discuss matters associated with the solicitation with the Mayor, any members of City Council, the City Manager, any Deputy City Manager, or any department director directly associated with the solicitation (including in each case their assigned staff, except for the designated procurement officer) at a public meeting, posted under Arizona Statutes, until the resulting contract(s) are awarded to all offers or responses are rejected and the solicitation is cancelled without any announcement by the Procurement Officer of the City's intent to reissue the same or similar solicitation.

- 18.2.** As long as the solicitation is not discussed, Offerors may continue to conduct business with the City and discuss business that is unrelated to the solicitation with the City staff. Offerors may not discuss the solicitation with any City employees or evaluation panel members.
- 18.3.** Offerors may discuss their proposal or the solicitation with the Mayor or one or more members of the Phoenix City Council, provided such meetings are scheduled through the Procurement Officer, and are posted as open meetings with the City Clerk at least 24 hours prior to the scheduled meetings. The City Clerk will be responsible for posting the meetings. The posted notice shall identify the participants and the subject matter, as well as invite the public to participate.
- 18.4.** With respect to the selection of the successful Offerors, the City Manager and/or City Manager's Office will continue the past practice of exerting no undue influence on the process. In all solicitations of bids and proposals, any direction on the selection from the City Manager and/or City Manager's Office and Department Head (or representative) to the proposal review panel or selecting authority must be provided in writing to all prospective Offerors.
- 18.5.** This policy is intended to create a level playing field for all Offerors, assure that contracts are awarded in public, and protect the integrity of the selection process. **OFFERORS THAT VIOLATE THIS POLICY SHALL BE DISQUALIFIED.** After official Notice is received by the City for disqualification, the Offeror may follow the Protest process, unless the Solicitation is cancelled without notice of intent to re-issue.
- 18.6.** "To discuss" means any contact by the Offeror, regardless of whether the City responds to the contact. Offerors that violate this policy will be disqualified until the resulting contract(s) are awarded, or all offers or responses are rejected and the solicitation is cancelled without any announcement by the Procurement Officer of the City's intent to reissue the same or a similar solicitation. The City interprets the policy as continuing through a cancellation of a solicitation until Council award of the contract,

as long as the City cancels with a statement that the City will rebid the solicitation.

19. PROTEST PROCESS:

- 19.1.** Offeror may protest the contents of a solicitation no later than seven days before the solicitation deadline when the protest is based on an apparent alleged mistake, impropriety or defect in the solicitation. Protests filed regarding the solicitation may be addressed by an amendment to the solicitation or denied by the City. If denied, the opening and award will proceed unless the City determines that it is in the City's best interests to set new deadlines, amend the solicitation, cancel or re-bid.
- 19.2.** Therefore, unless otherwise notified by a formal amendment, the Protester must adhere to all solicitation dates and deadlines, including timely filing of an offer, regardless of filing a protest.
- 19.3.** Offeror may protest an adverse determination issued by the City regarding responsibility and responsiveness, within seven days of the date the Offeror was notified of the adverse determination.

The City will not request City Council authorization to award the contract until the protest process is complete. All protests and appeals must be submitted in accordance with the City's Procurement Code, (Phoenix City Code, Ch. 43) and any protests or appeals not submitted within the time requirements will not be considered. Protests must be filed with the Procurement Officer.

24. **CONTRACT AWARD:** The City reserves the right to award a contract by individual line items, by group, all or none, or any other combination most advantageous to the City. The City reserves the right to multiple award.
25. **EQUAL LOW OFFER:** Contract award will be made by putting the names of the tied vendors in a cup for a blind drawing limited to those bidders with tied offers. If time permits, the offerors involved will be given an opportunity to attend the drawing. The drawing will be witnessed by at least three persons, and the contract file will contain the names and addresses of the witnesses.
26. **EVALUATION OF COMPETITIVE SEALED OFFERS:** The City will use its discretion in applying the following processes to this solicitation. Any ties in scoring will be resolved with a best and final price request and the lowest price will prevail.
27. **DETERMINING RESPONSIVENESS AND RESPONSIBILITY:**
 - 27.1. Offers will be reviewed for documentation of minimum qualifications, completeness, and compliance with the Solicitation requirements. The City reserves sole discretion to determine responsiveness and responsibility.
 - 27.2. Responsiveness: Nonresponsive Offers will not be considered in the evaluation process. The solicitation states criteria that determine responsiveness, and the solicitation includes terms and conditions that if included or excluded from Offers (as the case may be) will render an Offer nonresponsive.
 - 27.3. Exceptions, conditions, reservations, or understandings are presumed to be unacceptable, and an Offer that includes unacceptable exceptions, conditions, reservations, or understandings may be rejected as nonresponsive. Alternatively, the City in its sole discretion may instruct in writing that any Offeror remove the conditions, exceptions, reservations or understandings. If the Offeror fails to do so in writing, the City may determine the Offer to be nonresponsive.
 - 27.4. Responsibility: To obtain true economy, the City must conduct solicitations to minimize the possibility of a subsequent default by the contractor, late deliveries, or other unsatisfactory performance that may result in additional administrative costs. It is important that the Offeror be a responsible contractor. Responsibility includes the Offeror's integrity, skill, capacity, experience, and facilities for conducting the work to be performed.
 - 27.5. The Procurement Officer will review each Offer to determine if the Offeror is responsible. The City's determination as to whether an Offeror is responsible will be based on all information furnished by the Offeror, interviews (if any), and information received from Offeror's references,

