**1.14. OFFER RESULTS**

Offers will be opened on the offer due date, time and location indicated in the Schedule of Events, at which time the name of each Offeror may be read. Offers and other information received in response to the solicitation will be shown only to authorized CITY personnel having a legitimate interest in them or persons assisting the City in the evaluation. Offers are not available for public inspection until after the CITY has posted the award recommendation on the CITY’s website.

The CITY will post a preliminary offer tabulation on the CITY’s website, <https://solicitations.phoenix.gov/Awards> within five calendar days of the offer opening. The CITY will post the information on the preliminary tabulation as it was read during the offer opening. The CITY may not provide any further notification to unsuccessful Offerors.

**1.15. PRE-AWARD QUALIFICATIONS**

1.15.1. Offeror represents that it is familiar with the nature and extent of this contract, the services, and any conditions that may affect its performance under this contract. Offeror further represents that it is fully experienced and properly qualified, complies with all applicable license requirements, and is equipped, organized, and financed to perform such services.

1.15.3. Upon notification of an award the Offeror will have five calendar days to submit a complete certificate of insurance in the minimum amounts and the coverages as required in the Insurance Requirements of this solicitation. Insurance requirements are non-negotiable.

**1.16. AWARD OF CONTRACT**

1.16.1. Unless otherwise indicated, award(s) will be made to the most responsive, responsible Offeror(s) who are regularly established in the service, or providing the goods, contained in this solicitation and who have demonstrated the ability to perform in an acceptable manner.

1.16.2. Notwithstanding any other provision of this solicitation, the City reserves the right to: (1) waive any immaterial defect or informality; or (2) reject any or all offers or portions thereof; or (3) reissue a solicitation.

1.16.3. A response to a solicitation is an offer to contract with the City based upon the

	<b>SECTION I – SOLICITATION INSTRUCTIONS</b>	<b>CITY OF PHOENIX PUBLIC TRANSIT DEPARTMENT</b>  <b>302 N. 1st Avenue, Suite 900 Phoenix, AZ 85003</b>
---	--	---

terms, conditions, and specifications contained in the City’s solicitation. Offers do not become contracts until they are executed by the Deputy Finance Director or Department Director. A contract has its inception in the award, eliminating a formal signing of a separate contract. For that reason, all of the terms, conditions and specifications of the procurement contract are contained in the solicitation, and in any addendum or contract amendment.

**1.17. CITY’S RIGHT TO DISQUALIFY FOR CONFLICT OF INTEREST**

The CITY reserves the right to disqualify any Offeror based on any real or apparent conflict of interest that is disclosed by the offer submitted or any other data available to the CITY. This disqualification is at the sole discretion of the CITY. Any Offeror submitting an offer herein waives any right to object now or at any future time, before any agency or body, including but not limited to, the City Council of the City of Phoenix or any court.

**1.18. SOLICITATION TRANSPARENCY POLICY**

1.18.1. Commencing on the date and time a solicitation is published, potential or actual offerors or respondents (including their representatives) shall only discuss matters associated with the solicitation with the Mayor, any members of City Council, the City Manager, any Deputy City Manager, or any department director directly associated with the solicitation (including in each case their assigned staff, except for the designated procurement officer) at a public meeting, posted under Arizona Statutes, until the resulting contract(s) are awarded to all offers or responses are rejected and the solicitation is cancelled without any announcement by the Procurement Officer of the CITY’s intent to reissue the same or similar solicitation.

1.18.2. As long as the solicitation is not discussed, Offerors may continue to conduct business with the CITY and discuss business that is unrelated to the solicitation with the CITY staff. Offerors may not discuss the solicitation with any CITY employees or evaluation panel members.

1.18.3. Offerors may discuss their offer or the solicitation with the Mayor or one or more members of the Phoenix City Council, provided such meetings are scheduled through the Procurement Officer, and are posted as open meetings with the City Clerk at least 24 hours prior to the scheduled meetings. The City Clerk will be responsible for posting the meetings. The posted notice shall identify the participants and the subject matter, as well as invite the public to participate.

1.18.4. With respect to the selection of the successful Offerors, the City Manager and/or City Manager's Office will continue the past practice of exerting no undue influence on the process. In all solicitations of bids and proposals, any direction on the selection from the City Manager and/or City Manager's Office and Department Head (or representative) to the proposal review panel or selecting authority must be provided in writing to all prospective Offerors.

1.18.5. This policy is intended to create a level playing field for all Offerors, assure that contracts are awarded in public, and protect the integrity of the selection process.

