CITY OF PHOENIX

7. PREPARATION OF OFFER:

- 7.1. All forms provided must be completed and submitted with your offer. The signed and completed Solicitation Disclosure form must be included or your offer may be deemed non-responsive.
- 7.2. It is permissible to copy Submittal forms if necessary. Erasures, interlineations, or other modifications of your offer must be initialed in original ink by the authorized person signing the offer. No offer will be altered, amended or withdrawn after the specified offer due date and time. The City is not responsible for Offeror's errors or omissions.
- 7.3. All time periods stated as a number of days will be calendar days.
- 7.4. It is the responsibility of all Offerors to examine the entire solicitation and seek clarification of any requirement that may not be clear and to check all responses for accuracy before submitting an offer. Negligence in preparing an offer confers no right of withdrawal after due date and time. Offerors are strongly encouraged to:
 - 7.4.1. Consider applicable laws and/or economic conditions that may affect cost, progress, performance, or furnishing of the products or services.
 - 7.4.2. Study and carefully correlate Offeror's knowledge and observations with the solicitation and other related data.
 - 7.4.3. Promptly notify the City of all conflicts, errors, ambiguities, or discrepancies which Offeror has discovered in or between the solicitation and such other related documents.

Offeror must identify the reason for the requested change, provide alternate language and provide an explanation. If Offeror's Submittal does not include a separate Exceptions Statement identifying all specific exceptions, the exceptions will be deemed waived by the Offeror.
- 8.2. It is the intent of the City to award a contract on a fair, competitive basis. For this reason, the City may view any "Exception" in response to any material conditions or requirement of the solicitation, as an attempt by the Offeror to

SECTION I – INSTRUCTIONS

CITY OF PHOENIX

vary the terms of the solicitation which, in fact, may result in giving the Offeror an unfair advantage. For this reason, the City will, at its option, not allow exceptions to any material requirement if, in the opinion of the City, the exceptions alter the overall intent of the solicitation, unless the exception would be of material benefit to the City. Additionally, the City may, at its option, deem any submittal non-responsive based on exceptions by the Offeror.

9. INQUIRIES:

- 9.1. All questions that arise relating to this Solicitation should be directed to the procurement officer on the solicitation cover page.
- 9.2. To be considered, written inquiries must be received at the address on the cover page by the submittal time. Written inquiries may be emailed to the address on the cover page. Inquiries received will then be answered in an addendum.

CITY OF PHOENIX

17. AWARD OF CONTRACT:

Unless otherwise indicated, award(s) will be made to the most responsive, responsible Offeror(s) who are regularly established in the Services contained in this Solicitation and who have demonstrated the ability to perform the required Services in an acceptable manner. Factors that will be considered by the City include:

- Technical capability of the Offeror to accomplish the Scope of Work required in the Solicitation. This includes performance history on past and current government or industrial contracts; and,
- Demonstrated availability of the necessary manpower (both supervisory and operational personnel) and necessary equipment to accomplish the scope of work in the Solicitation; and,
- Vendor history of performance and termination for convenience or cause.

17.1. Notwithstanding any other provision of this Solicitation, the City reserves the right to: (1) waive any immaterial defect or informality; or (2) reject any or all offers or portions thereof; or (3) reissue a solicitation.

18. CITY'S RIGHT TO DISQUALIFY FOR CONFLICT OF INTEREST:

The City reserves the right to disqualify any Offeror on the basis of any real or apparent conflict of interest that is disclosed by the Offer submitted or any other data available to the City. This disqualification is at the sole discretion of the City. Any Offeror submitting an offer herein waives any right to object now or at any future time, before anybody or agency, including but not limited to, the City Council of the City of Phoenix or any court.

19. SOLICITATION TRANSPARENCY POLICY:

19.1. Commencing on the date and time a solicitation is published, potential or actual offerors or respondents (including their representatives) shall only discuss matters associated with the Solicitation with the Mayor, any members of City Council, the City Manager, any Deputy City Manager, or any department director directly associated with the solicitation (including in each case their assigned staff, except for the designated procurement officer) at a public meeting, posted under Arizona Statutes, until Agreement(s) are awarded to all offers or responses are rejected and the solicitation is cancelled without any announcement by the Procurement Officer of the City's intent to reissue the same or similar solicitation. As long as the Solicitation is not discussed, Offerors may continue to conduct business with the City and discuss business that is unrelated to the solicitation with the City staff who is not involved in the selection process.

