# REQUEST FOR QUALIFICATIONS

The City of Phoenix is seeking a qualified consultant to provide engineering services for Hohokam Drainage Program 1. Services will include design and possible construction administration and inspection at four separate locations. The estimated construction cost is \$23.5 million.

## **SECTION I – PROJECT DESCRIPTION**

The Hohokam Drainage Program 1 aims to implement comprehensive stormwater management solutions across multiple sites within the city. The program involves the design and construction of new storm drain systems, detention basins, and high-capacity inlets.

### **1. Basin 5 - Highline Canal Park (formerly known as Circle K Park):**

- a. Redevelopment of Highline Canal Park to incorporate a detention basin serving as the outfall for three future storm drain systems.
- b. Draining the basin to an existing 24" storm drain lateral on 14th Street connected to a main line along Baseline Road.
- c. Project Number: ST83140143 - 12th-14th Street: Ardmore Road and Highline Road

### **2. Basin 1 and 16th Street & Ardmore Road SD:**

- a. Construction of a storm drain, a high capacity drop inlet, and a graded basin to capture floodwater.
- b. Discharging flows to the southeast corner of proposed detention Basin 5.
- c. Project Number: ST83140137 - 16th Street & Ardmore Road Basin 1

### **3. 14th/15th Street Storm Drain:**

- a. Construction of a storm drain and high-capacity inlet to capture runoff.
- b. Discharging flows to the southeast corner of proposed detention Basin 5.
- b. Project Number: ST83140142 - 14th-15th Street: Ardmore Road and Dobbins Road

### **4. South Mountain Avenue Storm Drain West:**

- a. Construction of a storm drain system along South Mountain Avenue, including laterals on 15th Street and 17th Way.
- b. Discharging to the east side of proposed detention Basin 5.
- c. Project Number: ST83140139 - South Mountain Avenue: 14th Street-17th Way

## **SECTION II – SCOPE OF WORK**

The scope of work includes the following tasks:

### **1. Design Phase:**

- a. Conduct detailed site investigations, including topographic surveys, geotechnical analysis, hydrological studies, and hydraulic studies.
- b. Assess existing drainage conditions and identify areas prone to flooding.
- c. Review the Hohokam Area Drainage Master Study Phase I Study Report, Hohokam Area Drainage Master Plan Level 3 - Recommended Plan Report Executive Summary, and Hohokam Area Drainage Master Plan Level 3 - Recommended Plan Report as they relate to these specific locations to validate or update findings based on existing site conditions.
- d. Develop preliminary design concepts and alternatives for stormwater management.
- e. Prepare detailed engineering designs for storm drain systems, detention basins, and related infrastructure.
- f. Develop construction plans, specifications, and cost estimates.
- g. Provide design submittals and drainage reports at the 30%, 60%, 90%, and 100% completion stages, followed by a sealed final submittal.
- h. Coordinate with relevant stakeholders, including City departments, utilities, and the public, to ensure comprehensive design solutions.
- i. Secure necessary permits and approvals from regulatory agencies.

## **2. Right of Way Services:**

- a. Identify necessary and alternative right of way for project implementation.
- b. Prepare necessary documents such as legal description, easement, area calculations and map exhibit.

## **3. Public Outreach:**

- a. Develop and implement a public outreach plan to inform and engage the community about the project.
- b. Organize public meetings, workshops, and informational sessions to gather feedback and address concerns.
- c. Provide regular updates to the public and maintain open lines of communication throughout the project duration.

## **4. Post Design Services:**

- a. Assist with the procurement of a construction contractor.
- b. Review and respond to Requests for Information during construction.
- c. Perform shop drawing reviews and approvals.
- d. Provide general administration and attend construction meetings as needed.

## **5. Construction Administration and Inspection Services (CA&I):**

- a. Provide on-site construction inspection and administration services to ensure compliance with design specifications and standards.
- b. Monitor construction progress, quality, and safety.
- c. Review and approve contractor submittals, change orders, and payment requests.
- d. Conduct final inspections and prepare punch lists to ensure project completion.
- e. This task is an owner allowance.

