ASPHALT AND STRIPING SERVICES

QUESTIONS:

QUESTION 1:

Is there away that we can review the improvement plans?

RESPONSE:

We not aware of any improvement plans from any of the departments that we take care of. Most of the asphalt work we do is preventative maintenance to extend the life of parking lots.

QUESTION 2:

If we do most of the line item asphalt descriptions on the submittal spreadsheet, but there are some we do not do, (for example, asphalt slurry sealing) can we still submit the spreadsheet for our asphalt services that are listed? Or is this only for companies that do all the line items described?

RESPONSE:

This solicitation is an all or none bid by group. All line items within a group on the Section VI – Submittal Spreadsheet must be filled in or the bid for that group may be deemed non-responsive.

The balance of the specifications and instructions remain the same. Interested parties must acknowledge receipt and acceptance of this addendum by returning the entire addendum with the inquiry.
