Offers are not available for public inspection until after the City has posted the award recommendation on the City's website.

The City will post a preliminary offer tabulation on the City's website, <https://solicitations.phoenix.gov/Awards> within five calendar days of the offer opening. The City will post the information on the preliminary tabulation as it was read during the offer opening. 16.1 Unless otherwise indicated, award(s) will be made to the most responsive, responsible Offeror(s) who are regularly established in the service, or providing the goods, contained in this solicitation and who have demonstrated the ability to perform in an acceptable manner.

16.2 Factors that may be considered by the City include:

SECTION I - INSTRUCTIONS

CITY OF PHOENIX

- Technical capability of the Offeror to accomplish the scope of work required in the Solicitation. This may include performance history on past and current government or industrial contracts; and,
- Demonstrated availability of the necessary manpower (both supervisory and operational personnel) and necessary equipment to accomplish the scope of work in the Solicitation; and,
- Safety record, including complaints and investigations; and,
- Vendor history of complaints and termination for convenience or cause, litigation or lawsuits.

16.3 Notwithstanding any other provision of this solicitation, the City reserves the right to: (1) waive any immaterial defect or informality; or (2) reject any or all offers or portions thereof; or (3) reissue a solicitation.

16.4 A response to a solicitation is an offer to contract with the City based upon the terms, conditions, and specifications contained in the City's solicitation. Offers do not become contracts until they are executed by the Deputy Finance Director or Department Director. A contract has its inception in the award, eliminating a formal signing of a separate contract. For that reason, all of the terms, conditions and specifications of the procurement contract are contained in the solicitation, and in any addendum or contract amendment.

17. CITY'S RIGHT TO DISQUALIFY FOR CONFLICT OF INTEREST:

The City reserves the right to disqualify any Offeror based on any real or apparent conflict of interest that is disclosed by the offer submitted or any other data available to the City. This disqualification is at the sole discretion of the City. Any Offeror submitting an offer herein waives any right to object now or at any future time, before any agency or body, including but not limited to, the City Council of the City of Phoenix or any court.

18. SOLICITATION TRANSPARENCY POLICY:

18.1. Commencing on the date and time a solicitation is published, potential or actual offerors or respondents (including their representatives) shall only discuss matters associated with the solicitation with the Mayor, any members of City Council, the City Manager, any Deputy City Manager, or any department director directly associated with the solicitation (including in each case their assigned staff, except for the designated procurement officer) at a public meeting, posted under Arizona Statutes, until the resulting contract(s) are awarded to all offers or responses are rejected and the solicitation is cancelled without any announcement by the Procurement Officer of the City's intent to reissue the same or similar solicitation.

SECTION I - INSTRUCTIONS

CITY OF PHOENIX

- 18.2. As long as the solicitation is not discussed, Offerors may continue to conduct business with the City and discuss business that is unrelated to the solicitation.
- 18.3. Offerors may discuss their offer or the solicitation with the Mayor or one or more members of the Phoenix City Council, provided such meetings are scheduled through the Procurement Officer, and are posted as open meetings with the City Clerk at least 24 hours prior to the scheduled meetings. The City Clerk will be responsible for posting the meetings. The posted notice shall identify the participants and the subject matter, as well as invite the public to participate.
- 18.4. With respect to the selection of the successful Offerors, the City Manager and City Manager's Office will continue the past practice of exerting no undue influence on the process.
- 18.5. This policy is intended to create a level playing field for all Offerors, assure that contracts are awarded in public, and protect the integrity of the selection process. **OFFERORS THAT VIOLATE THIS POLICY SHALL BE DISQUALIFIED.** After official Notice is received by the City for disqualification, the Offeror may follow the Protest process, unless the Solicitation is cancelled without notice of intent to re-issue.
- 18.6. "To discuss" means any contact by the Offeror, regardless of whether the City responds to the contact. Offerors that violate this policy will be disqualified until the resulting contract(s) are awarded, or all offers or responses are rejected and the solicitation is cancelled without any announcement by the Procurement Officer of the City's intent to reissue the same or a similar solicitation. The City interprets the policy as continuing through a cancellation of a solicitation until Council award of the contract, as long as the City cancels with a statement that the City will rebid the solicitation.
19. **PROTEST PROCESS:**
- 19.1. Offeror may protest the contents of a solicitation no later than seven days before the solicitation deadline when the protest is based on an apparent alleged mistake, impropriety or defect in the solicitation. Protests filed regarding the solicitation may be addressed by an amendment to the solicitation or denied by the City. If denied, the opening and award will