**6. Use of UNIFIER**, an Application Service Provider (ASP) web-based project management database, may be required. The following information provides a guideline for utilization. Any questions related to the requirements of UNIFIER should be directed to the Project Manager.

- The Consultant will be required to maintain all project records in electronic format.
- The City provides an ASP web-based project management database which the Consultant will be required to utilize in the fulfillment of the contract requirements.
- The Consultant shall provide a computerized networked office platform with broadband internet connectivity.
- UNIFIER training will be provided through the City of Phoenix to firms under contract.

## **SECTION III - PRE-SUBMITTAL MEETING**

A pre-submittal meeting will be held at 1:00 p.m., Phoenix time on Thursday, August 8, 2024, at 200 W. Washington Street, City Hall Conference Room 5 West AND via Teams. At this meeting, City staff will discuss the scope of work, general project requirements, and respond to questions from the attendees. It is strongly recommended that interested firms attend the pre-submittal meeting. Inquiries regarding the project scope outside of this pre-submittal meeting must be directed to the Contracts Specialist.

## **SECTION IV - STATEMENT OF QUALIFICATIONS EVALUATION CRITERIA**

A Firm will be selected through a qualifications-based selection process based on the criteria below. Sub-

criteria are listed in order of importance in relation to project services. City of Phoenix project experience is not required.

**A. Design Experience of the Prime Firm (maximum 50 points)**

Describe the experience and qualifications of the prime firm in providing design services for similar projects. Identify projects the submitting firm has completed. For each project listed, provide:

1. Description of the project including scope and project owner
2. Role of the firm and explain how this relates to the services being solicited
3. Project's original contract value, final contract value, and reason for variance
4. Project's start date and completion date

**B. Construction Administration and Inspection Experience of the Prime Firm (maximum 25 points)**

Describe the experience and qualifications of the prime firm in providing construction administration and inspection (CA&I) services for similar projects. Identify projects the submitting firm has completed. Include assigned CA&I personnel if different from personnel performing design services. For each project listed, provide:

1. Description of the project including scope and project owner
2. Role of the firm and explain how this relates to the services being solicited
3. Project's original contract value, final contract value, and reason for variance
4. Project's start date and completion date

**C. Design Experience of the Key Personnel and Subconsultants (maximum 50 points)**

Describe the experience and qualifications of the specific project team expected to be assigned to this project in providing design services for similar projects. For each key person identified, list their length of time with the firm. List each key person's role in the projects provided. If a project selected for a key person is the same as one selected for the firm, provide just the project name and the role of the key person. For each project listed, provide:

1. Description of the project including scope and project owner
2. Role of the team or team member and explain how this relates to the services being solicited
3. Project's original contract value, final contract value, and reason for variance
4. Project's start date and completion date

**D. Project Understanding and Approach (maximum 200 points)**

Describe your firm's understanding of the City's need for this project, including important considerations such as project issues and challenges. Describe the team's approach to the project, including important considerations such as scope, schedule, and budget.

Firms should demonstrate their comprehensive understanding of the Hohokam Drainage Program 1 and outline their approach to successfully executing the project. It is essential to highlight key considerations and proposed methodologies. Please address the following points in your response:

1. Project Understanding
  - a. Demonstrate a thorough understanding of the Hohokam Drainage Program 1, including its objectives, scope, and key elements
  - b. Identify potential challenges and risks and explain how your experience with similar projects equips you to manage them
2. Proactive Approach
  - a. Outline your approach to developing the project scope, schedule, and budget, emphasizing proactive problem-solving and initiative

- d. Highlight methods for maintaining project timelines and budgets while ensuring quality and performance standards
- 3. Stakeholder Engagement
  - a. Discuss your strategy for engaging stakeholders, including the City of Phoenix, other agencies, and the community, to ensure seamless communication and collaboration
  - b. Provide examples of past projects where effective coordination led to successful outcomes
- 4. Innovation and Quality Control
  - a. Describe any innovative solutions or value engineering techniques proposed to enhance project outcomes
  - b. Explain your firm's quality assurance processes to ensure all deliverables meet the highest standards
- 5. Self-Starters and Initiative
  - a. Demonstrate your firm's ability to be proactive and take initiative throughout the project lifecycle
  - b. Provide examples of past projects where your team identified and addressed issues independently, leading to improved project performance
- 6. Coordination and Communication
  - a. Outline your approach to coordinating with the City of Phoenix, other agencies, and stakeholders to ensure seamless communication and collaboration
  - b. Discuss how you will manage and facilitate public outreach efforts to engage the community and address their concerns effectively
- 7. Quality Assurance and Control
  - a. Explain your firm's quality assurance and control processes to ensure that all project deliverables meet the highest standards
  - b. Provide examples of how your QA/QC processes have been successfully implemented in similar projects