19.2. Offerors may discuss their proposal or the Solicitation with the Mayor or one or more members of the Phoenix City Council, provided such meetings are scheduled through the Procurement Officer, and are posted as open meetings

SECTION I – INSTRUCTIONS

CITY OF PHOENIX

with the City Clerk at least 24 hours prior to the scheduled meetings. The City Clerk will be responsible for posting the meetings. The posted notice shall identify the participants and the subject matter, as well as invite the public to participate.

- 19.3. With respect to the selection of the successful Offerors, the City Manager and/or City Manager's Office will continue the past practice of exerting no undue influence on the process. In all solicitations of bids and proposals, any direction on the selection from the City Manager and/or City Manager's Office and Department Head (or representative) to the proposal review panel or selecting authority must be provided in writing to all prospective Offerors.
- 19.4. This policy is intended to create a level playing field for all Offerors, assure that contracts are awarded in public, and protect the integrity of the selection process. **OFFERORS THAT VIOLATE THIS POLICY SHALL BE DISQUALIFIED.** After official Notice is received by the City for disqualification, the OFFEROR may follow the Protest process, unless the Solicitation is cancelled without notice of intent to re-issue.
- 19.5. "To discuss" means any contact by the OFFEROR, regardless of whether the City responds to the contact. Offerors that violate this policy shall be disqualified until Agreement(s) are awarded, or all offers or responses are rejected and the solicitation is cancelled without any announcement by the Procurement Officer of the City's intent to reissue the same or a similar solicitation. The City interprets the policy as continuing through a cancellation of a solicitation until Council award of the contract, as long as the City cancels with a statement that the City will rebid the solicitation.

20. PROTEST PROCESS:

- 20.1. Offeror may protest the contents of a solicitation no later than seven days before the solicitation deadline when the protest is based on an apparent alleged mistake, impropriety or defect in the solicitation. Protests filed regarding the solicitation may be addressed by an amendment to the solicitation or denied by the City. If denied, the opening and award will proceed unless the City determines that it is in the City's best interests to set new deadlines, amend the solicitation, cancel or re-bid.
- 20.2. Therefore, unless otherwise notified by a formal amendment, the Protester must adhere to all solicitation dates and deadlines, including timely filing of an offer, regardless of filing a protest.
- 20.3. Offeror may protest an adverse determination issued by the City regarding responsibility and responsiveness, within seven days of the date the Offeror was notified of the adverse determination.
- 20.4. Offeror may protest an award recommendation if the Offeror can establish that it had a substantial chance of being awarded the contract and will be harmed by the recommended award. The City will post recommendations to award the contract(s) to an Offeror on the City's website. Offeror must submit award

SECTION I – INSTRUCTIONS

CITY OF PHOENIX

protests within seven days after the posting of the award recommendation, with exceptions only for good cause shown, within the City’s full and final discretion.

20.5. All protests will be in writing, filed with the Procurement Officer identified in the solicitation, and include the following:

- Identification of the solicitation number;
- The name, address and telephone number of the protester
- A detailed statement describing the legal and factual grounds for the protest, including copies of relevant documents;
- The form of relief requested; and
- The signature of the protester or its authorized representative.

20.6. The Procurement Officer will render a written decision within a reasonable period after the protest is filed. The City will not request City Council authorization to award the contract until the protest process is complete. All protests and appeals must be submitted in accordance with the City’s Procurement Code, (Phoenix City Code, Ch. 43), and administrative regulations and any protests or appeals not submitted within the time requirements will not be considered.

