

### ADDENDUM 1

(please sign and return with the submittal)

#### VENDOR'S INQUIRIES AND CITY'S RESPONSES

Note: Spelling, grammar, and punctuation of the questions are shown exactly as submitted by the potential respondents.

No.	Question	Answer
1.	I believe I recall a statement during the meeting stating these concrete pads are specifically being used for the City Of Phoenix Fire Department as a training tool to demolish with saws, sledge hammers and such is that correct?	Yes, that is correct.
2.	1- It was discussed that there would be a design coming out that shows the reinforcement and insert placement. Is this available?	No, it is not currently available.
3.	2- In the scope of work under 3.3 C-1, it is specified that we must use steam curing. Will this be required if all ASTM standards for strength and placement are adhered to?	No, the intention was to describe a process that meets the ASTM standards for strength and placement, however other processes that meet this standard are acceptable.

The balance of the specifications and instructions remain the same. Bidder must acknowledge receipt and acceptance of this addendum by signing below and returning the entire addendum with the bid or proposal submittal.
