**QUESTIONS AND ANSWERS:**

Q1.	Do you have an idea of what the future looks like at the end of this project?
A1.	<b>We have an idea, and the selected firm will have access to forward facing documents needed to complete this project, after selection.</b>
Q2.	Is this project federally funded?
A2.	<b>Yes, we are pursuing grants for this project.</b>
Q3.	For the facility assessments, is this a case of just spot checking to make sure things align with City documents?
A3.	<b>It depends on the building; that may be the case with newer building that have reliable as-builts. But there will be other buildings that may need a deeper dive.</b>
Q4.	Will Phase 1 of this project be addressed later on, if issues are discovered?
A4.	<b>We anticipate this project will generate multiple projects as it unfolds, with varying degrees of priority. We will prioritize a list, and handle those separately.</b>

All other terms and conditions remain unchanged.
