After evaluating all submissions, the City may ask some or all the firms that submitted a response to participate in interviews. Upon completion of the evaluation process, the City may assign a detailed scope of work to the selected candidate and negotiate fees for services.

RFQu responses should be concise, well-organized per the requested information, clearly written and limited to no more than 25 pages including resumes. The review process places considerable emphasis on the responsiveness of the RFQu response to the requirements outlined above. RFQu responses that are not written specifically in response to this request cannot receive serious consideration.

All RFQu responses will be evaluated based on the criteria listed above in the Qualifications Section of this RFQu.

The firms under consideration for this RFQu, will be evaluated in accordance with the solicitation by an Evaluation Committee and/or the Procurement Officer. The City reserves the right to request supplemental information that the Evaluation Committee deems necessary to make a selection. The Committee may be supplemented by outside professionals or professionals from other City departments who can provide additional expertise.

2.19. Agreement

The City will require the selected Offeror to participate in negotiations and to submit such cost, technical or other revisions of the submittals as may result from negotiations. The City shall draft all final contracts and documents that result from this RFQu.

The language contained in this RFQu and the Offeror's statement of qualifications will form the basis of any resulting Contract. However, this RFQu does not commit the City to enter a Contract, to pay any costs incurred in the preparation of a submittal to this request or in subsequent negotiations, or to procure a contract for the project(s).

2.20. Solicitation Transparency Policy

Commencing on the date and time a solicitation is published, potential or actual Offerors or respondents (including their representatives) shall only discuss matters associated with the solicitation with the Mayor, any members of City Council, the City Manager, any Deputy City Manager, or any department director directly associated with the solicitation (including in each case their assigned staff, except for the designated Procurement Officer) at a public meeting, posted under Arizona Statutes, until the resulting contract(s) are awarded to all offers or responses are rejected and the solicitation is cancelled without any announcement by the Procurement Officer of the City's intent to reissue the same or similar solicitation.

As long as the solicitation is not discussed, Offerors may continue to conduct business with the City and discuss business that is unrelated to the solicitation with the City staff. Offerors may not discuss the solicitation with any City employees or evaluation panel members.

Offerors may discuss their proposal or the solicitation with the Mayor or one or more members of the Phoenix City Council, provided such meetings are scheduled through the Procurement Officer, and are posted as open meetings with the City Clerk at least 24 hours prior to the scheduled meetings. The City Clerk will be responsible for posting the meetings. The posted notice shall identify the participants and the subject matter, as well as invite the public to participate.

With respect to the selection of the successful Offerors, the City Manager and/or City Manager's Office will continue the past practice of exerting no undue influence on the process. In all solicitations of bids and proposals, any direction on the selection from the City Manager and/or City Manager's Office and Department Head (or representative) to the proposal review panel or selecting authority must be provided in writing to all prospective Offerors.

This policy is intended to create a level playing field for all Offerors, assure that contracts are awarded in public, and protect the integrity of the selection process. OFFERORS THAT VIOLATE THIS POLICY SHALL BE DISQUALIFIED. After official Notice is received by the City for disqualification, the Offeror may follow the Protest process, unless the Solicitation is cancelled without notice of intent to re-issue.

“To discuss” means any contact by the Offeror, regardless of whether the City responds to the contact. Offerors that violate this policy will be disqualified until the resulting contract(s) are awarded, or all offers or responses are rejected and the solicitation is cancelled without any announcement by the Procurement Officer of the City's intent to reissue the same or a similar solicitation. The City interprets the policy as continuing through a cancellation of a solicitation until Council award of the contract, as long as the City cancels with a statement that the City will rebid the solicitation.

2.21. Protest Process

Offeror may protest the contents of a solicitation no later than seven days before the solicitation deadline when the protest is based on an apparent alleged mistake, impropriety or defect in the solicitation. Protests filed regarding the solicitation may be addressed by an amendment to the solicitation or denied by the City. If denied, the opening and award will proceed unless the City determines that it is in the City's best interests to set new deadlines, amend the solicitation, cancel or re-bid.

Therefore, unless otherwise notified by a formal amendment, the Protester must adhere to all solicitation dates and deadlines, including timely filing of an offer, regardless of filing a protest.

Offeror may protest an adverse determination issued by the City regarding responsibility and responsiveness, within seven days of the date the Offeror was notified of the adverse determination.

Offeror may protest an award recommendation if the Offeror can establish that it had a substantial chance of being awarded the contract and will be harmed by the recommended award. The City will post recommendations on the City's website to award the contract(s) to an Offeror(s). Offeror must submit award protests within seven days after the posting of the award recommendation, with exceptions only for good cause shown, within the City's full and final discretion.

All protests will be in writing, filed with the Procurement Officer identified in the solicitation and include the following:

- Identification of the solicitation number;
- The name, address and telephone number of the protester;
- A detailed statement describing the legal and factual grounds for the protest, including copies of relevant documents;
- The form of relief requested; and
- The signature of the protester or its authorized representative.

