REQUEST FOR QUALIFICATIONS

The City of Phoenix is seeking up to two qualified consultant teams to provide engineering services for the study, design, and possible construction administration and inspection (CA&I) services for the Northwest Water and Wastewater Master Plan. The City anticipates awarding one firm the Water portion of the project and a second firm the Wastewater portion of the project. However, it is possible that the same firm may be awarded both the Water and Wastewater projects. **Firms must identify in the Statement of Qualifications (SOQ) Information Sheet if they are submitting for Water, Wastewater, or both categories.** This project site is located in an area bounded by: Central Arizona Project (CAP) canal, Carefree Highway, I-17 and the City's west limit. The estimated total construction cost for the first phase of this project is \$75 million.

SECTION I – PROJECT DESCRIPTION

The area of Phoenix north of the Central Arizona Project (CAP) canal, south of Carefree Highway, west of I-17 to the City of Phoenix city limits needs to be studied to determine the water and wastewater infrastructure needed to plan for potential growth. It is possible there may be multiple phases to this project. The selected consultant(s) will work with the City to evaluate and plan the long-term location and size of the infrastructure, potentially complete final design, and possibly provide CA&I services of the required water and wastewater infrastructure in this area of the City.

SECTION II – SCOPE OF WORK

The project scope may include, but is not limited, to the following:

- Masterplan of the water and wastewater infrastructure improvements in the project area
 - Potential growth estimates will be provided by the City
 - Water and wastewater hydraulic modeling results may be provided to the selected firm(s)
- Provide survey of the proposed pipeline alignment(s), PRV station and potential lift station sites;
- Prepare easement documents for the proposed infrastructure;
- Provide 30% design and conceptual design report(s) for all the proposed water and wastewater infrastructures;
- Provide 60%, 90% and 100% design plans and associated construction specifications for all the proposed water and wastewater infrastructures;
- Provide pothole list and coordinate potholing with City or CMAR;
- Coordinate paving requirements with Street Transportation Dept.;
- Coordinate utility conflicts with Street Transportation Dept. – Utility section;
- Provide Engineer Opinion of Cost at 30%, 60%, 90% and 100%;
- Attend project related design/construction progress meetings;
- Conduct project related workshops as needed;
- Draft MOPOs (Method of Planned Operation) for shut-downs and attend City shut-down operational meetings;
- Actively coordinate and communicate with CMAR (if selected) and City staff for all related activities;
- Provide pre-construction services, as required by the City, including but not limited to reviewing GMPs and project schedule, construction bid price and subcontractor selection plans (if CMAR is selected);
- Provide services, as needed, for environmental/archeological assessments, aerial topography, geotechnical services, land survey and mapping, construction easements, and drainage associated with the project;
- Coordination with other City departments or other jurisdictions to obtain all applicable permits, such as Maricopa County Approval to Construct (ATC) construction permits prior to construction;
- Possible construction administration & inspection services for the construction phase, including but not limited to: coordination with the contractor on-site during construction, administration of the construction schedule, administration of the shop drawing and submittal review process as well as payment applications, review RFIs and change orders, inspection of all construction activities as they progress, issuance of substantial and final completion and etc.;
- Assist with the City's Program Manager on public outreach efforts as needed; and
- Other duties as assigned.

SECTION III - PRE-SUBMITTAL MEETING

A pre-submittal meeting will be held via WebEx on Friday, August 14th, 2020 from 10:00 AM to 11:00 AM. At this meeting, City staff will discuss the scope of work, general project requirements, and respond to questions from the attendees. It is strongly recommended that interested consultants attend the pre-submittal meeting via WebEx. Inquiries regarding the project scope outside of this pre-submittal meeting must be directed to the Contracts Specialist. The public will be able to call the WebEx phone number and listen to the pre-submittal live, as follows:

SECTION IV - STATEMENT OF QUALIFICATIONS EVALUATION CRITERIA

Please specify whether the SOQ is for the water portion or the wastewater portion or for both portions of the project. SOQs will be evaluated separately for Water and Wastewater.

