**NOTIFICATION LETTER NO. 1
AUGUST 19, 2020**

This notification letter shall become part of the Request for Qualifications (RFQ) for the above referenced project.

The purpose of this notification is to answer questions received following the pre-submittal meeting.

1. Who performed the original Master Plan?
The City of Phoenix Water Services Department
2. When was it prepared?
It was developed back in the 1990's and has been updated every five years. The most recent update was completed in early 2020.
3. Is it available to review prior to the SOQ due date on the 28th?
No. The City's water and wastewater master plan is only available to the firms that are selected for the project.
4. Has the City already purchased the State Land?
No. But the City has requested easements for some water and wastewater infrastructures in this area.
5. Does the water planning include source water, finding sources, hydrogeology for well locations?
No, the City is taking the lead on addressing this issue.

All other terms and conditions remain unchanged.
