16.1. Unless otherwise indicated, award(s) will be made to the most responsive, responsible Offeror(s) who are regularly established in the service, or providing the goods, contained in this solicitation and who have demonstrated the ability to perform in an acceptable manner.

16.2. Factors that may be considered by the City include:

- Technical capability of the Offeror to accomplish the scope of work required in the Solicitation. This may include performance history on past and current government or industrial contracts; and,

16.4. A response to a solicitation is an offer to contract with the City based upon the terms, conditions, and specifications contained in the City's solicitation. Offers do not become contracts until they are executed by the Deputy Finance Director or Department Director. A contract has its inception in the award, eliminating a formal signing of a separate contract. For that reason, all of the terms, conditions and specifications of the procurement contract are contained in the solicitation, and in any addendum or contract amendment.

17. CITY'S RIGHT TO DISQUALIFY FOR CONFLICT OF INTEREST:

The City reserves the right to disqualify any Offeror based on any real or apparent conflict of interest that is disclosed by the offer submitted or any other data available to the City. This disqualification is at the sole discretion of the City. Any Offeror submitting an offer herein waives any right to object now or at any future time, before any agency or body, including but not limited to, the City Council of the City of Phoenix or any court.

18. SOLICITATION TRANSPARENCY POLICY:

- 18.1.** Commencing on the date and time a solicitation is published, potential or actual offerors or respondents (including their representatives) shall only discuss matters associated with the solicitation with the Mayor, any members of City Council, the City Manager, any Deputy City Manager, or any department director directly associated with the solicitation (including in each case their assigned staff, except for the designated procurement officer) at a public meeting, posted under Arizona Statutes, until the resulting contract(s) are awarded to all offers or responses are rejected and the solicitation is cancelled without any announcement by the Procurement Officer of the City's intent to reissue the same or similar solicitation.
- 18.2.** As long as the solicitation is not discussed, Offerors may continue to conduct business with the City and discuss business that is unrelated to the solicitation.
- 18.3.** Offerors may discuss their offer or the solicitation with the Mayor or one or more members of the Phoenix City Council, provided such meetings are scheduled through the Procurement Officer, and are posted as open meetings with the City Clerk at least 24 hours prior to the scheduled meetings. The City Clerk will be responsible for posting the meetings. The posted notice shall identify the participants and the subject matter, as well as invite the public to participate.
- 18.4.** With respect to the selection of the successful Offerors, the City Manager and City Manager's Office will continue the past practice of exerting no undue influence on the process.
- 18.5.** This policy is intended to create a level playing field for all Offerors, assure that contracts are awarded in public, and protect the integrity of the selection process. **OFFERORS THAT VIOLATE THIS POLICY SHALL BE DISQUALIFIED.** After official Notice is received by the City for disqualification, the Offeror may follow the Protest process, unless the Solicitation is cancelled without notice of intent to re-issue.
- 18.6.** "To discuss" means any contact by the Offeror, regardless of whether the City responds to the contact. Offerors that violate this policy will be disqualified until the resulting contract(s) are awarded, or all offers or

SECTION I - INSTRUCTIONS

CITY OF PHOENIX

responses are rejected and the solicitation is cancelled without any announcement by the Procurement Officer of the City's intent to reissue the same or a similar solicitation. The City interprets the policy as continuing through a cancellation of a solicitation until Council award of the contract, as long as the City cancels with a statement that the City will rebid the solicitation.

