

ADDENDUM FIVE

(please sign and return with the submittal)

QUESTIONS AND ANSWERS:

Note: Spelling, grammar, and punctuation of the questions are shown exactly as submitted by the potential respondents

1.	Section 3.1 says: “The Contractor is solely responsible for ensuring any chemicals or cleaning products used in the power washing of streets is approved by the City of Phoenix Streets Department. For example, Simple Green is not an approved cleaning agent and cannot be used on City streets.” Is an approved list of cleaners available?	The City is still working on securing this list and it should be available before the Award of the Contract. If it is not, we will remove that section from the contract language.
2.	Is the equipment cost for the power washer and sweeper supposed to be included in the hourly labor cost or should these two pieces of equipment be separated in different line items under equipment?	Labor Charges
3.	There are 7 line items for haz and non haz disposal, can you clarify the waste streams for each line items?	These can be anything you want in the contract, but they will not be considered in the scoring of the IFB to determine award.
4.	Is there a list of approved disposal facilities?	See question 1. Above
5.	Can you clarify approved cleaning agents to be used?	See question 1. Above
6.	Can you clarify Specialty Equipment?	Please us the REVISED BID PRICE SCHEDULE. That doc has been updated according to the bidders requests and the Specialty Equipment has been removed among other changes.

The balance of the specifications and instructions remain the same. Bidder must acknowledge receipt and acceptance of this addendum by signing below and returning the entire addendum with the bid or proposal submittal.