The Procurement Officer will render a written decision within a reasonable period after the protest is filed. The City will not request City Council authorization to award the contract until the protest process is complete. All protests and appeals must be submitted in accordance with the City's Procurement Code, (Phoenix City Code, Ch. 43) and any protests or appeals not submitted within the time requirements will not be considered. Protests must be filed with the Procurement Officer.

2.22. Public Record

All Offers submitted in response to this solicitation will become the property of the City and become a matter of public record available for review pursuant to Arizona State law. If an Offeror believes that a specific section of its Offer response is confidential, the Offeror will isolate the pages marked confidential in a specific and clearly labeled section of its Offer response. An Offeror may request specific information contained within its Offer is treated by the Procurement Officer as confidential provided the Offeror clearly labels the information "confidential." To the extent necessary for the evaluation process, information marked as "confidential" will not be treated as confidential. Once the procurement file becomes available for public inspection, the Procurement Officer will not make any information identified by the Offerors as "confidential" available to the public unless necessary to support the evaluation process or if specifically requested in accordance with applicable public records law. When a public records request for such information is received, the Procurement Officer will notify the Offeror in writing of any request to view any portion of its Offer marked "confidential." The Offeror will have the time set forth in the notice to obtain a court order enjoining such disclosure. If the Offeror does not provide the Procurement Officer with a court order enjoining release of the information during the designated time, the Procurement Officer will make the information requested available for inspection.

2.23. Late Offers

Late Offers must be rejected, except for good cause. If a late Offer is submitted, the Department will document the date and time of the submittal of the late Offer, keep the Offer and notify the Offeror that its Offer was disqualified for being a late Offer.

2.24. Right to Disqualify

The City reserves the right to disqualify any Offeror who fails to provide information or data requested or who provides materially inaccurate or misleading information or data. The City

further reserves the right to disqualify any Offeror on the basis of any real or apparent conflict of interest that is disclosed by the Offer submitted or any other data or information available to the City. This disqualification is at the sole discretion of the City. By submission of a solicitation response, the Offeror waives any right to object now or at any future time, before any agency or body including, but not limited to, the City Council of the City or any court as to the exercise by the City of such right to disqualify or as to any disqualification by reason of real or apparent conflict of interest determined by the City. The City reserves the right to replace the disqualified Offeror.

2.25. Contract Award

The City reserves the right to award a contract by individual line items, by group, all or none, or any other combination most advantageous to the City. The City reserves the right to multiple award.

2.26. Determining Responsiveness and Responsibility

Offers will be reviewed for documentation of minimum qualifications, completeness, and compliance with the Solicitation requirements. The City reserves sole discretion to determine responsiveness and responsibility.

Responsiveness: Nonresponsive Offers will not be considered in the evaluation process. The solicitation states criteria that determine responsiveness, and the solicitation includes terms and conditions that if included or excluded from Offers (as the case may be) will render an Offer nonresponsive.

Exceptions, conditions, reservations, or understandings are presumed to be unacceptable, and an Offer that includes unacceptable exceptions, conditions, reservations, or understandings may be rejected as nonresponsive. Alternatively, the City in its sole discretion may instruct in writing that any Offeror remove the conditions, exceptions, reservations or understandings. If the Offeror fails to do so in writing, the City may determine the Offer to be nonresponsive.

Responsibility: To obtain true economy, the City must conduct solicitations to minimize the possibility of a subsequent default by the Contractor, late deliveries, or other unsatisfactory performance that may result in additional administrative costs. It is important that the Offeror be a responsible Contractor. Responsibility includes the Offeror's integrity, skill, capacity, experience, and facilities for conducting the work to be performed.

The Procurement Officer will review each Offer to determine if the Offeror is responsible. The City's determination as to whether an Offeror is responsible will be based on all information furnished by the Offeror, interviews (if any), and information received from Offeror's references, including information about Offeror's history, terminations for convenience or cause, contract breach lawsuits or notices of claim and any other sources the City deems appropriate. Award of the Contract resulting from the solicitation will not be made until any necessary investigation, which each Offeror agrees to permit by submitting its Offer, is made by the City as it deems necessary. A review of responsibility may occur up to contract award.

The Offeror's unreasonable failure to promptly supply information about an inquiry with respect to responsibility may be grounds for a determination of non-responsibility with respect to such Offeror.

2.27. Evaluation of Competitive Sealed Offers

The City will use its discretion in applying the following processes to this solicitation. Any ties in scoring will be resolved with a best and final price request and the lowest price will prevail.

2.28. Detailed Evaluation of Offers and Determination of Competitive Range

During deliberations, the Evaluation Panel will reach a consensus score for each evaluation criterion except price. The Procurement Officer will score the price, which will be added to the overall consensus score. The overall consensus scores will determine the Offerors' rankings and which Offers are within the Competitive Range, when appropriate.

2.29. Offers Not Within the Competitive Range

The City may notify Offerors of Offers that the City determined are not in the Competitive Range.

2.30. Discussions with Offerors in the Competitive Range

The City will notify each Offeror whose Offer is in the Competitive Range or made the 'short list' and provide in writing any questions or requests for clarification to the Offeror. Each Offeror so notified may be interviewed by the City and asked to discuss answers to written or oral questions or provide clarifications to any facet of its Offer. The Offerors in the competitive range may be required to provide a demonstration of their product.