19. PROTEST PROCESS:

- 19.1.** Offeror may protest the contents of a solicitation no later than seven days before the solicitation deadline when the protest is based on an apparent alleged mistake, impropriety or defect in the solicitation. Protests filed regarding the solicitation may be addressed by an amendment to the solicitation or denied by the City. If denied, the opening and award will proceed unless the City determines that it is in the City's best interests to set new deadlines, amend the solicitation, cancel or re-bid.
- 19.2.** Therefore, unless otherwise notified by a formal amendment, the Protester must adhere to all solicitation dates and deadlines, including timely filing of an offer, regardless of filing a protest.
- 19.3.** Offeror may protest an adverse determination issued by the City regarding responsibility and responsiveness, within seven days of the date the Offeror was notified of the adverse determination.
- 19.4.** Offeror may protest an award recommendation if the Offeror can establish that it had a substantial chance of being awarded the contract and will be harmed by the recommended award. The City will post recommendations on the City's website to award the contract(s) to an Offeror(s). Offeror must submit award protests within seven days after the posting of the award recommendation, with exceptions only for good cause shown, within the City's full and final discretion.
- 19.5.** All protests will be in writing, filed with the Procurement Officer identified in the solicitation and include the following:
 - 19.5.1.** Identification of the solicitation number;

SECTION I - INSTRUCTIONS

- 19.5.5. The signature of the protester or its authorized representative.

19.6. The Procurement Officer will render a written decision within a reasonable period after the protest is filed. The City will not request City Council authorization to award the contract until the protest process is complete. All protests and appeals must be submitted in accordance with the City's Procurement Code, (Phoenix City Code, Ch. 43) and any protests or appeals not submitted within the time requirements will not be considered. Protests must be filed with the Procurement Officer.

20. PUBLIC RECORD:

All Offers submitted in response to this solicitation will become the property of the City and become a matter of public record available for review pursuant to Arizona State law. If an Offeror believes that a specific section of its Offer response is confidential, the Offeror will isolate the pages marked confidential in a specific and clearly labeled section of its Offer response. An Offeror may request specific information contained within its Offer is treated by the Procurement Officer as confidential provided the Offeror clearly labels the information "confidential." To the extent necessary for the evaluation process, information marked as "confidential" will not be treated as confidential. Once the procurement file becomes available for public inspection, the Procurement Officer will not make any information identified by the Offerors as "confidential" available to the public unless necessary to support the evaluation process or if specifically requested in accordance with applicable public records law. When a public records request for such information is received, the Procurement Officer will notify the Offeror in writing of any request to view any portion of its Offer marked "confidential." The Offeror will have the time set forth in the notice to obtain a court order enjoining such disclosure. If the Offeror does not provide the Procurement Officer with a court order enjoining release of the information during the designated time, the Procurement Officer will make the information requested available for inspection.

SECTION I - INSTRUCTIONS

CITY OF PHOENIX

21. LATE OFFERS:

Late Offers must be rejected, except for good cause. If a late Offer is submitted, the Department will document the date and time of the submittal of the late Offer, keep the Offer and notify the Offeror that its Offer was disqualified for being late.

22. RIGHT TO DISQUALIFY:

The City reserves the right to disqualify any Offeror who fails to provide information or data requested or who provides materially inaccurate or misleading information or data. The City further reserves the right to disqualify any Offeror on the basis of any real or apparent conflict of interest that is disclosed by the Offeror submitted or any other data or information available to the City. This disqualification is at the sole discretion of the City. By submission of a solicitation response, the Offeror waives any right to object now or at any future time, before any agency or body including, but not limited to, the City Council of the City or any court as to the exercise by the City of such right to disqualify or as to any disqualification by reason of real or apparent conflict of interest determined by the City. The City reserves the right to replace the disqualified Offeror.

23. SITE INSPECTION:

Offeror agrees that submission of an offer indicates that the Offeror either 1. made a site inspection and is aware of all conditions that may affect performance and offer prices; or 2. Did not make a site inspection, but regardless is either aware of all conditions that may affect performance and offer prices or accepts the risk and understands the scope of its binding Offer.

24. CONTRACT AWARD:

The City reserves the right to award a contract by individual line items, by group, all or none, or any other combination most advantageous to the City. The City reserves the right to multiple award.

25. EVALUATION OF COMPETITIVE SEALED OFFERS:

Any ties in scoring will be resolved with a best and final price request and the lowest price will prevail.

