Questions and Responses from the Pre-Offer Conference held on November 16, 2021 and email questions received:

- 1. Section III – Special Terms and Conditions, Item 21 Contractor Worker Access Controls, Badge and Key Access Requirement, 21.2 Background Screening Level (MAXIMUM RISK) If a Contractor Personnel has been approved by the City (with another Department) under their Criminal Justice Information System (CJIS), will this work for the Housing’s Maximum Risk requirement?**

City Response: Yes, the CJIS is the maximum clearance (Badge Green with Red CJIS Letting) the Contractor Personnel can have, it is good across all City Departments. This same badge access card can be utilized for Housing, Police and other Departments. The badge card number is shared in both access systems. Badge with CJIS clearance is valid for contract term or three years whichever is shorter (City of Phoenix Administrative Regulation 4.44 Contractor Worker Identification and Access Controls and 4.45 – Contract Worker Background Checks).

- 2. Section VI – Scope of Work – Name of Community, Address and Number of Units – Are any of three communities will be removed during the term of this solicitation/contract?**

City Response: Yes, Maryvale Parkway Terrance is scheduled move to a private entity around June 2023. Sunnyslope and Filmore Garden is not being planned for private entity during the contract term.

The balance of the specifications and instructions remain the same. Offeror must acknowledge receipt and acceptance of this addendum by returning the entire addendum with the bid or proposal submittal.