Demonstrations - Offerors in the competitive range may be invited to construct a hands-on sample or presentation of their solution at the City of Phoenix. In addition, each finalist may prepare and deliver a presentation of their proposed solution based on the script developed by the evaluation panel. The City may also require a hands-on lab demonstration designed specifically for the evaluation panel. The results of the surveys will be tabulated and delivered to the evaluation team for the final review and solution selection session(s).

If an Offer in the Competitive Range contains conditions, exceptions, reservations or understandings to or about any Contract or Solicitation Scope requirement, the City may discuss or negotiate the conditions, exceptions, reservations or understandings during these meetings. But the City in its sole discretion may reject any and all conditions, exceptions, reservations and understandings, and the City may instruct any Offeror to remove the conditions, exceptions, reservations or understandings. If the Offeror fails to do so, the City may determine the Offer is nonresponsive, and the City may revoke its determination that the Offer is in the Competitive Range.

To the fullest extent permitted by law, the City will not provide any information, financial or otherwise, to any Offeror about other Offers received in response to this solicitation. During discussions with Offerors in the Competitive Range, the City will not give Offerors specific prices or specific financial requirements that Offerors must meet to qualify for further consideration. The City may state that proposed prices are too high with respect to the marketplace or otherwise unacceptable. Offerors will not be told of their relative rankings before Contract award.

2.31. Best and Final Offers (BAFO)

A BAFO is an option available for negotiations. Each Offeror in the Competitive Range, which is determined in the City's sole discretion, may be afforded the opportunity to amend its Offer and make one BAFO.

If an Offeror's BAFO modifies its initial Offer, the modifications must be identified in the BAFO. The City will evaluate BAFOs based on the same requirements and criteria applicable to initial Offers. The City will adjust appropriately the initial scores for criteria that have been affected by offer modifications made by a BAFO. Based on the criteria defined in the solicitation as weighted, the City will then perform final scoring and prepare final rankings.

The Evaluation Panel will recommend the Offer that is the best value and most advantageous to the City based on the evaluation criteria.

The City reserves the right to make an award to an Offeror whose Offer is the highest rated, best value, and most advantageous to the City based on the evaluation criteria, without conducting written or oral discussions with any Offeror, without negotiations, and without soliciting BAFOs.

- A. **Non-Exclusive Remedies:** The rights and remedies of the City under this Contract are non-exclusive.
- B. **Default in One Installment to Constitute Breach:** Each installment or lot of the agreement is dependent on every other installment or lot and a delivery of non-conforming goods or a default of any nature under one installment or lot will impair the value of the whole agreement and constitutes a total breach of the agreement as a whole.

Contractor acknowledges that, to the best of its knowledge, information and belief, no person has been employed or retained to solicit or secure this Agreement upon a promise of a commission, percentage, brokerage, or contingent fee, and that no member of the Phoenix City Council or any employee of the City has any financial interest in the consulting firm. For breach of violation of this warranty, the City will have the right to annul this Agreement without liability, including any such commission, percentage, brokerage or contingent fee.
- B. The City reserves the right to immediately terminate the contract in the event that the City determines that Contractor has an actual or apparent conflict of interest.
- C. Upon a finding by the City that gratuities in the form of entertainment, gifts or inducements were offered or given by Contractor, or any agent or representative of Contractor, to any officer or employee of the City for the purpose of securing this Agreement, or securing favorable treatment with respect to the awarding, amending, or making of any determination with respect to the performance of this Agreement, the City may, by one calendar day written notice to Contractor, terminate the right of Contractor to proceed under this Agreement, provided that the existence of the facts upon which the City made such finding will be an issue and may be litigated in an Arizona court of competent jurisdiction. In the event of such termination, the City will be entitled to the same remedies against Contractor as could be pursued in the event of default by Contractor.
- D. This Agreement is subject to the requirements of Arizona Revised Statutes §38-511.

5.15. Waiver of Claims for Anticipated Profits

Contractor waives any claims against the City and its officers, officials, agents and employees for loss of anticipated profits caused by any suit or proceeding, directly or indirectly, involving any part of this Agreement.

5.16. State and Local Transaction Privilege Taxes

In accordance with applicable state and local law, transaction privilege taxes may be applicable to this transaction. The state and local transaction privilege (sales) tax burden and legal liability to remit taxes are on the Contractor that is conducting business in Arizona and the City of Phoenix. Any failure by the Contractor to collect applicable taxes from the City will not relieve the Contractor from its obligation to remit taxes. It is the responsibility of the prospective bidder to determine any applicable taxes. The City will look at the price or offer submitted and will not deduct, add or alter pricing based on speculation or application of any taxes, nor will the City provide advice or guidance. If you have questions regarding your tax liability, please seek advice from a tax professional prior to submitting your Offer. You may also find information at <https://www.phoenix.gov/finance/plt> or <https://www.azdor.gov/Business>. Once your Offer is

submitted, the Offer is valid for the time specified in this Solicitation, regardless of mistake or omission of tax liability. If the City finds over payment of a project due to tax consideration that was not due, the Contractor will be liable to the City for that amount, and by contracting with the City, the Contractor agrees to remit any overpayments back to the City for miscalculations on taxes included in an offer price.