**E. Staffing Information for Key Personnel (maximum 75 points)**

Provide the following:

- 1. Team's availability and commitment to the project, including subconsultants
- 2. Team's plan to maintain continuity of the proposed services
- 3. Organization chart showing key personnel, current professional licenses or certifications, and assigned roles for both Design and Construction Administration and Inspection Services for the project
- 4. Identify the location of the lead firm's principal office and the home office location of key staff on this project
- 5. This task will be controlled as an owner allowance if services are determined to be needed

**F. Reference Check (maximum 21 points\*)**

**Use the form provided** (Exhibit A) to obtain at least three references. It is preferred no more than one be a City of Phoenix project. If your firm has not completed prior projects with other agencies, you will not be penalized. It is recommended there be references outside the City of Phoenix.

\*These points are in addition to the 400 points for the SOQ.

**SECTION V - SUBMITTAL REQUIREMENTS**

**Firms interested in this project must submit a Statement of Qualifications (SOQ) electronically via email to the Contracts Specialist, Kathleen Kennedy at [kathleen.kennedy@phoenix.gov](mailto:kathleen.kennedy@phoenix.gov).**

Submittal requirements are as follows:

- Vendor Information:** All firms must be registered in the City's Vendor Management System prior to submitting a proposal. For new firms, the City will send an email to your firm with a vendor number within two business days of submitting the request. The vendor number should be included on the cover of the SOQ. Information on how to register with the City is available at:

<https://www.phoenix.gov/financesite/Pages/EProc-help.aspx>

If your firm is already registered with the City of Phoenix's ProcurePHX system, please visit <https://eprocurement.phoenix.gov/irj/portal> to login and access the electronic solicitation.

- The product category code for this RFQ is 925000000 and the RFx number is 6000001645.

**Submittals:**

- Submittals must be emailed to the assigned Contracts Specialist by the submittal due date and time.
- Submit only one SOQ electronically, in .PDF format only, addressing all evaluation criteria. No hard copies will be accepted.
- Clearly display the firm name, vendor number, project title, and project number on the cover of the SOQ.
- A maximum of **15 pages** is permitted to address all content in the SOQ submittal. **(Maximum page limit includes evaluation criteria and all additional content. It does not include information sheet.)**
- Submit electronically the Statement of Qualifications by **12:00 noon, Phoenix time, on Friday, August 23, 2024.**
- Upload one complete version of the SOQ addressing all the criteria. Upload format is .PDF.
- Page size must meet requirements of 8½" x 11".
- Font size must not be less than 10 point.
- Content count:
  - ✓ Each side of a page containing evaluation criteria and additional content will be counted toward the maximum page limit noted above.
  - ✓ Pages that have project photos, charts and/or graphs will be counted towards the maximum page limit noted above.
  - ✓ Front and back covers, information sheet, Table of Contents pages, and divider (tab) pages **will NOT** be counted toward the maximum page limit noted above, unless they include evaluation criteria and additional content that could be considered by the selection panel.

- Information Sheet:** Provide an information sheet that includes project title, project number, RFx number, **legal firm name (not a trade name)**, address, phone number, vendor number, and the name, title, email address and signature of your contact person for the project. Do not include any additional information.

- Evaluation Criteria:** Address the SOQ evaluation criteria.

- Additional Content:** Resumes and other information may be included (*content shall be included within the permitted maximum page limit*).

