The bid opening meeting will start 5 min after the bids are due.

*Atrium just beyond security checkpoint in bid box marked for Public Works.

4. PREPARATION OF OFFER:

- 4.1. All forms provided in Submittal Section must be completed and submitted with the offer. The signed and completed Solicitation Disclosure form must be included or your offer may be deemed non-responsive.
- 4.2. It is permissible to copy Submittal forms if necessary. Erasures, interlineations, or other modifications of the offer must be initialed in original ink by the authorized person signing the offer. No offer will be altered, amended or withdrawn after the specified offer due date and time. The City is not responsible for Offeror's errors or omissions.
- 4.3. All time periods stated as a number of days will be calendar days.
- 4.4. It is the responsibility of all Offerors to examine the entire solicitation and seek clarification of any requirement that may not be clear and to check all responses for accuracy before submitting an offer. Negligence in preparing an offer confers no right of withdrawal after due date and time. Offerors are strongly encouraged to:
 - 4.4.1. Consider applicable laws and/or economic conditions that may affect cost, progress, performance, or furnishing of the products or services.
 - 4.4.2. Study and carefully correlate Offeror's knowledge and observations with the solicitation and other related data.
 - 4.4.3. Promptly notify the City of all conflicts, errors, ambiguities, or discrepancies that Offeror has discovered in or between the solicitation and other related documents.
 - 4.4.4. The City does not reimburse the cost of developing, presenting or providing any response to this solicitation. Offers submitted for consideration should be prepared simply and economically, providing adequate information in a straightforward and concise manner. The Offeror is responsible for all costs incurred in responding to this solicitation. All materials and documents submitted in response to this solicitation become the property of the City and will not be returned.
 - 4.4.5. Offerors are reminded that the specifications stated in the solicitation are the minimum level required and that offers submitted must be for products or services that meet or exceed the minimum level of all features specifically listed in this solicitation. Offers offering less than any minimum specifications or criteria specified are not responsive and should not be submitted.
 - 4.4.6. Offer responses submitted for products considered by the seller to be acceptable alternates to the brand names or manufacturer's catalog references specified herein must be submitted with technical literature and/or detailed product brochures for the City's use to evaluate the products offered. Offers submitted without this product information may be considered as non-responsive and rejected. The City will be the sole judge as to the acceptability of alternate products offered.

SECTION I - INSTRUCTIONS

CITY OF PHOENIX

4.4.7. Prices will be submitted on a per unit basis by line item, when applicable. In the event of a disparity between the unit price and extended price, the unit price will prevail unless obviously in error.

5. OBTAINING A COPY OF THE SOLICITATION AND ADDENDA:

Interested Offerors may download the complete solicitation and addenda from <https://solicitations.phoenix.gov/>. Internet access is available at all public libraries. Any interested offerors without internet access may obtain this solicitation by calling the Procurement Officer or picking up a copy during regular business hours at the City of Phoenix Public Works Department, Procurement Services Division, 200 W. Washington Street, 7th Floor, Phoenix, AZ 85003. It is the Offeror's responsibility to check the website, read the entire solicitation, and verify all required information is submitted with their offer.

6. EXCEPTIONS:

Offeror must not take any exceptions to any terms, conditions or material requirements of this solicitation. Offers submitted with exceptions may be deemed non-responsive and disqualified from further consideration in the City's sole discretion. Offerors must conform to all the requirements specified in the solicitation. The City encourages Offerors to send inquiries to the procurement officer rather than including exceptions in their Offer. See Inquiries and Schedule of Events.

7. INQUIRIES:

All questions that arise relating to this solicitation should be directed via email to the Procurement Officer and must be received by the due date indicated in the Schedule of Events. The City will not consider questions received after the deadline.

No informal contact initiated by Offerors on the proposed service will be allowed with members of City's staff from date of distribution of this solicitation until after city council awards the contract. All questions concerning or issues related to this solicitation must be presented **in writing**.

The Procurement Officer will answer written inquiries in an addendum and publish any addendums on the Procurement Website.

8. ADDENDA:

The City of Phoenix will not be responsible for any oral instructions made by any employees or officers of the City of Phoenix regarding this solicitation. Any changes will be in the form of an addendum. The Offeror must acknowledge receipt of any/all addenda by signing and returning the document with the offer submittal.

9. BUSINESS IN ARIZONA:

The City will not enter contracts with Offerors (or any company(ies)) not granted authority to transact business, or not in good standing, in the state of Arizona by the Arizona Corporation Commission, unless the offeror asserts a statutory exception prior to entering a contract with the City.

10. LICENSES:

If required by law for the operation of the business or work related to this Offer, Offeror must possess all valid certifications and/or licenses as required by federal, state or local laws at the time of submittal.

SECTION I - INSTRUCTIONS

CITY OF PHOENIX

11. CERTIFICATION:

By signature in the offer section of the Offer and Acceptance page(s), Offeror certifies:

- The submission of the offer did not involve collusion or other anti-competitive practices.
- The Offeror must not discriminate against any employee, or applicant for employment in violation of Federal or State Law.
- The Offeror has not given, offered to give, nor intends to give at any time hereafter, any economic opportunity, future employment, gift, loan, gratuity, special discount, trip, favor, or service to a public servant in connection with the submitted offer.

12. SUBMISSION OF OFFER:

Offers must be in possession of the Department on or prior to the exact time and date indicated in the Schedule of Events. Late offers will not be considered. The prevailing clock will be the City Department's clock.

Offers must be submitted in a sealed envelope and the following information should be noted on the outside of the envelope:

- 12.1. Offeror's Name
- 12.2. Offeror's Address (as shown on the Certification Page)
- 12.3. Solicitation Number
- 12.4. Solicitation Title
- 12.5. Offer Opening Date

All offers must be completed in ink or typewritten. Include the number of copies that are required as indicated in the Submittal section.

13. WITHDRAWAL OF OFFER:

At any time prior to the solicitation due date and time, an Offeror (or designated representative) may withdraw the offer by submitting a request in writing and signed by a duly authorized representative.

14. OFFER RESULTS:

Offers will be opened on the offer due date, time and location indicated in the Schedule of Events, at which time the name of each Offeror, and the prices may be read. Offers and other information received in response to the solicitation will be shown only to authorized City personnel having a legitimate interest in them or persons assisting the City in the evaluation. Offers are not available for public inspection until after the City has posted the award recommendation on the City's website.

The City will post a preliminary offer tabulation on the City's website, <https://solicitations.phoenix.gov/Awards> within five calendar days of the offer opening. The City will post the information on the preliminary tabulation as it was read during the offer opening. The City makes no guarantee as to the accuracy of any information on the preliminary tabulation. Once the City has reviewed the offers, the City will post an award recommendation on the website. The City will not provide any further notification to unsuccessful Offerors.

15. PRE-AWARD QUALIFICATIONS:

- 15.1 Offeror must have been in operation a minimum of five years. The Offeror's normal business activity during the past five years will have been for providing the goods or services in this solicitation. (This information must be provided in The Submittal section, Years in Business and Customer Reference Listing of this solicitation.)

SECTION I - INSTRUCTIONS

CITY OF PHOENIX

15.2 Equipment. Offeror will own or have assured access to (through hire, lease, purchase agreement, availability of manufacturing equipment, or other means) the following key items or equipment in full working order, and must demonstrate that, based on known commitment, they will be available for use in the proposed contract.

16. AWARD OF CONTRACT:

16.1 Unless otherwise indicated, award(s) will be made to the most responsive, responsible Offeror(s) who are regularly established in the service, or providing the goods, contained in this solicitation and who have demonstrated the ability to perform in an acceptable manner.

16.2 Factors that may be considered by the City include:

16.3 Technical capability of the Offeror to accomplish the scope of work required in the Solicitation. This may include performance history on past and current government or industrial contracts; and,

16.4 Demonstrated availability of the necessary manpower (both supervisory and operational personnel) and necessary equipment to accomplish the scope of work in the Solicitation; and,

16.5 Safety record, including complaints or investigations; and,

16.6 Offeror history of complaints, and termination for convenience or cause, litigation or lawsuits.

16.7 Notwithstanding any other provision of this solicitation, the City reserves the right to: (1) waive any immaterial defect or informality; or (2) reject any or all offers or portions thereof; or (3) reissue a solicitation.

16.8 A response to a solicitation is an offer to contract with the City based upon the terms, conditions, and specifications contained in the City's solicitation. Offers do not become contracts until they are executed by the Deputy Finance Director or Department Director. A contract has its inception in the award, eliminating a formal signing of a separate contract. For that reason, all of the terms, conditions and specifications of the procurement contract are contained in the solicitation, and in any addendum or contract amendment.

17. CITY'S RIGHT TO DISQUALIFY FOR CONFLICT OF INTEREST:

The City reserves the right to disqualify any Offeror based on any real or apparent conflict of interest that is disclosed by the offer submitted or any other data available to the City. This disqualification is at the sole discretion of the City. Any Offeror submitting an offer herein waives any right to object now or at any future time, before any agency or body, including but not limited to, the City Council of the City of Phoenix or any court.

18. SOLICITATION TRANSPARENCY POLICY:

18.1. Commencing on the date and time a solicitation is published, potential or actual offerors or respondents(including their representatives) shall only discuss matters associated with the solicitation with the Mayor, any members of City Council, the City Manager, any Deputy City Manager, or any department director directly associated with the solicitation (including in each case their assigned staff, except for the designated procurement

SECTION I - INSTRUCTIONS

CITY OF PHOENIX

officer) at a public meeting, posted under Arizona Statutes, until the resulting contract(s) are awarded to all offers or responses are rejected and the solicitation is cancelled without any announcement by the Procurement Officer of the City's intent to reissue the same or similar solicitation

- 18.2.** As long as the solicitation is not discussed, Offerors may continue to conduct business with the City and discuss business that is unrelated to the solicitation with the City staff.
- 18.3.** Offerors may discuss their proposal or the solicitation with the Mayor or one or more members of the Phoenix City Council, provided such meetings are scheduled through the Procurement Officer, and are posted as open meetings with the City Clerk at least 24 hours prior to the scheduled meetings. The City Clerk will be responsible for posting the meetings. The posted notice shall identify the participants and the subject matter, as well as invite the public to participate.
- 18.4.** With respect to the selection of the successful Offerors, the City Manager and/or City Manager's Office will continue the past practice of exerting no undue influence on the process. In all solicitations of bids and proposals, any direction on the selection from the City Manager and/or City Manager's Office and Department Head (or representative) to the proposal review panel or selecting authority must be provided in writing to all prospective Offerors.
- 18.5.** This policy is intended to create a level playing field for all Offerors, assure that contracts are awarded in public, and protect the integrity of the selection process. **OFFERORS THAT VIOLATE THIS POLICY SHALL BE DISQUALIFIED.** After official Notice is received by the City for disqualification, the Offeror may follow the Protest process, unless the Solicitation is cancelled without notice of intent to re-issue.
- 18.6.** "To discuss" means any contact by the Offeror, regardless of whether the City responds to the contact. Offerors that violate this policy will be disqualified until the resulting contract(s) are awarded, or all offers or responses are rejected and the solicitation is cancelled without any announcement by the Procurement Officer of the City's intent to reissue the same or a similar solicitation. The City interprets the policy as continuing through a cancellation of a solicitation until Council award of the contract, as long as the City cancels with a statement that the City will rebid the solicitation.

19. PROTEST PROCESS:

- 19.1.** Offeror may protest the contents of a solicitation no later than seven days before the solicitation deadline when the protest is based on an apparent alleged mistake, impropriety or defect in the solicitation. Protests filed regarding the solicitation may be addressed by an amendment to the solicitation or denied by the City. If denied, the opening and award will proceed unless the City determines that it is in the City's best interests to set new deadlines, amend the solicitation, cancel or re-bid.

SECTION I - INSTRUCTIONS

CITY OF PHOENIX

- 19.2.** Therefore, unless otherwise notified by a formal amendment, the Protester must adhere to all solicitation dates and deadlines, including timely filing of an offer, regardless of filing a protest.
- 19.3.** Offeror may protest an adverse determination issued by the City regarding responsibility and responsiveness, within seven days of the date the Offeror was notified of the adverse determination.
- 19.4.** Offeror may protest an award recommendation if the Offeror can establish that it had a substantial chance of being awarded the contract and will be harmed by the recommended award. The City will post recommendations on the City's website to award the contract(s) to an Offeror(s). Offeror must submit award protests within seven days after the posting of the award recommendation, with exceptions only for good cause shown, within the City's full and final discretion.
- 19.5.** All protests will be in writing, filed with the Procurement Officer identified in the solicitation and include the following:
- 19.5.1. Identification of the solicitation number;
 - 19.5.2. The name, address and telephone number of the protester;
 - 19.5.3. A detailed statement describing the legal and factual grounds for the protest, including copies of relevant documents;
 - 19.5.4. The form of relief requested; and
 - 19.5.5. The signature of the protester or its authorized representative.
- 19.6.** The Procurement Officer will render a written decision within a reasonable period after the protest is filed. The City will not request City Council authorization to award the contract until the protest process is complete. All protests and appeals must be submitted in accordance with the City's Procurement Code, (Phoenix City Code, Ch. 43) and any protests or appeals not submitted within the time requirements will not be considered. Protests must be filed with the Procurement Officer.