	<b>SECTION I – SOLICITATION INSTRUCTIONS</b>	<b>CITY OF PHOENIX PUBLIC TRANSIT DEPARTMENT</b>  <b>302 N. 1st Avenue, Suite 900 Phoenix, AZ 85003</b>
---	--	---

**OFFERORS THAT VIOLATE THIS POLICY SHALL BE DISQUALIFIED.** After official Notice is received by the CITY for disqualification, the Offeror may follow the Protest process, unless the Solicitation is cancelled without notice of intent to re-issue.

1.18.6. “To discuss” means any contact by the Offeror, regardless of whether the CITY responds to the contact. Offerors that violate this policy will be disqualified until the resulting contract(s) are awarded, or all offers or responses are rejected and the solicitation is cancelled without any announcement by the Procurement Officer of the CITY’s intent to reissue the same or a similar solicitation. The CITY interprets the policy as continuing through a cancellation of a solicitation until Council award of the contract, as long as the CITY cancels with a statement that the CITY will rebid the solicitation.

**1.19. PROTEST PROCESS**

1.19.1. Offeror may protest the contents of a solicitation no later than seven days before the solicitation deadline when the protest is based on an apparent alleged mistake, impropriety or defect in the solicitation. Protests filed regarding the solicitation may be addressed by an amendment to the solicitation or denied by the CITY. If denied, the opening and award will proceed unless the CITY determines that it is in the CITY’s best interests to set new deadlines, amend the solicitation, cancel or re-bid.

1.19.2. Therefore, unless otherwise notified by a formal amendment, the Protester must adhere to all solicitation dates and deadlines, including timely filing of an offer, regardless of filing a protest.

1.19.3. Offeror may protest an adverse determination issued by the CITY regarding responsibility and responsiveness, within seven days of the date the Offeror was notified of the adverse determination.

1.19.4. Offeror may protest an award recommendation if the Offeror can establish that it had a substantial chance of being awarded the contract and will be harmed by the recommended award. The CITY will post recommendations on the CITY’s website to award the contract(s) to an Offeror(s). Offeror must submit award protests within seven days after the posting of the award recommendation, with exceptions only for good cause shown, within the CITY’s full and final discretion.

1.19.5. All protests will be in writing, filed with the Procurement Officer identified in the solicitation and include the following:

- Identification of the solicitation number;
- The name, address and telephone number of the protester;
- A detailed statement describing the legal and factual grounds for the protest, including copies of relevant documents;
- The form of relief requested; and

	<b>SECTION I – SOLICITATION INSTRUCTIONS</b>	<b>CITY OF PHOENIX PUBLIC TRANSIT DEPARTMENT</b>  <b>302 N. 1st Avenue, Suite 900 Phoenix, AZ 85003</b>
---	--	---

- The signature of the protester or its authorized representative.

1.19.6. The Procurement Officer will render a written decision within a reasonable period after the protest is filed. The CITY will not request City Council authorization to award the contract until the protest process is complete. All protests and appeals must be submitted in accordance with the City’s Procurement Code, (Phoenix City Code, Ch. 43) and any protests or appeals not submitted within the time requirements will not be considered. Protests must be filed with the Procurement Officer.

**1.20. PUBLIC RECORD**

All Offers submitted in response to this solicitation will become the property of the City and become a matter of public record available for review pursuant to Arizona State law. If an Offeror believes that a specific section of its Offer response is confidential, the Offeror will isolate the pages marked confidential in a specific and clearly labeled section of its Offer response. An Offeror may request specific information contained within its Offer is treated by the Procurement Officer as confidential provided the Offeror clearly labels the information “confidential.” To the extent necessary for the evaluation process, information marked as “confidential” will not be treated as confidential. Once the procurement file becomes available for public inspection, the Procurement Officer will not make any information identified by the Offerors as “confidential” available to the public unless necessary to support the evaluation process or if specifically requested in accordance with applicable public records law. When a public records request for such information is received, the Procurement Officer will notify the Offeror in writing of any request to view any portion of its Offer marked “confidential.” The Offeror will have the time set forth in the notice to obtain a court order enjoining such disclosure. If the Offeror does not provide the Procurement Officer with a court order enjoining release of the information during the designated time, the Procurement Officer will make the information requested available for inspection.

**1.21. LATE OFFERS**

Late Offers must be rejected, except for good cause. If a late Offer is submitted, the Department will document the date and time of the submittal of the late Offer, keep the Offer and notify the Offeror that its Offer was disqualified for being late.