21. PUBLIC RECORD:

All Offers submitted in response to this invitation will become the property of the City and become a matter of public record available for review pursuant to Arizona State law. If an Offeror believes that a specific section of its Offer response is confidential, the Offeror will isolate the pages marked confidential in a specific and clearly labeled section of its Offer response. An Offeror may request specific information contained within its Offer is treated by the Procurement Officer as confidential provided the Offeror clearly labels the information “confidential.” To the extent necessary for the evaluation process, information marked as “confidential” will not be treated as confidential. Once the procurement file becomes available for public inspection, the Procurement Officer will not make any information identified by the Offerors as “confidential” available to the public unless necessary to support the evaluation process or if specifically requested in accordance with applicable public records law. When a public records request for such information is received, the Procurement Officer will notify an Offeror in writing of any request to view any portion of its Offer marked “confidential.” The Offeror will have the time set forth in the notice to obtain a court order enjoining such disclosure. If the Offeror does not provide the Procurement Officer with a court order enjoining release of the information during the designated time, the Procurement Officer will make the information requested available for inspection.

22. LATE OFFERS:

Late Offers must be rejected, except for good cause. If a late Offer is submitted, the

SECTION I – INSTRUCTIONS

CITY OF PHOENIX

Department will document the date and time of the submittal of the late Offer, keep the Offer and notify the Offeror that its Offer was disqualified for being a late Offer.

23. RIGHT TO DISQUALIFY:

The City reserves the right to disqualify any Offeror who fails to provide information or data requested or who provides materially inaccurate or misleading information or data. The City further reserves the right to disqualify any Offeror on the basis of any real or apparent conflict of interest that is disclosed by the Offeror submitted or any other data or information available to the City. This disqualification is at the sole discretion of the City. By submission of a solicitation response, the Offeror waives any right to object now or at any future time, before any agency or body including, but not limited to, the City Council of the City or any court as to the exercise by the City of such right to disqualify or as to any disqualification by reason of real or apparent conflict of interest determined by the City. The City reserves the right to replace the disqualified Offeror.

24. CONTRACT AWARD:

The City reserves the right to award a contract by individual line items, by group, all or none, or any other combination most advantageous to the City.

25. EVALUATION OF COMPETITIVE SEALED OFFERS:

The City will use its discretion in applying the following processes to this Solicitation. Any ties in scoring will be resolved with a best and final price request and the lowest price will prevail.

26. DETERMINING RESPONSIVENESS AND RESPONSIBILITY:

26.1. Offers will be reviewed for documentation of minimum qualifications, completeness, and compliance with the Solicitation requirements. The City reserves sole discretion to determine responsiveness and responsibility.

26.2. Responsiveness: Nonresponsive Offers will not be considered in the evaluation process. The solicitation states criteria that determine responsiveness, and the solicitation includes terms and conditions that if included or excluded from Offers (as the case may be) will render an Offer nonresponsive.

26.3. Exceptions, conditions, reservations, or understandings are presumed to be unacceptable, and an Offer that includes unacceptable exceptions, conditions, reservations, or understandings may be rejected as nonresponsive. Alternatively, the City in its sole discretion may instruct in writing that any Offeror remove the conditions, exceptions, reservations or understandings. If the Offeror fails to do so in writing, the City may determine the Offer to be nonresponsive.

26.4. Responsibility: To obtain true economy, the City must conduct solicitations to minimize the possibility of a subsequent default by the contractor, late

SECTION I – INSTRUCTIONS

CITY OF PHOENIX

deliveries, or other unsatisfactory performance that may result in additional administrative costs. It is important that the Offeror be a responsible contractor. Responsibility includes the Offeror's integrity, skill, capacity, experience, and facilities for conducting the work to be performed.

- 26.5.** The Procurement Officer, in consultation with legal counsel, will review each Offer to determine if the Offeror is responsible. The City's determination as to whether an Offeror is responsible will be based on the information furnished by the Offeror, interviews (if any), any information at the City's request, information in any best and final offer, and information received from Offeror's references, including information about Offeror's past history, terminations for convenience or cause, contract breach lawsuits or notices of claim and any other sources the City deems appropriate. Award of the Contract resulting from the Solicitation will not be made until any necessary investigation, which each Offeror agrees to permit by submitting its Offer, is made by the City as it deems necessary. A review of responsibility may occur up to contract award.
- 26.6.** The Offeror's unreasonable failure to promptly supply information in connection with an inquiry with respect to responsibility may be grounds for a determination of non-responsibility with respect to such Offeror.

