Q1. We have a question regarding PCC 24-0410, prompted by 5.4 on page 26.

The City of Phoenix has requested Manufacture Price Lists or catalogs, if reasonable. Many of the manufactures on the City-provided Pricing Proposal spreadsheet have price sheets, while others do not. Capturing this detail and providing it to the City (and its representatives) will result a document with greater than 500,000 items. Will the City please elaborate on what it's seeking in this document? What is hoping to be achieved with this price list? May we provide something more consolidated with our submittal?

A1. Refer to Section 3 Scope of Work, paragraph 3.2 Vendor Requirements.

If a vendor is able to supply a listed brand but no discount is available, we ask that they indicate this by entering "0%" in the discount line. If you are not able to provide the brand please leave the line blank.
