

	<b>SOLICITATION ADDENDUM</b>	<b>CITY OF PHOENIX HSD Procurement 200 W. Washington Street 18th Floor Phoenix, AZ 85003</b>
	Solicitation Number: <b>RFP-25-SID-0450</b> Addendum #3  Solicitation Due Date: March 19, 2025, at 3:00 p.m. Local Time	

### SENIOR NUTRITION MEAL PROGRAM

Please be advised that the solicitation due date has been **changed to Wednesday, March 19, 2025, at 3:00 p.m. Local Time.**

In accordance with the Section I – Instructions, 13. Addenda, the Solicitation is hereby amended as set forth below. The following information is offered in response to question(s) and or request(s) for information.

- Question:** While working on our submittal, it became clear that there could be an issue regarding the potential closing of the McDowell Kitchen, particularly concerning the fire suppression system. If renovations are planned, the cost of repairing or replacing the fire suppression system could significantly increase the contractor's bid. This would result in higher pricing to cover the eventual repair and replacement costs. However, the fire suppression system is part of the building, much like an A/C unit, and may not have been intended to be an expense for the contractor. Could you provide clarification on whether this should be considered as part of the contractor's responsibility or if it's something that will be addressed separately?

**Response:** Any costs associated with replacing or repairing the fire suppression system as it relates to the McDowell kitchen renovations during the closure will be covered in the construction costs, which is the City's responsibility. The contractor's responsibility is specific to industry standard hood cleaning, preventative maintenance, and repairs related to production kitchen use.

The balance of the specifications and instructions remain the same. Bidder must acknowledge receipt and acceptance of this addendum by returning the entire addendum with the bid or proposal submittal.