SECTION I - INSTRUCTIONS

CITY OF PHOENIX

- proceed unless the City determines that it is in the City's best interests to set new deadlines, amend the solicitation, cancel or re-bid.
- 19.2.** Therefore, unless otherwise notified by a formal amendment, the Protester must adhere to all solicitation dates and deadlines, including timely filing of an offer, regardless of filing a protest.
- 19.3.** Offeror may protest an adverse determination issued by the City regarding responsibility and responsiveness, within seven days of the date the Offeror was notified of the adverse determination.
- 19.4.** Offeror may protest an award recommendation if the Offeror can establish that it had a substantial chance of being awarded the contract and will be harmed by the recommended award. The City will post recommendations on the City's website to award the contract(s) to an Offeror(s). Offeror must submit award protests within seven days after the posting of the award recommendation, with exceptions only for good cause shown, within the City's full and final discretion.
- 19.5.** All protests will be in writing, filed with the Procurement Officer identified in the solicitation and include the following:
- 19.5.1. Identification of the solicitation number;
 - 19.5.2. The name, address and telephone number of the protester;
 - 19.5.3. A detailed statement describing the legal and factual grounds for the protest, including copies of relevant documents;
 - 19.5.4. The form of relief requested; and
 - 19.5.5. The signature of the protester or its authorized representative.
- 19.6.** The Procurement Officer will render a written decision within a reasonable period after the protest is filed. The City will not request City Council authorization to award the contract until the protest process is complete. All protests and appeals must be submitted in accordance with the City's Procurement Code, (Phoenix City Code, Ch. 43) and any protests or appeals not submitted within the time requirements will not be considered. Protests must be filed with the Procurement Officer.

SECTION I - INSTRUCTIONS

CITY OF PHOENIX

An Offeror may request specific information contained within its Offer is treated by the Procurement Officer as confidential provided the Offeror clearly labels the information “confidential.” To the extent necessary for the evaluation process, information marked as “confidential” will not be treated as confidential. Once the procurement file becomes available for public inspection, the Procurement Officer will not make any information identified by the Offerors as “confidential” available to the public unless necessary to support the evaluation process or if specifically requested in accordance with applicable public records law. When a public records request for such information is received, the Procurement Officer will notify the Offeror in writing of any request to view any portion of its Offer marked “confidential.” The Offeror will have the time set forth in the notice to obtain a court order enjoining such disclosure. If the Offeror does not provide the Procurement Officer with a court order enjoining release of the information during the designated time, the Procurement Officer will make the information requested available for inspection.

21. **LATE OFFERS:**

Late Offers must be rejected, except for good cause. If a late Offer is submitted, the Department will document the date and time of the submittal of the late Offer, keep the Offer and notify the Offeror that its Offer was disqualified for being late.

22. **RIGHT TO DISQUALIFY:**

The City reserves the right to disqualify any Offeror who fails to provide information or data requested or who provides materially inaccurate or misleading information or data. The City further reserves the right to disqualify any Offeror on the basis of any real or apparent conflict of interest that is disclosed by the Offeror submitted or any other data or information available to the City. This disqualification is at the sole discretion of the City. By submission of a solicitation response, the Offeror waives any right to object now or at any future time, before any agency or body including, but not limited to, the City Council of the City or any court as to the exercise by the City of such right to disqualify or as to any disqualification by reason of real or apparent conflict of interest determined by the City. - 28.3.** Exceptions, conditions, reservations, or understandings are presumed to be unacceptable, and an Offer that includes unacceptable exceptions, conditions, reservations, or understandings may be rejected as nonresponsive. Alternatively, the City in its sole discretion may instruct in writing that any Offeror remove the conditions, exceptions, reservations or understandings. If the Offeror fails to do so in writing, the City may determine the Offer to be nonresponsive.

29. DETAILED EVALUATION OF OFFERS AND DETERMINATION OF COMPETITIVE RANGE:

During deliberations, the Evaluation Panel will reach a consensus score for each evaluation criterion except price. The overall consensus scores will determine the Offerors' rankings, and which Offers are within the Competitive Range, when appropriate.

The City may notify Offerors of Offers that the City determined are not in the Competitive Range.

31. DISCUSSIONS WITH OFFERORS IN THE COMPETITIVE RANGE:

Each Offeror so notified may be interviewed by the City and asked to discuss answers to written or oral questions or provide clarifications to any facet of its Offer. The Offerors in the competitive range may be required to provide a demonstration of their product.

