Solicitation Number: IFB 2122-WPP-351
Addendum # 2

Solicitation Due Date: September 22, 2021, 2:00 p.m., Phoenix Local Time

**CITY OF PHOENIX
Water Services Department
200 W. Washington Street
9th Floor
Phoenix, AZ 85003**

3. Section V – Scope of Work, page 50, paragraph 5.5, Screenings Hauling, subparagraph 5.5.3, is revised as follows:

5.5.3 The Contractor may transport the screenings from the 23rd Avenue WWTP or 91st Avenue WWTP to the State Route 85 Landfill. Under no circumstances shall the Contractor be allowed to make any additional stops in transit to haul any payload other than the screenings. The contents of the hauling units will be checked for conformance with the manifest that shall accompany each load. ~~Contractor is responsible for all fees at the Landfill.~~ The City is responsible for all fees at the Landfill.

4. Section V, page 51, paragraph 5.6, Sludge Unloading, subparagraph 5.6.1, is revised as follows:

5.6.1 Contractor shall be responsible for safely unloading the de-watered sludge at the landfill. Contractor shall comply with all requirements stipulated by the landfill personnel in the unloading of de-watered sludge. ~~The Contractor will pay tipping fees directly to the disposal site.~~ The City will pay tipping fees directly to the disposal site. The City does not guarantee ground surface conditions at the disposal site during the unloading process. The Contractor shall make safe unloading a major consideration in its selection of hauling equipment.

All other terms and conditions remain unchanged.

Offeror is required to sign and return addendum with their offer.
