INTERACTIVE DIGITAL KIOSKS

QUESTIONS & ANSWERS:

Q1. If we place an image of an installed kiosk on each transition page, will that be counted towards the 25-page limit?

A1. The transition/divider page will not count towards the page limit as long as you do not include any ratable items on it such as photos, quotes, etc. that a panel member might consider.

Q2. It is mentioned that the revenue schedule doesn't count towards the page count. Are we supposed to fill out the revenue schedule (Exhibit F) of the agreement as part of our RFP response, or just submit a Pro Forma with the information requested in the Revenue Sharing Plan in the Evaluation Criteria? If the latter, will the Pro Forma count towards the 25-page limit?

A2. The pro-forma will not count toward the page limit and is in addition to the revenue schedule. The revenue schedule should reflect a high-level summary of your offer.