27. DETAILED EVALUATION OF OFFERS AND DETERMINATION OF COMPETITIVE RANGE:

During deliberations, the Evaluation Panel will reach a consensus score for each evaluation criterion except price. The Procurement Officer will score the price, which will be added to the overall consensus score. The overall consensus scores will determine the Offerors' rankings and which Offers are within the Competitive Range, when appropriate.

28. OFFERS NOT WITHIN THE COMPETITIVE RANGE:

The City may notify Offerors of Offers that the City determined are not in the Competitive Range.

29. DISCUSSIONS WITH OFFERORS IN THE COMPETITIVE RANGE:

The City will notify each Offeror whose Offer is in the Competitive Range or made the 'short list' and provide in writing any questions or requests for clarification to the Offeror. Each Offeror so notified may be interviewed by the City and asked to discuss answers to written or oral questions or provide clarifications to any facet of its Offer. The Offerors in the competitive range may be required to provide a demonstration of their product.

- 29.1.** Demonstrations - Offerors in the competitive range may be invited to construct a hands-on sample or presentation of their solution at the City of Phoenix. In addition, each finalist may prepare and deliver a presentation of their proposed solution based on the script developed by the evaluation panel. The City may

SECTION I – INSTRUCTIONS

CITY OF PHOENIX

also require a hands-on lab demonstration designed specifically for the evaluation panel. The results of the surveys will be tabulated and delivered to the evaluation team for the final review and solution selection session(s).

- 29.2.** If an Offer in the Competitive Range contains conditions, exceptions, reservations or understandings to or about any Contract or Solicitation requirement, the City may discuss or negotiate the conditions, exceptions, reservations or understandings during these meetings. But the City in its sole discretion may reject any and all conditions, exceptions, reservations and understandings, and the City may instruct any Offeror to remove the conditions, exceptions, reservations or understandings. If the Offeror fails to do so, the City may determine the Offer is nonresponsive, and the City may revoke its determination that the Offer is in the Competitive Range.
- 29.3.** To the fullest extent permitted by law, the City will not provide any information, financial or otherwise, to any Offeror about other Offers received in response to this Solicitation. During discussions with Offerors in the Competitive Range, the City will not give Offerors specific prices or specific financial requirements that Offerors must meet to qualify for further consideration. The City may state that proposed prices are too high with respect to the marketplace or otherwise unacceptable. Offerors will not be told of their relative rankings before Contract award.

30. BEST AND FINAL OFFERS (BAFO):

- 30.1.** A BAFO is an option available for negotiations. Each Offeror in the Competitive Range, which is determined in the City's sole discretion, may be afforded the opportunity to amend its Offer and make one BAFO.
- 30.2.** If an Offeror's BAFO modifies its initial Offer, the modifications must be identified in the BAFO. The City will evaluate BAFOs based on the same requirements and criteria applicable to initial Offers. The City will adjust appropriately the initial scores for criteria that have been affected by Offer modifications made by a BAFO. Based on the criteria defined in the solicitation as weighted, the City will then perform final scoring and prepare final rankings.
- 30.3.** The Evaluation Panel will recommend the Offer that is the best value and most advantageous to the City based on the evaluation criteria.
- 30.4.** The City reserves the right to make an award to an Offeror whose Offer is the highest rated, best value, and most advantageous to the City based on the evaluation criteria, without conducting written or oral discussions with any Offeror, without negotiations, and without soliciting BAFOs.

31. STATEMENT OF BONDING ABILITY:

Offerors must submit a letter from a bonding or insurance company stating that the Offeror can qualify for and procure the performance and/or payment surety required in this Solicitation. Submittals received without the required statement of ability to secure a performance or payment surety may be considered as non-responsive.

	SECTION I – INSTRUCTIONS	CITY OF PHOENIX
---	---------------------------------	------------------------

Offerors anticipating the submittal of a cash surety in lieu of a bond should submit a statement notifying the City.

32. PERFORMANCE BOND:

If such suspension causes additional expense to Contractor in performance, and not due to fault or negligence of Contractor, the payment will be adjusted on the basis of actual costs resulting directly from the suspension, and the period for performance of the Services will be extended by mutual agreement. Any claim by Contractor for a price adjustment must be supported by appropriate documentation asserted promptly after Contractor has been notified to suspend performance.

