QUESTION AND ANSWER:

The following question was submitted by the written inquiries date.

Item No.	Question	Response
1.	Are the insurance requirements negotiable??	Phoenix Sky Harbor International Airport is listed as a training location required in this RFP. Services provided would be an airport-side activity resulting in an increase of insurance limits as the risks and exposures are much higher. The insurance requirements are non-negotiable.

The balance of the specifications and instructions remain the same. Bidder must acknowledge receipt and acceptance of this addendum by returning the entire addendum with the bid or proposal submittal.