20. PUBLIC RECORD:

All Offers submitted in response to this solicitation will become the property of the City and become a matter of public record available for review pursuant to Arizona State law. If an Offeror believes that a specific section of its Offer response is confidential, the Offeror will isolate the pages marked confidential in a specific and clearly labeled section of its Offer response. An Offeror may request specific information contained within its Offer is treated by the Procurement Officer as confidential provided the Offeror clearly labels the information "confidential." To the extent necessary for the evaluation process, information marked as "confidential" will not be treated as confidential. Once the procurement file becomes available for public inspection, the Procurement Officer will not make any information identified by the Offerors as "confidential" available to the public unless necessary to support the evaluation process or if specifically requested in accordance with applicable public records law. When a public records request for such information is received, the Procurement Officer will notify the Offeror in writing of any request to view any portion of its Offer marked "confidential." The Offeror will have the time set forth in the notice to obtain a court order enjoining such disclosure. If the Offeror does not provide the Procurement Officer with a court order enjoining

SECTION I - INSTRUCTIONS

CITY OF PHOENIX

release of the information during the designated time, the Procurement Officer will make the information requested available for inspection.

21. LATE OFFERS:

Late Offers Late Offers must be rejected, except for good cause. If a late Offer is submitted, the Department will document the date and time of the submittal of the late Offer, keep the Offer and notify the Offeror that its Offer was disqualified for being late.

22. RIGHT TO DISQUALIFY:

The City reserves the right to disqualify any Offeror who fails to provide information or data requested or who provides materially inaccurate or misleading information or data. The City further reserves the right to disqualify any Offeror on the basis of any real or apparent conflict of interest that is disclosed by the Offeror submitted or any other data or information available to the City. This disqualification is at the sole discretion of the City. By submission of a solicitation response, the Offeror waives any right to object now or at any future time, before any agency or body including, but not limited to, the City Council of the City or any court as to the exercise by the City of such right to disqualify or as to any disqualification by reason of real or apparent conflict of interest determined by the City. The City reserves the right to replace the disqualified Offeror.

23. CONTRACT AWARD:

The City reserves the right to award a contract by individual line items, by group, all or none, or any other combination most advantageous to the City. The City reserves the right to multiple award.

24. DETERMINING RESPONSIVENESS AND RESPONSIBILITY:

24.1. Offers will be reviewed for documentation of any required qualifications, and completeness and compliance with the solicitation requirements. The City reserves sole discretion to determine responsiveness and responsibility.

24.2. Responsiveness: Nonresponsive Offers will not be considered in the evaluation process. The solicitation states criteria that determine responsiveness, and the solicitation includes terms and conditions that if included or excluded from Offers will render an Offer nonresponsive.

24.3. Responsibility: To obtain true economy, the City must conduct solicitations to minimize the possibility of a subsequent default by the Offeror, late deliveries, or other unsatisfactory performance that may result in additional administrative costs. It is important that the Offeror be a responsible Offeror. Responsibility includes the Offeror's integrity, skill, capacity, experience, and facilities for conducting the work to be performed.

25. EQUAL LOW OFFER:

Contract award will be made by putting the names of the tied vendors in a cup for a blind drawing limited to those bidders with tied offers. If time permits, the offerors involved will be given an opportunity to attend the drawing. The drawing will be witnessed by at least three persons, and the contract file will contain the names and addresses of the witnesses.

SECTION II – STANDARD TERMS AND CONDITIONS

1. DEFINITION OF KEY WORDS USED IN THE SOLICITATION:

- Shall, Will, Must:** Indicates a mandatory requirement. Failure to meet these mandatory requirements may result in the rejection of Offer as non-responsive.
- Should:** Indicates something that is recommended but not mandatory. If the Contractor fails to provide recommended information, the City may, at its sole option, ask the Contractor to provide the information or evaluate the offer without the information.
- May:** Indicates something that is not mandatory but permissible.

For purposes of this solicitation, the following definitions will apply:

- "A.R.S."** Arizona Revised Statute
- "Buyer" or "Procurement Officer"** City of Phoenix staff person responsible for the solicitation. The City employee or employees who have specifically been designated to act as a contact person or persons to the Contractor, and responsible for monitoring and overseeing the Contractor's performance under this contract.
- "City"** The City of Phoenix
- "Contractor"** The individual, partnership, or corporation who, as a result of the competitive process, is awarded a contract by the City of Phoenix.
- "Contract" or "Agreement"** The legal agreement executed between the City of Phoenix, AZ and the Contractor.
- "Days"** Means calendar days unless otherwise specified.
- "Deputy Finance Director"** The contracting authority for the City of Phoenix, AZ, authorized to sign contracts and amendments thereto on behalf of the City of Phoenix, AZ.
- "Employer"** Any individual or type of organization that transacts business in this state, that has a license issued by an agency in this state and employs one or more employees in this state. Employer includes this state, any political subdivision of this state and self-employed persons. In the case of an independent contractor, employer means the independent contractor and does not mean the person or organization that uses contract labor. (A.R.S. 23-211).
- "Offer"** Means a response from a supplier, contractor or service provider to a solicitation request that, if awarded, binds the supplier,

SECTION II – STANDARD TERMS AND CONDITIONS

CITY OF PHOENIX

contractor or service provider to perform in accordance with the contract. Same as bid, proposal, quotation or tender.

- “Offeror” Any Vendor, Seller or Supplier submitting a competitive offer in response to a solicitation from the City. Same as Bidder or Proposer.
- “Solicitation” Means an Invitation for Bid (IFB), Request for Proposal (RFP), Request for Quotations (RFQ), Request for Qualifications (RFQu) and request for sealed bids, or any other type of formal procurement which the City makes public through advertising, mailings, or some other method of communication. It is the process by which the City seeks information, proposals, bids or quotes from suppliers.
- “Suppliers” Firms, entities or individuals furnishing goods or services to the City.
- “Vendor or Seller” A seller of goods or services.

2. CONTRACT INTERPRETATION:

- 2.1. APPLICABLE LAW:** This Contract will be governed by the law of the State of Arizona, and suits pertaining to this Contract will be brought only in Federal or State courts in Maricopa County, State of Arizona.
- 2.2. CONTRACT ORDER OF PRECEDENCE:** In the event of a conflict in the provisions of the Contract, as accepted by the City and as they may be amended, the following will prevail in the order set forth below:
 - 2.2.1. Special terms and conditions
 - 2.2.2. Standard terms and conditions
 - 2.2.3. Amendments
 - 2.2.4. Statement or scope of work
 - 2.2.5. Specifications
 - 2.2.6. Attachments
 - 2.2.7. Exhibits
 - 2.2.8. Instructions to Contractors
 - 2.2.9. Other documents referenced or included in the Solicitation
- 2.3. ORGANIZATION – EMPLOYMENT DISCLAIMER:** The Agreement resulting hereunder is not intended to constitute, create, give rise to or otherwise recognize a joint venture agreement or relationship, partnership or formal business organization of any kind, and the rights and obligations of the parties will be only those expressly set forth in the agreement. The parties agree that no persons supplied by the Contractor in the performance of Contractor’s obligations under the agreement are considered to be City’s employees and that no rights of City civil service, retirement or personnel rules accrue to such persons. The Contractor will have total responsibility for all salaries, wage bonuses, retirement, withholdings, workmen’s compensation, occupational disease compensation, unemployment compensation, other employee benefits and all taxes and premiums

SECTION II – STANDARD TERMS AND CONDITIONS

CITY OF PHOENIX

appurtenant thereto concerning such persons, and will save and hold the City harmless with respect thereto.

- 2.4. SEVERABILITY:** The provisions of this Contract are severable to the extent that any provision or application held to be invalid will not affect any other provision or application of the contract which may remain in effect without the invalid provision or application.
- 2.5. NON-WAIVER OF LIABILITY:** The City of Phoenix as a public entity supported by tax monies, in execution of its public trust, cannot agree to waive any lawful or legitimate right to recover monies lawfully due it. Therefore, any Contractor agrees that it will not insist upon or demand any statement whereby the City agrees to limit in advance or waive any right the City might have to recover actual lawful damages in any court of law under applicable Arizona law.
- 2.6. PAROL EVIDENCE:** This Agreement is intended by the parties as a final expression of their agreement and is intended also as a complete and exclusive statement of the terms of this agreement. No course of prior dealings between the parties and no usage in the trade will be relevant to supplement or explain any term used in this Contract. Acceptance or acquiescence in a course of performance rendered under this contract will not be relevant to determine the meaning of this Contract even though the accepting or acquiescing party has knowledge of the nature of the performance and opportunity to object.

3. CONTRACT ADMINISTRATION AND OPERATION:

- 3.1. RECORDS:** All books, accounts, reports, files and other records relating to the contract will be subject at all reasonable times to inspection and audit by the City for five years after completion of the contract. Such records will be produced at a City of Phoenix office as designated by the City. Confidentiality will be maintained, and City will not violate any proprietary or other confidentiality agreements vendor has in place.
- 3.2. DISCRIMINATION PROHIBITED:** Contractor agrees to abide by the provisions of the Phoenix City Code Chapter 18, Article V as amended.

Any contractor, in performing under this contract, will not discriminate against any worker, employee or applicant, or any member of the public, because of race, color, religion, sex, national origin, age or disability nor otherwise commit an unfair employment practice. The supplier and/or lessee will take action to ensure that applicants are employed, and employees are dealt with during employment without regard to their race, color, religion, sex, or national origin, age or disability and adhere to a policy to pay equal compensation to men and women who perform jobs that require substantially equal skill, effort and responsibility, and that are performed within the same establishment under similar working conditions. Such action will include but not be limited to the following: Employment, promotion, demotion or transfer, recruitment or recruitment advertising, layoff or termination; rates of pay or other forms of compensation; and selection for training; including apprenticeship. The supplier further agrees that this clause will be incorporated in all subcontracts with all labor organizations furnishing skilled, unskilled and union labor, or who may perform any such labor or services in connection with this contract. Contractor further agrees that this clause will be incorporated in all subcontracts, job-contractor agreements or subleases of this agreement entered into by supplier/lessee.

3.3. **EQUAL EMPLOYMENT OPPORTUNITY AND PAY:** In order to do business with the City, Contractor must comply with Phoenix City Code, 1969, Chapter 18, Article V, as amended, Equal Employment Opportunity Requirements. Contractor will direct any questions in regard to these requirements to the Equal Opportunity Department, (602) 262-6790.

For a Contractor with 35 employees or fewer: Contractor in performing under this Agreement shall not discriminate against any worker, employee or applicant, or any member of the public, because of race, color, religion, sex, national origin, age, or disability, nor otherwise commit an unfair employment practice. The Contractor will ensure that applicants are employed, and employees are dealt with during employment without regard to their race, color, religion, sex, national origin, age, or disability. Such action shall include but not be limited to the following: employment, promotion, demotion or transfer, recruitment or recruitment advertising, layoff or termination; rates of pay or other forms of compensation; and selection for training; including apprenticeship. The Contractor further agrees that this clause will be incorporated in all subcontracts related to this Agreement that involve furnishing skilled, unskilled and union labor, or who may perform any such labor or services in connection with this Agreement. Contractor further agrees that this clause will be incorporated in all subcontracts, Contractor agreements or subleases of this agreement entered into by supplier/lessee.

For a Contractor with more than 35 employees: Contractor in performing under this Agreement shall not discriminate against any worker, employee or applicant, or any member of the public, because of race, color, religion, sex, national origin, age, or disability, nor otherwise commit an unfair employment practice. The Contractor will ensure that applicants are employed, and employees are dealt with during employment without regard to their race, color, religion, sex, national origin, age, or disability, and shall adhere to a policy to pay equal compensation to men and women who perform jobs that require substantially equal skill, effort, and responsibility, and that are performed within the same establishment under similar working conditions. Such action shall include but not be limited to the following: employment, promotion, demotion or transfer, recruitment or recruitment advertising, layoff or termination; rates of pay or other forms of compensation; and selection for training; including apprenticeship. The Contractor further agrees that this clause will be incorporated in all subcontracts with all labor organizations furnishing skilled, unskilled and union labor, or who may perform any such labor or services in connection with this contract. Contractor further agrees that this clause will be incorporated in all subcontracts, job-Contractor agreements or subleases of this Agreement entered into by supplier/lessee. The Contractor further agrees not to discriminate against any worker, employee or applicant, or any member of the public, because of sexual orientation or gender identity or expression and shall ensure that applicants are employed, and employees are dealt with during employment without regard to their sexual orientation or gender identity or expression.