**Note: All pages exceeding the specified maximum page limit will be removed from the submittal and not considered in evaluating a submitted SOQ.**

#### **SECTION VI – GROUNDS FOR DISQUALIFICATION**

The following **will be grounds for disqualification**, and will be strictly enforced:

- Submitting the SOQ to the assigned Contracts Specialist after the submittal due date and time.
- Violating the "Contact with City Employees" policy contained in this RFQ.

## **SECTION VII - SELECTION PROCESS AND SCHEDULE**

Interested firms will submit a SOQ. The firm will be selected through a qualifications-based selection process. A selection panel will evaluate each SOQ per the criteria set forth in Section IV above.

Finalists from the SOQ evaluation will be invited to participate in detailed interviews. A letter to each finalist will contain the evaluation criteria to be used during the interview presentation. Interview evaluations to select the highest qualified firm include scores from the SOQ evaluation process. The City may conduct a due diligence review on the firm receiving the highest evaluation.

The City expects to create a final list of at least three, but not more than five firms for this project. The City will enter into negotiations with the selected firm and execute a contract upon completion of negotiation of fees, contract terms, and City Council approval.

The following tentative schedule has been prepared for this project. Firms interested in this project must be available on the dates as specified below.

Pre-submittal meeting	August 8, 2024
SOQs due	August 23, 2024
Firms notified for interview	September 6, 2024
Interview	September 23, 2024
Scope Meeting	October 2024

If the City is unsuccessful in negotiating a contract with the best-qualified firm, the City may then negotiate with the next most qualified firm until a contract is executed, or the City may decide to terminate the selection process. Once a contract is executed with the successful firm, the procurement is complete.

Firms on the short list for interviews for this project will be notified directly by the City. Notification to all other firms on the status of a short list for this project will be posted on the City of Phoenix's "Tabulations, Awards, and Recommendations" website:

<http://solicitations.phoenix.gov/awards>

All submitting firms will be notified of selection outcome for this project. The status of a selection on this project will be posted on the City of Phoenix's "Tabulations, Awards, and Recommendations" website:

<http://solicitations.phoenix.gov/awards>

The selected Consultant should expect to comply with the Arizona State Statutes Title 34 and City of Phoenix Design and Construction Procurement's contract provisions.

## **SECTION IX – GENERAL INFORMATION**

**Citywide Capital Improvement Projects.** Consulting and contractor services supporting the City's Capital Improvement Projects are procured under the authority of the City Engineer, currently located within the Street Transportation Department. Design and Construction Procurement coordinates the citywide consulting and construction contracting procurement processes.

**Changes to Request for Qualifications.** *Any changes to this Request for Qualifications (RFQ) will be in the form of a Notification.* The City of Phoenix shall not be held responsible for any oral instructions. Notifications are available on both the Current Opportunities and ProcurePHX webpage.

***It shall be the responsibility of the registered RFQ holder to determine, prior to the submittal of the Statement of Qualifications, if a Notification has been issued.*** Registered RFQ holders may refer to the web page or call the Contracts Specialist (listed below) to ascertain if a Notification has been issued for this project.

**Alternate Format.** For more information or a copy of this publication in an alternate format, contact the Contracts Specialist (listed below) - Voice or TTY 711. Requests will only be honored if made within the first week of the advertising period.

**Release of Project Information/Public Records Request.** The City shall provide the release of all public information concerning the project, including selection announcements and contract awards. Those desiring to release information to the public must receive prior written approval from the City. To submit a Public Records Request, visit [phoenix.gov/prr](http://phoenix.gov/prr).

**City Rights.** The City of Phoenix reserves the right to reject any or all Statements of Qualifications, to waive any informality or irregularity in any Statement of Qualifications received, and to be the sole judge of the merits of the respective Statements of Qualifications received.

**Contact with City Employees.** This policy is intended to create a level playing field for all Proposers, assure that contracts are awarded in public, and protect the integrity of the selection process. **OFFERORS THAT VIOLATE THIS POLICY WILL BE DISQUALIFIED.**

Beginning on the date the RFQ is issued and until the date the contract is awarded or the RFQ withdrawn, all persons or entities that respond to the RFQ, including their authorized employees, agents, representatives, proposed partner(s), subcontractor(s), joint venture(s), member(s), or any of their lobbyists or attorneys (collectively the Proposer), will refrain from any direct or indirect contact with any person (other than the designated Contract Specialist) who may play a part in the selection process, including members of the evaluation panel, the City Manager, Assistant City Manager, Deputy City Managers, Department heads, the Mayor and other members of the Phoenix City Council. As long as the RFQ solicitation is not discussed, Proposers may continue to conduct business with the City and discuss business that is unrelated to this RFQ solicitation with City staff.