31.2. Demonstrations - Offerors in the competitive range may be invited to construct a hands-on sample or presentation of their solution at the City of Phoenix. But the City in its sole discretion may reject any and all conditions, exceptions, reservations and understandings, and the City may instruct any Offeror to remove the conditions, exceptions, reservations or understandings. If the Offeror fails to do so, the City may determine the Offer is nonresponsive, and the City may revoke its determination that the Offer is in the Competitive Range.

SECTION III – SPECIAL TERMS AND CONDITIONS

CITY OF PHOENIX

10. **ADVERTISING:** Contractor will not advertise or publish news releases concerning this contract without the prior written consent of the Deputy Finance Director or Department Director, and the City will not unreasonably withhold permission.
11. **EXCLUSIVE POSSESSION:** All services, information, computer program elements, reports, and other deliverables which may be created under this contract are the sole property of the City of Phoenix and will not be used by the Contractor or any other person except with prior written permission by the City.
12. **STRICT PERFORMANCE:** Failure of either party to insist upon the strict performance of any item or condition of the contract or to exercise or delay the exercise of any right or remedy provided in the contract, or by law, or the acceptance of materials or services, obligations imposed by this contract, or by law, will not be deemed a waiver of any right of either party to insist upon the strict performance of the contract.
13. **LICENSES AND PERMITS:** Contractor will keep current Federal, State, and local licenses and permits required for the operation of the business conducted by the Contractor as applicable to this contract.
14. **COMMUNICATION IN ENGLISH:** It is mandatory that the Contractor's lead person assigned to any City facility can speak, read, and write in English to effectively communicate with City staff.
15. **TYPES OF WORK SUPERVISION:** The Contractor shall provide onsite supervision and appropriate training to assure competent performance of the work. Contractor or authorized agent will make sufficient daily routine inspections to ensure the work is performed as required by this contract.
16. **BACKGROUND SCREENING:** Contractor agrees that all Contractor and subcontractors' workers (collectively "Contract Worker(s)") pursuant to this Agreement will be subject to background and security checks and screening (collectively "Background Screening") at Contractor's sole cost and expense, unless otherwise provided for in the scope of work. Contractor's background screening will comply with all applicable laws, rules and regulations. Contractor further agrees that the background screening is necessary to preserve and protect the public health, safety and welfare. The City requires a completed Contract

Worker Badge/Key/Intrusion Detection Responsibilities Agreement for each Contract Worker who requires a badge or key.

16.1. **Background Screening Risk Level:** The City has established two levels of risk: Standard and Maximum risk. If the scope of work changes, the City may amend the level of risk, which could require the Contractor to incur additional contract costs to obtain background screens or badges.

16.2 **Terms of This Section Applicable to all Contractor’s Contracts and Subcontracts:** Contractor will include Contract Worker background screening in all contracts and subcontracts for services furnished under this agreement.

16.3 **Materiality of Background Screening Requirements; Indemnity:** The background screening requirements are material to City’s entry into this agreement and any breach of these provisions will be deemed a material breach of this contract. In addition to the indemnity provisions set forth in this agreement, Contractor will defend, indemnify and hold harmless the City for all claims arising out of this background screening section including, but not limited to, the disqualifications of a Contract Worker by Contractor. The background screening requirements are the minimum requirements for the Agreement. The City in no way warrants that these minimum requirements are sufficient to protect Contractor from any liabilities that may arise out of the Contractor’s services under this Agreement or Contractor’s failure to comply with this section. Therefore, Contractor and its Contract Workers will take any reasonable, prudent and necessary measures to preserve and protect public health, safety and welfare when providing services under this Agreement.

16.4 **Continuing Duty; Audit:** Contractor’s obligations and requirements will continue throughout the entire term of this Agreement. Contractor will maintain all records and documents related to all background screenings and the City reserves the right to audit Contractor’s records.

Accordingly, Contractor agrees to properly cure any default under this section within three business days (excluding weekends and City holidays) from the date notice of default is sent by the City. The parties agree that Contractor’s failure to properly cure any default under this section will constitute a breach of this section. In addition to any other remedy available to the City at law or in equity, the Contractor will be liable for and pay to the City the sum of \$1,000.00 for each breach by Contractor in this section. The parties further agree that the sum fixed above is reasonable and approximates the actual or anticipated loss to the City at the time and making of this agreement if Contractor breaches this section. Further, the parties expressly acknowledge and agree to the fixed sum set forth above because of the difficulty of proving the City’s actual damages if Contractor breaches this section. The parties further agree that three breaches by Contractor in this section arising out of any default within a

consecutive period of three months or three breaches by Contractor in this section arising out of the same default within a period of 12 consecutive months will constitute a material breach of this agreement by Contractor and the City expressly reserves all of its rights, remedies and interests under this agreement, at law and in equity including, but not limited to, termination of this agreement.