3.3.1 Documentation: Suppliers and lessees may be required to provide additional documentation to the Equal Opportunity Department affirming that a nondiscriminatory policy is being utilized.

3.3.2 Monitoring: The Equal Opportunity Department shall monitor the employment policies and practices of suppliers and lessees subject to this article as deemed

SECTION II – STANDARD TERMS AND CONDITIONS

CITY OF PHOENIX

necessary. The Equal Opportunity Department is authorized to conduct on-site compliance reviews of selected firms, which may include an audit of personnel and payroll records, if necessary.

3.4. LEGAL WORKER REQUIREMENTS: The City of Phoenix is prohibited by A.R.S. § 41-4401 from awarding a contract to any Contractor who fails, or whose subcontractors fail, to comply with A.R.S. § 23-214(A). Therefore, Contractor agrees that:

- 3.4.1. Contractor and each subcontractor it uses warrants their compliance with all federal immigration laws and regulations that relate to their employees and their compliance with A.R.S. § 23-214, subsection A.
- 3.4.2. A breach of a warranty under paragraph 1 will be deemed a material breach of the contract that is subject to penalties up to and including termination of the contract.
- 3.4.3. The City of Phoenix retains the legal right to inspect the papers of any Contractor or subcontractor employee who works on the contract to ensure that the Contractor or subcontractor is complying with the warranty under paragraph 1.

3.5. HEALTH, ENVIRONMENTAL AND SAFETY REQUIREMENTS: The Contractor’s products, services and facilities will be in full compliance with all applicable Federal, State and local health, environmental and safety laws, regulations, standards, codes and ordinances, regardless of whether or not they are referred to by the City.

At the request of City representatives, the Contractor will provide the City:

- 3.5.1. Environmental, safety and health regulatory compliance documents (written safety programs, training records, permits, etc.) applicable to services provided by the Contractor in this contract
- 3.5.2. A list of all federal, state, or local (EPA, OSHA, Maricopa County, etc.) citations or notice of violations issued against their firm or their subcontractors including dates, reasons, dispositions and resolutions.

The City will have the right, but not the obligation to inspect the facilities, transportation vehicles or vessels, containers and disposal facilities provided by the Contractor or subcontractor. The City will also have the right to inspect operations conducted by the Contractor or subcontractor in the performance of this agreement. The City further reserves the right to make unannounced inspections of the Contractor’s facilities (during normal business hours).

3.6. COMPLIANCE WITH LAWS: Contractor agrees to fully observe and comply with all applicable Federal, State and local laws, regulations, standards, codes and ordinances when performing under this Contract regardless of whether they are being referred to by the City. Contractor agrees to permit City inspection of Contractor’s business records, including personnel records to verify any such compliance.

Because the contractor will be acting as an independent contractor, the City assumes no responsibility for the Contractor’s acts.

3.7. LAWFUL PRESENCE REQUIREMENT: Pursuant to A.R.S. §§ 1-501 and -502, the City of Phoenix is prohibited from awarding a contract to any natural person who cannot establish that he or she is lawfully present in the United States. In order to establish lawful presence, this person must produce qualifying identification and sign a City-provided affidavit affirming that the identification provided is genuine. This requirement will be

SECTION II – STANDARD TERMS AND CONDITIONS

CITY OF PHOENIX

imposed at the time of contract award. In the event the prevailing responder is unable to satisfy this requirement, the City will offer the award to the next-highest scoring responder. The law does not apply to fictitious entities such as corporations, partnerships and limited liability companies

3.8. CONTINUATION DURING DISPUTES: Contractor agrees that notwithstanding the existence of any dispute between the parties, insofar as is possible, under the terms of the contract, the Contractor will continue to perform the obligations required of Contractor during the continuation of any such dispute unless enjoined or prohibited by an Arizona Court of competent jurisdiction.

3.9. EMERGENCY PURCHASES: The City reserves the right to purchase from other sources those items which are required on an emergency basis and cannot be supplied immediately from stock by the Contractor.

4. COSTS AND PAYMENTS:

4.1. GENERAL: Any prompt payment terms offered must be clearly noted by the Contractor on all invoices submitted to the City for the payment of goods or services received. The City will make every effort to process payment for the purchase of material or services within thirty to forty-five calendar days after receipt of a correct invoice, unless a good faith dispute exists to any obligation to pay all or a portion of the account. Payment terms are specified in the Offer.

4.2. PAYMENT DEDUCTION OFFSET PROVISION: Contractor acknowledges that the City Charter requires that no payment be made to any Contractor as long as there is an outstanding obligation due to the City. Contractor agrees that any obligation it owes to the City will be offset against any payment due to the Contractor from the City.

4.3. LATE SUBMISSION OF CLAIM BY CONTRACTOR: The City will not honor any invoices or claims which are tendered one year after the last item of the account accrued.

4.4. DISCOUNTS: Payment discounts will be computed from the date of receiving acceptable products, materials and/or services or correct invoice, whichever is later to the date payment is mailed.

4.5. NO ADVANCE PAYMENTS: Advance payments are not authorized. Payment will be made only for actual services or commodities that have been received, unless addressed specifically in the Scope of work for subscription services.

4.6. FUND APPROPRIATION CONTINGENCY: The Vendor recognizes that any agreement entered into will commence upon the day first provided and continue in full force and effect until termination in accordance with its provisions. The Vendor and the City herein recognize that the continuation of any contract after the close of any given fiscal year of the City, which ends on June 30th of each year, will be subject to the approval of the budget of the City providing for or covering such contract item as an expenditure therein. The City does not represent that said budget item will be actually adopted, said determination being the determination of the City Council at the time of the adoption of the budget.

SECTION II – STANDARD TERMS AND CONDITIONS

CITY OF PHOENIX

- 4.7. **MAXIMUM PRICES:** The City will not be invoiced at prices higher than those stated in any contract resulting from this Offer. Contractor certifies, by signing this Offer that the prices offered are no higher than the lowest price the Contractor charges other buyers for similar quantities under similar conditions, as applicable and shown by quotes for like services and goods. Contractor further agrees that any reductions in the price of the goods or services covered by this Offer and occurring after award will apply to the undelivered balance. The Contractor will promptly notify the City of such price reductions.
- 4.8. **F.O.B. POINT:** All prices are to be quoted F.O.B. delivered, unless specified elsewhere in this solicitation.
- 5. **CONTRACT CHANGES:**
 - 5.1. **CONTRACT AMENDMENTS:** Contracts will be modified only by a written contract amendment signed persons duly authorized to enter into contracts on behalf of the Contractor. No verbal agreement or conversation with any officer, agent, or employee of the City either before or after execution of the contract, will affect or modify any of the terms or obligations contained or to be contained in the contract. Any such verbal agreements or conversation shall be considered as unofficial information and in no way binding upon the City or the Contractor. All agreements shall be in writing and contract changes shall be by written amendment signed by both parties.
 - 5.2. **ASSIGNMENT - DELEGATION:** No right or interest in this contract nor monies due hereunder will be assigned in whole or in part without written permission of the City, and no delegation of any duty of Contractor will be made without prior written permission of the City, which may be withheld for good cause. Any assignment or delegation made in violation of this section will be void.
 - 5.3. **NON-EXCLUSIVE CONTRACT:** Any contract resulting from this solicitation will be awarded with the understanding and agreement that it is for the sole convenience of the City. The City reserves the right to obtain like goods or services from another source when necessary.
- 6. **RISK OF LOSS AND LIABILITY:**
 - 6.1. **TITLE AND RISK OF LOSS:** The title and risk of loss of material or service will not pass to the City until the City actually receives the material or service at the point of delivery; and such loss, injury, or destruction will not release seller from any obligation hereunder.
 - 6.2. **ACCEPTANCE:** All material or service is subject to final inspection and acceptance by the City. Material or service failing to conform to the specifications of this contract will be held at Contractor's risk and may be returned to the Contractor. If so returned, all costs are the responsibility of the Contractor. Noncompliance will conform to the cancellation clause set forth in this document.
 - 6.3. **FORCE MAJEURE:** Except for payment of sums due, neither party will be liable to the other nor deemed in default under this contract if and to the extent that such party's performance of this contract is prevented by reason of force majeure. The term "force majeure" means an occurrence that is beyond the control of the party affected and occurs without its fault or negligence. Force majeure will not include late performance by a

SECTION II – STANDARD TERMS AND CONDITIONS

CITY OF PHOENIX

subcontractor unless the delay arises out of a force majeure occurrence in accordance with this force majeure term and condition.

If either party is delayed at any time in the progress of the work by force majeure, the delayed party will notify the other party in writing of such delay, as soon as is practical, of the commencement thereof and will specify the causes of such delay in such notice. Such notice will be hand-delivered or mailed certified-return receipt and will make a specific reference to this provision, thereby invoking its provisions. The delayed party will cause such delay to cease as soon as practicable and will notify the other party in writing when it has done so. The time of completion will be extended by contract modification for a period of time equal to the time that results or effects of such delay prevent the delayed party from performing in accordance with this contract.

- 6.4. LOSS OF MATERIALS:** The City does not assume any responsibility, at any time, for the protection of or for loss of materials, from the time that the contract operations have commenced until the final acceptance of the work by the project manager.
- 6.5. CONTRACT PERFORMANCE:** Contractor will furnish all necessary labor, tools, equipment, and supplies to perform the required services at the City facilities designated, unless otherwise specifically addressed in the scope, or elsewhere in this Agreement. The City's authorized representative will decide all questions which may arise as to the quality and acceptability of any work performed under the contract. If, in the opinion of the City's authorized representative, performance becomes unsatisfactory, the City will notify the Contractor.

The Contractor will have 30 days from that time to correct any specific instances of unsatisfactory performance, unless a different amount of time is specified in the agreement. In the event the unsatisfactory performance is not corrected within the time specified, the City will have the immediate right to complete the work to its satisfaction and will deduct the cost to cover from any balances due or to become due the Contractor. Repeated incidences of unsatisfactory performance may result in cancellation of the agreement for default.

- 6.6. DAMAGE TO CITY PROPERTY:** Contractor will perform all work so that no damage to the building or grounds results. Contractor will repair any damage caused to the satisfaction of the City at no cost to the City.

Contractor will take care to avoid damage to adjacent finished materials that are to remain. If finished materials are damaged, Contractor will repair and finish to match existing material as approved by the City at Contractor's expense.

7. CITY'S CONTRACTUAL RIGHTS:

- 7.1.** Whenever one party to this contract in good faith has reason to question the other party's intent to perform, the former party may demand that the other party give a written assurance of this intent to perform. In the event that a demand is made and no written assurance is given within five days, the demanding party may treat this failure as an anticipatory repudiation of this contract.
- 7.2. NON-EXCLUSIVE REMEDIES:** The rights and remedies of the City under this Contract are non-exclusive.

SECTION II – STANDARD TERMS AND CONDITIONS

CITY OF PHOENIX

- 7.3. **DEFAULT IN ONE INSTALLMENT TO CONSTITUTE BREACH:** Each installment or lot of the agreement is dependent on every other installment or lot and a delivery of non-conforming goods or a default of any nature under one installment or lot will impair the value of the whole agreement and constitutes a total breach of the agreement as a whole.
 - 7.4. **ON TIME DELIVERY:** Because the City is providing services which involve health, safety and welfare of the general public, delivery time is of the essence. Delivery must be made in accordance with the delivery schedule promised by the Contractor.
 - 7.5. **DEFAULT:** In case of default by the Contractor, the City may, by written notice, cancel this contract and repurchase from another source and may recover the excess costs by (1) deduction from an unpaid balance due; (2) collection against the bid and/or performance bond, or (3) a combination of the aforementioned remedies or other remedies as provided by law.
 - 7.6. **COVENANT AGAINST CONTINGENT FEES:** Seller warrants that no person or selling agent has been employed or retained to solicit or secure this contract upon an agreement or understanding for a commission, percentage, brokerage, or contingent fee, excepting bona fide employers or bona fide established commercial or selling agencies maintained by the seller for the purpose of securing business. For breach or violation of this warranty, the City will have the right to annul the contract without liability or in its discretion to deduct from the contract price a consideration, or otherwise recover the full amount of such commission, brokerage or contingent fee.
 - 7.7. **COST JUSTIFICATION:** In the event only one response is received, the City may require that the Contractor submit a cost proposal in sufficient detail for the City to perform a cost/price analysis to determine if the Offer price is fair and reasonable.
 - 7.8. **WORK PRODUCT, EQUIPMENT AND MATERIALS:** All work product, equipment, or materials created or purchased under this contract belongs to the City and must be delivered to the City at City’s request upon termination of this contract. Contractor agrees to assign to City all rights and interests Contractor may have in materials prepared under this contract that are “works for hire” within the meaning of the copyright laws of the United States, including any right to derivative use of the material.
8. **CONTRACT TERMINATION:**
- 8.1. **GRATUITIES:** The City may, by written notice to the Contractor, cancel this contract if it is found that gratuities, in the form of entertainment, gifts or otherwise, were offered or given by the Contractor or any agent or representative of the Contractor, to any officer or employee of the City making any determinations with respect to the performing of such contract. In the event this contract is canceled by the City pursuant to this provision, the City will be entitled, in addition to any other rights and remedies, to recover or withhold from the Contractor the amount of the gratuity.
 - 8.2. **CONDITIONS AND CAUSES FOR TERMINATION:**
 - 8.2.1 This contract may be terminated at any time by mutual written consent, or by the City, with or without cause, upon giving thirty-day written notice to Contractor. The City at its convenience, by written notice, may terminate this contract, in whole or

in part. If this contract is terminated, the City will be liable only for payment under the payment provisions of this contract for services rendered and accepted material received by the City before the effective date of termination. Title to all materials, work-in-process and completed but undeliverable goods, will pass to the City after costs are claimed and allowed. The Seller will submit detailed cost claims in an acceptable manner and will permit the City to examine such books and records as may be necessary in order to verify the reasonableness of any claims.