5.17. Tax Indemnification

Contractor will pay all federal, state and local taxes applicable to its operation and any persons employed by the Contractor, and require the same of all subcontractors. 5.18. Tax Responsibility Qualification

Contractor may be required to establish, to the satisfaction of City, that any and all fees and taxes due to the City or the State of Arizona for any License or Transaction Privilege taxes, Use Taxes or similar excise taxes, are currently paid (except for matters under legal protest). Contractor agrees to a waiver of the confidentiality provisions contained in the City Finance Code and any similar confidentiality provisions contained in Arizona statutes relative to State Transaction Privilege Taxes or Use Taxes. Contractor agrees to provide written authorization to the City Finance Department and to the Arizona State Department of Revenue to release tax information relative to Arizona Transaction Privilege Taxes or Arizona Use Taxes in order to assist the Department in evaluating Contractor's qualifications for and compliance with contract for duration of the term of contract.

5.19. No Israel Boycott

Provided these statutory requirements are applicable, Contractor, by entering this Contract, now certifies it is not currently engaged in, and agrees for the duration of the Contract to not engage in, (a) the use of forced labor of ethnic Uyghurs in the People's Republic of China; (b) the use of any

goods or services produced by the forced labor of ethnic Uyghurs in the People's Republic of China; or (c) the use of any contractors, subcontractors, or suppliers that use the forced labor or any goods or services produced by the forced labor of ethnic Uyghurs in the People's Republic of China.

5.21. Advertising

Except as required by law, Contractor shall not publish, release, disclose or announce to any member of the public, press, official body, or any other third party any information or documents concerning this Agreement or any part thereof without the prior written consent of the City. The name of any City site on which services are performed by the Contractor pursuant to this Agreement shall not be used in any advertising or other promotional context by Contractor without the prior written consent of the City.

5.22. Release of Information - Advertising and Promotion

Contractor will not publish, release, disclose or announce to any member of the public, press, official body, or any other third party: (1) any information concerning this Agreement, the Services, or any part thereof; or (2) any documentation or the contents thereof, without the prior written consent of the City, except as required by law. The name of any site on which Services are performed will not be used in any advertising or other promotional context by Contractor without the prior written consent of the City.

5.23. Strict Performance

Failure of either party to insist upon the strict performance of any item or condition of the contract or to exercise or delay the exercise of any right or remedy provided in the contract, or by law, or the acceptance of materials or services, obligations imposed by this contract, or by law, will not be deemed a waiver of any right of either party to insist upon the strict performance of the contract.

5.24. Authorized Changes

The City reserves the right at any time to make changes in any one or more of the following: (a) specifications; (b) methods of shipment or packing; (c) place of delivery; (d) time of delivery; and/or (e) quantities. If the change causes an increase or decrease in the cost of or the time required for performance, an equitable adjustment may be made in the price or delivery schedule, or both. Any claim for adjustment will be deemed waived unless asserted in writing within sixty days from the receipt of the change. Price increases or extensions of delivery time will not be binding on the City unless evidenced in writing and approved by the Chief Procurement Officer prior to the institution of the change.

5.25. Claims or Demands Against the City

- A. Contractor acknowledges and accepts the provisions of Chapter 18, Section 14 of the Charter of the City of Phoenix, pertaining to claims or demands against the City, including provisions therein for set-off of indebtedness to the City against demands on the City, and Contractor agrees to adhere to the prescribed procedure for presentation of claims and demands. Nothing in Chapter 18, Section 14 of the Charter of the City of Phoenix alters, amends or modifies the supplemental and complementary requirements

of the State of Arizona Notice of Claim statutes, Arizona Revised Statutes §§ 12-821 and 12-821.01, pertaining to claims or demands against the City. If for any reason it is determined that the City Charter and state law conflict, then state law will control.

- B. Moreover, nothing in this Agreement will constitute a dispute resolution process, an administrative claims process, or contractual term as used in Arizona Revised Statutes § 12-821.01(C), sufficient to affect the date on which the cause of action accrues within Arizona Revised Statutes § 12-821.01(A) and (B).

5.26. No Third-Party Beneficiaries

The parties expressly agree that this Agreement is not intended by any of its provisions to create any right of the public or any member thereof as a third-party beneficiary nor to authorize anyone not a party to this Agreement to maintain a suit for personal injuries or property damage pursuant to the terms or provisions of this Agreement.

6.7. Supplier Profile Changes

It is the responsibility of the Contractor to promptly update their profile in procurePHX at <https://www.phoenix.gov/procure>. If Contractor's legal identify has changed, the Procurement Officer must be notified immediately. Failure to do so may result in non-payment of invoices and contract termination.

6.8. Estimated Quantities or Dollar Amounts (Requirements Contracts Only)

Quantities and dollar amounts listed are the City's best estimate and do not obligate the City to order or accept more than City's actual requirements during the period of this agreement, as determined by actual needs and availability or appropriated funds. It is expressly understood and agreed that the resulting contract is to supply the City with its complete actual requirement for the contract period.

