within one business day (excluding weekends and City holidays) of when the Contract Worker's access to a City facility is no longer required to furnish the services under this agreement. Contractor will collect a Contract Worker's badge and key(s) upon the termination of the Contract Worker's employment; when the Contractor Worker's services are no longer required at a City facility(s); or upon termination, cancellation or expiration of this agreement.

2.5.38. *Badge and Key Fees*

The following constitute the badge and key fees under this agreement, which shall be paid for at the Contractor's sole cost and expense, unless otherwise provided for in the scope of work. The City reserves the right to amend these fees upon a 30-day prior written notice to Contractor.