- 8.2.2 The City reserves the right to cancel the whole or any part of this contract due to failure of Contractor to carry out any term, promise, or condition of the contract. The City will issue a written notice of default to Contractor for acting or failing to act as in any of the following:
- In the opinion of the City, Contractor provides personnel who do not meet the requirements of the contract;
 - In the opinion of the City, Contractor fails to perform adequately the stipulations, conditions or services/specifications required in this contract;
 - In the opinion of the City, Contractor attempts to impose on the City personnel or materials, products or workmanship, which is of an unacceptable quality.
 - Contractor fails to furnish the required service and/or product within the time stipulated in the contract;
 - In the opinion of the City, Contractor fails to make progress in the performance of the requirements of the contract and/or give the City a positive indication that Contractor will not or cannot perform to the requirements of the contract.

8.3. CONTRACT CANCELLATION: All parties acknowledge that this contract is subject to cancellation by the City of Phoenix pursuant to the provision of Section 38-511, Arizona Revised Statutes.

9. STATE AND LOCAL TRANSACTION PRIVILEGE TAXES:

In accordance with applicable state and local law, transaction privilege taxes may be applicable to this transaction. The state and local transaction privilege (sales) tax burden and legal liability to remit taxes are on the vendor that is conducting business in Arizona and the City of Phoenix. Any failure by the Contractor to collect applicable taxes from the City will not relieve the Contractor from its obligation to remit taxes. It is the responsibility of the prospective bidder to determine any applicable taxes. The City will look at the price or offer submitted and will not deduct, add or alter pricing based on speculation or application of any taxes, nor will the City provide advice or guidance. If you have questions regarding your tax liability, please seek advice from a tax professional prior to submitting your offer. You may also find information at <https://www.phoenix.gov/finance/plt> or <https://www.azdor.gov/Business.aspx>. Once your offer is submitted, the Offer is valid for the time specified in this Solicitation, regardless of mistake or omission of tax liability. If the City finds over payment of a project due to tax consideration that was not due, the Contractor will be liable to the City for that amount, and by contracting with the City,

SECTION II – STANDARD TERMS AND CONDITIONS

CITY OF PHOENIX

the Contractor agrees to remit any overpayments back to the City for miscalculations on taxes included in a offer price.

10. TAX INDEMNIFICATION:

Contractor will pay all federal, state and local taxes applicable to its operation and any persons employed by the Contractor, and require the same of all subcontractors. Contractor will hold the City harmless from any responsibility for taxes, damages and interest, if applicable, contributions required under federal, and/or state and local laws and regulations and any other costs including transaction privilege taxes, unemployment compensation insurance, Social Security and Worker's Compensation, and require the same of all subcontractors.

11. TAX RESPONSIBILITY QUALIFICATION:

Contractor may be required to establish, to the satisfaction of City, that any and all fees and taxes due to the City or the State of Arizona for any License or Transaction Privilege taxes, Use Taxes or similar excise taxes, are currently paid (except for matters under legal protest). Contractor agrees to a waiver of the confidentiality provisions contained in the City Finance Code and any similar confidentiality provisions contained in Arizona statutes relative to State Transaction Privilege Taxes or Use Taxes. Contractor agrees to provide written authorization to the City Finance Department and to the Arizona State Department of Revenue to release tax information relative to Arizona Transaction Privilege Taxes or Arizona Use Taxes in order to assist the Department in evaluating Contractor's qualifications for and compliance with contract for duration of the term of contract.

12. NO ISRAEL BOYCOTT:

By entering into this contract, the Contractor certifies that they are not currently engaged in, and agrees for the duration of the contract to not engage in, a boycott of goods or services from Israel.

SECTION III – SPECIAL TERMS AND CONDITIONS

CITY OF PHOENIX

SECTION III – SPECIAL TERMS AND CONDITIONS

1. **FREE ON BOARD (FOB):** Prices quoted shall be FOB destination and delivered, as required, to the following point(s) and any additional locations that may be added throughout the term of the contract:
 - Burton Barr Central Library, 1221 N. Central Avenue, Phoenix, AZ 85004
 - Phoenix Municipal Court, 300 W. Washington Street, Phoenix, AZ 85003
 - Phoenix City Hall, 200 W. Washington Street, Phoenix, AZ 85003

2. **PRICE:** All prices submitted shall be firm and fixed for the initial one year of the contract. Thereafter, price increases will be considered annually provided the adjustments are submitted in writing with 30 days' notice to the Procurement Officer. Price increase requests shall be accompanied with written documentation to support the increase, such as a letter from the manufacturer, published price index, applicable change in law, etc. Price decrease requests do not require supporting documentation and are allowed at any time during the contract term. The City will be the sole judge in determining the allowable increase amount. Price increases agreed to by any staff other than the Deputy Finance Director or Department Director are invalid. The Contractor acknowledges and agrees to repay all monies paid because of a requested price increase unless the increase was specifically approved, in writing, by the Deputy Finance Director or Department Director.

3. **METHOD OF ORDERING:** Contractor shall deliver items and/or services only upon receipt of a written purchase order. All Contractor invoices and packing/delivery tickets must include the City of Phoenix purchase order number.

4. **METHOD OF INVOICING:** Invoice must be emailed in .pdf format to invoices@phoenix.gov and must include the following:
 - City purchase order number or shopping cart number
 - Items listed individually by the written description and part number.
 - Unit price, extended and totaled.
 - Quantity ordered, back ordered, and shipped.
 - Applicable tax
 - Invoice number and date.
 - Requesting department name and "ship-to" address.
 - Payment terms.
 - FOB terms.
 - Remit to address
 - Work order number
 - First and last name of City RequestorThe original invoice from the subcontractor must be submitted with the Contractor's invoice for payment and must follow the Method of Invoicing requirements as stated herein.

5. **METHOD OF PAYMENT:** Payment to be made from Contractor's invoice and a copy of the signed delivery/service ticket submitted to cover items received and accepted during the billing period.

6. **PARTIAL PAYMENTS:** Partial payments are not authorized on individual purchase orders. Payment will be made upon final delivery and acceptance of all goods and services on the purchase order.

SECTION III – SPECIAL TERMS AND CONDITIONS

CITY OF PHOENIX

- 7. **SUPPLIER PROFILE CHANGES:** It is the responsibility of the Contractor to promptly update their profile in procurePHX at www.phoenix.gov/procure. If Contractor's legal identify has changed, the Procurement Officer must be notified immediately. Failure to do so may result in non-payment of invoices and contract termination.
- 8. **ESTIMATED QUANTITIES OR DOLLAR AMOUNTS:** Quantities and dollar amounts listed are the City's best estimate and do not obligate the City to order or accept more than City's actual requirements during the period of this agreement, as determined by actual needs and availability or appropriated funds. It is expressly understood and agreed that the resulting contract is to supply the City with its complete actual requirement for the contract period.
- 9. **AUTHORIZED CHANGES:** The City reserves the right at any time to make changes in any one or more of the following: (a) specifications; (b) methods of shipment or packing; (c) place of delivery; (d) time of delivery; and/or (e) quantities. If the change causes an increase or decrease in the cost of or the time required for performance, an equitable adjustment may be made in the price or delivery schedule, or both. Any claim for adjustment will be deemed waived unless asserted in writing within thirty days from the receipt of the change. Price increases or extensions of delivery time will not be binding on the City unless evidenced in writing and approved by the Deputy Finance Director or Department Director prior to the institution of the change.
- 10. **CLEANING:** Contractor will keep the premises clean of all rubbish and debris generated by the work involved and will leave the premises neat and clean. All surplus material, rubbish, and debris will be disposed of by the Contractor at their expense. The work area shall be cleaned at the end of each work day.

All materials, tools, equipment, etc., shall be removed or safely stored. The City is not responsible for theft or damage to the Contractor's property. All possible safety hazards to workers or the public must be corrected immediately and left in a safe condition at the end of each work day. If there is a question in this area, the City's department contact will be consulted.
- 11. **SUSPENSIONS OF WORK:** The Procurement Officer and the project manager reserve the right to suspend work wholly or in part if deemed necessary for the best interest of the City. This suspension will be without compensation to the Contractor, other than to adjust the contract completion/delivery requirements.
- 12. **HOURS OF WORK:** All work under this contract shall be coordinated with the City's project manager. Any changes to the established schedule must have prior written approval by the City's project manager.
- 13. **POST AWARD CONFERENCE:** A post-award conference will be held by the Procurement Officer or project manager prior to commencement of any work on the project. The purpose of this conference is to discuss critical elements of the work schedule and operational problems and procedures.
- 14. **PERFORMANCE INTERFERENCE:** Contractor shall notify the City's department contact immediately of any occurrence and/or condition that interferes with the full performance of the contract and confirm it in writing within 24 hours.

- 15. **COOPERATIVE AGREEMENT:** In addition to the City and with approval of the Contractor, this contract may be extended for use by other municipalities and government agencies in the State of Arizona.

A current listing of eligible entities may be found at www.mesaaz.gov/business/purchasing/save Any such usage by other entities must be in accordance with the ordinance, charter and/or procurement rules and regulations of the respective entity. Orders placed by other agencies and payment thereof will be the sole responsibility of that entity. The City shall not be responsible for any disputes arising out of transactions made by other entities who utilize this solicitation.

- 16. **ADVERTISING:** Contractor will not advertise or publish news releases concerning this contract without the prior written consent of the Deputy Finance Director or Department Director, and the City will not unreasonably withhold permission.

- 17. **EXCLUSIVE POSSESSION:** All services, information, computer program elements, reports, and other deliverables which may be created under this contract are the sole property of the City of Phoenix and will not be used by the Contractor or any other person except with prior written permission by the City.

- 18. **STRICT PERFORMANCE:** Failure of either party to insist upon the strict performance of any item or condition of the contract or to exercise or delay the exercise of any right or remedy provided in the contract, or by law, or the acceptance of materials or services, obligations imposed by this contract, or by law, will not be deemed a waiver of any right of either party to insist upon the strict performance of the contract.

- 19. **LICENSES AND PERMITS:** Contractor will keep current Federal, State, and local licenses and permits required for the operation of the business conducted by the Contractor as applicable to this contract.

- 20. **MISCELLANEOUS FEES:** Additional charges for fuel surcharges, delivery charges, dealer prep, environmental fees, waste disposal, shop supplies, set-up, freight and/or shipping and handling, etc. will not be paid. These costs must be incorporated in the pricing provided in the bid price schedule.

Labor rates (Shop and On-site) shall be charged as a flat hourly rate and are allowed only in performance of services under this agreement. Travel hours and other incidental fees will not be permitted under this agreement. Labor hours will be from “check-in” to “check-out” at the worksite.

- 21. **COMMUNICATION IN ENGLISH:** It is mandatory that the Contractor’s lead person assigned to any City facility can speak, read, and write in English to effectively communicate with City staff.

- 22. **BACKGROUND SCREENING:** Contractor agrees that all Contractor and subcontractors’ workers (collectively “Contract Worker(s)”) pursuant to this Agreement will be subject to background and security checks and screening (collectively “Background Screening”) at Contractor’s sole cost and expense, unless otherwise provided for in the scope of work. Contractor’s background screening will comply with all

SECTION III – SPECIAL TERMS AND CONDITIONS

CITY OF PHOENIX

applicable laws, rules and regulations. Contractor further agrees that the background screening is necessary to preserve and protect the public health, safety and welfare. The City requires a completed Contract Worker Badge/Key/Intrusion Detection Responsibilities Agreement for each Contract Worker who requires a badge or key.

22.1 Background Screening Risk Level: The City has established two levels of risk: Standard and Maximum risk. If the scope of work changes, the City may amend the level of risk, which could require the Contractor to incur additional contract costs to obtain background screens or badges.

22.2 Terms of This Section Applicable to all Contractor's Contracts and Subcontracts: Contractor will include Contract Worker background screening in all contracts and subcontracts for services furnished under this agreement.