**1.22. RIGHT TO DISQUALIFY**

The CITY reserves the right to disqualify any Offeror who fails to provide information or data requested or who provides materially inaccurate or misleading information or data. The CITY further reserves the right to disqualify any Offeror on the basis of any real or apparent conflict of interest that is disclosed by the Offeror submitted or any other data or information available to the CITY. This disqualification is at the sole discretion of the CITY. By submission of a solicitation response, the Offeror waives any right to object now or at any future time, before any agency or body including, but not limited to, the City Council of the CITY or any court as to the exercise by the CITY of such right to disqualify or as to

	<b>SECTION I – SOLICITATION INSTRUCTIONS</b>	<b>CITY OF PHOENIX PUBLIC TRANSIT DEPARTMENT</b>  <b>302 N. 1st Avenue, Suite 900 Phoenix, AZ 85003</b>
---	--	---

any disqualification by reason of real or apparent conflict of interest determined by the CITY. The CITY reserves the right to replace the disqualified Offeror.

**1.23. SITE VISIT**

Offerors are strongly encouraged to visit the publicly accessible areas of each location prior to submission of their Offer.

**1.24. CONTRACT AWARD**

The CITY reserves the right to award a contract by individual line items, by group, all or none, or any other combination most advantageous to the CITY. The CITY reserves the right to multiple award.

**1.25. EVALUATION OF COMPETITIVE SEALED OFFERS:**

The CITY will use its discretion in applying the following processes to this solicitation. Any ties in scoring will be resolved with a best and final price request and the lowest price will prevail.

**1.26. DETERMINING RESPONSIVENESS AND RESPONSIBILITY**

1.26.1. Offers will be reviewed for documentation of any required minimum qualifications, completeness, and compliance with the solicitation requirements. The CITY reserves sole discretion to determine responsiveness and responsibility.

1.26.2. Responsiveness: Nonresponsive Offers will not be considered in the evaluation process. The solicitation states criteria that determine responsiveness, and the solicitation includes terms and conditions that if included or excluded from Offers (as the case may be) will render an Offer nonresponsive.

1.26.3. Exceptions, conditions, reservations, or understandings are presumed to be unacceptable, and an Offer that includes unacceptable exceptions, conditions, reservations, or understandings may be rejected as nonresponsive. Alternatively, the CITY in its sole discretion may instruct in writing that any Offeror remove the conditions, exceptions, reservations or understandings. If the Offeror fails to do so in writing, the CITY may determine the Offer to be nonresponsive.

1.26.4. Responsibility: To obtain true economy, the CITY must conduct solicitations to minimize the possibility of a subsequent default by CONTRACTOR, late deliveries, or other unsatisfactory performance that may result in additional administrative costs. It is important that the Offeror be a responsible contractor. Responsibility includes the Offeror's integrity, skill, capacity, experience, and facilities for conducting the work to be performed.

1.26.5. The Procurement Officer will review each Offer to determine if the Offeror is responsible. The City's determination as to whether an Offeror is responsible will

	<b>SECTION I – SOLICITATION INSTRUCTIONS</b>	<b>CITY OF PHOENIX PUBLIC TRANSIT DEPARTMENT</b>  <b>302 N. 1st Avenue, Suite 900 Phoenix, AZ 85003</b>
---	--	---

be based on all information furnished by the Offeror, interviews (if any), and information received from Offeror’s references, including information about Offeror’s history, terminations for convenience or cause, contract breach lawsuits or notices of claim and any other sources the City deems appropriate. Award of the Contract resulting from the solicitation will not be made until any necessary investigation, which each Offeror agrees to permit by submitting its Offer, is made by the City as it deems necessary. A review of responsibility may occur up to contract award.

1.26.6. The Offeror’s unreasonable failure to promptly supply information about an inquiry with respect to responsibility may be grounds for a determination of non-responsibility with respect to such Offeror.

**1.27. CLARIFICATIONS**

The CITY may request written clarifications for such purposes as information gathering or eliminating minor informalities in offers. Clarifications shall not otherwise afford the Offerors the opportunity to alter or change their offers.

**1.28. DETAILED EVALUATION OF OFFERS AND DETERMINATION OF COMPETITIVE RANGE**

The CITY will appoint an Evaluation Panel, which may consist of CITY staff, staff from other CITY departments or transit agencies, and other persons. The CITY may also appoint a Technical Advisory Team to provide technical assistance to the Evaluation Panel. The Technical Advisory Team may consist of CITY staff, staff from other CITY departments or transit agencies, and other persons. The Technical Advisory Team will evaluate the technical portion of each offer for compliance with the RCS specifications. The Procurement Officer will chair the Evaluation Panel, serving in a non-voting capacity.

