EXHIBIT A
CITY OF PHOENIX SUBCONTRACTOR SELECTION PLAN
(EXCERPT FROM CMAR CONTRACT)

MAJOR SUBCONTRACTOR AND MAJOR SUPPLIER SELECTIONS

The selection of major Subcontractors and Suppliers may occur before Construction Services. Major Subcontractors and Suppliers may be selected based on qualifications alone or a combination of qualifications and price. Subcontractors must not be selected based on price alone. The selection of major Subcontractors and Suppliers is the Contractor's responsibility. In any case, the Contractor is solely responsible for the performance of all selected Subcontractors and Suppliers.

The Contractor must prepare a Subcontractor and Supplier selection plan and submit the plan to the City for approval. This selection plan must identify trades that may be selected by qualifications only and trades that to be selected by qualifications and competitive bid. This plan must also identify all Subcontractors that are not selected through a formalized qualifications-based selection process. The Subcontractor and Supplier selection plan must be consistent with the selection requirements included in this Contract.

Selection by qualifications only - the City may approve the selection of a Subcontractor(s) or Suppliers(s) based only on their qualifications when the Contractor can demonstrate it is in the best interest of the Project.

Qualification-based selection of a Subcontractor(s) or Supplier(s) should only occur during the design phase to achieve maximum benefit of Subcontractor's involvement before submitting a GMP Proposal.

The Contractor must follow the approved Subcontractor selection plan when evaluating qualifications of Subcontractor(s) or Supplier(s), and the Contractor must provide the City with its review and recommendation.

The Contractor must receive City approval of the selected Subcontractor(s) and Supplier(s).

The Contractor must negotiate costs for services/supplies from each Subcontractor and Supplier selected under this method.

Selection by qualifications and competitive bid - the Contractor must follow the Subcontractor selection plan when evaluating qualifications of a Subcontractor or Supplier, and the Contractor must provide the City with its process to prequalify prospective Subcontractors and Suppliers. During Construction Services, all Work for major Subcontractors and Suppliers must then be competitively bid unless a Subcontractor or Supplier was selected by qualifications only.
