The City's Transparency Policy is an important component of the City's procurement process. The Policy restricts proposers from discussing matters associated with a solicitation with any City official or employee, other than the Procurement Officer designated in the solicitation, in any manner or forum other than a public meeting. Each solicitation issued by the City includes information about the Solicitation Transparency Policy, including instructions for requesting a meeting with any City official or employee through the referenced Procurement Officer.

If you have any questions about the subject solicitation, please contact the Procurement Officer listed above.
