200 West Washington Street, 6<sup>th</sup> Floor  
Phoenix, Arizona 85003-1611

**WATER MAIN REPLACEMENT REHABILITATION  
QS: 10-33, 10-24 & 2-29  
CONSTRUCTION MANAGER AT RISK SERVICES  
WS85509026, WS85509029 & WS85509061**

**NOTIFICATION LETTER NO. 1  
February 7, 2020**

This notification letter shall become part of the Request for Qualifications (RFQ) for the above referenced project.

**The following questions were asked at the pre-submittal meeting.**

- 1. Will the CMAR be responsible public outreach?**
  - No, those services will be included in the designer's Construction Administration contract.
- 2. Is the existing main material type ACP?**
  - The existing mains consist of a variety of materials. All pipe should be abandoned in place if possible.
- 3. Will the mains be abandoned in place or removed?**
  - Abandoned in place. The only time will remove is if the same alignment is needed (not typical).
- 4. What is the material type of the pipe to be installed?**
  - DIP
- 5. What are the design and construction dates:**
  - Design – FY 19/20; Construction – FY 21/22
- 6. Who are the design consultants?**
  - WS85509026 – GHD; WS85509029 – Entellus; WS85509061 – Sunrise Engineering

A handwritten signature in black ink that reads "Elizabeth Blakley".
