This indemnity includes any Claims arising out of or recovered under the Workers’ Compensation Law or arising out of the failure of Vendor to conform to any federal, state or local law, statute, ordinance, rule, regulation or court decree. Vendor must indemnify Indemnatee from and against any and all Claims, except those arising solely from Indemnatee’s own negligent or willful acts or omissions. Vendor will be responsible for primary loss investigation, defense and judgment costs where this indemnification applies. In consideration of the award of this Contract, Vendor waives all rights of subrogation against Indemnatee for losses arising from the work performed by Vendor for the City. The obligations of Vendor under this provision survive the termination or expiration of this Contract.

- I understand that a person or entity who seeks or applies for a city contract, or any other person acting on behalf of that person or entity, is prohibited from contacting city officials and employees regarding the contract after a solicitation has been posted.
This "no-contact" provision only concludes when the contract is awarded at a City Council meeting. The purpose of the fraud policy is to maintain the City's high ethical standards. The policy includes a way for our business partners to report wrongdoing or bad behavior. Suspected fraud should be reported immediately to the Phoenix Integrity Line. The City has adopted a zero-tolerance policy regarding fraud.
