Shelving for Warehouse

This addendum revises the subject solicitation and answers the following question:

1. **Add item**, Section V, Scope of Work, paragraph 2.1.1, Contractor Responsibilities 2.1.1 The Contractor will work with the City to define the immediate shelving needs and propose the best solution to meet the immediate need. The resulting contract is an “as needed” requirements contract therefore all services may not be required for each City request for services. During the term of the contract the Contractor may need to visit the various City locations, design a shelving plan for the specific space, propose the best warehouse shelving for the situation and install the shelving or repair the current warehouse shelving.
2. **Question:** I would like to get you the information for the shelving but can you send me the specs and layout or a link to them so we can get you the best pricing?

Answer: Refer to Section V, Scope of Work, paragraph 1, Purpose, “The city of Phoenix invites sealed offers for the space plan design, installation, supply and repair of warehouse shelving...”

Refer to Section VII, Attachment C, Bid Price Schedule, Item #1, “Space Plan Design Services”, the Bidder is to supply an hourly labor rate

Refer to Section VII, Attachment C, Bid Price Schedule, Item #8, “Shelving/racking (freestanding/wall mounted) Discount off Price List”, the Bidder is to supply a percentage off discount of the Bidder’s Price List.

All other terms and conditions remain unchanged.

Offeror is required to sign and return addendum with their bid.