6.9. Suspensions of Work

The City reserves the right to suspend work wholly or in part if deemed necessary for the best interest of the City. This suspension will be without compensation to the Contractor, other than to adjust the contract completion/delivery requirements.

6.10. Hours of Work

All work under this contract shall be coordinated with the City's authorized Department representative. Any changes to the established schedule must have prior written approval by the City's authorized Department representative.

6.11. Post Award Conference

6.13. Contacts with Third Parties

- A. Contractor or its subcontractors will not contact third parties to provide any information in connection to the Services provided under this Agreement without the prior written consent of the City. Should Contractor or its subcontractors be contacted by any person requesting information or requiring testimony relative to the Services provided under this Agreement or any other prior or existing Agreement with the City, Contractor or its subcontractors will promptly inform the City giving the particulars of the information sought and will not disclose such information or give such testimony without the written consent of the City or court order. The obligations of Contractor and its subcontractors under this Section will survive the termination of this Agreement.

- B. Contractor agrees that the requirements of this Section will be incorporated into all subcontractor agreements entered into by the Contractor. It is further agreed that a violation of this Section will be deemed to cause irreparable harm that justifies injunctive relief in court. A violation of this Section may result in immediate termination of this Agreement without notice.

6.14. SBE / DBE Utilization

The City extends to each individual, firm, vendor, supplier, contractor and subcontractor an equal economic opportunity to compete for City business and strongly encourages voluntary utilization of small and/or disadvantaged businesses to reflect both the industry and community ethnic composition. The use of such businesses is encouraged whenever practical.

6.15. Fiscal Year Clause

The City's fiscal year begins July 1st and ends June 30th each calendar year. The City may make payment for services rendered or costs encumbered only during a fiscal year and for a period of 60 days immediately following the close of the fiscal year, under the provisions of Arizona Revised Statutes §42-17108. Therefore, Contractor must submit billings for services performed or costs incurred prior to the close of a fiscal year within ample time to allow payment within this 60-day period.

6.16. Final Payment

- A. **PAYMENT:** The City will make final payment for all Services performed and accepted within 60 days after Contractor has delivered to the City any final progress reports, documentation, materials and evidence of costs and disbursement as required under this Agreement. Any use by the City of preliminary reports, raw data or other incomplete material returned by Contractor will be at the City's sole risk for such use.
- B. **TEMPORARY SUSPENSION:** The City may, by written notice, direct Contractor to suspend performance on all or any part of the Services for such period of time as may be determined by the City to be necessary or desirable for its convenience. If such suspension causes additional expense to Contractor in performance, and not due to fault or negligence of Contractor, the payment will be adjusted on the basis of actual costs resulting directly from the suspension, and the period for performance of the Services will be extended by mutual agreement. Any claim by Contractor for a price adjustment must be supported by appropriate documentation asserted promptly after Contractor has been notified to suspend performance.

6.17. Professional Competency

- A. **QUALIFICATIONS:** Contractor represents that it is familiar with the nature and extent of this Agreement, the Services, and any conditions that may affect its performance under this Agreement. Contractor further represents that it is fully experienced and properly qualified, is in compliance with all applicable license requirements, and is equipped, organized, and financed to perform such Services.

- B. **LEVEL OF CARE AND SKILL:** Services provided by Contractor will be performed in a manner consistent with that level of care and skill ordinarily exercised by members of Contractor's profession currently practicing in the same industry under similar conditions. Acceptance or approval by the City of Contractor's work will in no way relieve Contractor of liability to the City for damages suffered or incurred arising from the failure of Contractor to adhere to the aforesaid standard of professional competence.

6.18. Specific Performance

Contractor agrees that in the event of a breach by Contractor of any material provision of this Agreement, the City will, upon proper action instituted by it, be entitled to a decree of specific performance thereof according to the terms of this Agreement. In the event the City will elect to treat any such breach on the part of Contractor as a discharge of the Agreement, the City may nevertheless maintain an action to recover damages arising out of such breach. This paragraph is not intended as a limitation of such other remedies as may be available to the City under law or equity.

6.19. Documentation

- A. **DISSEMINATION AND RETENTION:** There will be no dissemination or publication of any information gathered, or documents prepared in the course of the performance of the Services without the prior written consent of the City. Should the City, upon advice of counsel, deem it necessary, due to existing or anticipated litigation, to assert a legal privilege of protection and non-disclosure with regard to the subject matter of this Agreement, then, and in that event, upon written demand, Contractor will relinquish to the possession and control of the City its entire file related to this Agreement and only those portions of said file deemed by the City to be not privileged will be returned to Contractor pending the resolution of the existing or anticipated litigation.
- B. **FORMAT AND QUALITY:** All documents prepared by Contractor will be prepared in a format and at a quality approved by the City.
- C. **DOCUMENT REVIEW:** Contractor will review all documents provided by the City related to the performance of the Services and will promptly notify the City of any defects or deficiencies discovered in such review.
- D. **SUBMITTALS:** Contractor will provide timely and periodic submittals of all documents required of Contractor, including subcontracts, if any, as such become available to the City for review.