22.3 Materiality of Background Screening Requirements; Indemnity: The background screening requirements are material to City's entry into this agreement and any breach of these provisions will be deemed a material breach of this contract. In addition to the indemnity provisions set forth in this agreement, Contractor will defend, indemnify and hold harmless the City for all claims arising out of this background screening section including, but not limited to, the disqualifications of a Contract Worker by Contractor. The background screening requirements are the minimum requirements for the Agreement. The City in no way warrants that these minimum requirements are sufficient to protect Contractor from any liabilities that may arise out of the Contractor's services under this Agreement or Contractor's failure to comply with this section. Therefore, Contractor and its Contract Workers will take any reasonable, prudent and necessary measures to preserve and protect public health, safety and welfare when providing services under this Agreement.

22.4 Continuing Duty; Audit: Contractor's obligations and requirements will continue throughout the entire term of this Agreement. Contractor will maintain all records and documents related to all background screenings and the City reserves the right to audit Contractor's records.

22.5 Contractor's Default; Liquidated Damages; Reservation of Remedies for Material Breach: If Contractor is required to access any City facilities without an escort, City badging is required. Contractor's default under this section will include, but is not limited to, the following:

- Contract Worker gains access to a City facility(s) without the proper badge or key;
- Contract Worker uses a badge or key of another to gain access to a City facility;
- Contract Worker commences services under this agreement without the proper badge, key or background screening;
- Contract Worker or Contractor submits false information or negligently submits wrong information to the City to obtain a badge, key or applicable background screening; or
- Contractor fails to collect and timely return Contract Worker's badge or key upon termination of Contract Worker's employment, reassignment of Contract Worker to another City facility or upon the expiration, cancellation or termination of this Agreement.
- Contractor acknowledges and agrees that the access control, badge and key requirements in this section are necessary to preserve and protect the public health, safety and welfare. Accordingly, Contractor agrees to properly cure any default under

SECTION III – SPECIAL TERMS AND CONDITIONS

CITY OF PHOENIX

this section within three business days (excluding weekends and City holidays) from the date notice of default is sent by the City. The parties agree that Contractor's failure to properly cure any default under this section will constitute a breach of this section. In addition to any other remedy available to the City at law or in equity, the Contractor will be liable for and pay to the City the sum of \$1,000.00 for each breach by Contractor in this section. The parties further agree that the sum fixed above is reasonable and approximates the actual or anticipated loss to the City at the time and making of this agreement if Contractor breaches this section. Further, the parties expressly acknowledge and agree to the fixed sum set forth above because of the difficulty of proving the City's actual damages if Contractor breaches this section. The parties further agree that three breaches by Contractor in this section arising out of any default within a consecutive period of three months or three breaches by Contractor in this section arising out of the same default within a period of 12 consecutive months will constitute a material breach of this agreement by Contractor and the City expressly reserves all of its rights, remedies and interests under this agreement, at law and in equity including, but not limited to, termination of this agreement.

22.6 Employee Identification and Access: Contract Workers are forbidden access to designated restricted areas. Access to each building will be as directed by the authorized Phoenix authorized representative. Contract Workers are not authorized access other than during scheduled hours. Access to the building will be directed by the City's authorized representative.

Only authorized Contract Workers are allowed on the premises of the City facilities/buildings. Contract Workers are not to be accompanied in the work area by acquaintances, family members, assistants or any other person unless said person is an authorized Contract Worker.

Unless otherwise provided for in the scope of work:

- Contract Workers must **always** have city issued badges and some form of verifiable company identification (badge, uniform, employee id).
- Contractor will supply a list of the names and titles of all employees requiring access to the buildings. It is the Contractor's responsibility to provide updates and changes of personnel as necessary.

22.7 Key Access Procedures: If the Contractor Worker's services require keyed access to enter a City facility(ies), a separate key issue/return form must be completed and submitted by the Contractor for each key issued. Contractor must submit the completed key issue/return form to the appropriate badging office.

22.8 Stolen or Lost Badges or Keys: Contractor must immediately report lost or stolen badges or keys to the City's appropriate badging office. If the badge/key was stolen, Contract Worker's must report the theft to their local police department. Prior to issuance of a new badge or key, a new badge application or key issue form must be completed, submittal of a police department report for stolen badges, and applicable payment of the fee(s) listed herein.

22.9 Return of Badge or Key: All badges and keys are the property of the City and must be returned to the City at the badging office within one business day (excluding weekends

SECTION III – SPECIAL TERMS AND CONDITIONS

CITY OF PHOENIX

and City holidays) of when the Contract Worker’s access to a City facility is no longer required to furnish the services under this agreement. Contractor will collect a Contract Worker’s badge and key(s) upon the termination of the Contract Worker’s employment; when the Contractor Worker’s services are no longer required at a City facility(s); or upon termination, cancellation or expiration of this agreement.

22.10 Badge and Key Fees: The following constitute the badge and key fees under this agreement. The City reserves the right to amend these fees upon a 30-day prior written notice to Contractor.

- Replacement Badge Fee: \$55.00 per badge
- Lost/Stolen Badge Fee: \$55.00 per badge
- Replacement Key Fee: \$55.00 per key
- Replacement Locks: \$55.00 per lock

23. BACKGROUND SCREENING – MAXIMUM RISK:

23.1 The current risk level and background screening required is **MAXIMUM RISK**.

23.2 Maximum Risk Level: A maximum risk background screening will be performed every five years when the Contract Worker’s work assignment will:

- work directly with vulnerable adults or children, (under age 18); or
- any responsibility for the receipt of payment of City funds or control of inventories, assets, or records that are at risk of misappropriation; or
- unescorted access to:
 - City data centers, money rooms, high-valve equipment rooms; or
 - unescorted access to private residences; or
 - access to critical infrastructure sites/facilities; or
 - direct or remote access to Criminal Justice Information Systems (CJIS) infrastructure.

23.3 Requirements: The background screening for maximum risk level will include a background check for real identity/legal name and will include felony and misdemeanor records from any county in the United States, the State of Arizona, plus any other jurisdiction where the Contractor worker has lived at any time in the preceding seven years from the Contract Worker’s proposed date of hire. In addition, Maximum screening levels may require additional checks as included herein, depending on the scope of work, and may be amended if the scope of work changes.

23.4 Additional Maximum Risk Background Checks: Maximum screening will additionally require:

- Credit Check (for cash handling, accounting, and compliance positions only)
- Driving records (for driving positions only)
- Fingerprint verification (when Contract Worker is working directly with children or vulnerable adults or scope takes the individual to a City location with Criminal Justice Information System (CJIS) access.)

SECTION III – SPECIAL TERMS AND CONDITIONS

CITY OF PHOENIX

23.5 **Maximum Risk Background Criminal Justice Information Services (CJIS) Check** **Must Include:**

- Criminal records - Conviction of a misdemeanor(s) (not including traffic or parking violation) or felony(ies).
- Sexual offender search
- All outstanding warrants
- Currently the focus of a criminal investigation
- Currently on parole or probation

23.6 **Contractor Certification; City Approval of Maximum Risk Background Screening:**

Unless otherwise provided for in the Scope of Work, Contractor will be responsible for:

- determining whether Contract Worker(s) are disqualified from performing work for the City for maximum risk level background checks; and,
- submitting pass/fail results to the City for approval; and,
- reviewing the results of the background check every three to five years, dependent on scope; and,
- to engage in whatever due diligence is necessary to make the decision on whether to disqualify a Contract Worker; and,
- Submitting the list of qualified Contract Workers to the contracting department; and,
- If, upon review of the background information, the City will advise the Contractor if it believes a Contract Worker should be disqualified. The Contractor will evaluate the Contract Worker and if the Contractor believes that there are extenuating circumstances that suggest that the person should not be disqualified, the Contractor will discuss those circumstances with the contracting department. The contracting department decision on disqualification of a Contract Worker is final.
- For sole proprietors, the Contractor must comply with the background check for himself and any business partners, or members or employees who will assist on the contract and for whom the requirements of the Agreement apply.
- By executing this agreement, Contractor certifies and warrants that Contractor has read the background screening requirements and criteria in this section, and that all background screening information furnished to the City is accurate and current.
- The City final documented decision will be an “approve” or “deny” for identified Contract Workers.
- The City will not keep records related to background checks once they are confirmed. Information to verify the results will be returned to the Contractor, or any contracted agency that assists with review, after the City’s completed review.
- By executing this agreement, Contractor further certifies and warrants that Contractor has satisfied all such background screening requirements for the maximum risk background screening, and verified legal worker status, as required.
- Contract Workers will not apply for the appropriate City of Phoenix identification and access badge or keys until Contractor has received the City’s written acceptance of Contract Worker’s maximum risk background screening. The City may, in its sole discretion, accept or reject any or all the Contract Workers proposed by Contractor for performing work under this Agreement. A Contract Worker rejected for work at a maximum risk level under this agreement will not be proposed to perform work under other city contracts or engagements without city’s prior written approval.
- For any childcare or health worker positions, or Criminal Justice Information Systems access in the scope of work, Contractor is required to send the City updated background checks *every three years*.

SECTION III – SPECIAL TERMS AND CONDITIONS

CITY OF PHOENIX

- The Contractor will submit prior to scheduling any services, a current list of names, addresses, and social security numbers of all employees requiring access to the facility. The Contractor is responsible for obtaining security clearance from the Police Department for all employees. The City reserves the right to change the restricted areas as needed. The Contractor grants the rights to the Police Department to conduct background checks of all employees entering the building. All employees will submit to the background check before access to the facility is given.
- The background checks will be conducted prior to any employee entering to work and will be based upon information provided to the Police Department including, but not limited to: name, address, date and place of birth, social security number, INS number if applicable, and a copy of a valid photo identification. The information will be provided to the Public Works Department at least five business days (excluding weekends and holidays) in advance of the need for access. The form will be provided by the Public Works Department. A designated Public Works Department representative will conduct the security check.
- The City may, at any time, in its sole discretion, refuse to allow an employee access to an area for any of the following reasons, but not limited to:
 - Conviction of a felony.
 - Conviction of a misdemeanor (not including traffic or parking violation).
 - Any outstanding warrants (including traffic and parking violations).
 - A person currently on parole or probation.
 - A person currently involved in an investigation.

24. SECURITY INQUIRIES: Contractor acknowledges that all of the employees that it provides pursuant to this Contract shall, at Contractor’s expense, be subject to background and security checks and screening at the request of the City. Contractor shall perform all such security inquiries and shall make the results available to the City for all employees considered for performing work (including supervision and oversight) under this Contract. City may make further security inquiries. Whether or not further security inquiries are made by the City, City may, at its sole, absolute and unfettered discretion, accept or reject any or all of the employees proposed by the Contractor for performing work under this Contract. Employees rejected by the City for performing services under this Contract may still be engaged by Contractor for other work not involving the City. An employee rejected for work under this Contract shall not be proposed to perform work under other City contracts or engagements without the City’s prior approval.

The City, in its sole discretion, reserves the right, but not the obligation to:

- require an employee/prospective employee of the Contractor to provide fingerprints and execute such other documentation as may be necessary to obtain criminal justice information pursuant to A.R.S. 41-1750 (G) (4);
- act on newly acquired information whether or not such information should have been previously discovered;
- unilaterally change its standards and criteria relative to the acceptability of Contractor’s employees and/or prospective employees; and
- object, at any time and for any reason, to an employee of Contractor performing work (including supervision and oversight) under this Agreement. Contractor will bear the costs of all inquiries requested by the City.

25. EXCLUSIVE POSSESSION

SECTION III – SPECIAL TERMS AND CONDITIONS

CITY OF PHOENIX

All services, information, computer program elements, reports, and other deliverables which may be created under this contract are the sole property of the City of Phoenix and will not be used by the Contractor or any other person except with prior written permission by the City.

26. CONFIDENTIALITY AND DATA SECURITY

- 26.1** All data, regardless of form, including originals, images and reproductions, prepared by, obtained by, or transmitted to Contractor in connection with this Agreement is confidential, proprietary information owned by the City, unless otherwise agreed upon within this Agreement. Except as specifically provided in this Agreement, the Contractor shall not disclose data generated in the performance of the service to any third person without the prior written consent of the City Manager or his/her designee.
- 26.2** Contractor agrees to abide by all current applicable legal and industry data security and privacy requirements and to notify the City immediately if the scope of work changes or personal identifying information or information subject to Payment Card Industry Standards becomes part of the Agreement.
- 26.3** Contractor agrees to comply with all City information security and technology policies, standards, and procedures when accessing City networks and computerized systems whether onsite or remotely.
- 26.4** A violation of this Section may result in immediate termination of this Agreement without notice. The obligations of Contractor under this Section shall survive the termination of this Agreement.