SECTION I - INSTRUCTIONS

CITY OF PHOENIX

26. DETERMINING RESPONSIVENESS AND RESPONSIBILITY:

- 26.1.** Offers will be reviewed for documentation of qualifications, completeness, and compliance with the Solicitation requirements. The City reserves sole discretion to determine responsiveness and responsibility.
- 26.2.** Responsiveness: Nonresponsive Offers will not be considered in the evaluation process. The solicitation states criteria that determine responsiveness, and the solicitation includes terms and conditions that if included or excluded from Offers (as the case may be) will render an Offer nonresponsive.
- 26.3.** Exceptions, conditions, reservations, or understandings are presumed to be unacceptable, and an Offer that includes unacceptable exceptions, conditions, reservations, or understandings may be rejected as nonresponsive. Alternatively, the City in its sole discretion may instruct in writing that any Offeror remove the conditions, exceptions, reservations or understandings. If the Offeror fails to do so in writing, the City may determine the Offer to be nonresponsive.
- 26.4.** Responsibility: To obtain true economy, the City must conduct solicitations to minimize the possibility of a subsequent default by the contractor, late deliveries, or other unsatisfactory performance that may result in additional administrative costs. It is important that the Offeror be a responsible contractor. Responsibility includes the Offeror's integrity, skill, capacity, experience, financial ability, and facilities for conducting the work to be performed.
- 26.5.** The Procurement Officer will review each Offer to determine if the Offeror is responsible and responsive. The City's determination as to whether an Offeror is responsible will be based on all information furnished by the Offeror, interviews (if any), and information received from Offeror's references, including information about Offeror's history, terminations for convenience or cause, contract breach lawsuits or notices of claim and any other sources the City deems appropriate. Award of the Contract resulting from the solicitation will not be made until any necessary investigation, which each Offeror agrees to permit by submitting its Offer, is made by the City as it deems necessary. A review of responsibility may occur up to contract award.
- 26.6.** The Offeror's unreasonable failure to promptly supply information about an inquiry with respect to responsibility may be grounds for a determination of non-responsibility with respect to such Offeror.

SECTION I - INSTRUCTIONS

CITY OF PHOENIX

27. DETAILED EVALUATION OF OFFERS AND DETERMINATION OF COMPETITIVE RANGE:

During deliberations, the Evaluation Panel will reach a consensus score for each evaluation criterion except price. The Procurement Officer will score the price, which will be added to the overall consensus score. The overall consensus scores will determine the Offerors' rankings and which Offers are within the Competitive Range, when appropriate.

28. OFFERS NOT WITHIN THE COMPETITIVE RANGE:

The City may notify Offerors of Offers that the City determined are not in the Competitive Range.

29. DISCUSSIONS WITH OFFERORS IN THE COMPETITIVE RANGE:

29.1. The City will notify each Offeror whose Offer is in the Competitive Range or made the 'short list' and provide in writing any questions or requests for clarification to the Offeror. Each Offeror so notified may be interviewed by the City and asked to discuss answers to written or oral questions or provide clarifications to any facet of its Offer. The Offerors in the competitive range may be required to provide a demonstration of their product.

29.2. Demonstrations - Offerors in the competitive range may be invited to construct a hands-on sample or presentation of their solution at the City of Phoenix. In addition, each finalist may prepare and deliver a presentation of their proposed solution based on the script developed by the evaluation panel. The City may also require a hands-on lab demonstration designed specifically for the evaluation panel. The results of the surveys will be tabulated and delivered to the evaluation team for the final review and solution selection session(s).

29.3. If an Offer in the Competitive Range contains conditions, exceptions, reservations or understandings to or about any Contract or Solicitation Scope requirement, the City may discuss or negotiate the conditions, exceptions, reservations or understandings during these meetings. But the City in its sole discretion may reject any and all conditions, exceptions, reservations and understandings, and the City may instruct any Offeror to remove the conditions, exceptions, reservations or understandings. If the Offeror fails to do so, the City may determine the Offer is nonresponsive, and the City may revoke its determination that the Offer is in the Competitive Range.