6.20. Public Records

- A. Notwithstanding any provisions of this Agreement regarding confidentiality, secrets, or protected rights, the Contractor acknowledges that all documents provided to the City may be subject to disclosure by laws related to open public records. Consequently, the Contractor understands that disclosure of some or all of the items subject to this Agreement may be required by law.

- B. In the event City receives a request for disclosure that is reasonably calculated to incorporate information that might be considered confidential by Contractor, the City agrees to provide the Contractor with notice of that request, which shall be deemed given when deposited by the City with the USPS for regular delivery to the address of the Contractor specified in their proposal. Within ten days of City notice by the City, the Contractor will inform the City in writing of any objection by the Contractor to the disclosure of the requested information. Failure by the Contractor to object timely shall be deemed to waive any objection and any remedy against the City for disclosure.
- C. In the event the Contractor objects to disclosure within the time specified, the Contractor agrees to handle all aspects related to request, including properly communicating with the requestor and timely responding with information the disclosure of which the Contractor does not object thereto. Furthermore, the Contractor agrees to indemnify and hold harmless the City from any claims, actions, lawsuits, or any other controversy or remedy, in whatever form, that arises from the failure to comply with the request for information and the laws pertaining to public records, including defending the City in any legal action and payment of any penalties or judgments. This provision shall survive the termination of this Agreement.

6.21. Background Screening

Contractor agrees that all Contractor and subcontractors' workers (collectively "Contract Worker(s)") pursuant to this Agreement will be subject to background and security checks and screening (collectively "Background Screening") at Contractor's sole cost and expense, unless otherwise provided for in the scope of work. Contractor's background screening will comply with all applicable laws, rules and regulations. Contractor further agrees that the background screening is necessary to preserve and protect the public health, safety and welfare. The City requires a completed Contract Worker Badge/Key/Intrusion Detection Responsibilities Agreement for each Contract Worker who requires a badge or key.

6.22. Background Screening Risk Level

The City has established two levels of risk: Standard and Maximum risk. If the scope of work changes, the City may amend the level of risk, which could require the Contractor to incur additional contract costs to obtain background screens or badges.

6.23. Terms of This Section Applicable to all Contractor's Contracts and Subcontracts

Contractor will include Contract Worker background screening in all contracts and subcontracts for services furnished under this agreement.

6.24. Materiality of Background Screening Requirements; Indemnity

The background screening requirements are material to City's entry into this agreement and any breach of these provisions will be deemed a material breach of this contract. In addition to the indemnity provisions set forth in this agreement, Contractor will defend, indemnify and hold harmless the City for all claims arising out of this background screening section including, but not limited to, the disqualifications of a Contract Worker by Contractor. The background

screening requirements are the minimum requirements for the Agreement. The City in no way warrants that these minimum requirements are sufficient to protect Contractor from any liabilities that may arise out of the Contractor's services under this Agreement or Contractor's failure to comply with this section. Therefore, Contractor and its Contract Workers will take any reasonable, prudent and necessary measures to preserve and protect public health, safety and welfare when providing services under this Agreement.

6.25. Continuing Duty; Audit

Contractor's obligations and requirements will continue throughout the entire term of this Agreement. Contractor will maintain all records and documents related to all background screenings and the City reserves the right to audit Contractor's records.

6.26. Variances and Exemptions

Contract Workers who fall under the following areas may be considered exempt from this policy:

- Federal Homeland Defense Bureau.
- Transportation Security Administration.
- Federal Aviation Administration.
- Department of Public Safety (DPS) Administration – presenting a current Level One Department of Public Safety fingerprint card.
- Arizona or other State Bars.
- Other background checks performed within the last three to five years may be approved if they fit all required criteria herein, at the City's discretion.

6.27. Contractor's Default; Liquidated Damages; Reservation of Remedies for Material Breach

If Contractor is required to access any City facilities without an escort, City badging is required. Contractor's default under this section will include, but is not limited to, the following:

- Contract Worker gains access to a City facility(s) without the proper badge or key;
- Contract Worker uses a badge or key of another to gain access to a City facility;
- Contract Worker commences services under this agreement without the proper badge, key or background screening;
- Contract Worker or Contractor submits false information or negligently submits wrong information to the City to obtain a badge, key or applicable background screening; or
- Contractor fails to collect and timely return Contract Worker's badge or key upon termination of Contract Worker's employment, reassignment of Contract Worker to another City facility or upon the expiration, cancellation or termination of this Agreement.

- Contractor acknowledges and agrees that the access control, badge and key requirements in this section are necessary to preserve and protect the public health, safety and welfare. Accordingly, Contractor agrees to properly cure any default under this section within three business days (excluding weekends and City holidays) from the date notice of default is sent by the City. The parties agree that Contractor's failure to properly cure any default under this section will constitute a breach of this section. In addition to any other remedy available to the City at law or in equity, the Contractor will be liable for and pay to the City the sum of \$1,000.00 for each breach by Contractor in this section. The parties further agree that the sum fixed above is reasonable and approximates the actual or anticipated loss to the City at the time and making of this agreement if Contractor breaches this section. Further, the parties expressly acknowledge and agree to the fixed sum set forth above because of the difficulty of proving the City's actual damages if Contractor breaches this section. The parties further agree that three breaches by Contractor in this section arising out of any default within a consecutive period of three months or three breaches by Contractor in this section arising out of the same default within a period of 12 consecutive months will constitute a material breach of this agreement by Contractor and the City expressly reserves all of its rights, remedies and interests under this agreement, at law and in equity including, but not limited to, termination of this agreement.