Firms will be selected through a qualifications-based selection process based on the criteria below. Sub-criteria are listed in order of importance in relation to project services. City of Phoenix project experience is not required.

A. Design Experience of the Prime Firm (maximum 150 points)

Describe the experience and qualifications of the prime firm in providing design services for similar projects. Identify projects the submitting firm has completed. For each project listed, provide:

1. Description of the project including scope and project owner
2. Role of the firm and explain how this relates to the services being solicited
3. Project's original contract value, final contract value, and reason for variance
4. Project's start date and completion date

B. Construction Administration and Inspection Experience of the Prime Firm (maximum 150 points)

Describe the experience and qualifications of the prime firm in providing construction administration and inspection (CA&I) services for similar projects. Identify projects the submitting firm has completed. Include assigned CA&I personnel if different from personnel performing design services. For each project listed, provide:

1. Description of the project including scope and project owner

2. Role of the firm and explain how this relates to the services being solicited
3. Project's original contract value, final contract value, and reason for variance
4. Project's start date and completion date

C. Design Experience of the Key Personnel and Subconsultants (maximum 125 points)

Describe the experience and qualifications of the specific project team expected to be assigned to this project in providing design services for similar projects. For each key person identified, list their length of time with the firm. List each key person's role in the projects provided. If a project selected for a key person is the same as one selected for the firm, provide just the project name and the role of the key person. For each project listed, provide:

1. Description of the project including scope and project owner
2. Role of the team or team member and explain how this relates to the services being solicited
3. Project's original contract value, final contract value, and reason for variance
4. Project's start date and completion date

D. Construction Administration and Inspection Experience of Key Personnel and Subconsultants (maximum 125 points)

Describe the experience and qualifications of the project team expected to be assigned to this project in providing construction administration and inspection services for similar projects. For each key person identified, list their length of time with the firm. List each key person's role in the projects provided. If a project selected for a key person is the same as one selected for the firm, provide just the project name and the role of the key person. Include assigned CA&I personnel if different from personnel performing design services. For each project listed, provide:

1. Description of the project including scope and project owner
2. Role of the firm and explain how this relates to the services being solicited
3. Project's original contract value, final contract value, and reason for variance
4. Project's start date and completion date

E. Project Understanding and Approach (maximum 300 points)

Describe your firm's understanding of the City's need for this project, including important considerations such as project issues and challenges. Describe the team's approach to the project, including important considerations such as scope, schedule, and budget.

F. Staffing Information for Key Personnel (maximum 150 points)

Provide the following:

1. Team's availability and commitment to the project, including sub-consultants
2. Team's plan to maintain continuity of the proposed services
3. Organization chart showing key personnel, current professional licenses or certifications, and assigned roles for both Design and Construction Administration and Inspection Services for the project.
4. Identify the location of the lead firm's principal office and the home office location of key staff on this project.

G. Reference Check (maximum 75 points*)

Use the form provided (Exhibit A) to obtain at least three references. It is preferred no more than one be a City of Phoenix project. If your firm has not completed prior projects with other agencies, you will not be penalized. It is recommended there be references outside the City of Phoenix.

*These points are in addition to the 1,000 points for the SOQ.

SECTION V - SUBMITTAL REQUIREMENTS

New Electronic Submittal Process: Firms interested in this project must submit a Statement of Qualifications (SOQ) electronically through the ProcurePHX online portal.

Submittal requirements are as follows:

- Vendor Information:** All firms must be registered in the City's Vendor Management System prior to submitting a proposal. For new firms, the City will send an email to your firm with a vendor number within two business days of submitting the request. The vendor number should be included on the cover of the SOQ. Information on how to register with the City is available at:

<https://www.phoenix.gov/financesite/Pages/EProc-help.aspx>

If your firm is already registered with the City of Phoenix's ProcurePHX system, please visit <https://eprocurement.phoenix.gov/irj/portal> to login and access the electronic solicitation.