SECTION I - INSTRUCTIONS

CITY OF PHOENIX

29.4. To the fullest extent permitted by law, the City will not provide any information, financial or otherwise, to any Offeror about other Offers received in response to this solicitation. During discussions with Offerors in the Competitive Range, the City will not give Offerors specific prices or specific financial requirements that Offerors must meet to qualify for further consideration. The City may state that proposed prices are too high with respect to the marketplace or otherwise unacceptable. Offerors will not be told of their relative rankings before Contract award.

30. BEST AND FINAL OFFERS (BAFO):

30.1. A BAFO is an option available for negotiations. Each Offeror in the Competitive Range, which is determined in the City's sole discretion, may be afforded the opportunity to amend its Offer and make one BAFO.

30.2. If an Offeror's BAFO modifies its initial Offer, the modifications must be identified in the BAFO. The City will evaluate BAFOs based on the same requirements and criteria applicable to initial Offers. The City will adjust appropriately the initial scores for criteria that have been affected by Offer modifications made by a BAFO. Based on the criteria defined in the solicitation as weighted, the City will then perform final scoring and prepare final rankings.

30.3. The Evaluation Panel will recommend the Offer that is the best value and most advantageous to the City based on the evaluation criteria.

30.4. The City reserves the right to make an award to an Offeror whose Offer is the highest rated, best value, and most advantageous to the City based on the evaluation criteria, without conducting written or oral discussions with any Offeror, without negotiations, and without soliciting BAFOs.

6. RISK OF LOSS AND LIABILITY:

6.1. TITLE AND RISK OF LOSS: The title and risk of loss of material or service will not pass to the City until the City actually receives the material or service at the point of delivery; and such loss, injury, or destruction will not release seller from any obligation hereunder.

6.2. ACCEPTANCE: All material or service is subject to final inspection and acceptance by the City. Material or service failing to conform to the specifications of this contract will be held at Contractor's risk and may be returned to the

Contractor. If so returned, all costs are the responsibility of the Contractor. Noncompliance will conform to the cancellation clause set forth in this document.

- 6.3. FORCE MAJEURE:** Except for payment of sums due, neither party will be liable to the other nor deemed in default under this contract if and to the extent that such party's performance of this contract is prevented by reason of force majeure. The term "force majeure" means an occurrence that is beyond the control of the party affected and occurs without its fault or negligence. Force majeure will not include late performance by a subcontractor unless the delay arises out of a force majeure occurrence in accordance with this force majeure term and condition.

If either party is delayed at any time in the progress of the work by force majeure, the delayed party will notify the other party in writing of such delay, as soon as is practical, of the commencement thereof and will specify the causes of such delay in such notice. Such notice will be hand-delivered or mailed certified-return receipt and will make a specific reference to this provision, thereby invoking its provisions. The delayed party will cause such delay to cease as soon as practicable and will notify the other party in writing when it has done so. If, in the opinion of the City's authorized representative, performance becomes unsatisfactory, the City will notify the Contractor.

The Contractor will have 30 days from that time to correct any specific instances of unsatisfactory performance, unless a different amount of time is specified in the agreement. In the event the unsatisfactory performance is not corrected within the time specified, the City will have the immediate right to complete the work to its satisfaction and will deduct the cost to cover from any balances due or to become due the Contractor. Repeated incidences of unsatisfactory performance may result in cancellation of the agreement for default.

Contractor will take care to avoid damage to adjacent finished materials that are to remain. If finished materials are damaged, Contractor will repair and finish to match existing material as approved by the City at Contractor's expense.