6.28. Employee Identification and Access

Contract Workers are forbidden access to designated restricted areas. Access to each building will be as directed by the authorized Phoenix authorized representative. Contract Workers are not authorized access other than during scheduled hours. Access to the building will be directed by the City's authorized representative.

Only authorized Contract Workers are allowed on the premises of the City facilities/buildings. Contract Workers are not to be accompanied in the work area by acquaintances, family members, assistants or any other person unless said person is an authorized Contract Worker.

Unless otherwise provided for in the scope of work:

- Contract Workers must always have city issued badges and some form of verifiable company identification (badge, uniform, employee id).
- Contractor will supply a list of the names and titles of all employees requiring access to the buildings. It is the Contractor's responsibility to provide updates and changes of personnel as necessary.

6.29. Key Access Procedures

If the Contractor Worker's services require keyed access to enter a City facility(ies), a separate key issue/return form must be completed and submitted by the Contractor for each key issued. Contractor must submit the completed key issue/return form to the appropriate badging office.

6.30. Stolen or Lost Badges or Keys

Contractor must immediately report lost or stolen badges or keys to the City's appropriate badging office. If the badge/key was stolen, Contract Worker's must report the theft to their local police department. Prior to issuance of a new badge or key, a new badge application or key issue form must be completed, submittal of a police department report for stolen badges, and applicable payment of the fee(s) listed herein.

6.31. Return of Badge or Key

All badges and keys are the property of the City and must be returned to the City at the badging office within one business day (excluding weekends and City holidays) of when the Contract Worker's access to a City facility is no longer required to furnish the services under this agreement. Contractor will collect a Contract Worker's badge and key(s) upon the termination of the Contract Worker's employment; when the Contractor Worker's services are no longer required at a City facility(s); or upon termination, cancellation or expiration of this agreement.

6.32. Badge and Key Fees

The following constitute the badge and key fees under this agreement, which shall be paid for at the Contractor's sole cost and expense, unless otherwise provided for in the scope of work. The City reserves the right to amend these fees upon a 30-day prior written notice to Contractor.

Initial Badge Fee: \$55.00 per application

Replacement Badge Fee: \$55.00 per badge

Lost/Stolen Badge Fee: \$55.00 per badge

Replacement Key Fee: \$55.00 per key

Replacement Locks: \$55.00 per lock

6.33. Background Screening – Standard Risk

- A. **Determined Risk Level:** The current risk level and background screening required is STANDARD RISK LEVEL
- B. **Standard Risk Level:** A standard risk background screening will be performed when the Contract Worker's work assignment will:
 - 1. require a badge or key for access to City facilities; or
 - 2. allow any access to sensitive, confidential records, personal identifying information or restricted City information; or
 - 3. allow unescorted access to City facilities during normal and non-business hours.
- C. **Requirements:** The background screening for this standard risk level will include a background check for real identity/legal name and will include felony and misdemeanor records from any county in the United States, the state of Arizona, plus any other jurisdiction where the Contractor worker has lived at any time in the preceding seven years from the Contract Worker's proposed date of hire.

D. Contractor Certification; City Approval of Background Screening: Unless otherwise provided for in the Scope, Contractor will be responsible for:

1. determining whether Contract Worker(s) are disqualified from performing work for the City for standard risk level background checks; and,
2. for reviewing the results of the background check every five years; and,
3. to engage in whatever due diligence is necessary to make the decision on whether to disqualify a Contract Worker; and,
4. Submitting the list of qualified Contract Workers to the contracting department.
5. For sole proprietors, the Contractor must comply with the background check for himself and any business partners, or members or employees who will assist on the contract and for whom the requirements of the Agreement apply.
6. By executing this agreement, Contractor certifies and warrants that Contractor has read the background screening requirements and criteria in this section, and that all background screening information furnished to the City is accurate and current. Also, by executing this agreement, Contractor further certifies and warrants that Contractor has satisfied all background screening requirements for the standard risk background screening, and verified legal worker status, as required.

6.34. Confidentiality

“Confidential Information” means all non-public, confidential, sensitive, or proprietary information disclosed or made available by City to Contractor or its affiliates, employees, contractors, partners, or agents (collectively “Recipient”), whether disclosed before or after the Effective Date, whether disclosed orally, in writing, or via permitted electronic access, and whether or not marked, designated, or otherwise identified as confidential. Confidential Information includes, but is not limited to: user contents, electronic data, meta data, employment data, network configurations, information security practices, business operations, strategic plans, financial accounts, personally identifiable information, protected health information, protected criminal justice information, and any other information that by the nature and circumstance of the disclosure should be deemed confidential. Confidential Information does not include this document or information that: (a) is now or subsequently becomes generally available to the public through no wrongful act or omission of Recipient; (b) Recipient can demonstrate by its written records to lawfully have had in its possession prior to receiving such information from the City; (c) Recipient can demonstrate by its written records to have been independently developed by Recipient without direct or indirect use of any Confidential Information; (d) Recipient lawfully obtains from a third party who has the right to transfer or disclose it; or (e) the City has approved in writing for disclosure.

