**ADDENDUM NO. 2**

ISSUE DATE: January 21, 2021

Bidders are hereby notified that the Bidding and Contract Documents for the above project, for which Bids are to be received on **Tuesday, January 26, 2021**, are amended as follows:

Q1:	I have a question for Bid Item # 124 the plan does not show what size the main line pipe is for putting in a new water service, this also pertains to Bid Item # 127 as the fire hydrants need to be attached to the main could you please verify the existing main line size
A1:	Bid Item #124: The contractor is required to purchase the new water service. The updated specification related to this bid item has been updated and is reflected in item number 1 below. Bid Item #127: The water main size is a 6-inch ductile iron pipe at the vicinity of 3rd Street & Osborn Rd which the referenced fire hydrant will need to connect to the water main. The water main size is a 12-inch Asbestos Cement Pipe in the vicinity of 3rd Street & Thomas Rd, which the referenced fire hydrant will need to connect to the water main.