Commencing on the date and time a solicitation is published, potential or actual proposers (including their representatives) will only discuss matters associated with the solicitation with the Mayor, any members of City Council, the City Manager, any Deputy City Manager, or any department director directly associated with the solicitation (including in each case their assigned staff, except for the designated procurement officer) at a public meeting, posted under the Arizona Revised Statutes, until the resulting contract(s) are awarded or all offers or responses are rejected and the solicitation is cancelled without any announcement by the procurement officer of the City's intent to reissue the same or a similar solicitation.

Proposers may discuss their proposal or the RFQ solicitation with the Mayor or one or more members of the Phoenix City Council, provided such meetings are scheduled through the Contract Specialist (listed below), conducted in person at 200 W. Washington, Phoenix, Arizona 85003, and are posted as open meetings with the City Clerk at least twenty-four (24) hours prior to the scheduled meetings. The City Clerk will be responsible for posting the meetings. The posted notice shall identify the participants and the subject matter, as well as invite the public to participate.

**Conflict of Interest.** The City reserves the right to disqualify any Proposer on the basis of any real or apparent conflict of interest that is disclosed by the proposal submitted or any other data available to the City. This disqualification is at the sole discretion of the City. Any Proposer submitting a proposal herein waves any right to object now or at any future time, before any body or agency, including but not limited to, the City Council of the City of Phoenix or any court.

**Protest Procedures.** Firms responding to disqualification or a procurement outcome are referred to the Code of the City of Phoenix Chapter 2, Article XII, Section 2-187 to 2-190.4, which governs protest procedures utilized throughout the selection process. The procedures may be reviewed through the City of Phoenix website at:

<http://www.codepublishing.com/az/phoenix/>

A copy of the Protest Kathleen Kennedy at (602) 534-5789 or email [kathleen.kennedy@phoenix.gov](mailto:kathleen.kennedy@phoenix.gov).

**EXHIBIT A**  
**CONSULTANT REFERENCE CHECK INSTRUCTIONS, FORM, AND SAMPLE LETTER**

The attached Consultant Performance Evaluation Form is to be provided to the agencies or entities for which your firm has recently provided services relevant to those requested for this project. Provide the evaluation form to the Owner, or the Owner's representative directly responsible for oversight of the project to complete and submit to the email box listed below.

The first three references submitted will be accepted and the scores utilized as part of the evaluation process. Each reference check is worth up to 7 points for a total of up to 21 points available.

The form is to be completed by the agency or entity and uploaded to the (email box) at:

[sog.referencechecks@phoenix.gov](mailto:sog.referencechecks@phoenix.gov)

The procurement identifier is:

6000001645

Attention: Kathleen Kennedy

Also attached is a sample performance evaluation cover letter that may be used when sending the reference check request.

For questions, contact Kathleen Kennedy, Contracts Specialist at 602-534-5789.

Failure to submit the Consultant Performance Evaluation form by the above date will have a negative impact on the proposal we submit for this service. Your cooperation in submitting this form by this date is appreciated.

If you have any questions regarding this request, please contact (your name) at (your telephone number).

Sincerely,

## INSTRUCTIONS FOR COMPLETING CONSULTANT PERFORMANCE EVALUATION

Evaluate the consultant's contract performance in each of the rating areas listed below. On the Consultant Performance Evaluation form, circle the rating from 1 to 4 that most closely matches your evaluation of the consultant's performance. Comments are not required but appreciated. **Every rating area must be scored.**

The Design and Construction Procurement section will use the information from this form to evaluate firms competing for contract award. **This completed form will become public record and upon request, will be released to the consultant or any other entity.**

Please submit the completed form to the address indicated on the bottom of the Consultant Performance Evaluation form. Thank you for your time and your cooperation.