16.7 Employee Identification and Access: Contract Workers are forbidden access to designated restricted areas. Access to each building will be as directed by the authorized Phoenix authorized representative. Contract Workers are not authorized access other than during scheduled hours. Access to the building will be directed by the City's authorized representative.

16.8 Key Access Procedures: If the Contractor Worker's services require keyed access to enter a City facility(ies), a separate key issue/return form must be completed and submitted by the Contractor for each key issued. Contractor must submit the completed key issue/return form to the appropriate badging office.

Contractor will collect a Contract Worker’s badge and key(s) upon the termination of the Contract Worker’s employment; when the Contractor Worker’s services are no longer required at a City facility(s); or upon termination, cancellation or expiration of this agreement.

In addition, Maximum screening levels may require additional checks as included herein, depending on the scope of work, and may be amended if the scope of work changes.

17.4. Additional Maximum Risk Background Checks: Maximum screening will additionally require:

- If, upon review of the background information, the City will advise the Contractor if it believes a Contract Worker should be disqualified. The Contractor will evaluate the Contract Worker and if the Contractor believes that there are extenuating circumstances that suggest that the person should not be disqualified, the Contractor will discuss those circumstances with the contracting department. The contracting department decision on disqualification of a Contract Worker is final.
- For sole proprietors, the Contractor must comply with the background check for himself and any business partners, or members or employees

who will assist on the contract and for whom the requirements of the Agreement apply.

- By executing this agreement, Contractor certifies and warrants that Contractor has read the background screening requirements and criteria in this section, and that all background screening information furnished to the City is accurate and current.
- The City final documented decision will be an “approve” or “deny” for identified Contract Workers.
- The City will not keep records related to background checks once they are confirmed. Information to verify the results will be returned to the Contractor, or any contracted agency that assists with review, after the City’s completed review.
- By executing this agreement, Contractor further certifies and warrants that Contractor has satisfied all such background screening requirements for the maximum risk background screening, and verified legal worker status, as required.
- Contract Workers will not apply for the appropriate City of Phoenix identification and access badge or keys until Contractor has received the City’s written acceptance of Contract Worker’s maximum risk background screening. The City may, in its sole discretion, accept or reject any or all the Contract Workers proposed by Contractor for performing work under this Agreement. A Contract Worker rejected for work at a maximum risk level under this agreement will not be proposed to perform work under other city contracts or engagements without city’s prior written approval.

At a minimum, Contractor must encrypt and/or password-protect electronic files. This includes data saved to laptop computers, computerized devices, handheld devices, networking devices, removable storage devices, or other electronic media, as well as data in transit, such as during email or file transfer.

SECTION III – SPECIAL TERMS AND CONDITIONS

CITY OF PHOENIX

When personal identifying information, financial account information, protected health information, or restricted City information, regardless of its format, is no longer necessary, the information must be redacted or destroyed through appropriate and secure methods that ensure the information cannot be viewed, accessed, or reconstructed. Contractor must properly dispose of such information by taking reasonable measures to protect against unauthorized access to or use of the information in connection with its disposal.

This includes implementing and monitoring compliance with policies and procedures that require the redaction, destruction, erasure, or other disposal of paper documents and electronic media containing personal identifying information, financial account information, protected health information, or restricted City information so that these types of information cannot practicably be read or reconstructed. Contractor will provide the City with its information security policies and procedures regarding the redaction, destruction, erasure, or other disposal of documents and information.

In the event that data collected or obtained by the Contractor in connection with this Agreement is suspected to have been compromised, Contractor shall notify the contracting City department immediately. Contractor agrees to reimburse the City for any costs incurred by the City to investigate and respond to potential breaches of this data, including, where applicable, the cost of notifying individuals who may be impacted by the breach, attorneys' fees, and for any monetary damages or penalties the City is assessed. In case of a breach or critical breach of the City's information, it will be the City, not the Contractor that will inform any and all individuals affected by any such breach. Only upon prior written consent of the City, or at the specific direction of the City, will the Contractor notify individuals affected by a breach or critical breach of the City's information.

