Bids do not become contracts until they are executed by the Department Director. A contract has its inception in the award, eliminating a formal signing of a separate contract. For that reason, all of the terms, conditions and specifications of the procurement contract are contained in the solicitation, and in any addendum or contract amendment.

17. CITY'S RIGHT TO DISQUALIFY FOR CONFLICT OF INTEREST:

The City reserves the right to disqualify any Bidder based on any real or apparent conflict of interest that is disclosed by the Bid submitted or any other data available to the City.  - 18.4. With respect to the selection of the successful Bidders, the City Manager and/or City Manager's Office will continue the past practice of exerting no undue influence on the process. In all solicitations of bids and proposals, any direction on the selection from the City Manager and/or City Manager's Office and Department Head (or representative) to the proposal review panel or selecting authority must be provided in writing to all prospective Bidders.
 - 18.5. This policy is intended to create a level playing field for all Bidders, assure that contracts are awarded in public, and protect the integrity of the selection process. **BIDDERS THAT VIOLATE THIS POLICY SHALL BE DISQUALIFIED.** After official Notice is received by the City for disqualification, the Bidder may follow the Protest process, unless the Solicitation is cancelled without notice of intent to re-issue.
 - 18.6. "To discuss" means any contact by the Bidder, regardless of whether the City responds to the contact. Bidders that violate this policy will be disqualified until the resulting contract(s) are awarded, or all Bids or responses are rejected and the solicitation is cancelled without any announcement by the Procurement Officer of the City's intent to reissue

the same or a similar solicitation. The City interprets the policy as continuing through a cancellation of a solicitation until Council award of the contract, as long as the City cancels with a statement that the City will rebid the solicitation.

If denied, the opening and award will proceed unless the City determines that it is in the City's best interests to set new deadlines, amend the solicitation, cancel or re-bid.
- 19.2. Therefore, unless otherwise notified by a formal amendment, the Protester must adhere to all solicitation dates and deadlines, including timely filing of a Bid, regardless of filing a protest.
- 19.3. Bidder may protest an adverse determination issued by the City regarding responsibility and responsiveness, within seven days of the date the Bidder was notified of the adverse determination.
- 19.4. Bidder may protest an award recommendation if the Bidder can establish that it had a substantial chance of being awarded the contract and will be harmed by the recommended award. The City will post recommendations on the City's website to award the contract(s) to a Bidder(s). An Bidder may request specific information contained within its Bid is treated by the Procurement Officer as confidential provided the Bidder clearly labels the information "confidential." To the extent necessary for the evaluation process, information marked as "confidential" will not be treated as confidential. Once the procurement file becomes available for public inspection, the Procurement Officer will not make any information identified by the Bidders as "confidential" available to the public unless necessary to support the evaluation process or if specifically requested in accordance with applicable public records law. Unless a Bidder’s financial responsibility can be fully verified and documented, the CITY will deem its Bid non-responsive. Each Bidder shall submit the following financial information with its Price Proposal.

- Required Components

Bids received without the required documents may be considered non-responsive.

1. State whether any participant in the Bid has ever filed bankruptcy proceedings. If so, state the date, jurisdiction, amount of liabilities, and amount of assets. Provide this information on a separate statement with the heading “BANKRUPTCY INFORMATION.”
2. Provide detailed information regarding litigation, liens, or claims that exceed \$10,000 and may result in litigation against any participant.

- Contractor offers a prompt payment discount of _____% _____days to apply after receipt of accurate invoice or final acceptance of the products (invoice approval), whichever date is later. **Payment terms offering a discount will not be considered in the price evaluation of your offer.**

Payment discounts will be computed from date of receiving acceptable services or a correct invoice, whichever is later, to date payment is mailed by the CITY.

- Contractor does not offer a prompt payment discount and accepts payment terms of net 45, effective upon receipt of an accurate invoice or final acceptance of the products (invoice approval), whichever date is later.
- Contractor may be paid immediately upon invoice approval, if enrollment is made to the Single Use Account (SUA) Program, administered by the CITY’s servicing bank (“Bank”). By checking this box, the offeror accepts transaction costs charged by their merchant bank and agrees not to transfer to the City those extra charges. The CITY will not pay an increase in our services for the SUA charges; if an audit uncovers an upcharge for the SUA charges the offeror will owe the CITY all costs. Contractor may opt-out of the SUA program once, but then may not rejoin during the same contract term.