21. PROFESSIONAL COMPETENCY:

21.1. QUALIFICATIONS: Contractor represents that it is familiar with the nature and extent of this Agreement, the Services, and any conditions that may affect its performance under this Agreement. exercised by members of Contractor's profession currently practicing in the same industry under similar conditions. Acceptance or approval by the City of Contractor's work will in no way relieve Contractor of liability to the City for damages suffered or incurred arising from the failure of Contractor to adhere to the aforesaid standard of professional competence.

22. SPECIFIC PERFORMANCE:

Contractor agrees that in the event of a breach by Contractor of any material provision of this Agreement, the City will, upon proper action instituted by it, be entitled to a decree of specific performance thereof according to the terms of this Agreement. In the event the City will elect to treat any such breach on the part of Contractor as a discharge of the Agreement, the City may nevertheless maintain an action to recover damages arising out of such breach. This paragraph is not intended as a limitation of such other remedies as may be available to the City under law or equity.

23. FORCE MAJEURE:

Contractor will not be responsible or liable for, or deemed in breach hereof because of any delay in the performance of its obligations hereunder to the extent caused by circumstances beyond its control, without its fault or negligence, and that could not have been prevented by the exercise of due diligence, including but not limited to fires, natural disasters, riots, wars, unavoidable and unforeseeable site conditions, failure of the City to provide data within the City's possession or to make necessary decisions or provide necessary comments in connection with any required reports prepared by Contractor in connection with the Services and the unforeseeable inability to obtain necessary site access, authorization, permits, licenses, certifications and approvals (such causes hereafter referred to as "Force Majeure").

24. DOCUMENTATION:

24.1 DISSEMINATION AND RETENTION: There will be no dissemination or publication of any information gathered, or documents prepared in the course of the performance of the Services without the prior written consent of the City. Should the City, upon advice of counsel, deem it necessary, due to existing or anticipated litigation, to assert a legal privilege of protection and non-disclosure with regard to the subject matter of this Agreement, then, and in that event, upon written demand, Contractor will relinquish to the possession and control of the City its entire file related to this Agreement and only those portions of said file deemed by the City to be not privileged will be returned to Contractor pending the resolution of the existing or anticipated litigation.

24.2 FORMAT AND QUALITY: All documents prepared by Contractor will be prepared in a format and at a quality approved by the City.

SECTION II – PROFESSIONAL SERVICES CONSULTING AGREEMENT

CITY OF PHOENIX

24.3 DOCUMENT REVIEW: Contractor will review all documents provided by the City related to the performance of the Services and will promptly notify the City of any defects or deficiencies discovered in such review.

24.4 SUBMITTALS: Contractor will provide timely and periodic submittals of all documents required of Contractor, including subcontracts, if any, as such become available to the City for review.

25. RELEASE OF INFORMATION - ADVERTISING AND PROMOTION:

Contractor will not publish, release, disclose or announce to any member of the public, press, official body, or any other third party: (1) any information concerning this Agreement, the Services, or any part thereof; or (2) any documentation or the contents thereof, without the prior written consent of the City, except as required by law. The name of any site on which Services are performed will not be used in any advertising or other promotional context by Contractor without the prior written consent of the City.

26. CONFLICTS OF INTEREST:

26.1 Contractor acknowledges that, to the best of its knowledge, information and belief, no person has been employed or retained to solicit or secure this Agreement upon a promise of a commission, percentage, brokerage, or contingent fee, and that no member of the Phoenix City Council or any employee of the City has any financial interest in the consulting firm. For breach of violation of this warranty, the City will have the right to annul this Agreement without liability, including any such commission, percentage, brokerage or contingent fee.

26.2 The City reserves the right to immediately terminate the contract in the event that the City determines that Contractor has an actual or apparent conflict of interest.

26.3 Upon a finding by the City that gratuities in the form of entertainment, gifts or inducements were offered or given by Contractor, or any agent or representative of Contractor, to any officer or employee of the City for the purpose of securing this Agreement, or securing favorable treatment with respect to the awarding, amending, or making of any determination with respect to the performance of this Agreement, the City may, by one calendar day written notice to Contractor, terminate the right of Contractor to proceed under this Agreement, provided that the existence of the facts upon which the City made such finding will be an issue and may be litigated in an Arizona court of competent jurisdiction. In the event of such termination, the City will be entitled to the same remedies against Contractor as could be pursued in the event of default by Contractor.