Contractor agrees that the City may assess or test the security of any applications, web services, or computerized systems created or provided by the Contractor that process, store, or transmit City information. If the City finds vulnerabilities that are rated medium or more critical by the Common Vulnerability Scoring System (CVSS) in these applications, web services, or computerized systems, the Contractor agrees to remediate the vulnerability at no cost to the City and within an agreed-upon timeframe not to exceed 90 days. To clarify, the Contractor must remediate found vulnerabilities in computerized systems they provide; Contractor is **not** liable for remediating any vulnerability found in the City's network or computing infrastructure used to support the applications, web services, or systems created or provided by the Contractor.

Contractor agrees to demonstrate that they have adequate controls and safeguards when they host or process personal identifying information, financial account information, protected health information, or restricted City information. This may be accomplished through a third-party audit utilizing a widely recognized auditing standard, such as Statement on Standards for Attestation Engagements (SSAE) No. 16, or through earning industry certification, such as ISO/IEC 27001.

By signing and entering this Agreement the Contractor specifically acknowledges that it is responsible for the security of cardholder data that Contractor possesses or otherwise stores, processes or transmits on behalf of the City. Additionally, as a requirement of this contract you must provide to the City a copy of your written Notice to customers that you are responsible for the security of cardholder data that you obtain and otherwise store, process or transmit.

Contractor agrees to comply with all City information security and technology policies, standards, and procedures when accessing City networks and computerized systems whether onsite or remotely.

Contractor agrees that the requirements of this Section shall be incorporated into all subcontractor agreements entered into by the Contractor. It is further agreed that a violation of this Section shall be deemed to cause irreparable harm that justifies injunctive relief in court. A violation of this Section may result in immediate termination of this Agreement without notice. The obligations of Contractor under this Section shall survive the termination of this Agreement.

Contractor will maintain and implement policies and procedures to manage service providers with whom cardholder data is shared, as follows:

- Maintain a list of service providers or subcontractors.
- Report PCI DSS compliance status with annual attestation of compliance provided within 30 days of the annual Report of Compliance audit completion, or annual contract renewal date, whichever is sooner, to City that ensures

Contractor and all subcontractors are PCI DSS 3.0 compliant and verified by a recognized third party certification.

- Maintain information about which PCI DSS requirements are managed by Contractor.

19. SECURITY INQUIRIES: Contractor acknowledges that all of the employees that it provides pursuant to this Contract shall, at Contractor's expense, be subject to background and security checks and screening at the request of the City. Contractor shall perform all such security inquiries and shall make the results available to the City for all employees considered for performing work (including supervision and oversight) under this Contract. City may make further security inquiries. Whether or not further security inquiries are made by the City, City may, at its sole, absolute and unfettered discretion, accept or reject any or all of the employees proposed by the Contractor for performing work under this Contract. Employees rejected by the City for performing services under this Contract may still be engaged by Contractor for other work not involving the City. An employee rejected for work under this Contract shall not be proposed to perform work under other City contracts or engagements without the City's prior approval.

The City, in its sole discretion, reserves the right, but not the obligation to:

- require an employee/prospective employee of the Contractor to provide fingerprints and execute such other documentation as may be necessary to obtain criminal justice information pursuant to A.R.S. 41-1750 (G) (4);
- act on newly acquired information whether or not such information should have been previously discovered;
- unilaterally change its standards and criteria relative to the acceptability of Contractor's employees and/or prospective employees; and

Indemnitor will be responsible for primary loss investigation, defense and judgment costs where this indemnification applies. The City of Phoenix is required to sell forfeited and unclaimed firearms to a federally licensed firearms dealer pursuant to A.R.S. § 13-3105 and A.R.S. § 12-945, respectively, unless the firearms are prohibited from being sold under federal or state law.

Forfeited firearms are generally those firearms that are adjudicated by the court and returned to the law enforcement agency holding the firearm for disposition upon the conviction any person for a violation of any felony in the state in which the firearm was used, displayed or unlawfully possessed.

Unclaimed firearms are generally those firearms used as evidence and that remain unclaimed in the hands of the law enforcement agency:

- that was seized by a police officer as being used unlawfully or for an unlawful purpose and that was held unclaimed from the date of seizure; or
- that came into the hands of the agency as unclaimed, surrendered, contraband or abandoned and that is not classified as evidence.

Federal law generally prohibits the City from selling or otherwise transferring of the following firearms:

- Stolen firearms – 18 U.S.C. § 922(j);
- Firearms which have had the manufacturer’s serial number removed, obliterated, or altered – 18 U.S.C. § 922(k);

The LOA will state that operations may continue under the existing license for a period of up to six months.