During deliberations, the Evaluation Panel will reach a consensus score for each evaluation criterion except price. The Procurement Officer will score the price, which will be added to the overall consensus score. The overall consensus scores will determine the Offerors’ rankings and which Offers are within the Competitive Range, when appropriate.

**1.29. OFFERS NOT WITHIN THE COMPETITIVE RANGE**

The CITY may notify Offerors of Offers that the CITY determined are not in the Competitive Range.

**1.30. DISCUSSIONS WITH OFFERORS IN THE COMPETITIVE RANGE**

1.30.1. The City will notify each Offeror whose Offer is in the Competitive Range or made the ‘short list’ and provide in writing any questions or requests for clarification to the Offeror. Each Offeror so notified may be interviewed by the City and asked to discuss answers to written or oral questions or provide clarifications to any facet of its Offer. The Offerors in the competitive range may be required to provide a demonstration of their product.

**SECTION I – SOLICITATION  
INSTRUCTIONS**

**CITY OF PHOENIX  
PUBLIC TRANSIT DEPARTMENT**

**302 N. 1st Avenue, Suite 900  
Phoenix, AZ 85003**

- 1.30.2. Demonstrations - Offerors in the competitive range may be invited to construct a hands-on sample or presentation of their solution at the City of Phoenix. In addition, each finalist may prepare and deliver a presentation of their proposed solution based on the script developed by the evaluation panel. The City may also require a hands-on lab demonstration designed specifically for the evaluation panel. The results of the surveys will be tabulated and delivered to the evaluation team for the final review and solution selection session(s).
- 1.30.3. If an Offer in the Competitive Range contains conditions, exceptions, reservations or understandings to or about any Contract or Solicitation Scope requirement, the City may discuss or negotiate the conditions, exceptions, reservations or understandings during these meetings. But the City in its sole discretion may reject any and all conditions, exceptions, reservations and understandings, and the City may instruct any Offeror to remove the conditions, exceptions, reservations or understandings. If the Offeror fails to do so, the City may determine the Offer is nonresponsive, and the City may revoke its determination that the Offer is in the Competitive Range.
- 1.30.4. To the fullest extent permitted by law, the City will not provide any information, financial or otherwise, to any Offeror about other Offers received in response to this solicitation. During discussions with Offerors in the Competitive Range, the City will not give Offerors specific prices or specific financial requirements that Offerors must meet to qualify for further consideration. The City may state that proposed prices are too high with respect to the marketplace or otherwise unacceptable. Offerors will not be told of their relative rankings before Contract award.

**1.31. BEST AND FINAL OFFERS (BAFO)**

- 1.31.1. A BAFO is an option available for negotiations. Each Offeror in the Competitive Range, which is determined in the CITY's sole discretion, may be afforded the opportunity to amend its Offer and make one BAFO.
- 1.31.2. If an Offeror's BAFO modifies its initial offer, the BAFO should include a "Change Log" identifying all modifications made to the Offer. The CITY will evaluate BAFOs based on the same requirements and criteria applicable to initial Offers. The CITY will adjust appropriately, at its sole discretion, the initial scores for criteria that have been affected by Offer modifications made by a BAFO. Based on the criteria defined in the solicitation as weighted, the CITY will then perform final scoring and prepare final rankings.

The City requires a completed Contract Worker Badge/Key/Intrusion Detection Responsibilities Agreement for each Contract Worker who requires a badge or key.

**3.19.1. Background Screening Risk Level:** The City has established two levels of risk: Standard and Maximum risk. If the scope of work changes, the City may amend the level of risk, which could require the Contractor to incur additional contract costs to obtain background screens or badges.

**3.19.3. Contractor (“Indemnitor”) must defend, indemnify, and hold harmless the City of Phoenix and its officers, officials (elected or appointed), agents, and employees (“Indemnitee”) from and against any and all claims, actions, liabilities, damages, losses or expenses (including but not limited to court costs, attorney fees, expert fees, and costs of claim processing, investigation and litigation) of any nature or kind whatsoever (“Losses”) caused, or alleged to be caused, in whole or in part, by the wrongful, negligent or willful acts, or errors or omissions of Indemnitor or any of its owners, officers, directors, members, managers, agents, employees or subcontractors (“Indemnitor’s Agents”) arising out of or in connection with this Contract. This defense and indemnity obligation includes holding Indemnitee harmless for any Losses arising out of or recovered under any state’s Workers’ Compensation Law or arising out of the failure of Indemnitor or Indemnitor’s Agents to conform to any federal, state or local law, statute, ordinance, rule, regulation or court decree.