26.4 This Agreement is subject to the requirements of Arizona Revised Statutes §38-511.

SECTION II – PROFESSIONAL SERVICES CONSULTING AGREEMENT

CITY OF PHOENIX

27. PUBLIC RECORDS:

- 27.1** Notwithstanding any provisions of this Agreement regarding confidentiality, secrets, or protected rights, the Contractor acknowledges that all documents provided to the City may be subject to disclosure by laws related to open public records. Consequently, the Contractor understands that disclosure of some or all of the items subject to this Agreement may be required by law.
- 27.2** In the event City receives a request for disclosure that is reasonably calculated to incorporate information that might be considered confidential by Contractor, the City agrees to provide the Contractor with notice of that request, which shall be deemed given when deposited by the City with the USPS for regular delivery to the address of the Contractor specified in their proposal. Within ten days of City notice by the City, the Contractor will inform the City in writing of any objection by the Contractor to the disclosure of the requested information. Failure by the Contractor to object timely shall be deemed to waive any objection and any remedy against the City for disclosure.
- 27.3** In the event the Contractor objects to disclosure within the time specified, the Contractor agrees to handle all aspects related to request, including properly communicating with the requestor and timely responding with information the disclosure of which the Contractor does not object thereto. Furthermore, the Contractor agrees to indemnify and hold harmless the City from any claims, actions, lawsuits, or any other controversy or remedy, in whatever form, that arises from the failure to comply with the request for information and the laws pertaining to public records, including defending the City in any legal action and payment of any penalties or judgments. This provision shall survive the termination of this Agreement.

28. CLAIMS OR DEMANDS AGAINST THE CITY:

- 28.1** Contractor acknowledges and accepts the provisions of Chapter 18, Section 14 of the Charter of the City of Phoenix, pertaining to claims or demands against the City, including provisions therein for set-off of indebtedness to the City against demands on the City, and Contractor agrees to adhere to the prescribed procedure for presentation of claims and demands. Nothing in Chapter 18, Section 14 of the Charter of the City of Phoenix alters, amends or modifies the supplemental and complementary requirements of the State of Arizona Notice of Claim statutes, Arizona Revised Statutes §§ 12-821 and 12-821.01, pertaining to claims or demands against the City. If for any reason it is determined that the City Charter and state law conflict, then state law will control.
- 28.2** Moreover, nothing in this Agreement will constitute a dispute resolution process, an administrative claims process, or contractual term as used in Arizona Revised Statutes § 12-821.01(C), sufficient to affect the date on

SECTION II – PROFESSIONAL SERVICES CONSULTING AGREEMENT

CITY OF PHOENIX

which the cause of action accrues within Arizona Revised Statutes § 12-821.01(A) and (B).

29. WAIVER OF CLAIMS FOR ANTICIPATED PROFITS:

Contractor waives any claims against the City and its officers, officials, agents and employees for loss of anticipated profits caused by any suit or proceeding, directly or indirectly, involving any part of this Agreement.

30. CONTINUATION DURING DISPUTES:

30.1 Contractor agrees as a condition of this Agreement that in the event of any dispute between the parties, provided no Notice of Termination has been given by the City, and if it is feasible under the terms of this Agreement each party will continue to perform the obligations not related to the dispute required of it during the resolution of such dispute, unless enjoined or prohibited by a court of competent jurisdiction.

30.2 Failure or delay by either party to exercise any right, power or privilege specified in or appurtenant to this Agreement will not be deemed a waiver.

31. THIRD PARTY BENEFICIARY CLAUSE:

The parties expressly agree that this Agreement is not intended by any of its provisions to create any right of the public or any member thereof as a third-party beneficiary nor to authorize anyone not a party to this Agreement to maintain a suit for personal injuries or property damage pursuant to the terms or provisions of this Agreement.

