16.3 Technical capability of the Offeror to accomplish the scope of work required in the Solicitation. This may include performance history on past and current government or industrial contracts; and,

A contract has its inception in the award, eliminating a formal signing of a separate contract. For that reason, all of the terms, conditions and specifications of the procurement contract are contained in the solicitation, and in any addendum or contract amendment.

17. CITY'S RIGHT TO DISQUALIFY FOR CONFLICT OF INTEREST:

The City reserves the right to disqualify any Offeror based on any real or apparent conflict of interest that is disclosed by the offer submitted or any other data available to the City. - 18.5.** This policy is intended to create a level playing field for all Offerors, assure that contracts are awarded in public, and protect the integrity of the selection process. **OFFERORS THAT VIOLATE THIS POLICY SHALL BE DISQUALIFIED.** After official Notice is received by the City for disqualification, the Offeror may follow the Protest process, unless the Solicitation is cancelled without notice of intent to re-issue.
- 18.6.** "To discuss" means any contact by the Offeror, regardless of whether the City responds to the contact. Offerors that violate this policy will be disqualified until the resulting contract(s) are awarded, or all offers or responses are rejected and the solicitation is cancelled without any announcement by the Procurement Officer of the City's intent to reissue the same or a similar solicitation. If denied, the opening and award will proceed unless the City determines that it is in the City's best interests to set new deadlines, amend the solicitation, cancel or re-bid.

CONTRACTOR AND SUBCONTRACTOR WORKER BACKGROUND SCREENING:**

Contract Worker Background Screening

Contractor agrees that all contract workers and subcontractors (Contract Workers) that Contractor furnishes to the City pursuant to this Contract shall be subject to background and security checks and screening (Background Screening). Contractor further agrees that the Background Screening required in this Section is necessary to preserve and protect public health, safety, and welfare. The Background Screening requirements set forth in this Section are the minimum requirements for this Contract. The City in no way warrants that these minimum requirements are sufficient to protect Contractor from any liabilities that may arise out of Contractor’s services under this Contract or Contractor’s failure to comply with this Section. Therefore, in addition to the specific measures set forth below, Contractor and its Contract Workers shall take such other reasonable, prudent and necessary measures to further preserve and protect public health, safety and welfare when providing services under this Contract.

In addition to the indemnity provisions set forth in this Contract, Contractor shall defend, indemnify, and hold harmless the City for any and all Claims (as defined in Section II, 6.3) arising out of this Background Screening section including the disqualification of a Contract Worker by Contractor or the City for failure to satisfy this Section.

Contractor shall notify the City immediately of any change to a Background Screening of a Contract Worker previously approved by the City. Contractor shall maintain all records and documents related to all Background Screenings and the City reserves the right to audit Contractor's compliance with this Contract.

Each contract worker who enters airport property must use the badge issued to the contract worker.

28.1 Badges

Upon notification from Contractor's authorized agent, the Contract Worker will proceed to the Badging Office for processing and issuance of a badge. The City will not process the badge until the Contract Worker satisfies the Background Screening requirements. The Contract Worker shall comply with all requirements and furnish all information requested by the Badging Office. All fees associated with security badging will be assessed in compliance with Phoenix City Code § 4-22. Current badging procedures and fees are available for review at <https://www.skyharbor.com/security/BadgingInformation>.

28.2 Key Access Procedures

If a Contract Worker's services require keyed access to enter a City facility, a separate key issue and return form must be completed and submitted to the City project manager by Contractor for each key issued.

28.3 Stolen or Lost Badges or Keys

- 28.5.5 Contractor fails to collect and timely return Contract Worker's badge or key upon termination of Contract Worker's employment, reassignment of Contract Worker to another City facility, or upon the expiration, cancellation, or termination of this Contract. Contractor acknowledges and agrees that the access control, badge, and key requirements in this Section are necessary to preserve and protect public health, safety, and welfare. Accordingly, Contractor agrees to properly cure any default under this Section within three (3) business days from the date notice of default is sent by the City. Contractor's failure to properly cure any default under this Section shall constitute a breach of this Section. In addition to any other remedy available to the City at law or in equity, Contractor shall be liable for and shall pay to the City the sum of \$1,000.00 for each breach by Contractor of this Section. The parties agree that the foregoing amount is reasonable and approximates the actual or anticipated loss to the City at the time and making of this Contract in the event that Contractor breaches this Section. Further, the parties agree to the foregoing amount because of the difficulty of proving the City's actual damages in the event Contractor breaches this Section. The parties further agree that three (3) breaches of this Section by Contractor within a three-month period of time or three (3) breaches by Contractor of this Section arising out of the same default within a period of twelve (12) consecutive months shall constitute a material breach of this Contract by Contractor and the City expressly reserves all of its rights, remedies, and interests under this Contract at law and in equity, including termination of this Contract.