27. LIQUIDATED DAMAGES

If the Contractor fails to deliver the supplies or perform the services within the time specified in its contract, or any extension thereof, the actual damages to the City for the delay will be difficult or impossible to determine. Therefore, in lieu of actual damages, the Contractor shall pay to the City as fixed, agreed, and liquidated damages for each calendar day of delay, the amount of \$100. Procurement Division may terminate this contract in whole or in part as provided in the "Default" provision. In that event, the Contractor shall be liable for such liquidated damages accruing until such time as the City may reasonably obtain delivery or performance of similar supplies and services. The Contractor shall not be charged with liquidated damages when the delay arises out of causes beyond the control and without the fault or negligence. The Deputy Finance Director or Department Director will be the sole judge in determining the liquidated damages.

SECTION IV – INSURANCE AND INDEMNIFICATION

1. **INDEMNIFICATION CLAUSE:**

Contractor (Indemnitor) must indemnify, defend, save and hold harmless the City of Phoenix and its officers, officials, agents, and employees ("Indemnatee") from and against any and all claims, actions, liabilities, damages, losses, or expenses (including court costs, attorneys' fees, and costs of claim processing, investigation and litigation) ("Claims") caused, or alleged to be caused, in whole or in part, by the wrongful, negligent or willful acts, or errors or omissions of Contractor or any of its owners, officers, directors, agents, employees or subcontractors in connection with this Contract. This indemnity includes any Claims arising out of or recovered under the Workers' Compensation Law or arising out of the failure of Contractor to conform to any federal, state or local law, statute, ordinance, rule, regulation or court decree. Contractor must indemnify Indemnatee from and against any and all Claims, except those arising solely from Indemnatee's own negligent or willful acts or omissions. Contractor will be responsible for primary loss investigation, defense and judgment costs where this indemnification applies. In consideration of the award of this Contract, Contractor waives all rights of subrogation against Indemnatee for losses arising from the work performed by Contractor for the City. The obligations of Contractor under this provision survive the termination or expiration of this Contract.

2. **INSURANCE REQUIREMENTS:**

Contractor and subcontractors must procure insurance against claims that may arise from or relate to performance of the work hereunder by Contractor and its agents, representatives, employees and subcontractors. Contractor and subcontractors must maintain that insurance until all of their obligations have been discharged, including any warranty periods under this Contract.

These insurance requirements are minimum requirements for this Contract and in no way limit the indemnity covenants contained in this Contract. The City in no way warrants that the minimum limits stated in this section are sufficient to protect the Contractor from liabilities that might arise out of the performance of the work under this contract by the Contractor, its agents, representatives, employees or subcontractors and Contractor is free to purchase additional insurance as may be determined necessary.

2.1. **MINIMUM SCOPE AND LIMITS OF INSURANCE:** Contractor must provide coverage with limits of liability not less than those stated below. An excess liability policy or umbrella liability policy may be used to meet the minimum liability requirements provided that the coverage is written on a "following form" basis.

2.1.1. **Commercial General Liability – Occurrence Form**

Policy must include bodily injury, property damage and broad form contractual liability coverage.

General Aggregate	\$2,000,000
Products – Completed Operations Aggregate	\$1,000,000
Personal and Advertising Injury	\$1,000,000
Each Occurrence	\$1,000,000

The policy must be endorsed to include the following additional insured language: "The City of Phoenix is named as an additional insured with respect to liability

SECTION IV – INSURANCE AND INDEMNIFICATION

CITY OF PHOENIX

arising out of the activities performed by, or on behalf of the Contractor.”

2.1.2. Automobile Liability

Bodily Injury and Property Damage coverage for any owned, hired, and non-owned vehicles used in the performance of this Contract.

Combined Single Limit (CSL) \$1,000,000

The policy must be endorsed to include the following additional insured language: “The City of Phoenix is named as an additional insured with respect to liability arising out of the activities performed by, or on behalf of the Contractor, including automobiles owned, leased, hired or borrowed by the Contractor.”

2.1.3. Worker’s Compensation and Employers’ Liability

Workers’ Compensation	Statutory
Employers’ Liability	
Each Accident	\$100,000
Disease – Each Employee	\$100,000
Disease – Policy Limit	\$500,000

- Policy must contain a waiver of subrogation against the City of Phoenix.
- This requirement does not apply when a contractor or subcontractor is exempt under A.R.S. §23-902(E), **AND** when such contractor or subcontractor executes the appropriate sole proprietor waiver form.

3. ADDITIONAL INSURANCE REQUIREMENTS: The policies must include, or be endorsed to include, the following provisions:

- On insurance policies where the City of Phoenix is named as an additional insured, the City of Phoenix is an additional insured to the full limits of liability purchased by the Contractor even if those limits of liability are in excess of those required by this Contract.
- The Contractor’s insurance coverage must be primary insurance and non-contributory with respect to all other available sources.

4. NOTICE OF CANCELLATION: For each insurance policy required by the insurance provisions of this Contract, the Contractor must provide to the City, within 2 business days of receipt, a notice if a policy is suspended, voided or cancelled for any reason. Such notice must be mailed, emailed, hand delivered or sent by facsimile transmission to **(City of Phoenix Public Works Department, Amanda Cook, 200 W. Washington Street, 7th Floor, Phoenix, AZ 85003).**

5. ACCEPTABILITY OF INSURERS: Insurance is to be placed with insurers duly licensed or authorized to do business in the state of Arizona and with an “A.M. Best” rating of not less than B+ VI. The City in no way warrants that the above-required minimum insurer rating is sufficient to protect the Contractor from potential insurer insolvency.

6. VERIFICATION OF COVERAGE: Contractor must furnish the City with certificates of insurance (ACORD form or equivalent approved by the City) as required by this Contract. The certificates for

SECTION IV – INSURANCE AND INDEMNIFICATION

CITY OF PHOENIX

each insurance policy are to be signed by a person authorized by that insurer to bind coverage on its behalf.

All certificates and any required endorsements are to be received and approved by the City before work commences. Each insurance policy required by this Contract must be in effect at or prior to commencement of work under this Contract and remain in effect for the duration of the project. Failure to maintain the insurance policies as required by this Contract or to provide evidence of renewal is a material breach of contract.

All certificates required by this Contract must be sent directly to **(City of Phoenix Public Works Department, Amanda Cook, 200 W. Washington Street, 7th Floor, Phoenix, AZ 85003)**. The City project/contract number and project description must be noted on the certificate of insurance. The City reserves the right to require complete, certified copies of all insurance policies required by this Contract at any time. **DO NOT SEND CERTIFICATES OF INSURANCE TO THE CITY'S RISK MANAGEMENT DIVISION.**

7. **SUBCONTRACTORS:** Contractors' certificate(s) must include all subcontractors as additional insureds under its policies **or** Contractor must furnish to the City separate certificates and endorsements for each subcontractor. All coverages for subcontractors must be subject to the minimum requirements identified above.
8. **APPROVAL:** Any modification or variation from the insurance requirements in this Contract must be made by the Law Department, whose decision is final. Such action will not require a formal Contract amendment, but may be made by administrative action.

SECTION V – SCOPE OF WORK

CITY OF PHOENIX

SECTION V – SCOPE

1. INTRODUCTION

- 1.1. The City of Phoenix (City) is seeking to establish contract(s) for the inspection and testing of Smoke Control Systems and providing a list of recommended repairs. The Smoke Control Inspector will provide all labor, supervision, equipment, tools, incidentals, insurance, legal disposal (to include batteries), and reporting necessary to inspect, test, and repair, and/or replace City of Phoenix Fire & Life Safety Systems (FLSS).
- 1.2. Group I – Testing, Inspection, and list of corrective actions:
 - 1.2.1 Smoke Control Systems
- 1.3. Smoke Control Systems Summary and Minimum Inspection Requirements
- 1.4. The smoke control systems in the following buildings require periodic inspection:
 - 1.4.1 Burton Barr Central Library
 - 1.4.2 Phoenix Municipal Court
 - 1.4.3 Phoenix City Hall
- 1.5. The primary contact for the City of Phoenix will be the City Department Contact Representative (CDCR) and the City of Phoenix Planning & Development Fire Protection Engineer (PDFPE).

2. SCOPE

- 2.1. **Code Requirements and Inspection Frequency**
 - 2.1.1 The smoke control systems identified under this contract were designed and constructed prior to the current Phoenix Construction Code (PCC). However, the current PCC is providing the typical frequency and requirements for testing these life safety systems. The code of construction for each system will be utilized for inspection and testing requirements when applicable for existing, non-conforming smoke control systems.
 - 2.1.2 In accordance with International Building Code (IBC) and International Fire Code (IFC) smoke control systems are required to be inspected and maintained on a periodic basis.
 - 2.1.3 In accordance with IFC, Section 909.20, smoke control systems are required to be maintained to ensure to a reasonable degree that the system is capable of controlling smoke for the duration required.
 - 2.1.4 The system is required to be maintained in accordance with the manufacturer's instructions and IFC, Sections 909.20.1 through 909.20.6.
 - 2.1.5 The frequency of periodic testing is specified as follows:
 - 2.1.5.1 Dedicated smoke control systems are required to be operated for each control system semiannually and under standby power conditions in accordance with IFC Section 909.20.4.
 - 2.1.5.2 Nondedicated smoke control systems are required to be operated for each control system semiannually and under standby power conditions in accordance with IFC Section 909.20.4.

SECTION V – SCOPE OF WORK

CITY OF PHOENIX

2.1.5.2.1. The smoke control systems identified above are nondedicated smoke control systems and share equipment with the building heating and air systems.

- 2.1.6 An annual inspection may be required as requested by the CDCR and required by the Phoenix Fire Marshal. This inspection will be required only if the inspection frequency is changed to annual by the Phoenix Fire Marshal.
- 2.1.7 Every five years, the City of Phoenix requires a full recommissioning including Special Inspection of the smoke control system.

2.2. Inspection and Testing Minimum Requirements

- 2.2.1 Any deficiencies and/or equipment failures shall be brought to the immediate attention of the CDCR and the City of Phoenix P&D Fire Protection Engineer.
 - 2.2.1.1 Failure of smoke control equipment critical to the operation and performance of the smoke control system will require repair prior to the completion of the inspection and tests.
- 2.2.2 A summary of each smoke control system's design, smoke control strategy, sequence of operation, and additional testing requirements is provided under Additional Requirements. This is not intended to be comprehensive or take into account changes in each building space between inspections.
- 2.2.3 The Smoke Control Inspector shall review the available smoke-control system design documentation including mechanical drawings, electrical drawings, fire alarm, prior testing, and the Fire/Life-Safety Report (if available) and become familiar with the smoke control panel and its operation.
- 2.2.4 The Smoke Control Inspector will develop a test plan and schedule, then submit it to the CDCR and City of Phoenix P&D Fire Protection Engineer for review.
- 2.2.5 The smoke control system will be functionally tested and activated under each sequence of operation. A fire detection device located in each smoke control zone and/or floor will be used to activate the smoke control system, per the sequence of operation.
 - 2.2.5.1 The smoke control system shall be activated by a fire sprinkler waterflow switch on each floor or zone at a minimum.
 - 2.2.5.2 Additional fire detection device activations may be required based on the smoke control system design. These devices may include spot-type smoke detection, beam smoke detection, heat detection, or manual pull stations.
- 2.2.6 The following measurements are required for smoke control systems using the pressurization method with pressurized stairwells. The differential pressure between the pressurized stairwell(s) and the building will be measured and recorded. The differential pressure is required to be between 0.10 and 0.35 inches of water (inH₂O) in accordance with IBC, section 909.20.5.
- 2.2.7 The following measurements are required for smoke control systems using the pressurization method and smoke barriers. The differential pressure between the pressurized zones will be measured and recorded. The differential pressure is required to be not less than 0.05 inches of water (inH₂O) in accordance with IBC, section 909.6.1.
- 2.2.8 The exit door opening forces are required to be measured with the smoke control system operational. During pressurized conditions, exit door opening forces are not permitted to exceed 30-pounds of opening force in accordance with IBC, Section 909.6.2.

SECTION V – SCOPE OF WORK

CITY OF PHOENIX

- 2.2.9 The Firefighter's Smoke Control Panel (FSCP) will be visually inspected. For each sequence of operation, the FSCP will be confirmed to configure properly and illuminate the indicator appropriate indicator lights. Any deficiencies will be documented.
 - 2.2.9.1 Damper position will be confirmed for each sequence.
 - 2.2.9.2 Sensing of airflow will be confirmed for each sequence.
- 2.2.10 Elevator's will be confirmed to recall to the ground floor at least twice during testing. Document if the doors fail to open upon recall.
- 2.2.11 Additional inspection and testing requirements unique to each building's smoke control system are provided under Additional Requirements.