32. EQUAL EMPLOYMENT OPPORTUNITY AND PAY:

32.1. In order to do business with the city, contractor must comply with Phoenix City Code, 1969, Chapter 18, Article V, as amended, Equal Employment Opportunity requirements. Contractor will direct any questions in regard to these requirements to the equal opportunity department, (602) 262-6790.

32.2. CITY OF PHOENIX

EXHIBIT A – SCOPE OF WORK

1. INTRODUCTION

The City of Phoenix (City) Human Resources Department, Benefits Division invites proposals for Pharmacy Benefits Management Consulting (PBMC) Services. The Contractor will provide a team of professionals specialized and experienced in providing PBMC services directly related to employee and retiree pharmacy benefits, compliance, solicitation writing and evaluation, pharmacy benefits management (PBM) negotiation, and implementation of PBM services. Solutions and services shall be tailored to the City's needs which include a self-insured carved-out solution.

Contractor will meet with the City of Phoenix Benefits Division Management and may meet with the Health Care Benefits Trust Board (Trust Board) and the 12-member Health Care Task Force (Task Force), as needed. The Trust Board and Task Force are comprised of volunteer members of the public and representatives from each City bargaining unit.

As the fifth most populous city in the United States, the City is always exploring ways to provide competitive benefits to attract and retain employees while utilizing cost containment strategies without significantly impacting the integrity of the plans. Solutions and services shall be tailored to the City's unique culture and needs. The Contractor must be independent of all potential vendor products and have no conflicts of interest related to services recommended to the City.

The City provides pharmacy benefits to approximately 36,000 members consisting of employees, retirees and eligible family members including qualified domestic partners of same or opposite gender. The city employs a workforce of over 13,000 full time, benefit-eligible employees and has more than 8,000 retirees. The workforce is disbursed over 516 square miles working a variety of schedules and shifts.

The Trust Board oversees the \$100 million Health Care Benefits Trust Fund (Trust Fund) to ensure funds availability, including funding for the pharmacy plan expenses. The five-member Trust Board is staffed by one employee bargaining unit representative and four members of the public with related qualifications and experience.

A twelve-member Task Force meets with the Human Resources Assistant Director, the Deputy Benefits and Wellness Director on a monthly basis to provide input on rate setting and strategic plan design changes. The Task Force is comprised of one representative from each bargaining unit, each 'meet and confer' unit, middle management, executives, and retirees. The Task Force provides benefit program

recommendations to the Trust Board.

The City provides one self-insured, carved-out pharmacy benefits plan with the three employee medical plans to approximately 34,000 employees and eligible family members. One pharmacy plan serves all enrolled members and is automatically included with a medical plan election and included in the medical plan premium equivalent rates.

The City's employee pharmacy benefit is a pass-through model with network rates at retail and pass-through of manufacturer rebates and other payments, competitive discounts and mail order and drug-specific pricing through the exclusive specialty provider-backed by component level guarantees. The City's employee plan includes a mandatory 90-day provision which requires members to receive maintenance medications at either home delivery or through a narrow 90-day retail network of select retail pharmacies which offer "mail at retail" pricing or pay the full price of the medication at retail 30 after 3 fills. The City receives reporting on a regular, bi-monthly basis and requests ad-hoc reporting as needed.

The City's pre-65 retiree population that is included in this RFP has a voluntary 90-day benefit through either mail order or a narrow 90-day retail network of select retail pharmacies that also have "mail at retail" pricing

The City has a broad, retail pharmacy network which includes all major national pharmacy chains. Both the employee and retiree plans have an exclusive specialty pharmacy network requirement and a thirty-day supply limitation for specialty drugs. The employee plans utilize Elixir's standard formulary option with exclusions under a three-tier plan design. The pre-65 retiree plan utilizes UnitedHealthcare's formulary.

The following clinical management programs are in place with the current vendor contract: early refill management; standard and enhanced appropriateness of use and quantity limit protocols; maximum daily dose review; brand to generic conversions; prior authorization/quantity limits; therapeutic efficiency management; daily dose efficiency management; migraine therapy management; and, global step therapy.

It is the philosophy of the City to provide high quality benefits at the best price with exceptional customer service. The City seeks a PBM Consultant that shares this philosophy and will work collaboratively to continuously improve our members' customer service experience, health status, and cost-effective solutions related to pharmacy benefits and trends.
