PROJECT DESCRIPTION AND SCOPE OF WORK

PROJECT NO. LS71200110 ARPA OUTDOOR DIGITAL LED SIGNAGE

Fabrication and installation of monuments signs with LED displays at 17 library sites per the design drawings. Work includes all infrastructure (electrical and ITS) to support the sign functions as designed and intended for the Library's display and digital messaging.

The five prototype digital signs can be configured to incorporate materials and colors that compliment the existing branch libraries architecture and surrounding community environments.

PROJECT DESCRIPTION AND SCOPE OF WORK

PROJECT NO. LS71200110 ARPA OUTDOOR DIGITAL LED SIGNAGE

With the 17 signs being ground mounted, the City will coordinate reviewing all the sites for conflicts created from soil disturbance that impacts sensitive species as well as archeological materials.

It has been determined that Cesar Chavez, Desert Broom, and Ocotillo Library require an INCRA form to be submitted to further review for conflicts. All work associated with this review and the subsequent findings will be coordinated by the City of Phoenix prior to on site work commencing. The sign contractor will not be responsible for any work associated with this phase of work.

PROJECT DESCRIPTION AND SCOPE OF WORK

PROJECT NO. LS71200110 ARPA OUTDOOR DIGITAL LED SIGNAGE

All signs shall have the required infrastructure installed and terminated from the sign to the locations identified on the construction drawings in a manner that complies with the required building codes, as well as is aesthetically acceptable to the City of Phoenix.

The pathways shall be mutually agreed upon by the contractor and the City of Phoenix. All areas of potential conflict with other Public and Private utilities shall be identified by the contractor and reviewed with the City of Phoenix prior to installation.

Any Questions?

A hand holding a red marker is shown in the process of circling the text 'Any Questions?'. The text is written in a black, cursive font. The hand is positioned at the bottom right of the circle, with the marker tip touching the red line. The background is white with a faint, repeating watermark of a grid pattern and the word 'depositphotos'.

Current Opportunities – Request for Qualifications, project plans, and specifications for projects that are currently available, as well as project amendments, notifications, plan holders list, pre-bid or pre-submittal sign-in sheets and PowerPoint presentations.

Project Interviews – Firms recently short-listed to participate in interviews for professional services and construction opportunities, as well as firms short-listed for 2-Step procurement processes.

Bid Results and Project Selections – Preliminary and final bid results are for Design-Bid-Build procurement opportunities. Preliminary bid results do not reflect the responsiveness or responsibility of any received bids. Project Selections identify firms to be awarded professional services and construction opportunities with the City.

Subscribe to Procurement Newsletter – Register to be on the distribution list for the free weekly newsletter that advertises design and construction opportunities.

In an effort to decrease paper costs, Design and Construction Procurement will place all construction plans, specifications, and addendum/notification on the City of Phoenix website for downloading. Interested parties can download the information and print at their own offices or copy the information to a disk and take to any reprographics company of their choice.