2.3. Standby Power Testing Minimum Requirements

- 2.3.1 The smoke control system is required to be tested while on secondary power in accordance with IFC, Section 909.20.4 and 909.20.5. This will require coordination with CDCR to ensure a successful test. The standby power test can be performed in less than one hour. However, the standby power test could require an entire day for preparation, testing and restoration. Planning will be the key to a successful test.
- 2.3.2 The standby power test will require the following steps at a minimum:
 - 2.3.2.1 Facilitate a planning and coordination meeting with the CDCR. Identify critical systems to be isolated and shutdown, sensitive equipment to protect, building occupants who need notification.
 - 2.3.2.2 The smoke control system is activated under normal power and allowed to stabilize for several minutes. If multiple sequences of operation exist, the smoke control system sequence requiring the most power will be selected.
 - 2.3.2.3 The transfer of power shall be witnessed by the Smoke Control Inspector and the duration for the transfer of power documented.
 - 2.3.2.4 Normal power is disconnected and the generator activates and transfers power to the smoke control system.
 - 2.3.2.5 Transfer to full standby power is automatic and occurs within 60 seconds of loss of normal power.
 - 2.3.2.6 The smoke control system operates under standby power for 15 minutes. Verify all smoke control equipment restarts and is operating properly after loss of normal power.
 - 2.3.2.7 Fire-detection and control systems shall be supervised at the fire control panel and provide positive confirmation of actuation, testing of devices, manual override mechanisms and the presence of power downstream of all disconnects.
 - 2.3.2.8 After 15 minutes, normal power is restored, and the system continues to operate properly. Verify all smoke control equipment is operating properly. After the generator cool down, the building will be inspected by City of Phoenix staff for any potential issues related to the test.

2.4. Smoke Control Inspection Report Minimum Requirements:

- 2.4.1 The Smoke Control System Inspector shall submit a final, signed inspection report reviewed by the Registered Design Professional to the CDCR and City of Phoenix P&D Fire Protection Engineer for review.

SECTION V – SCOPE OF WORK

CITY OF PHOENIX

2.4.1.1 The smoke control system inspection report is required to have the following statement from the Registered Design Professional:

“I have reviewed this inspection report and by personal knowledge certify that the smoke-control system is in general compliance with the design intent, capable of controlling smoke to a reasonable degree, and to the best of my understanding complies with the requirements of the City of Phoenix Construction Code and/or the code of construction.”

2.4.2 The smoke control inspection report must include:

2.4.2.1 A list identifying the smoke control system devices inspected. Smoke control system fan manufacturers, nameplate data, horsepower, measured values, and identification tags or marks will be recorded.

2.4.2.2 The sequence of operation used to confirm operation and the results of the testing of each sequence;

2.4.2.3 The differential pressure measurements taken across smoke barriers in accordance with IBC, Section 909.6;

2.4.2.4 The exit door opening force measurements and a diagram identifying the exit door locations;

2.4.2.5 The duration of the transfer from normal power to secondary power while the system is operating;

2.4.2.6 A list of deficiencies and corrective actions for failed tests and/or broken or inoperable equipment; and

2.4.2.7 Document any changes to the building space or smoke control equipment which could affect the operation of the system.

2.4.3 The report shall be reviewed by the CDCR and the City of Phoenix PDFPE. When satisfied that the design intent has been achieved and the smoke control system is capable of controlling smoke to a reasonable degree, the City of Phoenix PDFPE will provide a letter indicating the inspection report has been reviewed and accepted to the CDCR.

2.4.4 A copy of the report will be provided to the CDCR within seven calendar days after the completion of the inspection.

2.4.5 The smoke control system inspection report is required to be maintained in accordance with IFC, Section 909.20.2.

2.5. Minimum Technical Level of Training and Certification

2.5.1 The smoke control system periodic inspection will require a team of contractors including a Fire Alarm Contractor, Certified Test and Balance Contractor, and Registered Design Professional at a minimum.

2.5.2 Contractor will possess a minimum of five years' experience in smoke control systems inspection and testing.

2.5.3 The Smoke Control Inspector(s) shall be a qualified person(s) who demonstrate competence to the satisfaction of the Official for the type of works requiring Special Inspection(s). These individual(s) shall be responsible for performing the inspection tasks and preparing the report(s) documenting the periodic inspection and testing.

2.5.4 The minimum technical level of training for contractors performing smoke control system inspections is provided below:

2.5.4.1 Fire Alarm Contractor Requirements

- NICET III (company)
- NICET II or NICET I (management/supervisor)

SECTION V – SCOPE OF WORK

CITY OF PHOENIX

- CSA certified factory technician (technician)
 - Phoenix Fire Department Business Certificate (technicians)
 - B-1 Contractors license (if applicable)
- 2.5.4.2 Certified Test and Balance Contractor
- Nationally Recognized Certification in air balance, smoke control, life safety or mechanical inspections. Recognized organizations include ICC, IAPMO, ABC, NEBB, TABB, NFPA, OSHA, IFC and CSP. Other organizations will be considered.
- 2.5.4.3 Registered Design Professional
- A Registered Design Professional in the State of Arizona, and a listed Smoke Control System Special Inspector in the State of Arizona.
 - The Registered Design Professional can be a Mechanical Engineer, or Fire Protection Engineer.
- 2.5.5 The Registered Design Professional can be employed by the Smoke Control Inspector(s) or Contractor responsible for the work.

3. LOCATIONS

- 3.1. There are currently three sites identified within this contract for testing:
- 3.1.1 Burton Barr Central Library
 - 3.1.2 Phoenix Municipal Court
 - 3.1.3 Phoenix City Hall
- 3.2. Each building was provided with a smoke control system (the System) including one or more of the following smoke control strategies:
- 3.2.1 Stair pressurization,
 - 3.2.2 Atrium exhaust, and
 - 3.2.3 Zoned smoke control (pressure sandwich).
- 3.3. The following information is provided to aid the contractor in developing a competitive bid to provide the requested services. This is in addition to the requirements of the main contract and provides requirements specific to each system.

4. BURTON BARR CENTRAL LIBRARY

4.1. System Description

- 4.1.1 The Library was opened in 1995. The smoke control system was designed according to the 1991 edition of the Uniform Building Code (UBC) with the 1992 supplement. The 1988 edition of the UBC was also reviewed to establish consistency with the material in the design report.
- 4.1.2 The System is a nondedicated system consisting of air handling units (AHU) and make-up air openings for supply air and exhaust fans.

4.2. System Design

- 4.2.1 The Library is divided into four smoke control zones:
- 4.2.1.1 Zone 1 consists of assembly areas to the north.
 - 4.2.1.2 Zone 2 consists of the main atrium and portions of Levels 1 and 2.
 - 4.2.1.3 Zone 3 consists of Level 3 excluding the atrium.
 - 4.2.1.4 Zone 4 consists of Level 4 excluding the atrium.
- 4.2.2 The system is activated in each zone by fire sprinkler waterflow, or any two (2) spot-smoke and/or beam detectors.

SECTION V – SCOPE OF WORK

CITY OF PHOENIX

- 4.2.3 The System uses the pressurization and minimum pressure differential method for a smoke barrier. Upon activation, the fire zone is exhausted to atmosphere using mechanical fans, and the AHU's in the active zone shutdown. The other three zones pressurize using the AHU's to achieve the minimum pressure differential between the pressurized and exhausted zones.
- 4.2.4 Zone 2 includes Levels 1, 2, the central core, and Level 5. The atrium exhaust fans are located on the roof, and the required make-up air openings are on Levels 1 and 2 to provide outside supply air. Each Zone 2 exhaust fan starts sequentially every 15 seconds after an initial 90 second delay.
- 4.2.5 The System is controlled by the original smoke control panel and a new programmable logic controller. The bulk of the System is hardwired to relays, open/close indicators, and pressure sensors. The main System relay panel is located on the second floor, east mechanical space with a second relay panel located in the west mechanical space. The System relays illuminate when the equipment is in the correct position and an LED indicator on the relay illuminates.

4.3. Smoke Control System Operation

Action		Active Smoke Control Zone			
		1	2	3	4
Zone 1	Supply (R1)		●	●	●
	Exhaust (R2)	●			
Zone 2	Supply (R1)	●		●	●
	Exhaust (R2)		●		
Zone 3	Supply (R1)	●	●		●
	Exhaust (R2)			●	
Zone 4	Supply (R1)	●	●	●	●
	Exhaust (R2)				●

4.4. Inspection History

- 4.4.1 The System was recommissioned in July of 2019 after being repaired.
- 4.4.2 In June 2019, an egress analysis was provided to the City of Phoenix to demonstrate that, though Zone 1 does not meet the minimum differential requirements, occupants can exit the zone before the smoke control system is operational.

4.5. Additional Testing Requirements

- 4.5.1 Each zone of the System will be activated in an exhaust mode using sprinkler waterflow switches for activation.
 - 4.5.1.1 All AHU's and exhaust fans will be visually confirmed to operate and/or shutdown.
 - 4.5.1.2 For Zone 2, all outside make up air dampers on Level 1 and 2 will be visually confirmed to operate.
- 4.5.2 Each zone of the System will be activated in an exhaust mode using spot-smoke detectors and/or beam smoke detectors.
 - 4.5.2.1 The minimum differential pressure between each zone will be measured and recorded in inches of water (inH₂O) at each communicating door. As

SECTION V – SCOPE OF WORK

CITY OF PHOENIX

required for a smoke barrier, the minimum differential pressure required is 0.05 inH₂O.

- 4.5.2.2 The locations of the fire detection devices will be recorded.
- 4.5.3 For each zone in the exhaust mode, the exit doors to the exterior exit stairways will be confirmed to operate for each zone. The force required to open the door against the negative pressure in the zone will be measured and recorded where applicable.
- 4.5.4 Secondary power test
 - 4.5.4.1 This test can be coordinated with any annual generator testing performed by the City of Phoenix.
 - 4.5.4.2 Zone 2 is the only smoke control zone required to be activated.
 - 4.5.4.3 Zone 2 will be activated automatically and allowed to operate for 5 minutes prior to removing normal power.
 - 4.5.4.4 The transfer or power will be measured on a stopwatch and the time to transfer power, system restart, and duration will be recorded.
 - 4.5.4.5 Zone 2 is required to run 15 minutes before transferring back to normal power.
 - 4.5.4.6 Consult with building technicians prior to performing the test to power down critical equipment and coordinate the transfer to secondary power.
- 4.5.5 Smoke Control Panel
 - 4.5.5.1 Each zone will be activated manually from the smoke control panel individually and the operation of the illuminated indicators will be recorded. At least 10 minutes should be provided before activating the next zone.

5. PHOENIX MUNICIPAL COURT

5.1. System Description

- 5.1.1 The Phoenix Municipal Court was constructed in 1995. The smoke control system (the System) was designed in accordance with the Phoenix Construction Code (PCC) effective January 1, 1996 and the 1994 edition of the Uniform Building Code (UBC).
- 5.1.2 The System is a nondedicated system consisting of rooftop air handling equipment (supply and exhaust) and mechanical fans for stair pressurization.

5.2. System Design

- 5.2.1 The System was designed in accordance with the 1994 UBC.
- 5.2.2 The System uses the zoned smoke control method, stair pressurization, and pressurized vestibules. The zoned smoke control method (or pressure sandwich) exhausts the fire floor using the main building exhaust. The floor above and below pressurizes using the outside air shaft. Dampers located in the shaft isolate the other floors from the exhaust and outside supply air shafts.
 - 5.2.2.1 The eighth and ninth floors are combined into a single smoke control zone.
 - 5.2.2.2 The basement is not included in the inspection.
 - 5.2.2.3 Zoned smoke control is similar to the pressurization and minimum pressure differential method. The floor separation is the smoke barrier. The minimum differential pressure between each floor will be measured and recorded in inches of water (inH₂O).

SECTION V – SCOPE OF WORK

CITY OF PHOENIX

5.2.2.4 As required for a smoke barrier, the minimum differential pressure required is 0.05 inH₂O.

- 5.2.3 The System utilizes the pressurization smoke control method to protect the vertical egress for the east, west, and central interior exit stairways.
- 5.2.4 The floors are provided with a fire-resistance rated vestibule that is pressurized from the interior exit stair by the pressurization fans. The vestibule allows access to the interior exit stairway from the public side of the building and the secured side of the building.
- 5.2.5 Activate the System on each floor by fire sprinkler waterflow switches or spot-smoke detection to activate the system.
- 5.2.6 The System is controlled by the original smoke control panel. The panel is located in the fire command center.

5.3. Inspection History

- 5.3.1 The fire alarm system replacement for the Phoenix Municipal Court was completed in 2019. The smoke control system sequence of operation was inspected, and the stairwell pressurization and vestibules were balanced in 2019.
- 5.3.2 A test of the System was not performed on secondary power.