7. CITY'S CONTRACTUAL RIGHTS:

In the event that a demand is made and no written assurance is given within five days, the demanding party may treat this failure as an anticipatory repudiation of this contract.
- 7.2. NON-EXCLUSIVE REMEDIES:** The rights and remedies of the City under this Contract are non-exclusive.
- 7.3. DEFAULT IN ONE INSTALLMENT TO CONSTITUTE BREACH:** Each installment or lot of the agreement is dependent on every other installment or lot and a delivery of non-conforming goods or a default of any nature under one installment or lot will impair the value of the whole agreement and constitutes a total breach of the agreement as a whole.
- 7.4. ON TIME DELIVERY:** Because the City is providing services which involve health, safety and welfare of the general public, delivery time is of the essence. Delivery must be made in accordance with the delivery schedule promised by the Contractor.
- 7.5. DEFAULT:** In case of default by the Contractor, the City may, by written notice, cancel this contract and repurchase from another source and may recover the excess costs by (1) deduction from an unpaid balance due; (2) collection against the bid and/or performance bond, or (3) a combination of the aforementioned remedies or other remedies as provided by law.
- 7.6. COVENANT AGAINST CONTINGENT FEES:** Seller warrants that no person or selling agent has been employed or retained to solicit or secure this contract upon an agreement or understanding for a commission, percentage, brokerage, or contingent fee, excepting bona fide employers or bona fide established commercial or selling agencies maintained by the seller for the purpose of securing business. For breach or violation of this warranty, the City will have the right to annul the contract without liability or in its discretion to deduct from the

contract price a consideration, or otherwise recover the full amount of such commission, brokerage or contingent fee.

7.7. COST JUSTIFICATION: In the event only one response is received, the City may require that the Contractor submit a cost proposal in sufficient detail for the City to perform a cost/price analysis to determine if the Offer price is fair and reasonable.

7.8. In the event this contract is canceled by the City pursuant to this provision, the City will be entitled, in addition to any other rights and remedies, to recover or withhold from the Contractor the amount of the gratuity.

8.2. CONDITIONS AND CAUSES FOR TERMINATION:

8.2.1 This contract may be terminated at any time by mutual written consent, or by the City, with or without cause, upon giving thirty-day written notice to Contractor. The City at its convenience, by written notice, may terminate this contract, in whole or in part. If this contract is terminated, the City will be liable only for payment under the payment provisions of this contract for services rendered and accepted material received by the City before the effective date of termination. Title to all materials, work-in-process and completed but undeliverable goods, will pass to the City after costs are claimed and allowed. The Seller will submit detailed cost claims in an acceptable manner and will permit the City to examine such books and records as may be necessary in order to verify the reasonableness of any claims.

8.2.2 The City reserves the right to cancel the whole or any part of this contract due to failure of Contractor to carry out any term, promise, or condition of

the contract. The City will issue a written notice of default to Contractor for acting or failing to act as in any of the following:

9. STATE AND LOCAL TRANSACTION PRIVILEGE TAXES:

In accordance with applicable state and local law, transaction privilege taxes may be applicable to this transaction. The state and local transaction privilege (sales) tax burden and legal liability to remit taxes are on the vendor that is conducting business in Arizona and the City of Phoenix. Any failure by the Contractor to collect applicable taxes from the City will not relieve the Contractor from its obligation to remit taxes. It is the responsibility of the prospective bidder to determine any applicable taxes. The City will look at the price or offer submitted and will not deduct, add or alter pricing based on speculation or application of any taxes, nor will the City provide advice or guidance. If you have questions regarding your tax liability, please seek advice from a tax professional prior to submitting your offer. You may also find information at <https://www.phoenix.gov/finance/plt> or <https://www.azdor.gov/Business.aspx>. Once your offer is submitted, the Offer is valid for the time specified in this Solicitation, regardless of mistake or omission of tax liability. If the City finds over payment of a project due to tax consideration that was not due, the Contractor will be liable to the City

for that amount, and by contracting with the City, the Contractor agrees to remit any overpayments back to the City for miscalculations on taxes included in an offer price.

10. TAX INDEMNIFICATION:

Contractor will pay all federal, state and local taxes applicable to its operation and any persons employed by the Contractor and require the same of all subcontractors. Contractor will hold the City harmless from any responsibility for taxes, damages and interest, if applicable, contributions required under federal, and/or state and local laws and regulations and any other costs including transaction privilege taxes, unemployment compensation insurance, Social Security and Worker's Compensation, and require the same of all subcontractors.
