This addendum incorporates the following changes into the subject solicitation:

I. This addendum answers the following questions, which the City of Phoenix received (before, during or after) the subject solicitation's pre-proposal conference within the written inquiry deadline:

1. **Question:** We have reviewed the solicitation document and noted in **Section 2.10, Page 7** that the Offeror must possess all valid certifications and/or licenses as required by federal, state, or local laws at the time of submittal. We currently hold an **Engineering License** (Board of Technical Registration, Arizona State, License No. 23399) and are a **NETA-certified company**. Could you please confirm whether these qualifications meet the bid requirements?

Answer:

- A. For guidelines on required licenses and technician certifications and requirements, refer to Section 2, Instructions, Paragraph 2.16, Minimum Qualifications, sub-sections A through J.

All other terms and conditions remain unchanged.

Offeror is required to sign and return addendum with their offer.