- The product category code for this RFQ is 925000000 and the RFx number is 6000001005.

Submittals:

- Submittals must be uploaded to the ProcurePhx website by the submittal due date and time.
- Submit only one (1) SOQ electronically, in .PDF format only, addressing all evaluation criteria. No hard copies will be accepted.
- Clearly display the firm name, vendor number, project title, and project number on the cover of the SOQ.
- If submitting for one portion of the project, a maximum of **10 pages** is permitted to address all content in the SOQ submittal. If submitting on both portions of the project, a maximum of **13 pages** is permitted to address all content in the SOQ submittal. **(Maximum page limit includes evaluation criteria and all additional content. It does not include information sheet.)**
- Submit electronically the Statement of Qualifications by **12:00 noon, Phoenix time, on Friday, August 28, 2020.**
- Upload one complete version of the SOQ addressing all the criteria. Upload format is .PDF.
- Page size must meet requirements of 8½" x 11"
- Font size must not be less than 10 point
- Content count:
 - ✓ Each side of a page containing evaluation criteria and additional content will be counted toward the maximum page limit noted above.
 - ✓ Pages that have project photos, charts and/or graphs will be counted towards the maximum page limit noted above.
 - ✓ Front and back covers, information sheet, Table of Contents pages, and divider (tab) pages **will NOT** be counted toward the maximum page limit noted above, unless they include evaluation criteria and additional content that could be considered by the selection panel.

- Information Sheet:** Provide an information sheet that includes project title, project number, RFx number, firm name, address, phone number, vendor number, and the name, title, email address and signature of your contact person for the project. Indicate which portion(s) of the project your SOQ is addressing. Do not include any additional information.

- Evaluation Criteria:** Address the SOQ evaluation criteria.

- Additional Content:** Resumes and other information may be included (*content shall be included within the permitted maximum page limit*).

Note: All pages exceeding the specified maximum page limit will be removed from the submittal and not considered in evaluating a submitted SOQ.

SECTION VI – GROUNDS FOR DISQUALIFICATION

The following **will be grounds for disqualification**, and will be strictly enforced:

- Failure to submit electronically through the ProcurePHX online portal by the due date and time.
- Violating the “Contact with City Employees” policy contained in this RFQ

SECTION VII - SELECTION PROCESS AND SCHEDULE

Interested firms will submit a SOQ. The firm(s) will be selected through a qualifications-based selection process. A selection panel will evaluate each SOQ per the criteria set forth in Section IV above. There will be separate evaluations and scoring done for water and wastewater.

The City will select a firm(s) based on the SOQs received; no formal interviews will be conducted. The City may conduct a due diligence review on the firm(s) receiving the highest evaluation.

The City expects to create a final list of at least three, but not more than five firms for this project. The City will enter into negotiations with the selected firm(s) and execute a contract upon completion of negotiation of fees, contract terms, and City Council approval.

The following tentative schedule has been prepared for this project:

Pre-submittal meeting	August 14, 2020
SOQs due	August 28, 2020
Scope Meeting	September 2020

If the City is unsuccessful in negotiating a contract with the best-qualified firm(s), the City may then negotiate with the next most qualified firm until a contract is executed, or the City may decide to terminate the selection process. Once a contract is executed with the successful firm, the procurement is complete.

All submitting firms will be notified of selection outcome for this project. The status of a selection on this project will be posted on the City of Phoenix’s “Tabulations, Awards, and Recommendations” website:

<http://solicitations.phoenix.gov/awards>

The selected Consultants should expect to comply with the Arizona State Statutes Title 34 and City of Phoenix Design and Construction Procurement’s contract provisions.

SECTION VIII – GENERAL INFORMATION

Citywide Capital Improvement Projects. Consulting and contractor services supporting the City’s Capital Improvement Projects are procured under the authority of the City Engineer, currently located within the Street Transportation Department. Design and Construction Procurement coordinates the citywide consulting and construction contracting procurement processes.