SECTION I - INSTRUCTIONS

CITY OF PHOENIX
200 West Washington
Street, 9th Floor
Phoenix, AZ 85003

including information about Offeror's history, terminations for convenience or cause, contract breach lawsuits or notices of claim and any other sources the City deems appropriate. Award of the Contract resulting from the solicitation will not be made until any necessary investigation, which each Offeror agrees to permit by submitting its Offer, is made by the City as it deems necessary. A review of responsibility may occur up to contract award.

- 27.6.** The Offeror's unreasonable failure to promptly supply information about an inquiry with respect to responsibility may be grounds for a determination of non-responsibility with respect to such Offeror.
- 28. DETAILED EVALUATION OF OFFERS AND DETERMINATION OF COMPETITIVE RANGE:** During deliberations, the Evaluation Panel will reach a consensus score for each evaluation criterion except price. The Procurement Officer will score the price, which will be added to the overall consensus score. The overall consensus scores will determine the Offerors' rankings and which Offers are within the Competitive Range, when appropriate.
- 29. OFFERS NOT WITHIN THE COMPETITIVE RANGE:** The City may notify Offerors of Offers that the City determined are not in the Competitive Range.
- 30. DISCUSSIONS WITH OFFERORS IN THE COMPETITIVE RANGE:**
- 30.1.** The City will notify each Offeror whose Offer is in the Competitive Range or made the 'short list' and provide in writing any questions or requests for clarification to the Offeror. Each Offeror so notified may be interviewed by the City and asked to discuss answers to written or oral questions or provide clarifications to any facet of its Offer. The Offerors in the competitive range may be required to provide a demonstration of their product.
- 30.2.** Demonstrations - Offerors in the competitive range may be invited to construct a hands-on sample or presentation of their solution at the City of Phoenix. In addition, each finalist may prepare and deliver a presentation of their proposed solution based on the script developed by the evaluation panel. The City may also require a hands-on lab demonstration designed specifically for the evaluation panel. The results of the surveys will be tabulated and delivered to the evaluation team for the final review and solution selection session(s).
- 30.3.** If an Offer in the Competitive Range contains conditions, exceptions, reservations or understandings to or about any Contract or Solicitation Scope requirement, the City may discuss or negotiate the conditions, exceptions, reservations or understandings during these meetings. But the City in its sole discretion may reject any and all conditions, exceptions, reservations and understandings, and the City may instruct any Offeror to remove the conditions, exceptions, reservations or understandings. If the Offeror fails to do so, the City may determine the Offer is nonresponsive,

SECTION I - INSTRUCTIONS

CITY OF PHOENIX
200 West Washington
Street, 9th Floor
Phoenix, AZ 85003

and the City may revoke its determination that the Offer is in the Competitive Range.

- 30.4.** To the fullest extent permitted by law, the City will not provide any information, financial or otherwise, to any Offeror about other Offers received in response to this solicitation. During discussions with Offerors in the Competitive Range, the City will not give Offerors specific prices or specific financial requirements that Offerors must meet to qualify for further consideration. The City may state that proposed prices are too high with respect to the marketplace or otherwise unacceptable. Offerors will not be told of their relative rankings before Contract award.
- 31. BEST AND FINAL OFFERS (BAFO):**
- 31.1.** A BAFO is an option available for negotiations. Each Offeror in the Competitive Range, which is determined in the City's sole discretion, may be afforded the opportunity to amend its Offer and make one BAFO.
- 31.2.** If an Offeror's BAFO modifies its initial Offer, the modifications must be identified in the BAFO. The City will evaluate BAFOs based on the same requirements and criteria applicable to initial Offers. The City will adjust appropriately the initial scores for criteria that have been affected by Offer modifications made by a BAFO. Based on the criteria defined in the solicitation as weighted, the City will then perform final scoring and prepare final rankings.
- 31.3.** The Evaluation Panel will recommend the Offer that is the best value and most advantageous to the City based on the evaluation criteria.
- 31.4.** The City reserves the right to make an award to an Offeror whose Offer is the highest rated, best value, and most advantageous to the City based on the evaluation criteria, without conducting written or oral discussions with any Offeror, without negotiations, and without soliciting BAFOs.