5.4. Additional Testing Requirements

- 5.4.1 The System will be activated for each zone using fire sprinkler waterflow switches.
 - 5.4.1.1 All rooftop air handlers and exhaust fans will be visually confirmed to operate and on the smoke control panel to confirm the smoke control panel indicators. The air handlers and exhaust fans are provided with current transformers to verify operation.
 - 5.4.1.2 All stair pressurization fans will be confirmed to operate visually to confirm the smoke control panel indicators.
 - 5.4.1.3 The minimum differential pressure between the pressurized and exhausted floors will be measured and recorded in inches of water (inH₂O) from one stairwell with the System active.
 - 5.4.1.4 The minimum differential pressure between each of the pressurized and exhausted floors will be measured and recorded in inches of water (inH₂O). As required for a smoke barrier, the minimum differential pressure required is 0.05 inH₂O.
 - 5.4.1.5 The measurement will be taken between the floor space of the building outside of the vestibule.
 - 5.4.1.6 The floor to floor measurements can require several hundred feet of polyurethane tubing to measure the differential pressure between floors.
- 5.4.2 The System will be activated for each floor using the spot-smoke detectors.
 - 5.4.2.1 The minimum differential pressure between the stairwell and building space will be measured and recorded in inches of water (inH₂O) at each vestibule communicating door. The measurement will be taken from the stairwell to vestibule, vestibule to public space, and vestibule to secured space. Provide a diagram showing where the measurements were taken on each floor.
 - 5.4.2.2 The results will be in accordance with the 1994 UBC, Section 1009.7 and 1009.8. This requires the vestibule to have a minimum 0.05 inH₂O positive pressure differential relative to the fire floor, and a 0.05 inH₂O negative pressure differential relative to the stairwell.

SECTION V – SCOPE OF WORK

CITY OF PHOENIX

- 5.4.2.3 The opening force for each communicating door will be measured and recorded. The force applied to the door to enter the vestibule or stairwell is required to be 30 pounds-force or less. The pressure difference between the exhausted fire floor and stairway can cause doors to slam. Measure the opening force of each door, one at a time, with the others closed.
- 5.4.3 Secondary power test
 - 5.4.3.1 There is no record of the last secondary power test with the System operating. This test can be coordinated with any annual generator testing performed by the City of Phoenix.
 - 5.4.3.2 Select one floor of the building to active during the secondary power test below the seventh floor.
 - 5.4.3.3 The floor will be activated automatically and allowed to operate for 5 minutes prior to removing normal power.
 - 5.4.3.4 The transfer of power will be measured on a stopwatch and the time to transfer power, system restart, and duration will be recorded.
 - 5.4.3.5 The System is required to run 15 minutes before transferring back to normal power.
 - 5.4.3.6 Consult with building technicians prior to performing the test to power down critical equipment and coordinate the transfer to secondary power.
 - 5.4.3.7 After restoration to normal power, the building maintenance technicians will need to confirm the building systems have returned to normal operation.
- 5.4.4 Smoke Control Panel
 - 5.4.4.1 Due to the complexities of the smoke control panel, it is recommended to perform the inspection using automatic activation. Manual activation of the stair pressurization fans can be used to confirm operation.

6. PHOENIX CITY HALL

6.1. System Description

- 6.1.1 Phoenix City Hall was constructed in 1992. The smoke control system was designed in accordance with the 1988 edition of the Uniform Building Code (UBC) and Uniform Fire Code (UFC) as amended by the City of Phoenix.
- 6.1.2 The System is a nondedicated system consisting of rooftop air handling equipment (supply and exhaust), mechanical fans for stair pressurization, and atrium supply and exhaust.

6.2. System Design

- 6.2.1 The System was designed in accordance with the 1988 UBC.
- 6.2.2 The System uses the zoned smoke control method, stair pressurization, and atrium exhaust.
- 6.2.3 The zoned smoke control method (or pressure sandwich) exhausts the fire floor using the main building exhaust shaft and pressurizes the floor above and below using the outside air shaft. Dampers located in the shaft isolate the other floors from the exhaust and outside supply air shafts.
- 6.2.4 Zoned smoke control is similar to the pressurization and minimum pressure differential method. The floor separation is the smoke barrier and a minimum pressure differential is required between the pressurized and exhausted floors.

SECTION V – SCOPE OF WORK

CITY OF PHOENIX

- 6.2.5 The System utilizes stair pressurization smoke control method to protect the vertical exit for the three (3) interior exit stairways.
- 6.2.6 Fire detection on each floor is provided by fire sprinkler waterflow switches or spot-smoke detection to activate the system.
- 6.2.7 Fire detection for the atrium exhaust system is provided by fire sprinkler waterflow switches and ceiling level beam smoke detection to activate the system.
- 6.2.8 The System is controlled by a copy of the original firefighter's smoke control panel (FSCP). The FSCP is located in the fire command center.

6.3. Inspection History

- 6.3.1 The City Hall fire alarm system was upgraded in 2019. The FSCP was upgraded to be compatible with the new fire alarm system.
- 6.3.2 There is no record of an annual smoke control system inspection or recommissioning.
- 6.3.3 There is no record of the System being tested on secondary power.

6.4. Additional Testing Requirements

- 6.4.1 The System will be activated for each floor using fire sprinkler waterflow switches.
 - 6.4.1.1 All rooftop air handlers and exhaust fans will be visually confirmed to operate and confirmed on the FSCP indicators. The air handlers and exhaust fans are provided with current transformers to indicate operation.
 - 6.4.1.2 All stair pressurization fans will be confirmed to operate visually to confirm the smoke control panel indicators.
 - 6.4.1.3 The minimum differential pressure between the pressurized and exhausted (fire) floor will be measured and recorded in inches of water (inH₂O) from one stairwell with the System active. The measurement will be taken from the building space outside of the vestibule.
 - 6.4.1.4 The minimum differential pressure between each floor will be measured and recorded in inches of water (inH₂O) at each communicating door. As required for a smoke barrier, the minimum differential pressure required is 0.05 inH₂O.
 - 6.4.1.5 The floor to floor measurements can require several hundred feet of polyurethane tubing to measure the differential pressure between floors.
- 6.4.2 The System will be activated for each floor using the spot-smoke detectors.
 - 6.4.2.1 The minimum differential pressure between the stairwell and building space will be measured and recorded in inches of water (inH₂O) at each door. The measurement will be taken from the stairwell to the building on the fire floor. Provide a diagram showing where the measurements were taken on each floor.
 - 6.4.2.2 The opening force for each interior exit stairway door will be measured and recorded. The force applied to the door to enter the interior exit stairway is required to be 30 pounds-force or less.
- 6.4.3 The System will be activated for the atrium using sprinkler waterflow switches and ceiling level beam smoke detectors.
 - 6.4.3.1 The atrium exhaust and supply fans will be confirmed to operate. The three stair pressurization fans will be confirmed to operate. The supply fans for the plaza level will shut down.

SECTION V – SCOPE OF WORK

CITY OF PHOENIX

- 6.4.3.2 One smoke detector shall be activated on the second floor. The tower smoke control system will be confirmed to pressurize floors 1 through 4 and open the exhaust damper on the second floor.
- 6.4.4 Secondary power test
 - 6.4.4.1 There is no record of the last secondary power test with the System operating. This test can be coordinated with any annual generator testing performed by the City of Phoenix.
 - 6.4.4.2 Select one floor of the building to activate during the secondary power test. The atrium smoke exhaust system will be activated.
 - 6.4.4.3 The System will be activated automatically and allowed to operate for 5 minutes prior to removing normal power.
 - 6.4.4.4 The transfer of power will be measured on a stopwatch and the time to transfer power, system restart, and duration will be recorded.
 - 6.4.4.5 The System is required to run 15 minutes before transferring back to normal power.
 - 6.4.4.6 Consult with building technicians prior to performing the test to power down critical equipment and coordinate the transfer to secondary power.
 - 6.4.4.7 After restoration to normal power, the building maintenance technicians will need to confirm the building systems have returned to normal operation.
- 6.4.5 Smoke Control Panel
 - 6.4.5.1 Due to the complexities of the smoke control panel, it is recommended to perform the inspection using automatic activation. Only a person with knowledge of the system should operate the panel manually. Manual activation of the stair pressurization fans can be used to confirm operation.

CITY OF PHOENIX

SECTION VI – SUBMITTALS

SUBMITTAL SECTION

1. COPIES:

Please submit one original and one electronic copy (USB drive) of the Submittal Section and all other required documentation.

Please submit only the Submittal Section, do not submit a copy of the entire solicitation document. This offer will remain in effect for a period of 180 calendar days from the opening date, and is irrevocable unless it is in the City’s best interest to release offer(s).

2. COSTS AND PAYMENTS:

2.1 PAYMENT TERMS & OPTIONS: Vendors must choose an option, if a box is not checked, the City will default to 0% - net 45 days:

Contractor offers a prompt payment discount of either _____% - 30 days or 0% – 45 days - to apply after receipt of invoice or final acceptance of the products (invoice approval), whichever date is later, starts the 30 days. If no prompt payment discount is offered, the default is 0%, net 45 days; effective after receipt of invoice or final acceptance of the products, whichever is later. Payment terms offering a discount will not be considered in the price evaluation of your offer.

Contractor may be paid immediately upon invoice approval, if enrollment is made to the Single Use Account (SUA) Program, administered by the City’s servicing bank (“Bank”). By checking this box, the vendor accepts transaction costs charged by their merchant bank and agrees not to transfer to the City those extra charges. The City will not pay an increase in our services for the SUA charges; if an audit uncovers an upcharge for the SUA charges the vendor will owe the City all costs. The vendor may opt-out of the SUA program once, but then may not rejoin during the same contract term. For more information about the SUA program or to enroll, send email to mailbox.sua@phoenix.gov.

3. ALL OR NONE BID PRICE SCHEDULE:

All cells must be filled or bid may be deemed non-responsive. Prices offered shall not include applicable state and local taxes. The city will pay all applicable taxes. For the purposes of determining the lowest cost, the city will not take tax into consideration.

Table with 3 columns: Item No., Description, Total Price (Excluding Tax). Rows include: 1. Burton Barr Central Library - Semi Annual Inspection, 2. Burton Barr Central Library - Annual Inspection, 3. Burton Barr Central Library - 5-year Full Recommissioning, Including Special Inspection.

CITY OF PHOENIX

A. City Code Section 43-34

Are you aware of any fact(s) with regard to this solicitation or resulting contract that would raise a “conflict of interest” issue under City Code Section 43-34?

“An elected City official or a City employee shall not represent any person or business for compensation before the City regarding any part of a procurement, including any resulting contract, if during the time the elected official is or was in office or the employee is or was employed by the City such elected official or employee played a material or significant role in the development of the solicitation, any other part of the procurement, or the contract award.”

- I am not aware of any conflict(s) of interest under City Code Section 43-34.
- I am aware of the following potential or actual conflict(s) of interest:

B. ARS Sections 38-501 et. Seq. & City Charter Chapter 11

State law and the Phoenix City Charter and Code prohibit public officers or employees, their close relatives, and any businesses they, or their relatives, own from (1) representing before the City any person or business for compensation, (2) doing business with the City by any means other than through a formal procurement, and (3) doing business with the City without disclosing that the person has an interest in the contract. This prohibition extends to subcontracts on City contracts and also applies to parent, subsidiary, or partner businesses owned by a public officer or employee. See A.R.S. Sections 38-501 through 38-511, for more information (City Charter, Chapter 11, applies the state conflict-of-interest law to City employees).

Please note that any contract in place at the time a person becomes a public officer or employee may remain in effect. But the contract may not be amended, extended, modified, or changed in any manner during the officer’s or employee’s city service without following city administrative regulations.

Are you aware of any fact(s) with regard to this contract that would raise a “conflict of interest” issue under A.R.S. Sections 38-501 through 38-511 (See Arizona Revised Statutes regarding conflict of interest at www.azleg.gov).

- I am not aware of any conflict(s) of interest under Arizona Revised Statutes Sections 38-501 through 38-511.

8. Acknowledgements

A.Solicitation Transparency Policy – No Contact with City Officials or Staff During Evaluation

- I understand that a person or entity who seeks or applies for a city contract, or any other person acting on behalf of that person or entity, is prohibited from contacting city officials and employees regarding the contract after a solicitation has been posted.
- This “no-contact” provision only concludes when the contract is awarded at a City Council meeting. If contact is required with City official or employees, the contact will take place in accordance with procedures by the City. Violation of this prohibited contacts provision, set out in City Code Sections 2-190.4 and 43-36, by respondents, or their agents, will lead to **disqualification**.

B.Fraud Prevention and Reporting Policy

- I acknowledge that the City has a fraud prevention and reporting policy and takes fraud seriously. I will report fraud, suspicion of fraud, or any other inappropriate action to: telephone no. 602-261-8999 or 602-534-5500 (TDD); or aud.integrity.line@phoenix.gov.

The purpose of the fraud policy is to maintain the City's high ethical standards. The policy includes a way for our business partners to report wrongdoing or bad behavior. Suspected fraud should be reported immediately to the Phoenix Integrity Line. The City has adopted a zero-tolerance policy regarding fraud.

OATH

I affirm that the statements contained in this form, including any attachments, to the best of my knowledge and belief are true, correct, and complete. Should any of the answers to the above questions change during the course of the contract, particularly as it relates to any changes in ownership, applicant agrees to update this form with the new information within 30 days of such changes. Failure to do so may be deemed a breach of contract.