Changes to Request for Qualifications. *Any changes to this Request for Qualifications (RFQ) will be in the form of a Notification.* The City of Phoenix shall not be held responsible for any oral instructions. Notifications are available on both the Current Opportunities and ProcurePHX webpage.

It shall be the responsibility of the registered RFQ holder to determine, prior to the submittal of the Statement of Qualifications, if a Notification has been issued. Registered RFQ holders may refer to the web page or call the Contracts Specialist (listed below) to ascertain if a Notification has been issued for this project.

Alternate Format. For more information or a copy of this publication in an alternate format, contact the Contracts Specialist (listed below) - Voice or TTY 711. Requests will only be honored if made within the first week of the advertising period.

Release of Project Information. The City shall provide the release of all public information concerning the project, including selection announcements and contract awards. Those desiring to release information to the public must receive prior written approval from the City.

City Rights. The City of Phoenix reserves the right to reject any or all Statements of Qualifications, to waive any informality or irregularity in any Statement of Qualifications received, and to be the sole judge of the merits of the respective Statements of Qualifications received.

Contact with City Employees. This policy is intended to create a level playing field for all Proposers, assure that contracts are awarded in public, and protect the integrity of the selection process. **OFFERORS THAT VIOLATE THIS POLICY WILL BE DISQUALIFIED.**

Beginning on the date the RFQ is issued and until the date the contract is awarded or the RFQ withdrawn, all persons or entities that respond to the RFQ, including their authorized employees, agents, representatives, proposed partner(s), subcontractor(s), joint venture(s), member(s), or any of their lobbyists or attorneys (collectively the Proposer), will refrain from any direct or indirect contact with any person (other than the designated Contract Specialist) who may play a part in the selection process, including members of the evaluation panel, the City Manager, Assistant City Manager, Deputy City Managers, Department heads, the Mayor and other members of the Phoenix City Council. As long as the RFQ solicitation is not discussed, Proposers may continue to conduct business with the City and discuss business that is unrelated to this RFQ solicitation with City staff.

Commencing on the date and time a solicitation is published, potential or actual proposers (including their representatives) will only discuss matters associated with the solicitation with the Mayor, any members of City Council, the City Manager, any Deputy City Manager, or any department director directly associated with the solicitation (including in each case their assigned staff, except for the designated procurement officer) at a public meeting, posted under the Arizona Revised Statutes, until the resulting contract(s) are awarded or all offers or responses are rejected and the solicitation is cancelled without any announcement by the procurement officer of the City's intent to reissue the same or a similar solicitation.

Proposers may discuss their proposal or the RFQ solicitation with the Mayor or one or more members of the Phoenix City Council, provided such meetings are scheduled through the Contract Specialist (listed below), conducted in person at 200 W. Washington, Phoenix, Arizona 85003, and are posted as open meetings with the City Clerk at least twenty-four (24) hours prior to the scheduled meetings. The City Clerk will be responsible for posting the meetings. The posted notice shall identify the participants and the subject matter, as well as invite the public to participate.

Conflict of Interest. The City reserves the right to disqualify any Proposer on the basis of any real or apparent conflict of interest that is disclosed by the proposal submitted or any other data available to the City. This disqualification is at the sole discretion of the City. Any Proposer submitting a proposal herein waves any right to object now or at any future time, before any body or agency, including but not limited to, the City Council of the City of Phoenix or any court.

Protest Procedures. Firms responding to disqualification or a procurement outcome are referred to the Code of the City of Phoenix Chapter 2, Article XII, Section 2-187 to 2-190.4, which governs protest procedures utilized throughout the selection process. The procedures may be reviewed through the City of Phoenix website at:

<http://www.codepublishing.com/az/phoenix/>

A copy of the Protest Policy is also available online at:

<https://www.phoenix.gov/streets/procurement-opportunities>

Questions - Questions pertaining to this selection process or contract issues should be directed to the Contracts Specialist, Liz Blakley at (602) 495-3654 or email elizabeth.blakley@phoenix.gov.