Recipient shall: (a) protect and safeguard Confidential Information with at least the same degree of care as Recipient would protect its own Confidential Information, but in no event with less than a commercially reasonable degree of care, such as ensuring data is encrypted in transit and at rest and maintaining appropriate technical and organizational measures in performing the Services under the Agreement; (b) not use Confidential Information, or permit it to be accessed

or used, for any purpose other than in accordance with the Agreement; (c) not use Confidential Information, or permit it to be accessed or used, in any manner that would constitute a violation of law, including without limitation export control and data privacy laws; and (d) not disclose Confidential Information except to the minimum number of recipients who have a need to know and who have been informed of and agree to abide by confidentiality obligations that are no less restrictive than the terms of this Agreement. If Recipient is required by law or court order to disclose any Confidential Information, Recipient will first give written notice to the City and provide the City with a meaningful opportunity to seek a protective order or limit disclosure.

Upon the City's written request or expiration of this Agreement, whichever is earlier, Recipient shall, at no additional costs to the City, promptly return or destroy all Confidential Information belonging to the City that Recipient has in its possession or control. After return or destruction of the Confidential Information, Recipient shall certify in writing as to its compliance with this paragraph.

If applicable, Contractor agrees to comply with all City information technology policies and security standards, as may be updated from time to time, when accessing City networks and computerized systems whether onsite or remotely.

In addition to, and not in lieu of, all other rights and remedies available to the City, Contractor will defend, indemnify, and hold the City harmless against all losses, claims, costs, attorneys' fees, damages or proceedings arising out of Contractor's breach of this Section (Confidentiality). Contractor's obligations pursuant to this Section (Confidentiality) shall not be subject to any limits of liability or exclusions as may be stated elsewhere in the Agreement.

A violation of this Section shall be deemed to cause irreparable harm that justifies injunctive relief in court. A violation of this Section may at the City's discretion result in immediate termination of this Agreement without notice. The obligations of Contractor under this Section shall survive the termination of this Agreement.

6.35. Data Protection

The parties agree this Section shall apply to the City's Confidential Information and all categories of legally protected personally identifiable information (collectively "PII") that Contractor processes pursuant to the Agreement. "Personally identifiable information" is defined as in the Federal Privacy Council's Glossary available at: <https://www.fpc.gov/resources/glossary/>.

As between the parties, the City is the data controller and owner of PII and Contractor is a data processor. In this Section, the term "process," "processing," or its other variants shall mean: an operation or set of operations which is performed on PII, whether or not by automated means, including without limitation: collection, recording, copying, analyzing, caching, organizing, structuring, storage, adaptation, alteration, retrieval, transmission, dissemination, alignment, combination, restriction, erasure, or destruction.

- A. When Contractor processes PII pursuant to the Agreement, Contractor shall, at no additional cost to the City:
 1. process PII only within the United States and only in accordance with the Agreement and not for Contractor's own purposes, including product research, product

- development, marketing, or commercial data mining, even if the City's data has been aggregated, anonymized, or pseudonymized;
2. implement and maintain appropriate technical and organizational measures to protect PII against unauthorized or unlawful processing and against accidental loss, destruction, damage, theft, alteration or disclosure, including at a minimum, and as applicable, those measures specified by the National Institute of Standards and Technology (NIST) SP800-53; A.R.S. § 18-552 (Notification of Security System Breaches); A.R.S. § 44-7601 (Discard and Disposal of Personal Identifying Information Records); Health Information Technology for Economic and Clinical Health (HITECH) Act; Payment Card Industry Data Security Standards; and good industry practice; (When considering what measures are appropriate and in line with good industry practice, Contractor shall keep abreast of current regulatory trends in data security and the state of technological development to ensure a level of security appropriate to the nature of the data to be protected and the harm that might result from such unauthorized or unlawful processing or accidental loss, destruction, damage, theft, alteration or disclosure. At minimum, Contractor will timely remediate any vulnerabilities found within its network that are rated medium or more critical by the Common Vulnerability Scoring System (CVSS); however, Contractor must remediate vulnerabilities that are rated critical within 14 days and vulnerabilities that are rated high within 30 days. If requested by the City, Contractor shall promptly provide a written description of the technical and organizational methods it employs for processing PII.)
 3. not subcontract any processing of PII to any third party (including affiliates, group companies or sub-contractors) without the prior written consent of the City; and Contractor shall remain fully liable to the City for any processing of PII conducted by a sub-processor appointed by Contractor;

Indemnitor’s duty to defend exists regardless of whether Indemnitor is ultimately found liable. Indemnitor must indemnify Indemnitee from and against any and all Losses, except where it is proven that those Losses are solely as a result of Indemnitee’s own negligent or willful acts or omissions.
